

Institutional Distinctiveness 2017-18

ED Club has taken up an initiative of going into the Chelannur locality as a part of the theme Services to the society, focused on the development of women in the rural area. As an activity of this particular year ED Club conducted Mr. Shaju took the class and practical session to the people. There are 10 participants from different families attending this workshop. This program mainly focused on providing the skill of how to make an umbrella, and how the women's community can start a small-scale business after learning the process.

The Postgraduate Department of English, Sree Narayana Guru College, Chelannur, conducted a short-term course in Communication Skills in English for high school students. This was conducted during July, August, and September, with the classes scheduled for every Wednesday from 3.20 pm to 4.00 pm. A batch of 25 students from the neighboring Sree Narayana Trusts High School, Chelannur, was selected according to the interest expressed by the students.

The Department of Botany, Sree Narayana Guru College, Chelannur along with IQAC offered free drinking water testing program for the private well owners who reside around the campus. This extension activity aims to promote drinking water testing and to educate the good owners on the importance of maintaining the quality of water. This academic year 10 water samples were collected from different open wells around the campus. Students of the Botany department collected the samples and analyzed the physical and chemical quality of water using 15 different parameters. Reports were created under the supervision of Smt. Lesitha K R, HoD, Department of Botany, and the report was also issued to these Well owners within a week of analysis. Most of the open wells had pH issues and solutions were suggested to the good owners when the reports were issued to them.
