

## 2021-2022 Academic Year

### **Ripples 2021-22**

Ripples the multi-disciplinary webinar series was conducted from 9th May 2022 on the virtual platform google meet. **Dr. Godwin Samraj D P (Honorable Controller of Examinations, University of Calicut)** inaugurated the webinar series with an extremely wonderful inaugural address. The seminar series was arranged as a webinar in such a manner that each session was allotted for each dept. on different days. Each webinar had its Resource Person delivering an invited lecture based on a specific theme. The invited lecture was followed by paper presentations by the students. The papers presented by students were evaluated by external experts and Best Paper Awards were announced, for each webinar. These awards were announced during the valedictory session of each webinar. The valedictory session of Ripples-21 was inaugurated by Dr. R Raveendran, who is the Emeritus Professor of (UGC), Principal (Rtd), of S. N. Colleges. as well as Special Officer (Academic) of S. N. Trusts, Kollam.

### Green Campus 2020-21

Creating a sustainable environment on the college campus impacts students' lives positively daily as well. So to make our students a better knowledge about green initiatives through environmental behavior, community solidarity, and knowledge retention many programs like monsoon vegetable cultivation programs, Vishnu cultivation, and planting saplings around the campus programs, etc were conducted by the students of the college under the guidance of program officers Dr. Bindu M K and Mr. Jithesh C P. students were able to cultivate many vegetables like tomatoes, cucumber, green chili, etc with a motive of taking control of the agricultural activities in the college campus. The barren areas of the college were prepared during the monsoon season and the seeds were planted. Once the harvest was complete the students continued the cultivation with organic plantain cultivation. Through these programs, the students were able to create a green and sustainable campus with their sincere efforts and with the idea of reviving the agricultural sector. all these activities were supported by Chelannur panchayath members and the Village officer.
