### Ripples 2021

Ripples, the multi-disciplinary annual seminar series was conceptualised in the year 2018 as part of Golden Jubilee Celebrations of Sree Narayana Guru College, Chelannur, with the collective involvement of nineteen departments of the college, with a view to enlighten the youngsters through academic deliberations. This programme was initiated with the humble aim to continue the same annually so that our institution will be able to provide exposure and platform for the students who are socially and economically backward.

The main aim of Ripples is to bring together a wide range of faculty, students and researchers in the field of Arts, Science and Humanities to aain a deeper understanding of today's global challenges. These events are expected to provide the students, researchers and faculty, a platform for paper presentations and interaction with luminaries from various disciplines. This will enable the empowerment of the student community through the realisation of the revolutionary call of the great saint Sree Narayana Guru - 'Liberation Through Education'.

This is the fourth edition of Ripples, Ripples21 conducted fully on a virtual platform under the auspices of IQAC with the support of PTA. It's our pleasure to invite you all to the Valedictory Ceremony of Ripples'21, the Multi-Disciplinary Annual Seminar Series on 20th September 2022.
