A BRIEF HISTORY OF THE COLLEGE

Sree Narayana Guru College, Chelannur, is situated at the foot of the towering Kalari Hills, in a quiet village about 14 kilometres in the north-east direction from Kozhikode. The college has a serene and extensive campus of about 67 acres, by the side of Kozhikode-Balussery Road, noted for its scenic beauty and blessed with the natural spring water fountain in the south-east location. The institution has been catering to the academic needs and aspirations of the pupils in and around Chelannur for more than four decades.

The foundation stone of the college building was laid in February 1968 by Dr. T. Balakrishnan. The formal inauguration of the commencement of classes took place in June 1968 with Sri. R. Sankar, the Founder Secretary of the S.N. Trusts engaging the first Pre-Degree class. In 1975, with the beginning of under graduate courses in Botany and Commerce, the college was elevated to the status of a degree college. It became a venue for Post Graduate Studies with the commencement of M.Com degree course in 1995, MA (English) Degree course in 1999, MA (Economics) Degree course in 2013 and Msc (Biology) course in 2021. In March 2007, the college was accredited by the NAAC at the level of B+ grade and re-accredited by the NAAC at the level of B++ grade in October 2016. The college was awarded A Grade with CGPA 3.13 in the third cycle of NAAC Accreditation in the year 2023.

At present the college is one of the prestigious institutions of higher learning run by S.N.Trusts, Kollam. It is managed by the executive committee of the S.N. Trusts with Sri. Vellappally Natesan as the manager. The Regional Development Committee, Calicut, assists the Trusts in the management and developmental activities of the college. The Principal is the Ex-officio member of the Regional Development Committee.

AIMS AND OBJECTIVES OF THE COLLEGE

It was His Holiness Narayana Guru's call to seek "Liberation through Education" which inspired the distinguished citizens of this backward area to start a new college. The basic objective of the institution is to provide education to the marginalised sections of the society. The college stands for the academic excellence as well as the development of the skill and character of students based on the Holy Guru's perspectives on humanism, secularism and universal brotherhood.

The motto of the college is 'Enlightenment and Liberation through Education' and it endeavours to mould a community of students committed to the pursuit of truth and moral excellence, upholding the high ideals of Sree Narayana Guru, our Patron. We aim at building up a humane and socially committed fraternity of young men and women by the upliftment of the downtrodden masses through education.

Our institution is a major centre for higher education offering educational opportunities to the rural community. A sizeable number of our former students have been placed in coveted positions in India and abroad which has contributed to the general development of the area. Majority of the students of our college belong to the backward classes with 70 - 80% comprising girls. The institution is striving to achieve the goal of equal access and equal opportunity in all walks of life.
