(Assistant Professor Department of English) |

Our institution

Sree Narayana Guru College, named after Sree Narayana Guru the eminent social reformer, anti-caste visionary, and a central figure of the South Indian Renaissance was founded by R. Sankar, former Chief Minister of Kerala. Established in 1968, the college stands on a vast 67 acre campus at the foothills of the majestic Kalari Hills, approximately fourteen kilometres from Kozhikode city.

Affiliated to the University of Calicut and administered by the Sree Narayana Trusts, the college comprises seven undergraduate and four postgraduate departments and is recognised as one of the leading higher education institutions in the district. The institution has been re-accredited with an 'A' grade, earning a grade point of 3.13 in the third cycle of NAAC evaluation.

Ripples International Seminar Series 2025-26 – Technologia

The Ripples International Seminar Series, originally conceptualised in 2018 as part of the college's Golden Jubilee Celebrations, was founded with the objective of enriching young minds through meaningful academic and intellectual discourse. Over the years, the initiative has grown into a collaborative academic platform involving eighteen departments of the college, with the purpose of providing exposure and a voice to students, especially those from socially and economically disadvantaged communities.

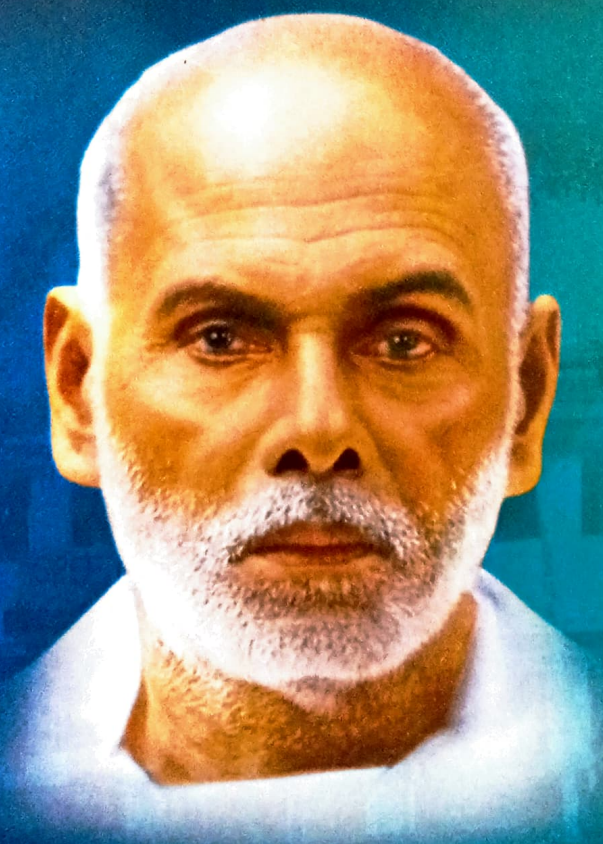

Ripples 2025-26, themed "Technologia", brings together diverse academic disciplines, each contributing unique insights to foster a more expansive and integrated body of knowledge. In today's rapidly evolving academic landscape, the relevance of interdisciplinary dialogue has become more significant than ever. Addressing this need, the Ripples International Seminar Series 2025-26 serves as a vital forum for scholars, researchers, and academic enthusiasts to engage in robust interdisciplinary discussions and promote deeper intellectual understanding.

This year marks the Seventh edition of the Ripples Seminar Series. The programme is organised by the Academic Committee under the auspices of the Internal Quality Assurance Cell (IQAC), with support from the Parents Teachers Association of the college. We are delighted to invite you to the inaugural ceremony of Ripples 2025-26, to be held on 22 December 2025 at 2:30 pm in the college seminar hall.

- Prayer** : **Dr. Aswathi V**
(Assistant Professor, Department of Biology)
