

## **Report on Essay writing competition Regarding 100-day intensive TB elimination program launched by the Ministry of Education, IGNOU**

As part of the 100-day intensive TB elimination program launched by the Ministry of Education, IGNOU Regional Centre Vatakara, in association with IGNOU Study Centre Sree Narayana Guru College Chelannur, organized an essay writing competition to raise awareness about tuberculosis and promote community involvement in TB control and elimination efforts.

Objectives of the programme was

To create awareness about TB and its impact on public health among students and the community.

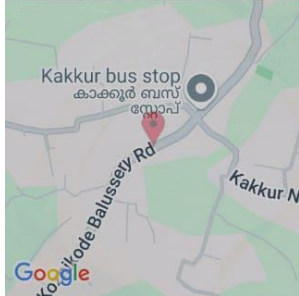

- To encourage students to think critically and creatively about TB-related issues.
- To promote community involvement in TB control and elimination efforts.

### **Program Details**

- Date: 28.02.2025
- Time: 12.30 PM
- Venue: Public library Kakoor
- Participation: The competition was open to local community
- Essay Topics: Participants were asked to write essays on topics related to TB, The topic was "TB: A Public Health Concern,"

The essay writing competition was a huge success, with 20 participants from the local community. The program helped raise awareness about TB and promoted community involvement in TB control and elimination efforts. The essays submitted by the participants showcased their creativity, critical thinking, and knowledge about TB-related issues.

The essay writing competition program conducted by IGNOU Regional Centre Vatakara in association with IGNOU Study Centre Sree Narayana Guru College Chelannur was a successful initiative that promoted TB awareness and community involvement. Similar programs should be organized regularly to sustain the momentum and achieve the goal of TB elimination.
