Ripples 2021

Ripples, the multi-disciplinary annual seminar series was conceptualised in the year 2018 as part of Golden Jubilee Celebrations of Sree Narayana Guru College, Chelannur, with the collective involvement of nineteen departments of the college, with a view to enlighten the youngsters through academic deliberations. This programme was initiated with the humble aim to continue the same annually so that our institution, will be able to provide exposure and platform for the students who are socially and economically backward.

In the light of the present day's global scenario of pandemic COVID 19, the fourth edition of Ripples named Ripples 2021, is planned to organise in an online mode by way of Google Meet with the support of the PTA. The main aim of Ripples is to bring together a wide range of faculty, students and researchers in the field of Arts, Science and Humanities to gain a deeper understanding of today's global challenges. These events are expected to provide the students, researchers and faculty, a platform for paper presentations and interaction with luminaries from various disciplines. This will enable the empowerment of the student community through the realisation of the revolutionary call of the great saint Sree Narayana Guru - 'Liberation Through Education'.

With immense pleasure and warmth, we welcome your active participation in Ripples 2021, the multi-disciplinary annual seminar series of Sree Narayana Guru College, Chelannur scheduled from 9th May 2022 onwards through Google Meet.

The Principal, Staff and Students of Sree Narayana Guru College Chelannur, have great pleasure in inviting you to the inauguration of this academic endeavour on 9th May 2022 at 7: 30 PM.
