ANNUAL REPORT 2021-2022

Introduction

With great pride and delight, we present this annual report of Sree Narayana College, Chelannur, as an authentic record of our activities and achievements during the academic year 2021-2022. Through projecting our accomplishments and drawbacks, we intend a self-assessment of our strengths and weaknesses. We also hope that this report would inspire us for an introspection to overcome our hurdles, resolve our drawbacks and work harder to be more productive and promising in all areas of activity, so that our institution can scale greater heights of glory in the years to come.

The Academic Committee constituted by the college council, comprising all Heads of Departments, one elected members of the staff, designed the academic plans for the academic year by charting a detailed Academic Calendar, in the beginning of the academic year itself. All academic activities were scheduled and conducted as prescribed in the calendar.

The College Council constituted various clubs and forums each under the supervision of a convener with 3-4 faculty members. These clubs and forums aim at the holistic development of the students, extending opportunities to awaken the latent talents in them. This year, there is an overall increase in the co-curricular and extra-curricular activities of our students compared with recent past, thanks to the effective coordination of the staff and students of the college during the academic year.

The Parent-Teacher Association of our college has once again proved to be a major pillar of support through their contribution in all spheres of activities and developments relating to the institution. The support of the PTA towards the academic and other activities as well as the infrastructural necessities was substantial in attaining our goals.

The units of the National Service Scheme and the National Cadets Corps, and the Department of Physical Education have relentlessly proved their competence by bagging honours and championships for the college this year also in various spheres.

Our faculty and students have made several achievements in various walks collectively and individually this year also. The warm cooperation and dedication of our faculty, non-teaching staff and students have enabled us to achieve our goals and objectives. Our association and cooperation with socio-cultural organizations have helped us to fulfil our social obligations.

We have also strived for the timely and effective utilization of not only P.D funds but also plan funds and grants & aids from the University Grants Commission. It is the Commission's encouragement and support that serve to motivate higher educational institutions to take up such

academic and developmental endeavors, which otherwise will not be economically and practically feasible for them. The management has also contributed to the maintenance of our infrastructure..

The conduct of ‘Ripples’ the annual interdisciplinary seminar series facilitated by PTA, which crossed a decade during the academic year was appreciated from all quarters.

Above all, the immense support from our Management, SN Colleges, Kollam, the Manager of Sree Narayana Colleges Sri.Vellappally Natesan, and the Regional Development Committee are the backbones for the successful functioning of our college.

Staff strength

The total number of Teaching Staff during the current academic year is 33 and the number of non-Teaching staff is 10.

Internal Quality Assurance Cell (IQAC)

At SNGC, the IQAC plays a pivotal role in the accomplishment of quality and standards. The action plan of each department is carefully chalked out and drafted based on the seven criteria as denoted by the NAAC. This includes various components such as the formulation of a Vision and Mission statement for each department, inculcating curriculum design and development, academic flexibility, curriculum enrichment strategies, teaching, learning and evaluation methodologies, research consultancy and extension.

At the beginning of the semester an action plan of the department is prepared in accordance with the template. The HOD monitors the progress and updates the status to the Principal. The evaluation of the action plan is carried out at the end of every semester by the IQAC, thus instilling quality assurance strategies and processes.

Quality Initiatives undertaken by IQAC during the year for the promoting Quality Culture

SL.No	Name of quality initiative by IQAC
1	Implemented E- governance software Relent in Sree Narayana Guru College, Chelannur
2	Organised academic feast Ripples 2021 as an national webinar series. The college hosted 19 scholarly lectures with resource person from various disciplines. This w=event -provided opportunity for students and faculty for paper presentation and interaction with luminaries from various disciplines.
3	IQAC organised an online class on office administration

ICTEDIS Programme

The PG Department of Botany conducted an online live session as part of on 22 July 2021, Thursday from 7.00 -8.30 PM. The UG and PG students of the Department attended the session. The Programme Coordinator Smt. Aswathy V (Assistant Professor, PG Department of English) delivered a welcome address for the event. Two presentations were scheduled as part of the webinar. One of the resource people Dr. Megha P U (Guest Lecturer, PG Department of Biology) presented on the topic "Molecular Docking in Drug Design". The presentation emphasized on the importance of using molecular docking techniques in modern drug designing. The other resource person Dr. Shymi K (Guest Lecturer, PG Department of Biology) presented on the topic "Gene Regulation in Eukaryotes". The class stressed on how genes are expression and regulated in various cells and tissues. Both the resource persons interacted with the students and gave suggestions to implement the techniques in research applications. At last, Agina K.K, Gayathri G.R (III B.Sc Botany) and Indulekha K T (I M.Sc Biology) gave feedbacks for the sessions. Finally, Smt. Lesitha K R (HOD, PG Department of Botany) delivered Vote of Thanks for the event.

International Webinar in connection with World Nature Conservation Day

The PG Department of Botany conducted an International Webinar in connection with World Nature Conservation Day-2021 on the topic “ Intellectual Property Rights and Biotechnology Patents” on 28 July 2021 from 7.00 -8:30 PM. The guest speaker was Dr. Rex Jeya Rajakumar, a Postdoctoral Associate from Boston University School of Medicine, USA. The students from the PG Department of Botany, the faculty members from SNG College Chelannur, and other college faculty and students were the participants for the webinar, The welcome address for the event was delivered by Smt Lesitha K R, HOD of the PPG department of Botany and she cordially welcomed the guest speaker by giving a short insight into his professional background. The Presidential address was delivered by Dr. Devipriya V, Principal, SNG College Chelannur. Felicitation was done by Smt. Athma Jayaprakash (Assistant Professor and IQAC Coordinator). Finally, after the technical session by the guest speaker, Dr. Megha P U delivered the vote of thanks. The guest speaker gave a well-explained session on the Intellectual Property Rights system with a special focus on biotechnology patenting and raised awareness among the participants about different IP options. Further during the interaction session, he also explained the procedure to file for a patent and how to open an IPR cell in various organizations. He also suggested that IP can help establish frameworks for collaborations and sharing of insights with external partners. Therefore, IP decisions should be preferably made during the early stages of research. Soon after the session feedback forms through google docs were given to each participant and the feedback

regarding the webinar was collected. Also, all participants were given an e-certificate of participation.

Online Internship Programme

The Department of Botany, SNGC in association with the Department of Biotechnology Karunya Institute of Technology and Sciences, Coimbatore conducted an online internship programme on the essential techniques in biosciences from 13-17 September 2021. The programme was a golden opportunity for the student community to learn and add worth to their research skills and CV. The students from the Department of Botany, SNG College Chelannur, and other colleges like Providence Women's College, Zamorins Guruvayurappan College, SAFI Institute of Advanced Studies, PSGR Krishnammal College for Women, and RVS College, Coimbatore participated in the internship programme. Almost 35 participants actively participated and got trained in different techniques during this internship programme. The internship being a five-day programme started with a welcome address by Dr. S. Murugan, Associate Professor, followed by a session on

Polymerase Chain reaction which was conducted by Dr. Muthukumar Nadar, Assistant Professor KITS, and by a video demonstration of the instrument by Dr. Jibu Thomas, Professor Head. The next day Electrophoresis technique was delt by Dr. Muthukumar NAdar and Dr. Jibu Thomas. The third day covered HPTLC which was taken by Dr. Jibu Thomas and the fourth day covered Cell culture techniques which were taken by Dr, David Paul, Assistant Professor KITS. The final day covered Scanning Electron Microscope which was explained by Dr. Vidhya from the Department of Nanoscience & Technology, KITS. The fifth day of the internship was concluded by a mall valedictory function, in which Dr. Devipriya V, Principal, SNGC delivered a talk followed by a vote of thanks by Dr. Megha P U. The students also had an opportunity to give feedback about the internship verbally as well through the google forms. Certificates were also issued to the participants after the successful completion of the internship.

National Science Day

As part of National Science Day-2022, the PG Department of Botany, SNGCC conducted Poster making competition on the theme “The Role of Science and Technology in tackling the pandemic-Covid 19”. Students from the science department of the college namely, Physics, Botany, Biology, and Mathematics took part in the competition and about 25 entries were received from these departments. The winners were selected with the help of a panel of faculties from various departments and the first prize was shared by Abhay Krishna and Sreeram Manoj Kumar of the Physics department. The second prize was shared by Vaishnavi and Adithya Mohan from the department of Biology and the third prize was shared by Anashwara and Indulekha of the Biology department. A certificate of appreciation was distributed to the winners by the principal, Dr. Devipriya V.

Department of Botany conducted a webinar on 21st December in connection with Imago webinar series. The topic selected for the webinar was “Plant Name and Classification: Some Thoughts from Malayalam Language with Special Reference to Van Rheeде’s Hortus Malabaricus”. The webinar was scheduled from 7 pm to 8.30 pm. The Resource person was Dr Ramesh Moochikkal from Jasan University, Saudi Arabia.

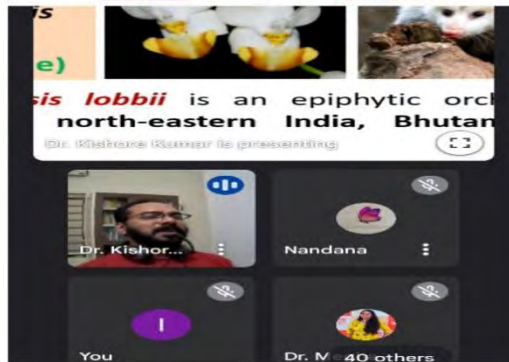

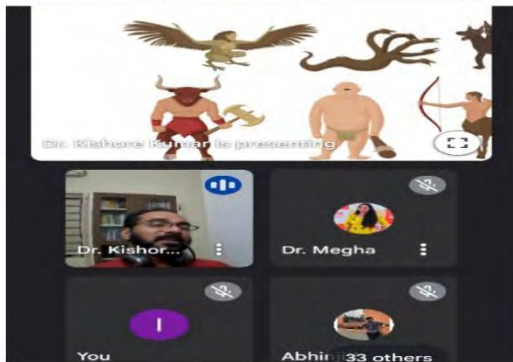

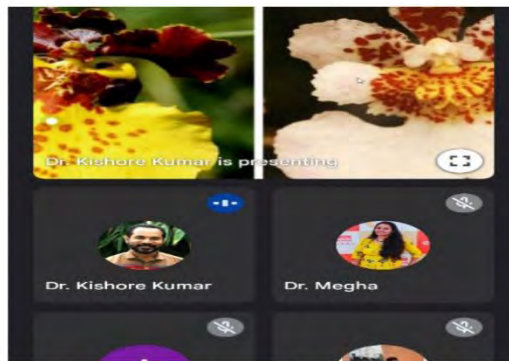

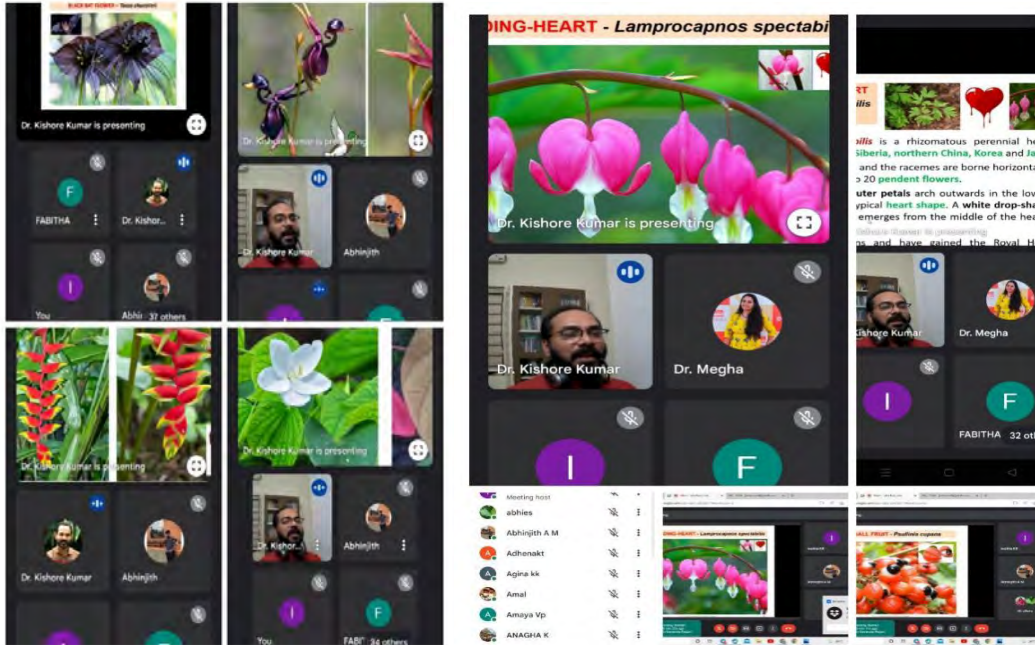

The welcome address was delivered by Dr Abhilash, faculty of Botany and the programme was coordinated by Ms Vidhya and inaugurated by Principal, Dr Devipriya. The topic mainly dealt with the special characters of plants and its utilization aspects, seasons, medicinal properties. It was an interactive session which benefitted many students. The vote of thanks was delivered by Lesitha K R, HoD of Botany.

Ripples Webinar Series

Department of Botany handled one session of Ripples webinar series organized by SNG College, Chelannur. The programme started at 7pm. The ripples programme was coordinated by Dr Joobi VP. The presidential address was given by Lt Dr Sindu Krishnadas, HoD of

Economics. The welcome address was delivered by Lesitha K R HoD of Botany. The programme was hosted by Dr Megha PU, faculty of PG department of Biology and vote of thanks was delivered by Dr Abhilash.

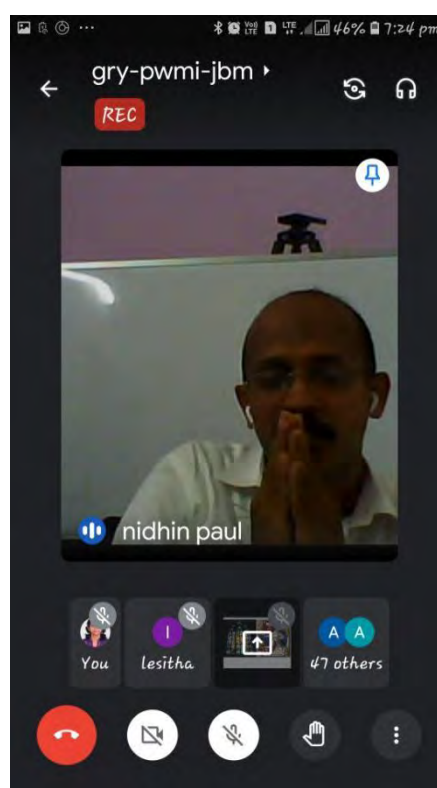

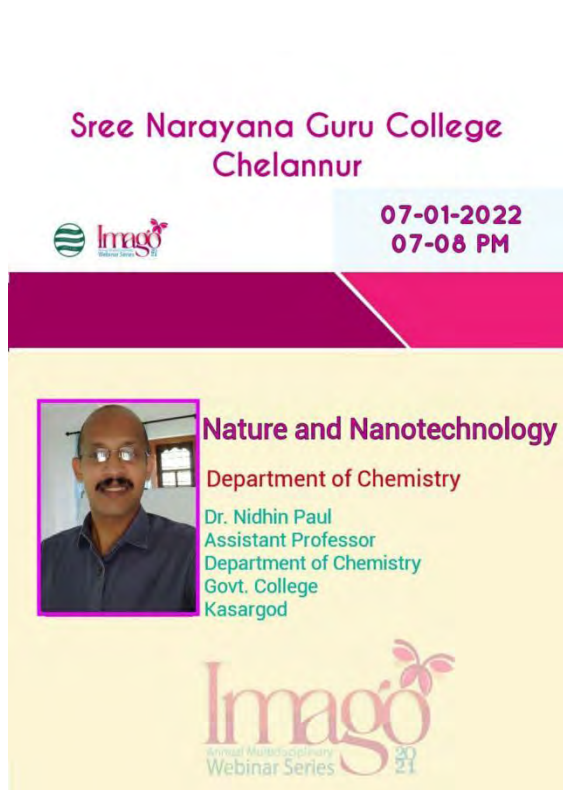

Dr Kishore Kumar HoD of Botany, Department Farook College was the Resource person for the programme. His presentation was on “Amazing Flowering Plants of Kerala” which resembled hooded dancer, bats, elephant’s head, and creepy ghosts. NATURE CLUB EVENT

Ozone Day Observance

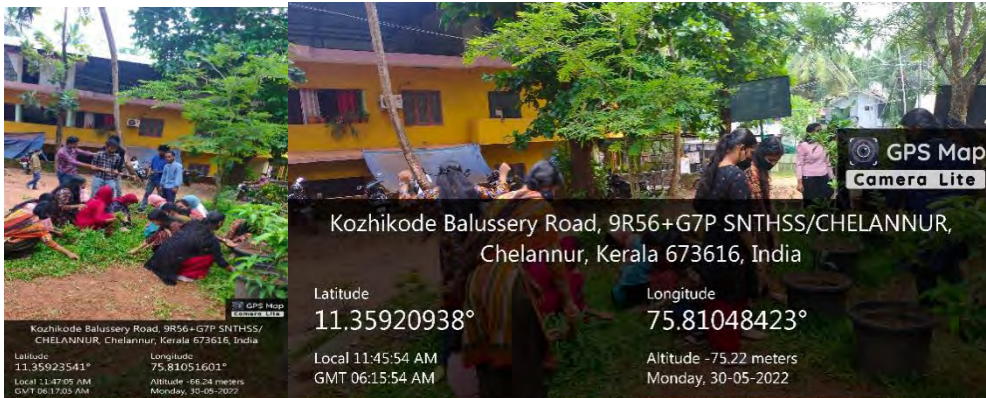

Ozone day was observed on September 16, the world Ozone day. Botany students posted digital posters in order to create awareness among the student community. Though ozone layer is expected to return to pre 1980 level around the middle of the century healing is slow because of the long life span of the ozone depleting molecules. Hence, we have to be more alert towards our environment. A sustainable environment was the moto. The theme for this year was Montreal protocol- “Keeping our Food and Vaccines Cool”. Agina K K, Sraddha, Akshara, Saranya, Sandra Vivek, Megha T P, Megha P, Arya M P, Abhinav K Santhosh, and Sreelaya Ashaika Sajeevan were the participants.

PALAKKAD | PALAKKAD EASTFORT | ALATHUR | TIRUR | NEMMARA

Vision is the priceless gift from God, a blessing to enjoy the beauty of the world. Eyes are the most delicate organ in human body and need special care. Today's life style and work atmosphere in the outset of covid 19 pandemic is taking a heavy toll on the general health and wellbeing of eyes, which leads to vision loss. So it is important to identify and treat eye diseases as early as possible.

National Service Scheme unit 19 and 33 of Sree Narayana Guru College, Chelannur and Trinity Eye Hospital, Kozhikode jointly conducted a Webinar through Zoom meet on the topic “Online Classes and Precautions for Eye Health in the Eve of Covid-19 Pandemic” on 28.08.201 Saturday. Dr. Almas Abdul Aziz (MBBS, MS, FPOS (Ophthalmology) Consultant and Surgeon Pediatric Ophthalmology and Squint) was the speaker. Meet was anchored by Sreenidhi, which began with the NSS song. The Welcome speech was delivered by Mr. Jithesh C P (NSS Programme Officer). Presidential address was done by Dr. Devipriya V (Principal, SNGC, Chelannur). The session was very informative and useful for the listeners. An interactive session followed the talk. The vote of thanks was delivered by Dr. Bindu M K (NSS Programme Officer).

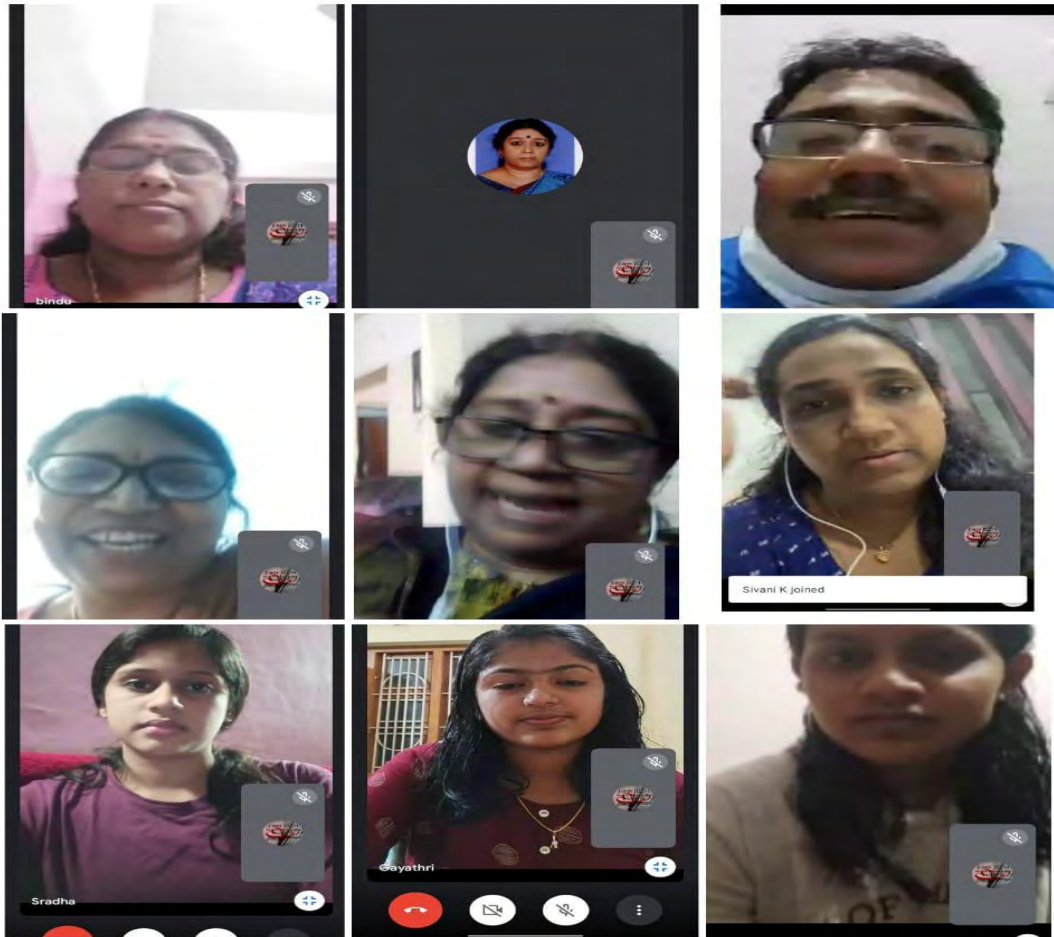

TEACHER'S DAY-05-09-2021

Teacher's Day is celebrated annually on September 5 to mark the birthday of the country's former president Dr Sarvepalli Radhakrishnan who was born on this day in 1888. The light of the world, the beacon in the dark and the hope that gives us strength to survive, is our teachers. On this day, the NSS volunteers of unit 19 and 33 of Sree Narayana Guru College, Chelannur celebrated teacher's day. The event was anchored by NSS Volunteer Sradha Vijay. The programme was started with the prayer. NSS Volunteer secretary Gayathri Ganesh welcomed the gathering. College Principal Dr. Devipriya V shared her wonderful teaching career experiences with the students. Department wise cultural programmes were conducted. Malayalam and Botany department presented videos. HOD's and teachers of all departments were also the part of the programme, all of them shared their teaching career experience. NSS programme officers Dr.

A JOINT VENTURE OF NSS DIRECTORATE AND EXCISE
DEPARTMENT OF KERALA

The 4th Day of NSS Camp observed this day as Anti-Drug Day. The Program entitled as 'SPARSAM 2021' held at GHSS Parambil. The program was a Joint initiative from NSS Directorate and Excise Department of Kerala. The morning session started with an orientation class by the officials from excise department, (Chelannur range). Excise preventive officer Sri. Anil Kumar led the session and he enlighten the significance this campaign and its implications in the current society. Thereafter, our volunteers grouped into five and visited fifteen houses each. Students collected data from each house and gave their message against the usage of drugs. The volunteers assessed that this program was very effective and the members of each household welcomed this program whole-heartedly.

The afternoon session started with an invited talk by Sri. Krishnan Kutty Rtd. District Judge. The Talk was concentrated on the legal Awareness in connection with anti-narcotics. The session was very useful and need of the time. At 5:30 pm our volunteers organized a street demonstration and a flash mob, at the heart of the Parambil Street in connection with the observance of anti-drugs day. This program was very attractive and penetrating to the minds of the people. After the street play volunteers lighted candles at the street. After that volunteers took pledge against the use of drugs and drug abuse. The program ended at 6:30pm.

WOMEN STUDY CENTRE

BE HYGIENIC DURING MENSTRUATION PERIOD(September)

Our vision is to create a world where Menstruation holds no one back. The case for Menstruation: The path towards equality, sustainability and social change.

'Period blood is considered to be dirty' whether its menstruation or menopause talking about periods has often been a taboo subject. Periods are just nature's way of saying you are growing up, there is nothing impure about periods. Under the auspices of IQAC SreeNarayana Guru college, Women's study centre presented a webinar through Google meet, awareness class for women students on the topic **"Be Hygienic During Menstruation Period"** on 28.09.2020 Tuesday at 7 pm.

Dr. RAFEENA (Consultant Obstetrician, Gynaecologist, Taluk Head Quarters Hospital kondotty) was the key note speaker of the session. Meet was anchored by Sradha Vijay (2nd yrBsc Botany student) and was started with the Prayer song (Maneesha, 2nd year BA English student). The Welcome speech was delivered by Smt.Lesitha K.R (H.O.D. PG department of Botany) Presidential Address was done by Dr.Devipriya.V (Principal, SNGC Chelannur).The event was felicitated by Smt.AthmaJayaprakash (IQAC-Co-ordinator.) An Excellent Paper presentation was done by Dr. RAFEENA on the topic "Be Hygienic during Menstruation Period". She mentioned some of reproductive tract infections caused due to ignorance of personal hygiene during menstruation time, and also discussed about the cultural beliefs and restrictions during menstruation, tampons, washable and reusable cloth pads, commercial sanitary pads, menstrual cup, menstrual waste disposable technique used by women and the consequences of menstrual waste disposal. After a fruitful Interactive Session, Smt. Lt.Dr Sindhu Krishnadas (HOD, PG department of Economics) gave Vote of Thanks. The informative and inspiring programme came to its successful end at 8:15 pm.

SEXUAL HARASSMENT AGAINST WOMEN(SEPTEMBER)

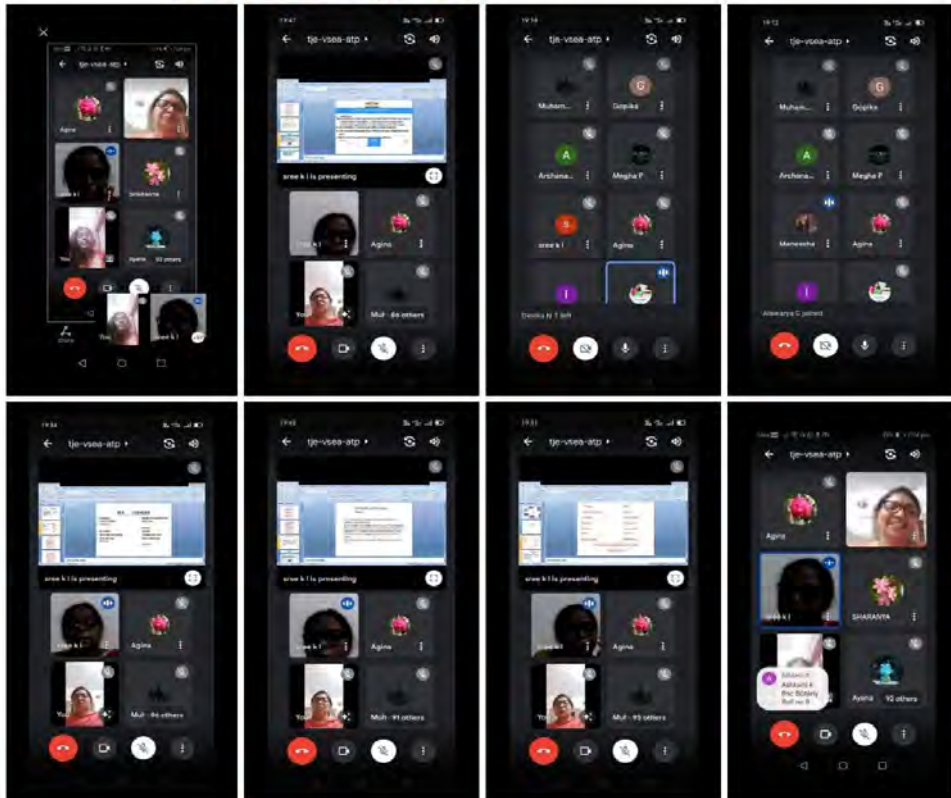

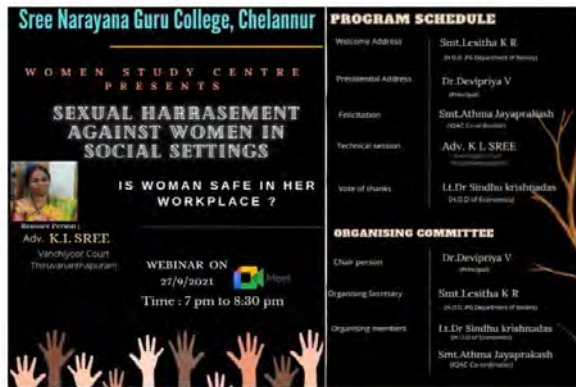

Sexual harassment is not only touching someone; the moment someone passes a vulgar comment on someone it automatically turns into a harassment.

***SEXUAL HARASSMENT IS NOT A COMPLIMENT OR A JOKE*.**

***SEXUAL HARASSMENT IS A CRIME*.** The objective of orientation were to sensitize the students against the sexual harassment and to make them aware of the support system.

Under the Auspices of IQAC, Sree Narayana Guru college, Women's study centre presented a webinar through Google meet on the topic ***SEXUAL HARASSMENT AGAINST WOMEN IN SOCIAL SETTINGS *** on 27.09.2020 Monday.

Adv.K.L. SREE (Vanchiyoor court, Thiruvananthapuram) was the key speaker of the session. The programme was anchored by Agina.KK (2nd year BSc Botany student) and was started with the Prayer song (Maneesha, 2nd Yr BA English student). The Welcome speech was delivered by Smt. Lesitha K.R (H.O.D. PG department of Botany) Presidential Address was given by Dr.Devipriya.V (Principal, SNGC Chelannur).The event was felicitated by Smt.Athma Jayaprakash (IQAC-Co-ordinator.) An Excellent Paper presentation was done by Adv.K.L.SREE on the topic "SEXUAL HARASSMENT AGAINST WOMEN IN SOCIAL SETTINGS".She explained the definition of Sexual Harassment and covered many points. She stated that the sexual harassment includes unwelcome sexually determined behaviour as physical contact, demand or request for sexual favours, sexually coloured remarks, any other unwanted physical, verbal or nonverbal conducts of sexual nature. She has also discussed about the laws in favour of women especially for the welfare of women in India much better than many developing countries. She has given many examples of 'Myths and Facts' regarding sexual harassment towards the women in our society and then how the sexual harassment takes place. She introduced guidelines, laws, complaint mechanism, what are preventive measures and so on. She deserves appreciation as she did her presentation sincerely and meticulously. The students raised their queries at the end of the session and the resource person was very patient enough to clear their doubts. Vote of thanks was delivered by Ltd. Sindhu krishnadas (H.O.D, PG Department of Economics). The informative and interesting programme was successfully completed at 8 30 pm
