ANNUAL REPORT 2022-2023

Introduction

With great pride and delight, we present this annual report of Sree Narayana College, Chelannur, as an authentic record of our activities and achievements during the academic year 2022-2023. Through projecting our accomplishments and drawbacks, we intend a self-assessment of our strengths and weaknesses. We also hope that this report would inspire us for an introspection to overcome our hurdles, resolve our drawbacks and work harder to be more productive and promising in all areas of activity, so that our institution can scale greater heights of glory in the years to come.

The Academic Committee constituted by the college council, comprising all Heads of Departments, one elected members of the staff, designed the academic plans for the academic year by charting a detailed Academic Calendar, in the beginning of the academic year itself. All academic activities were scheduled and conducted as prescribed in the calendar.

The College Council constituted various clubs and forums each under the supervision of a convener with 3-4 faculty members. These clubs and forums aim at the holistic development of the students, extending opportunities to awaken the latent talents in them. This year, there is an overall increase in the co-curricular and extra-curricular activities of our students compared with recent past, thanks to the effective coordination of the staff and students of the college during the academic year.

The Parent-Teacher Association of our college has once again proved to be a major pillar of support through their contribution in all spheres of activities and developments relating to the institution. The support of the PTA towards the academic and other activities as well as the infrastructural necessities was substantial in attaining our goals.

The units of the National Service Scheme and the National Cadets Corps, and the Department of Physical Education have relentlessly proved their competence by bagging honours and championships for the college this year also in various spheres.

Our faculty and students have made several achievements in various walks collectively and individually this year also. The warm cooperation and dedication of our faculty, non-teaching staff and students have enabled us to achieve our goals and objectives. Our association and cooperation with socio-cultural organizations have helped us to fulfil our social obligations.

We have also strived for the timely and effective utilization of not only P.D funds but also plan funds and grants & aids from the University Grants Commission. It is the Commission's

encouragement and support that serve to motivate higher educational institutions to take up such academic and developmental endeavours, which otherwise will not be economically and practically feasible for them. The management has also contributed to the maintenance of our infrastructure.

The conduct of ‘Ripples’ the annual interdisciplinary seminar series facilitated by PTA, which crossed a decade during the academic year was appreciated from all quarters.

Above all, the immense support from our Management, SN Colleges, Kollam, the Manager of Sree Narayana Colleges Sri.Vellappally Natesan, and the Regional Development Committee are the backbones for the successful functioning of our college.

Staff strength

The total number of Permanent Teaching Staff during the current academic year is 33 and the number of non-Teaching staff is 7.

	Teaching Faculty			
Highest Qualification	Professor	Associate Professor	Assistant Professor	Total
Ph. D.	1	1	11	13
M.Phil.		1	3	4
M.A/M.Sc./M.Com	1	2	30	33

Non-Teaching Staff			Total
Administrative Staff	Jr .Superintendent	1	1
Library Staff	UGC Librarian	1	2
	Library Staff	1	
Lab-Associated Staff	Laboratory Staff	4	4
Grand Total			7

(XI)	M.Sc Biology	2021	Two Years	Temporary

Internal Quality Assurance Cell (IQAC)

IQAC plays a pivotal role in the accomplishment of quality and standards. The action plan of each department is carefully chalked out and drafted based on the seven criteria as denoted by the NAAC. This includes various components such as the formulation of a Vision and Mission statement for each department, inculcating curriculum design and development, academic flexibility, curriculum enrichment strategies, teaching, learning and evaluation methodologies, research consultancy and extension.

At the beginning of the semester an action plan of the department is prepared in accordance with the template. The HOD monitors the progress and updates the status to the Principal. The evaluation of the action plan is carried out at the end of every semester by the IQAC, thus instilling quality assurance strategies and processes.

Quality Initiatives undertaken by IQAC during the year for the promoting Quality Culture

SL.No	Name of quality initiative by IQAC
1	Conducted an SSR induction programme in the college for the faculty
2	Organised academic feast Ripples 2022 as a seminar series. The college hosted 7 lectures with resource person from various disciplines. This event -provided opportunity for students and faculty for paper presentation and interaction with luminaries from various disciplines.
3	Self-study report submitted to NAAC

POST GRADUATE DEPARTMENT OF BIOLOGY

29 July-2022

The PG Department of Biology conducted an Invited Talk in association with World Nature Conservation Day-2022 on the topic “The Relevance of Water Quality Management in the Current Scenario” on 29 July 2022 from 10.30 -12:30 PM. The guest speaker was Dr. Madhavan Komath, Scientist, Centre for Water Resources Development and Management, Calicut. The students from the PG Department of Biology, Botany and the faculty members from SNG College Chelannur, participants for the program, The welcome address for the event was delivered by Dr. Megha P U, HOD of the PG Department of Biology and she cordially welcomed the guest speaker by giving a short insight into his professional background. The Presidential address was delivered by Dr. Kumar S P, Principal, SNG College Chelannur. Felicitation was done by Smt. Athma Jayaprakash (Assistant Professor and IQAC Coordinator) and Dr. Santhosh C R. Finally, after the technical session by the guest speaker, Dr. Vijaytha delivered the vote of thanks. The guest speaker gave a well-explained session on the need for clean water, its conservation methods, and the ways to do water quality analysis. Soon after the session, there was an interaction between the speaker and the students. The program concluded by honoring the resource person with a memento from the principal.

1. Brochure of the programme

The brochure is divided into two main sections. The left section provides event details, including the host institution (Sree Narayana Guru College Chelannur), the department (Postgraduate Department of Biology), and the topic of the talk. It features a portrait of the resource person, Dr. Madhavan Komath, and lists the schedule for registration, the inaugural session, and the technical session. The date is 29 July 2022 and the venue is the Seminar hall. The right section, titled 'PROGRAMME SCHEDULE', lists the activities and the individuals responsible for each: Prayer, Welcome address, Presidential address, Inauguration & Keynote address, Felicitation, and Vote of Thanks. Below this is the 'Organising Committee' list.

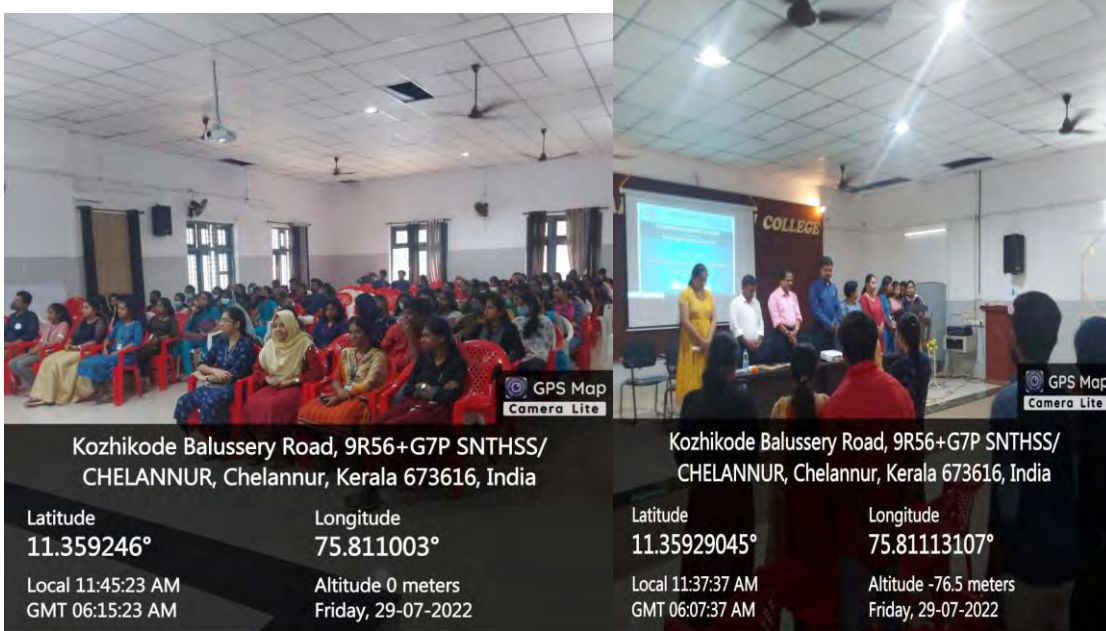

SREE NARAYANA GURU COLLEGE CHELANNUR		
POSTGRADUATE DEPARTMENT OF BIOLOGY In Academic collaboration with IQAC SNGC in conjunction with World Nature Conservation Day 2022 is organizing		
AN INVITED TALK ON THE RELEVANCE OF WATER QUALITY MANAGEMENT IN THE PRESENT SCENARIO		
Resource Person Dr. MADHAVAN KOMATH Retired Scientist, Centre for Water Resources Development and Management, Kozhikode		
Registration 10.30am - 11.00am	Inaugural session 11.00am - 11.30am	Technical session 11.30am - 12.30pm
Date : 29-July-2022		
Venue : Seminar hall		

PROGRAMME SCHEDULE	
Prayer	
Welcome address	Dr. Megha PU (Faculty, PG Dept. of Biology)
Presidential address	Dr. Kumar S P (Principal, Sree Narayana Guru College Chelannur)
Inauguration & Keynote address	Dr. Madhavan Komath (Resource Person, SNGC, Kozhikode)
Felicitation	Smt. Athma Jayaprakash (Asst. Professor & IQAC Co-ordinator)
	Dr. Santhosh CR (Asst. Professor & IQAC, Sree Narayana Guru College Chelannur)
Vote of Thanks	Dr. Vijayatha Vijayakumar (Faculty, Department of Biology)

✓ 10-12 August 2022

The I and II-year students of the PG Department of Biology underwent training on “Water Quality Monitoring Techniques” from the Centre for Water Resources Development and Management, Kozhikode from 10-12 August 2022. The training included physical, chemical, and bacteriological analysis of water and how to interpret pollution and report making. The training started with water sampling techniques and it was conducted in a field study mode. The students themselves collected water from the nearby water bodies and collected water samples for the analysis. On the first day of training had a class on bacteriological water quality issues followed by a lab analysis of the same. The students detected the major water pollutants like total coliforms, fecal coliforms, and E.coli from the water samples. The second day began with a small session on the different chemical parameters and the same was analyzed in the laboratory. Around 16 chemical parameters like chloride, alkalinity, iron, phosphate, nitrate, BOD, etc were learned through hands-on mode. The final day was about learning the physical quality of water and the same was learned through lab practices. The students also got an opportunity to operate various instruments like a colorimeter, incubator, spectrophotometer, etc. The training concluded with feedback sessions and the distribution of certificates. This training has encouraged the students to test the water and understand the rate of pollution through all the above-mentioned tests.

1. *Photographs taken during the session*

✓ 22 August 2022

The PG Department of Biology conducted a Photography Contest – Biology in Pictures on 22nd August 2022. The program was conducted in association with World Photography Day and the theme of the contest was “Wonders of Backyard Biology”. The students of various departments including Biology, Physics, Mathematics, and Botany participated in the contest. The students were encouraged to explore the beauty of nature and the contest had about 25 entries from different departments. The best three photographs were selected under the judgment of Dr. Roopal Krishna, a Celebrity Photographer, and the winners were given cash awards and certificates. All three prizes were bagged by the students of the Biology department and the prizes were distributed by Dr. Kumar SP, Principal, SNGCC. The first prize was given to Aswin B Nair, the Second prize to Amrita M K, and the third prize to Ayisha Muhsina of the Biology department. This contest has provided a wide range of opportunities for the students as they got a chance to examine their skills, and creativity and gain exposure to photography.

SREE NARAYANA GURU COLLEGE CHELANNUR

**POSTGRADUATE DEPARTMENT OF BIOLOGY
IN ASSOCIATION WITH IQAC
ORGANIZES
"BIOLOGY IN PICTURES - A PHOTOGRAPHY
COMPETITION"**

ABOUT THE CONTEST

In connection with World Photography Day, which is celebrated every year on the 19th of August, the PG department of Biology organizes a photo project which aims to document the huge variety of biosphere. The theme of the contest is "**Wonders of Backyard Biology**". The contest winners will receive a certificate of appreciation. Send your entries to the mail id: megha@sngcollegechelannur.edu.in with your full name, class, and department on or before 22 August 2022.

OFFICIAL RULES

The contest ends on August 22, 2022, and kindly review the photo contest rules, which includes guidance on photo quality, for example:

- Apply the Rule of Thirds when composing your photograph.
- Use Symmetry to produce a well-balanced photograph.
- Fill the Frame to improve the composition of your photograph.

ORGANIZING COMMITTEE

- Dr. Kumar S.P (Principal)
- Smt. Alina Jayaprakash (IQAC Coordinator)
- Dr. Megha P. I (Faculty, PG Dept of Biology)
- Dr. Vijaytha Vijayakumar (Faculty, PG Dept of Biology)

✓ **September 19, 2022**

The Department of Biology celebrated International Microorganisms Day-2022 on 19 September 2022. The orientation program for the I PG students were also conducted on the same day. The

day began with a welcome speech by Dr. Megha PU, HoD, Department of Biology, further, Dr. Kumar SP, Principal addressed the students and spoke about the importance of microbes in the world, he also gave an orientation to the new students about the course and its outcomes. The vote of thanks was delivered by Dr, Shymi K, and the felicitation was by Dr. Vijaytha Vijayakumar. After the inauguration and orientation program, the program was continued with an essay competition and quiz competition. Both the students of Biology and Botany actively participated in the programs. The theme of the essay competition was “Role of microbes in the modern world”. Winners of the competitions were awarded certificates. The first prize in the quiz competition was bagged by the students of the Botany department and the first prize for essay writing was bagged by the Biology department. This program aimed to raise awareness about the importance of microorganisms and microbiology research among the student community.

✓ 28 September-2022

The PG Department of Biology and Centre for One Health Advocacy Research and Training (COHEART) conducted an Invited Talk in association with World Rabies Day-2022 on the topic “Unfolding the enigma of Rabies” on 28 September 2022 from 10.30 -12:30 PM. The guest speaker was Dr.Sreeshma VS, Veterinary Surgeon, Kozhikode Corporation, and Municipality. The students from the PG Department of Biology, Botany and the faculty members from SNG College Chelannur, participants for the program, The welcome address for the event was delivered by Dr. Megha P U, HOD of the PG Department of Biology and she cordially welcomed the guest speaker by giving a short insight into his professional

background. The Presidential address was delivered by Dr. Kumar S P, Principal, SNG College Chelannur. Felicitation was done by Dr. Athma Jayaprakash (Assistant Professor and IQAC Coordinator) and Smt. L Esith a K R. Finally, after the technical session by the guest speaker, Dr. Vijaytha delivered the vote of thanks. The guest speaker gave a well-explained session on the pathology of Rabies, and its treatment methods. she also emphasized the importance of cleaning a wound when bit by any animal and the importance of vaccines. Soon after the session, there was an interaction between the speaker and the students. The program concluded by honoring the resource person with a memento from the principal. After the program a poster exhibition was also conducted for school students and the posters were prepared and explained by the PG students of the Biology department. The high school students of SN Trust School visited the poster exhibition and interacted with the college students. The best poster award was judged by the chief guest and the winners was awarded certificates.

✓ 21 December 2022

As part of the Ripples Annual Multidisciplinary Seminar Series, the PG Department of Biology and the Department of Botany conducted a seminar on the topic “Mangroves- Extremophilic Adaptations” on 21st December 2022 from 10.00 -12:30 PM. The guest speaker was Dr. Anu Augutine, Professor, Department of Biotechnology and Microbiology, Dr. Janaji Ammal Campus, Kannur University. The students from the PG Department of Botany and Botany, and the faculty members from SNG College Chelannur, were the participants in the seminar. The welcome address for the event was delivered by Dr. Megha P U, Faculty, PG Department of Biology and she cordially welcomed the guest speaker by giving a short insight into his professional background. The presidential address was delivered by Smt. Lestha K R and the felicitations were offered by Dr. Abhilash, Dr. Shymi, and Akash. Finally, after the technical session by the guest speaker, Ms. Remya, Association Secretary, PG Department of Biology delivered the vote of thanks. The guest speaker gave a well-explained session on the different extremophilic conditions in which mangroves can survive and the future of mangroves in research. During the interaction session which followed soon after the technical session, she answered questions related to the types of mangroves in Kerala and their importance in post-graduate research. The session was followed by student presentations. A total of 8 students presented during the seminar, of which 3 students were from PG and the other 5 were from UG. The best paper award was presented to Ms. Nandana from the Department of Biology and Mr. Akash from the Department of Botany.

The PG Department of Biology conducted a session as part of the ICTEDIS Programme on 6 February 2023, Monday from 11:00 -12:00 PM. The PG students of the Department attended the session. The Programme Coordinator Smt.Devika (Assistant

Professor, PG Department of English) welcomed the gathering. A PowerPoint presentation was arranged as part of the session and Dr. Megha P U (Assistant Professor, PG Department of Biology) presented on the topic "Antibody class switching mechanism". The presentation emphasized the mechanism through which variations are happening in the antibodies and how they can attach to a variety of antigens. After the session, students interacted with the teacher and the session concluded with a clear understanding of the VDJ recombination mechanism. At last, Swathi Soman (II M.Sc Biology) and Aswin Suresh (I M.Sc Biology) gave feedback for the sessions. Finally, Dr. Vijaytha Vijayakumar (Assistant Professor, PG Department of Botany) delivered a Vote of Thanks for the event.

The association of our department enables the students to meet the challenges of today's competitive world by giving them exposure to possible avenues. Eminent resource persons are invited to share their real-life experiences and the students can interact with them. The associations conduct various intra/inter-departmental competitions. Along with academics, students are given platforms to showcase their talents and opportunities to develop various skills like organizing, communication, and public relations. Here, at the department, we motivate students to reach for the stars by bringing out the best in each student. The Biology and Botany department's association inauguration "LILAKAM 2K23" was inaugurated on 8 February 2023. The association commemorates the occasion with great pleasure and delight. The welcome address was delivered by Smt. Lesitha K R, HOD Department of Botany. Our beloved Principal Dr. Kumar SP delivered the presidential address, Dr. Renjana PK, Associate Professor and HOD, Department of Botany, Govt Arts, and Science College Meenchantha was the chief guest and her speech made the day memorable. The faculty from Botany and Biology department and IQAC coordinator Athma Jayaprakash felicitated the function and the vote of thanks was delivered by the Botany Association secretary. The inauguration was followed by cultural programs for the students.

✓ 23 February 2022

The Department of Biology conducted an industrial visit to Indian Agricultural Research Institute, Regional Research Station Wellington Ooty. The visit was scheduled on 23 February 2023, and the PG students of both I and II visited the industry. The main aim was to club fun and study into this visit. It was both an informative and rejuvenating day to remember. The students learned about different wheat crop varieties and their cropping and harvesting patterns. Further, the tissue culture lab visit was arranged and the experts from the industry gave a well-explained session on various tissue culture methods adopted in wheat cultivation. One whole day was spent in the research station and the students had good exposure to agricultural research activities.

✓ **28 February 2023**

As part of National Science Day-2023, the PG Department of Biology conducted a Quiz competition. Students from the science department of the college namely, Physics, Botany, and Mathematics took part in the competition and about 35 entries were received from these departments. The competition was conducted on 28 February 2023 and the venue was Borany Lab. The program was started with a small welcome by Dr. Megha PU, HOD, Department of Biology and the quiz master was Aswin Suresh, I PG student. The students were registered as a pair and the competition was conducted in three rounds. The questions were mostly from current science and technology and the PG students of Biology conducted the quiz competition. After a very tight completion, the students of Botany bagged the first prize, and the second and third prize was won by the students of the physics department. A certificate of appreciation was distributed to the winners. By conducting the quiz students were exposed to a specialized understanding of the subject. The students obtained a diversified perspective on science and technology by conducting and participating in the event.

The PG Department of Biology, Sree Narayana Guru College, Chelannur along with IQAC offered free drinking water testing program for the private well owners who reside around the campus. This extension activity aims to promote drinking water testing and to educate the good owners on the importance of maintaining the quality of water. This academic year 10 water samples were collected from different open wells around the campus. Students of the Biology department collected the samples and analyzed the physical and chemical bacteriological quality of water using 17 different parameters. Most of the open wells had pH issues and reported the presence of total coliforms. Solutions were suggested to the Well owners as to how to chlorinate their water to maintain its quality. Reports were created under the supervision of Dr. Megha P U, HoD, PG Department of Biology, and the report was also issued to these Well owners within a week of analysis.

✓ **17 March 2023**

The International one-day seminar (hybrid mode) was organized by the PG Department of Biology on the theme “Interdisciplinary approaches in Biosciences” on 17 March 2023. The main aim of this seminar was to bring together leading academicians, researchers, technocrats, practitioners, and students to exchange and share their experiences and research outputs on all aspects of Biosciences. It was also meant to provide a premier interdisciplinary platform to present and discuss the most recent innovations, trends, and

concerns as well as practical challenges encountered and solutions adopted in the field of Biosciences. The seminar started with the inauguration of the program. The students from the PG Department of Biology, Botany, Physics, and Mathematics and the faculty members from SNG College Chelannur, participants for the program.

The welcome address for the event was delivered by Dr. Megha P U, HOD of the PG Department of Biology and she cordially welcomed the guest speaker by giving a short insight into his professional background. The Presidential address was delivered by Dr. Kumar S P, Principal, SNG College Chelannur. Felicitations were done by Smt. Athma Jayaprakash (Assistant Professor and IQAC Coordinator) Smt. L. Esitha K R, and Ms. Ramya. The Chief guest for the morning session was Dr. Padhmanabhan D, Founder and CTO of Dhanajeevam Diagnostics and Dhanajeevam Labst Pvt Ltd Coimbatore. This was followed by the technical session on the topic “Cell to Sell: A prospective early career guidance for life science students”. Finally, after the technical session by the guest speaker, Dr. Vijaytha delivered the vote of thanks. The guest speaker gave a well-explained session on the need of learning new prospects in cell biology and medical diagnostics. Soon after the session, there was an interaction between the speaker and the students. The program concluded by honoring the resource person with a memento from the principal. The second part of the seminar was in online mode and the keynote speaker was Dr. Pratheesh PT, Postdoctoral Fellow, UAE University, Dubai. He spoke on the topic “Current and future perspectives of mRNA vaccines”. The session began with the introduction of the guest by Dr. Vijaytha Vijayakumar. Further, the guest provided a well-explained session on different mRNA vaccines and their manufacturing around the world. After the session, students interacted with the guest, and the session concluded by 4:00 pm.

POSTGRADUATE DEPARTMENT OF ENGLISH

PROGRAMME REPORT OF 'GRASPING GURNAH'

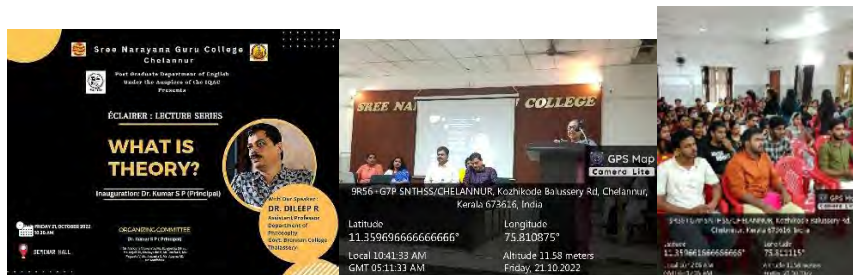

The Postgraduate Department of English, Sree Narayana Guru College, Chelannur, conducted 'GRASPING GURNAH' in honour of Dr. Abdulrazak Gurnah, the 2021 Nobel Laureate in Literature. The programme was conducted on September 29, 2022, in the Seminar Hall. The function, which started at 10am, began with a prayer rendered by Hanna PP (II MA Eng). Seethal P (II MA Eng) welcomed the gathering. The inaugural address was delivered by the Principal, Dr. Kumar SP. In his address, he emphasized the growing relevance of writers like Gurnah, in the contemporary world. The Principal digitally released the logo of the PG Department of English, designed by Seethal P (II MA Eng). After this, the audience was introduced to Gurnah, in detail, through various student presentations, using PPT and otherwise. The final PG students Ganga, Sanika, Gopika and the final UG students Thamjeed Mansoor and Lakshmi, handled the presentations which covered the biographical details of the writer, an overview of his works and also detailed analyses of the works of Gurnah, such as *Paradise* and *By the Sea*. After the presentations, PG students Kshethra and Vishnupriya, conducted a quiz competition on Gurnah

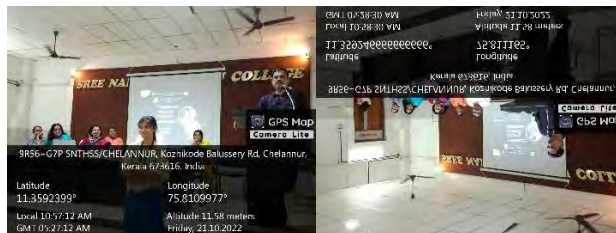

and the correct answers were rewarded instantly. The programme concluded at 11.30am with the Vote of Thanks delivered by Anagha (II MA English).

PROGRAMME REPORT - ECLAIRER: INVITED LECTURE SERIES

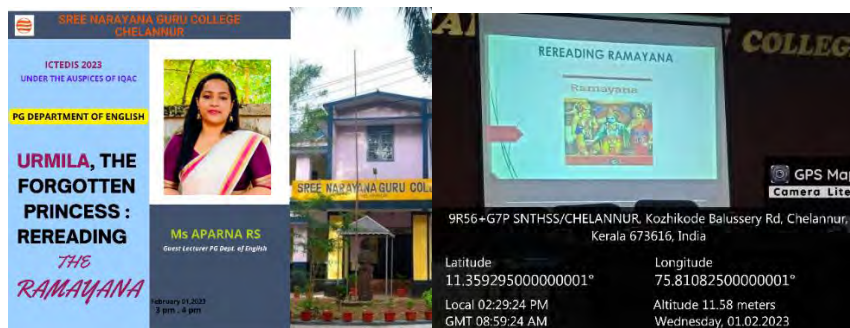

The Postgraduate Department of English, Sree Narayana Guru College, Chelannur, under the auspices of the IQAC , hosted the first lecture of ‘ECLAIRER – INVITED LECTURE SERIES ‘ at 10 am in the Seminar Hall on Friday, 21 October 2022. The programme was inaugurated by the Principal, Prof.Dr.Kumar SP. Ms.Vandana Viswanath, Head, PG Department of English, delivered the welcome address. This was followed by an engaging and interactive session on “WHAT IS THEORY?” by the resource person of the day, Dr.Dileep Raj, Assistant Professor of Philosophy, Government Brennen College, Thalassery. Dr.Dileep Raj deliberated on the problematic notion of theory and how the existing ideas and assumptions on underlying structures contribute to the emergence and reinforcement of binaries and stereotypes. Undergraduate students from the Department of Malayalam, students of MA and BA English and faculty members from various departments attended the function. The lecture was followed by an interactive session. Ms.Gayathri P, Assistant Professor, Department of English, proposed the vote of thanks. The programme came to a conclusion at 12.30pm.

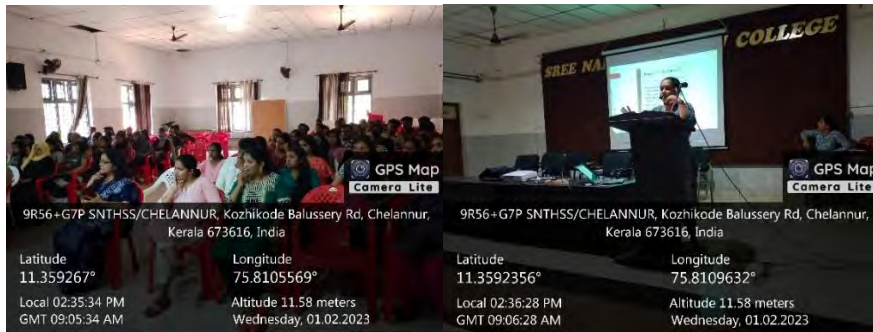

ICTEDIS 2022-23

The Information Communication Technology Enabled Digital Interactive Session (ICTEDIS) of the Postgraduate Department of English was conducted on February 1, 2023, from 2.30pm to 3.30pm. The session was on the topic “URMILA, THE FORGOTTEN PRINCESS: RE-READING *THE RAMAYANA*”. Ms. Anamika K and Ms. Aparna RS, Faculty, Department of English, jointly handled the session. The introductory part was presented by Ms. Anamika who introduced the students to the concepts of ‘reading’ and ‘re-reading’ literary texts. Ms. Aparna elaborated on the topic of discussion and provided the students with new insights about the diverse aspects of *The Ramayana*, which remained silenced throughout history. Explorations into such hidden Ramayanas provide a much deeper understanding of our culture. This ICTEDIS presented a different perspective on Urmila, one of the subdued and silenced characters who populate Valmiki’s *Ramayana*. The session concluded with a note of realization that Urmila’s story itself was rich and resourceful enough to bring forth another epic named *Urmilayana*.

RIPPLES SEMINAR CONDUCTED BY THE PG DEPARTMENT OF ENGLISH ON 27.02.2023

The Post Graduate department of English, Sree Narayana Guru College, Chelannur, conducted a seminar as part of the Ripples seminar series, on 27 February, 2023. Ms. Hanna P (II MA English) rendered the prayer. Ms. Vandana Viswanath (HoD English), welcomed the gathering. The Presidential address was delivered by the Principal, Prof. Dr. Kumar S P. Dr. Moncy Mathew, Head, PG Department of English, Government Arts and Science College, Meenchanda, was the Resource Person. He spoke on "Recontextualising English Literature in Today's World." This was followed by presentations by the PG students of the department. Ms. Seethal P, II MA English was awarded the first place in the competition. The programme came to a close with the Vote of Thanks proposed by Swathi PV (I MA English).

ENGLISH ASSOCIATION INAUGURATION REPORT 2022-23

The inauguration of the Association of the Postgraduate Department of English, Sree Narayana Guru College, Chelannur, was held on March 30, 2023. The function began with a prayer rendered by Ms. Hanna PP (II MA English). Ms. Vandana Viswanath, HoD English, welcomed the gathering. The function was presided over by the Principal, Prof. Dr. Kumar S.P. Dr. Anitha Ramesh, Associate Professor and Head of the PG Department of English (Retd.), The Zamorin's Guruvayurappan College, was the Chief Guest of the day. She delivered a very insightful and relevant talk on the Impact of the Social Media on the present generation of youth. Dr. Athma Jayaprakash (IQAC Coordinator) and Ms. Adithya P (Vice-Chairperson, College Union) offered felicitations to the programme. Ms. Kshethra MK (II MA English) coordinated the announcement and the general structure of the programme. The function concluded by 12.30 pm.

CLASSES IN ENGLISH FOR EFFECTIVE COMMUNICATION – FOR SCHOOL STUDENTS – 2022-23

The Postgraduate Department of English, Sree Narayana Guru College, Chelannur, conducted a one month course in Communication Skills in English, for the Seventh standard students of Ichannur Aided UP School, Kannankara, Chelannur. The course was conducted in the months of February - March 2023. The classes were held on all working days for a period of 40 minutes, depending upon the schedule intimated by the school authorities. A class of 25 students was arranged based, primarily, on the interest of the students and also their needs. A pre-test was conducted to identify the students who really required help in using the English language. A team of four students from II MA English was assigned the charge of engaging the classes. One teacher from the department accompanied the student-teachers to the school, everyday. It was observed that the presence of student-teachers had a favourable effect on eliciting responses from the school children. During the sessions held this year, we concentrated on the basic reading and writing skills of the students. Every day, a new passage was given to the students for loud reading practice. A few words from the same passage was given for dictation also. The corrections were explained and they were asked to write down the correct words. The students were also motivated to read books as much as possible. These sessions were mainly meant to generate, in the students, a keen interest in the English language.

CLASS PTA MEETINGS 2022-23

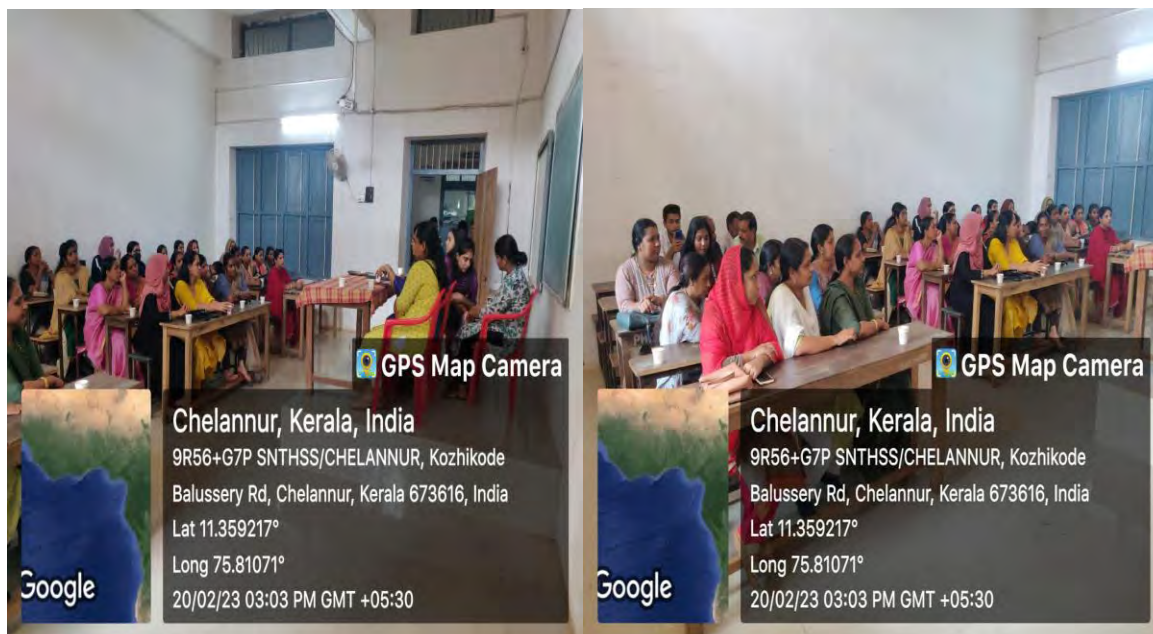

REPORT OF THE CLASS PTA MEETING OF VI SEMESTER B.A.ENGLISH(20-23)

The class PTA meeting of VI semester B.A English was held on January 9, 2023 at 2pm , in final year BA English classroom. The parents of 26 students attended the meeting. Ms.Vandana Viswanath, HoD(English) and class tutor, welcomed the gathering and briefed the parents about the general performance of the batch in the sixth semester. Ms.Sangeetha G.Nair, faculty, also spoke to the parents on various topics related to the students. The attendance statement of the class, for the month of December 2022, was circulated among the parents and they were reminded of the difficulties created by the shortage of attendance. The consolidated university examination results of the first three semesters were also provided to the parents to make the parents aware of the academic performance of the students. The College Principal, Dr.Kumar S,P, addressed the gathering and informed the parents about some of the undesirable tendencies developing amongst the students. He suggested that the parents should be more aware and alert towards the changing behaviour of their children, in order to prevent the development of undesirable tendencies among the students. Later, clarifications were provided to the concerns and doubts raised by the parents. The meeting came to a conclusion by 3.45pm.

CLASS PTA MEETING REPORT OF SECOND YEAR BA ENGLISH (2021-24)

The Post Graduate Department of English conducted a PTA Meeting for the parents of Second Year BA English students on 20th February 2023 at 2pm in room no 4. Ms Sangeetha G Nair, HoD in charge, presided over the meeting. Ms Gayathri P, Class Tutor, Ms Anjali, Ms Devika, Ms Maneesha, Ms Aparna and Ms Anamika of the Department of English, Dr. Suma, Head. Department of Hindi, Dr. Jaseena, Head. Department of Arabic and Ms Saraja, faculty, Department of Malayalam and Ms Anaswara, Department of History interacted with the parents. Thirty five parents out of a total strength of 59 students attended the meeting. The attendees were handed out the print outs of the consolidated attendance statement of the students along with their internal mark lists of both the core and complementary papers. Those parents who couldn't attend the meeting were contacted over phone. The recent trend among the students of skipping afternoon class hours, the negative impacts of smartphone addiction on student learning and overall academic performance and the poor condition of the road in front of the college creating a tough time for the commuters especially the motorcyclists were discussed in the meeting. The meeting came to an end at 4 pm.

Report of the Class PTA Meeting of I Semester BA English Language and Literature(2022-25)

The class PTA meeting of I semester BA English was held on January 24, 2023 at 2 pm in room number 4. Parents of 17 students attended the meeting. Ms. Vandana Viswanath, HoD English, welcomed the gathering and briefed the parents about the performance of the batch in the first internal exam. Attendance statement and internal marks of I semester was circulated among the parents. The Principal, Dr. Kumar S P apprised the parents about the general performance of students in the college and cautioned parents against rampant drug use among youngsters. Ms. Sangeetha G Nair provided a brief insightful session on befriending children. Ms. Priyanka V, class tutor, addressed the queries of parents individually. The meeting came to a conclusion by 4.30 pm.

DEPARTMENT OF PHYSICS

International Moon day celebration 2022

The International Moon Day was observed by the Department of Physics, Sree Narayana Guru College, Chelannur on 20-07-2022. The programme was coordinated by Dr.N.K.Divya, Assistant Professor of Physics. Smt. Neethu P, HoD, Physics welcomed the gathering. The inaugural session was presided over by the Principal, Dr. Kumar S P. The Chief guest was Dr. Aswathy. S, Assistant Professor, Dept of Physics, Providence Womens' College, Calicut. She inaugurated the session and delivered a highly informative and motivating talk on Moon Day and the relevance of its observance. The session was felicitated by Dr. Athma Jayaprakash, IQAC Coordinator, Sri.Rajesh, HoD, Electronics, Smt.Nimisha Baburaj Assistant Professor of Physics. Dr.N.K.Divya, Assistant Professor of Physics proposed the Vote of Thanks. After the inaugural session an inter departmental quiz competition was conducted for the students of the college.

- **Institutional Visit**

On 4th February 2023, the department of Physics, SNGC, Chelannur, conducted an Institutional Visit to the Kodaikanal Solar Observatory of Indian Institute of Astrophysics. This Observatory is located in the beautiful Palani range of hills in southern India. 38 students of III B.Sc Physics and 3 faculty visited the Observatory. The students actively involved in the classes provided by the observatory authorities. The head of the Observatory conducted a very informative session for the students and motivated them select their domain and area of interest.

- **P T A Meetings**

Third year : A PTA meeting of the fifth semester BSc Physics class was conducted on 26th October 2022 at 2 PM. Parents of 21 students participated in the meeting. Principal Dr. Kumar S P and faculty of Physics department were present. Principal discussed about the general discipline of the college. Marks of the previous semesters and attendance statement were distributed among the parents. After the official meeting, parents met the teachers individually and discussed about their children.

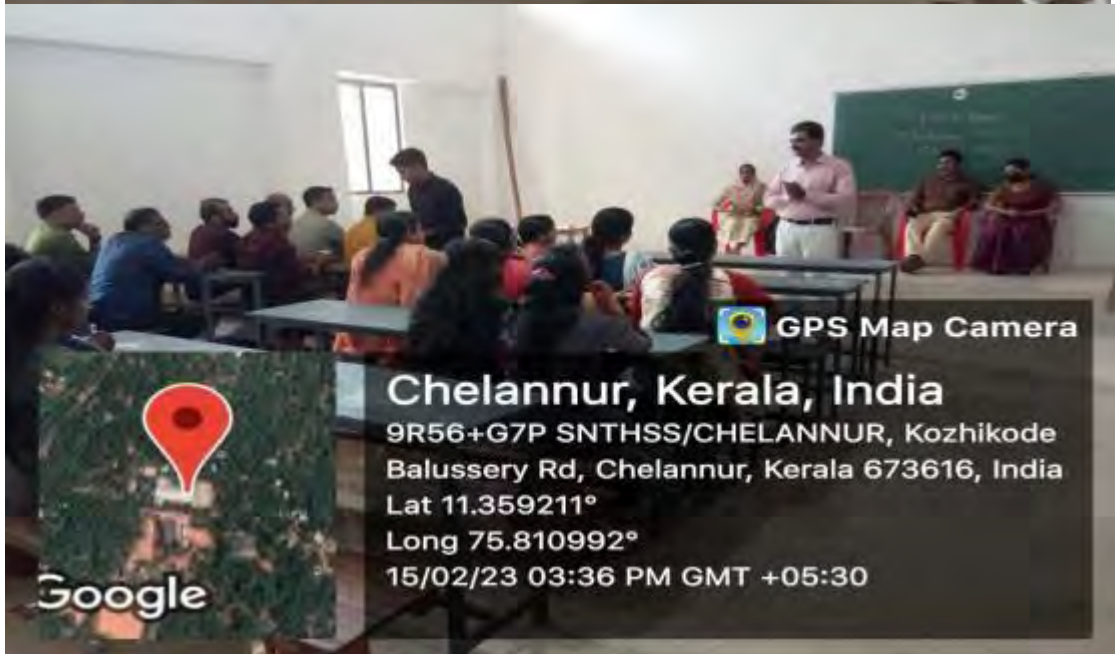

Second year : The PTA meeting of second year Physics batch was organized on 23rd February 2023. 23 parents participated in the programme. The Welcome speech was delivered by the class tutor Dr. N K Divya. The session was presided by Dr. Kumar S P, Principal SNGC. Mrs. Neethu P, HoD, Physics discussed the various issues regarding the student attitude and campus. Mrs. Nimisha Baburaj, Assistant Professor of Physics and Mr. Rajesh M R, HoD, Electronics delivered few words during the session. The parents actively participated in the session. The class tutor discussed the university result of the first semester.

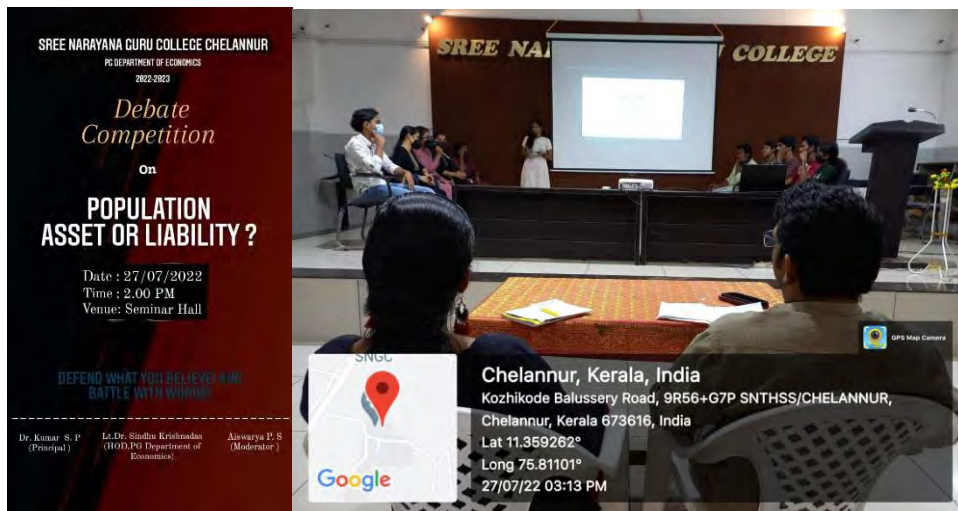

First Year : PTA Meeting of first year BSc Physics students was conducted on 15th February 2023 at 3 PM. Parents of 29 students attended the meeting. Principal Dr. Kumar S P and faculty of Physics and Electronics departments were present. The principal discussed about the general discipline of the College. Internal marks and attendance statements were distributed among them. Some parents suggested to create a WhatsApp group for parents. After the official meeting, parents individually met the teachers and discussed about their child.

PG DEPARTMENT OF ECONOMICS

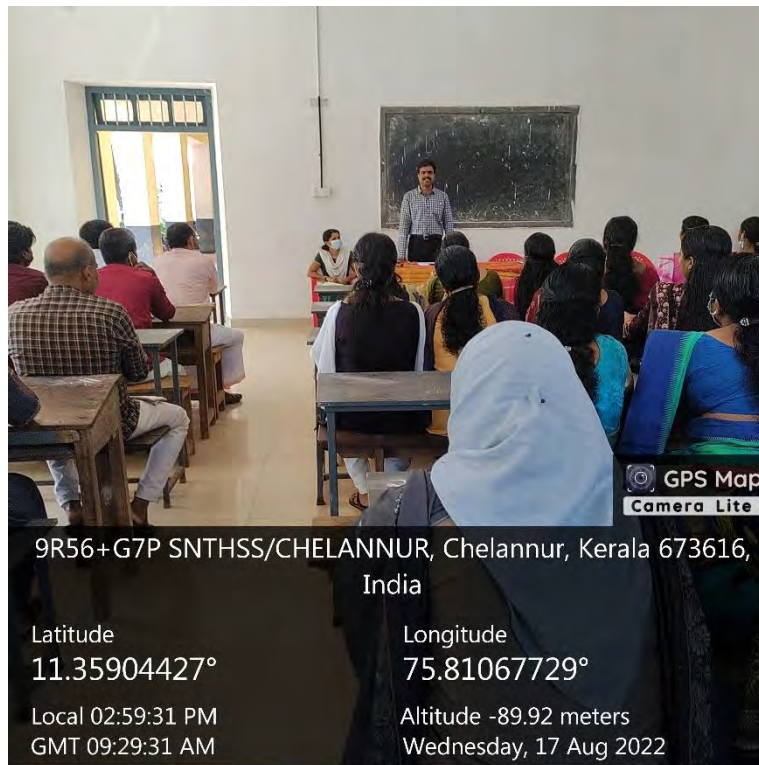

ACTIVITIES JULY 2022

World population day is celebrated on July 11th to enhance awareness regarding population issues, including its relations to the environment and development. In connection with the world population day observance, PG Department of Economics organised a debate on the topic "Population - Asset or Liability". The programme was organised on 27/7/2022 at 2 pm in the seminar hall. Dr. Kumar S P, Principal, inaugurated the programme. Aiswarya P S, II MA Economics, moderated the debate. Six teams from different departments participated in the debate. The debate was fruitful and it provided a platform for students to share their views regarding population related issues. Aswin Raj T.K of II MA English clinched the first prize.

PTA MEETING

PTA meeting of fifth semester UG students was held on 17/8/2022 at 2 pm in Room number 1. 34 parents attended the meeting. University mark list, internal mark list, and attendance statement of students were shared with parents. Principal Dr. Kumar S P, presided the meeting. Lt. Dr. Sindhu Krishnadas T, HoD Economics, delivered the welcome address. Smt. Sruthi, Tutor of fifth semester UG, delivered the vote of thanks.

VISIT TO TRIBAL VILLAGE

Students of fifth semester BA Economics visited tribal village in Mananthavadi and distributed Onam Kit to the villagers.

RIPPLES 2022

As part of the Annual Multi-Disciplinary Seminar series, Ripples -2022, PG Department of Economics organized a seminar on the topic "Innovative Practices in Banking" on 15/12/2022. Dr. Rahul K, Associate Professor of PG Department of Economics, Government Arts and Science College, Meenchantha, presented the topic. Lt. Dr. Sindhu Krishnadas T, HoD, PG Department of Economics delivered the welcome speech. Dr. Kumar S P, Principal, Sree Narayana Guru College inaugurated the seminar. Sri. Akshay P, Economics Association Secretary facilitated the function and Smt. Divya K M, Guest Faculty, PG Department of Economics delivered vote of thanks. A paper presentation competition was organised after the seminar.

PTA MEETING FOURTH SEMESTER

PTA meeting of fourth semester students was held on 6/1/2023 at 2 pm. Lt. Dr. Sindhu Krishnadas T, HOD, PG Department of Economics delivered the welcome address. Dr. Kumar S P, Principal, SNG College presided over the meeting. Smt. Divya K.M, tutor of fourth semester BA Economics delivered the vote of thanks. Result and attendance statement of students were distributed in the meeting.

ALUMNI MEETING

Alumni meeting of 1985-88 BA Economics batch was organised by the department on 7/1/2023 at 10 am in room number 9. Lt. Dr. Sindhu Krishnadas T, HoD, PG Department of Economics delivered the welcome speech. Dr. Bindu M K, Co-ordinator of alumni, presided over the meeting. Santhosh, former student, 1985-88 batch delivered the vote of thanks.

ICTEDIS CLASS

PG Department of Economics conducted ICTEDIS class on Introduction to SPSS on 20/1/2023 Friday at 2 pm in final year UG class. In the session, the resource person, Amrutha P, Guest faculty, PG Department took class on SPSS and its application in data analysis. PG and UG students of the department actively participated in the session.

ASSOCIATION INAUGURATION AND FOOD FEST

Economics association inauguration was held on 14/02/2023 at seminar hall. The programme was hosted by Bhavana, UG final year student. Mrs. Divya KM, Lecturer of Economics delivered the welcome speech. Sri. Jithesh C P, Department of Political science, felicitated the function. Presidential address was delivered by Lt. Dr. Sindhu Krishnadas T, HoD PG Department of Economics. The programme was inaugurated by Dr. Remmiya Rajan.P, Assistant Professor, PG Department of Economics, ZGC. She delivered a speech on the topic "Career Opportunities in Economics". Akshay P, Association Secretary delivered the vote of thanks. The department also organised a food festival "Ruchi Arang" in connection with association inauguration. Different home-made food items were exhibited for sale by students.

ALUMNI MEET

In memory of Prasanth, former student of Economics Department, SNG College, alumni of 2014-17 batch distributed scholarship to 5 students of different departments on 7/11/2022. Dr. Kumar S P inaugurated the meeting and distributed the scholarship.

DEPARTMENT OF CHEMISTRY

OBSERVANCE OF WORLD OZONE DAY 2022

Department of chemistry and Bhoomithrasena club of the college collectively organized an invited talk in connection with the observance of 'World Ozone Day 2022' on 30 September 2022. Dr. Jose John Mallikassery (Former Principal, St. Joseph's college, Kozhikode) delivered a talk on "Montreal Protocol @ 35: Global Cooperation Protecting Life on Earth".

The programme was inaugurated by Dr. Jose John Mallikassery. Welcome address was delivered by Smt. Shini M., Co-ordinator of Bhoomithrasena club. Dr. Kumar S.P., Principal of the college presided over the programme. Smt. AthmaJayaprakash, Co-ordinator, IQAC and Smt. Lesitha K.R. HoD Botany, felicitated the programme. The programme ended with vote thanks by Dr. Abhilash E.S., Assistant Professor, Dept. of Botany.

The importance of ozone layer, the damages to it and the significance of protecting it were emphasised during the talk. The need for collective action to address the threats posed by climate change and other environmental issues were dealt with during the lecture. The session provided an opportunity for them to learn about the latest developments in ozone layer protection and engage in a meaningful discussion on environmental sustainability.

Vanamahotsav 2022

Vanamaholsavam, also known as the Forest Festival, is an annual celebration that aims to promote and conserve the rich biodiversity that surrounds us. One of the key objectives of Vanamaholsavam is to instill a sense of responsibility and ownership among individuals towards the environment.

By actively participating in events like tree planting drives, people develop a connection with nature and understand their role in nurturing it. This festival not only raises awareness but also encourages individuals to take practical steps towards environmental sustainability.

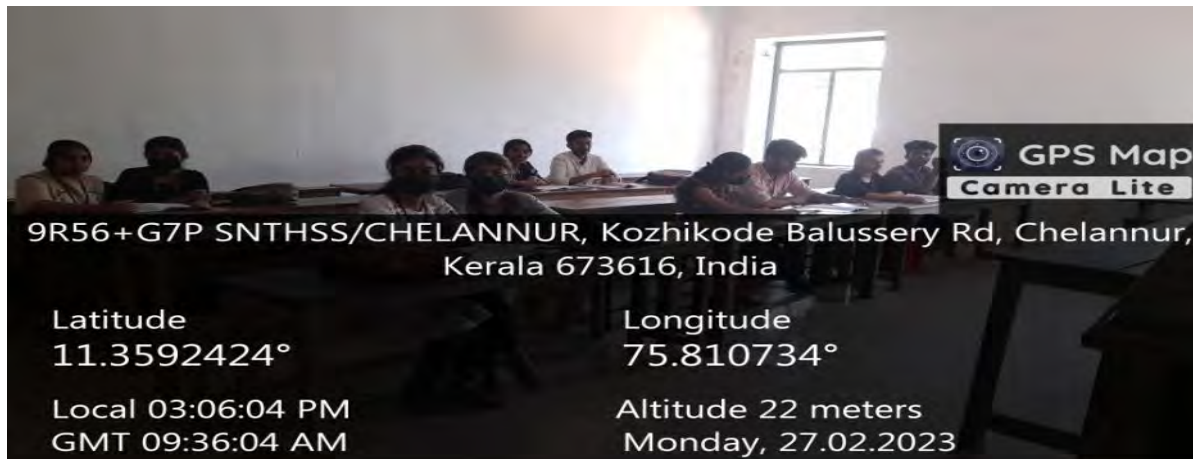

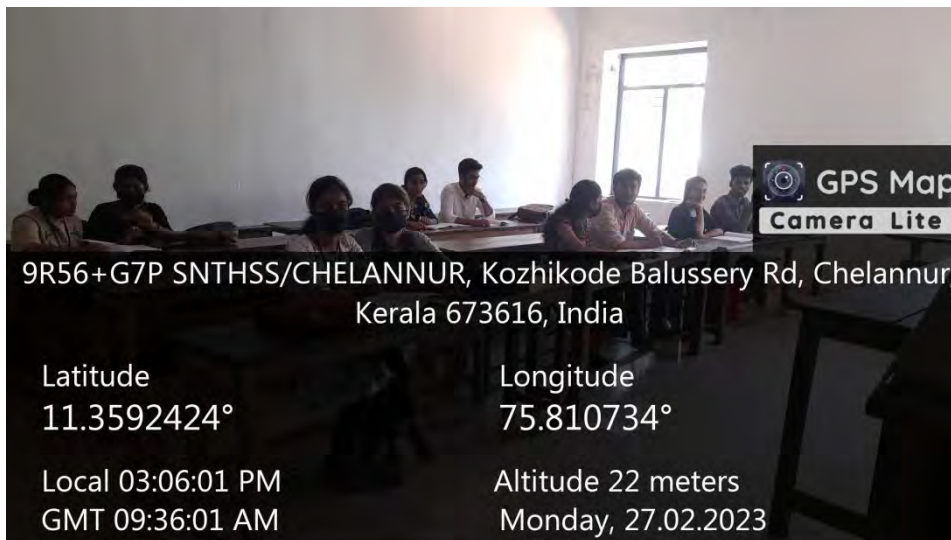

Saplings were planted in the college campus during Vanamahotsav on 08 July 2022. Students worked to identify appropriate place where saplings could be planted. It was ensured that the saplings are watered regularly after planting.

DEPARTMENT OF STATISTICS

DEPARTMENT ACTIVITIES DURING 2022-2023

The Department of Statistics will hold a quiz competition on the subject of "Importance of Statistics" on February 27, 2023, in conjunction with Science Day celebrations. BHOOMITHRASENA CLUB 2022-23

PLANTING SAPPLINGS

Planting saplings in college campus is an essential and productive initiative to improve the overall environment of the college. The objective of planting saplings in the college campus is to create a green and healthy environment for students and staff. Bhoomithrasena club of the college organized a sapling planting drive on 26 August 2022 . The programme was inaugurated by Dr. Kumar S.P., Principal.

Club members worked together to identify suitable areas where saplings could be planted and chose a variety of plants that were suitable for the local climatic conditions. The saplings were obtained from Krishi Bhavan, Chelannur Panchayath. Members of the club were assigned on a rotation basis to ensure that the saplings are watered regularly.

SAPLING PLANTING AND MAINTAINANCE OF PLANTED SAPLINGS

In continuation to the sapling planting drive on 26 August 2022, club members planted twenty more saplings near sports hostel of the college on 14 November 2022. The previously planted saplings were regularly watered, pruned and fertilised.

NATURE CAMP AT VANAPARVAM

Bhoomithrasena club of the college organized a one day nature camp on 29 November 2022 to promote environmental awareness and conservation. The camp was held at Vanaparvam Biodiversity Park, a picturesque location surrounded by lush green forests, and it provided an excellent opportunity for students to connect with nature and learn about its importance. The camp was sponsored by Kerala Social Forestry Extension Division, Kozhikode, and it was led by Sri. Suresh T, Deputy Range Forest Officer. Over 50 students from various disciplines and three faculty members participated in the camp. The camp was designed to offer a range of activities that focused on various aspects of nature, including wildlife, flora, and fauna. In the introductory session, the students were briefed about the objectives and activities of the camp. The students were then divided into groups, and each group was assigned a faculty member who would guide

them throughout the camp. The next activity of the camp was a nature walk, where the students explored the forest and learned about the different types of plants and animals. They also learned about the importance of conservation and how human activities impact the environment. In the concluding session, the members shared their experiences of the camp. They pointed out that the camp provided an excellent opportunity for them to connect with the nature and learn about its importance.

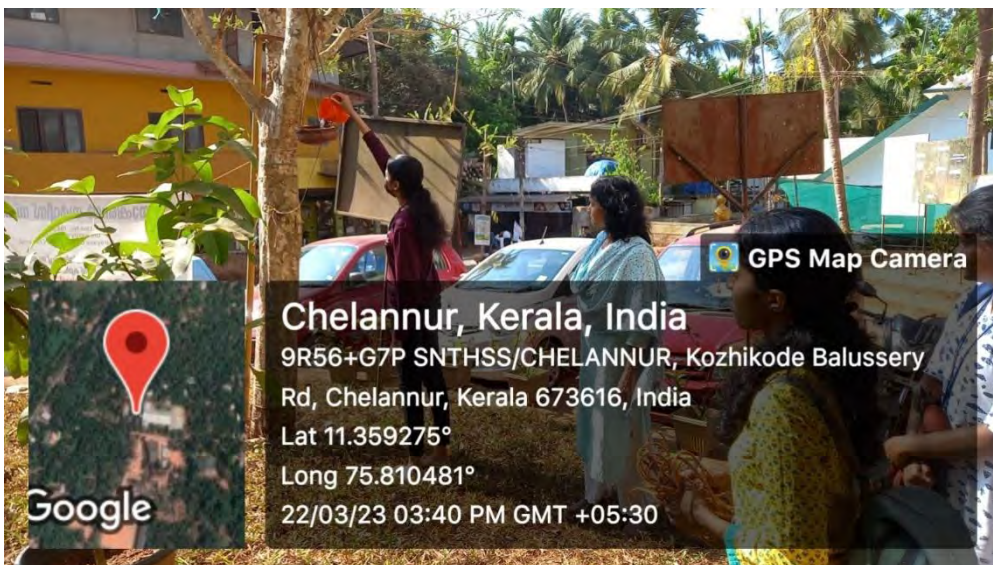

OBSERVANCE OF WORLD WATER DAY

‘KILIKALKKU KUDINEER’

Bhoomithrasena club of the Sree Narayana Guru College took the initiative to hang waterpots for birds named ‘Kilikalkku Kudineeru’ in connection with the observance of ‘World Water Day 2023’ on 22 March 2023 in college campus. It was a small step to encourage the students to take care of their surroundings while highlighting the importance of animal welfare, and creating a sustainable, healthy environment for everyone, including birds.

The programme was inaugurated by Dr. Kumar S.P., Principal of the college by hanging a water pot near the R. Shankar’s statue. Smt. Shini M., Co-ordinator of Bhoomithrasena club welcomed the gathering. Smt. AthmaJayaprakash, Co-ordinator, IQAC, Sri. Rajesh M.R., Assistant Professor, Electronics, Dr. Binoy C., Guest Lecturer, Dept. of Zoology were present during the programme.

OBSERVANCE OF WORLD WATER DAY 2023

Invited talk on 'A Retrospection on our Water Consumption and Conservation'

An invited talk on the observance of World Water Day was held at our college on 27 March 2023 to raise awareness about the importance of water conservation and management. The talk was delivered by Dr. V.K. Brijesh, Assistant Professor, Dept. of Geology, M.E.S. College, Ponnani who shared his insights and experiences on water management. Welcome address was delivered by Smt. Shini M., Co-ordinator of Bhoomithrasena club. Dr. Kumar S.P., Principal of the college presided over the programme. Smt. Athma Jayaprakash, Co-ordinator, IQAC and Smt. Lesitha K.R. HoD Botany, offered felicitations. The programme was concluded with vote thanks by Anaswara Vinod, Student Co-ordinator of Bhoomithrasena.

The talk began with an introduction to World Water Day and its significance. The speaker then highlighted the challenges faced by the world in managing water resources, including population growth, climate change, and pollution. He emphasized the need for collective action to address these challenges and ensure sustainable water management. The speaker also discussed various techniques and technologies for water conservation and water management, such as rainwater harvesting, drip irrigation, and wastewater treatment. He stressed the importance of adopting these practices at both individual and community levels to conserve water and prevent water scarcity.

‘RESURRECTION’

WORKSHOP ON MANAGING WASTE THE BEST WAY

A workshop on " RESURRECTION - Managing Waste the Best Way" was organized at our college by the Bhoomithrasena club on 29 March 2023 to promote the concept of waste management and encourage students to adopt eco-friendly practices. The workshop was led by Dr. Parvathy Menon, former HoD, Dept. of Botany, N.S.S. College for Women, Neeramankara who is an expert in the field of waste management and recycling. Smt. Shini M., Co-ordinator, Bhoomithrasena delivered the welcome address. Dr. Kumar S.P., Principal of the college presided over the programme. Smt. Athma Jayaprakash, Co-ordinator, IQAC offered felicitation. Smt. Nimisha Babu Raj and Smt. Devika G, were present during the inaugural session. The programme was concluded with vote of thanks by Anaswara Vinod, Student Co-ordinator of Bhoomithrasena.

The workshop began with an introduction to the concept of "Managing Waste the Best Way" and its importance in the current scenario. The speaker highlighted the challenges faced by the world in managing waste, including overconsumption, lack of proper disposal methods, and environmental pollution. She emphasized the need for adopting sustainable practices to reduce waste and promote recycling. The speaker also demonstrated various techniques and ideas for creating useful products from waste materials. She showcased how waste materials such as plastic bottles, newspapers, and cardboard boxes can be used to create items like home decor, bags, and accessories. The students were encouraged to participate in hands-on activities to create their own products using waste materials.

INTERNAL COMPLAINTS COMMITTEE REPORT 2022-23

The Internal Complaints Committee (ICC) is constituted as per the UGC Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions Regulations, 2015. The above Regulations are based on the Government of India's Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. In compliance with the UGC statutes, measures have been taken to ensure the safety of women in the campus and programmes have been conducted to encourage and promote gender sensitization. The ICC has a zero-tolerance policy towards sexual harassment and strives to create a campus free from discrimination, harassment or sexual assault.

COMPLAINT BOX

A complaint box has been placed in the corridor of the main building of the college by ICC. Students and female staff can put their complaints regarding sexual harassment in the box. The box will be checked every Monday and the complaints will be scrutinised and punitive action will take.

LEGAL AWARENESS CLASS

ICC of SNG College in collaboration with District Legal Services Society, organised a legal awareness class on “Sexual Harassment of Women at Workplace - Prevention, Prohibition, Redressal” on 22/12/2022 at 10 am in seminar hall. Sri. M P Shyjal, Sub Judge and Secretary, District Legal Services Authority, Kozhikode took the class. Lt. Dr. Sindhu Krishnadas, Presiding Officer, ICC delivered the welcome address. Dr. Kumar S P, Principal presided over the function. Dr. Athma Jayaprakash, IQAC Co-ordinator, and Sri. Jithesh C P, HoD Political science, felicitated the function. Smt. Akhila M K, member, ICC delivered the vote of thanks. After the session, students interact with the resource person.

World Environment Day (05/06/2022) World Environment Day was first celebrated in the year 1974. This day has become a platform to raise awareness among people regarding the problems

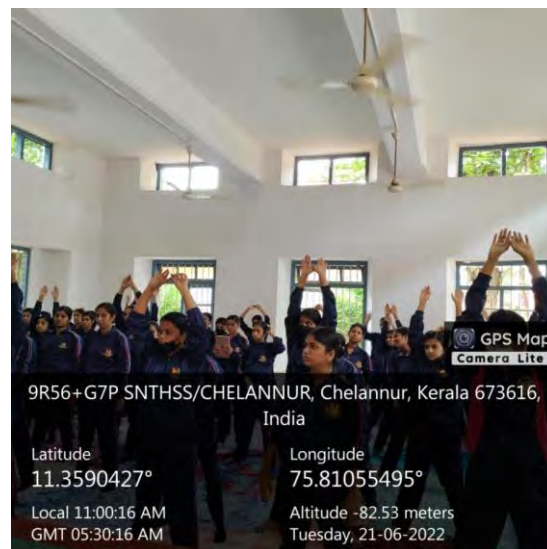

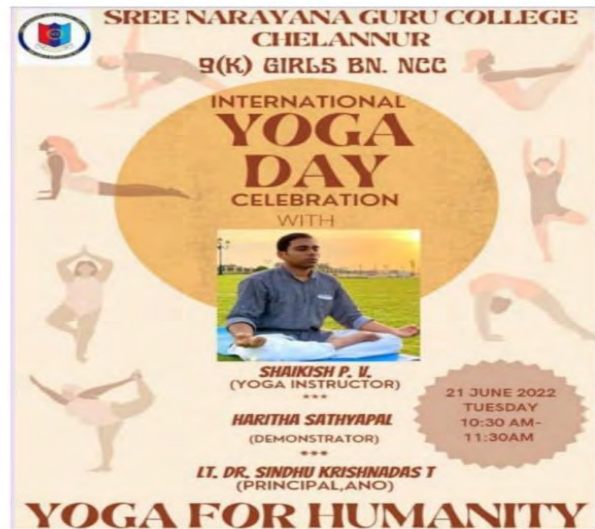

faced by the world such as air pollution, plastic pollution, global warming and sea level rise. In the year 2022, Sweden hosted world environment day. As part of world environment day, we the SNGC NCC unit planted several tree saplings in the college premise. We also conducted quiz competition and poster making competition.

International Day of Yoga (21/06/2022)

The International Day of Yoga has been celebrated annually on 21st June since 2015, following its inception in United Nation's General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. It aims to raise awareness worldwide regarding the benefits of practicing yoga. 'Krishnamacharya' is known as the father of modern yoga.

On 21st June 2022, as part of International Day of Yoga, the SNGC Army Wing organized a yoga session with famous yoga instructor Mr. Shaikish PV. Ms. Haritha Sathyapal demonstrated yogasanas during the session. Our principal and ANO Lt. Dr. Sindhu Krishnadas T organized the programme. UO Bhavana P and UO Ashaika Sajeevan co-ordinated this programme with the support of other cadets. A sum total of 78 Cadets participated in this programme actively.

International Day against Drug Abuse and Illicit Trafficking (26/04/2022)

On 7th Dec 1987 the United Nation's General Assembly decided to observe June 26th as the International Day against Drug Abuse and Illicit Trafficking. They mainly focused on the measures to strengthen their efforts to achieve the goal of making the society free of drug abuse. "Addressing Drug Challenges in Health and Humanitarian Crisis" was the theme of Anti – drug Abuse Day of this year.

The SNGC Army wing conducted several programmes including Poster making competition, drawing competition, and a webinar which was organized by the principal and ANO of SNGC,

Chelannur. The programme was co – ordinated by UO Bhavana P and UO Ashaika Sajeevan along with other cadets .

The webinar was conducted effectively by a team of cadets.

CPL Nandana Sunilkumar – executed the webinar

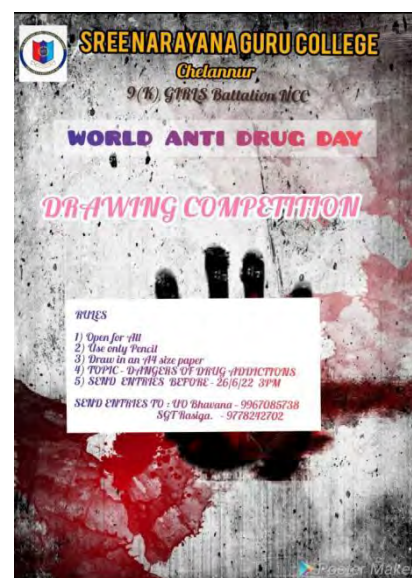

CDT Aswathi M - addressed drug challenges in health and humanitarian crisis

CDT Unnimaya KK - talked about the misuse of drugs and their adverse effects

CPL Gopika P - spoke regarding the effect of drugs on human body

CDT Anjana PP - discussed the impacts of drug abuse among youth

Arathi P - regarding the effects of drug abuse on brain -its risk factors and de- addiction helpline

CPL Anagha K - concluded the programme. The cadets of SNGC Army Wing, Chelannur actively participated in the programmes.

WORLD POPULATION DAY (11/07/2022)

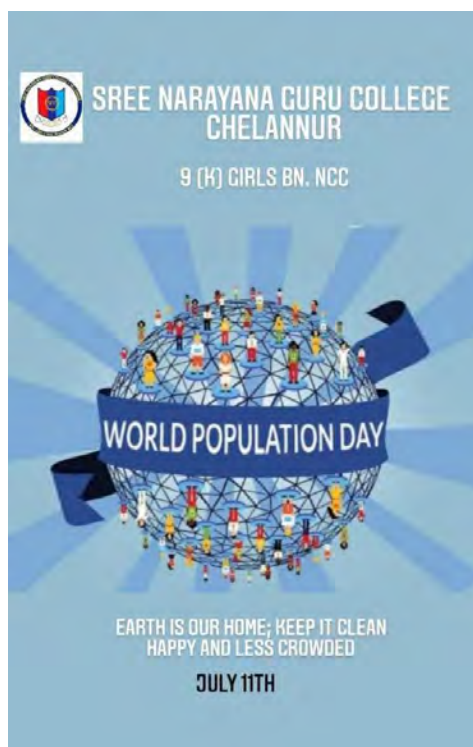

World Population Day is an annual event, observed on July 11 every year, which seeks to raise awareness of global population issues. The event was established by the Governing Council of the United Nations Development Programme in 1989. It was inspired by the public interest in Five Billion Day on July 11, 1987, the approximate date on which the world's population reached five billion people. World Population Day aims to increase people's awareness on various population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights.

The SNGC Army wing conducted a Quiz competition which was organized by Lt. Dr. Sindhu Krishnadas T, the principal and ANO of SNGC, Chelannur. The programme was co – ordinated

by UO Bhavana P and UO Ashaika Sajeewan along with other cadets. All the cadets in SNGC

army wing actively participated in the Quiz competition.

NELSON MANDELA DAY (18/7/2022)

Nelson Mandela International Day is an annual international day in honour of Nelson Mandela, celebrated each year on 18 July, Mandela's birthday. The day was officially declared by the United Nations in November 2009, with the first UN Mandela Day held on 18 July 2010. SNGC ARMY wing conducted essay writing competition which was organised by Lt. Dr. Sindhu Krishnadas T, Principal and ANO of SNGC Chelannur. The program was coordinated by UO Ashaika Sajeewan and UO Bhavana P, along with other cadets. The cadets of SNGC Army wing Chelannur actively participated in the competition.

Kargil Vijay divas - 26-07-2022

Kargil Vijay Divas is commemorated on 26 July every year in India, to observe India's victory against Pakistan in the Kargil War by ousting Pakistani Forces from their occupied positions on the mountain tops of Northern Kargil District in Ladakh in 1999. Initially, the Pakistani army denied their involvement in the war, claiming that it was caused by Kashmiri Militant Forces. However, documents left behind by casualties, testimony of POWs and later statements by the Prime Minister of Pakistan Nawaz Sharif and Pakistan Army Chief of Army Staff Pervez Musharraf showed the involvement of Pakistani paramilitary forces, led by General Ashraf Rashid.

Kargil Vijay Divas is celebrated on 26 July every year in honour of the Kargil War's Heroes. This day is celebrated all over India and in the national capital, New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at the India Gate every year. The cadets of SNGC Army Wing along with cadets of Navel unit conducted a programme under the guidance of principal and ANO Lt. Dr. Sindhu Krishnadhas. T. A minute's silence was observed as a mark of respect towards the departed souls by the cadets.

International Rain Day (29 /07 /2022)

International Rain Day is celebrated on July 29 every year. Throughout human history, people and cultures all over the world have celebrated rain and its life-giving power. All life is dependent on rain, and rain is what keeps our world green, fresh and beautiful. Rain is no less important today than it has been in the past, and now people around the world have Rain Day, a day to celebrate all things wet and wonderful. You don't have to be a farmer with your eye on the latest batch of crops to be concerned with rain, and there are many things the ordinary person can do to celebrate. If you're lucky enough to be somewhere where it rains on Rain Day, you can head outside to dance, sing, or just walk in the rain. If it doesn't happen to be raining, you can serve up a delicious meal of fresh greens and other things that depend on the rain to grow, and reflect on how lucky we are to live in a rainy world.

SNGC Army Wing, as a part of international rain day under the guidance of Lt. Dr Sindhu Krishnadas T and other cadets jointly cleaned a pond near our college. Due to dumping of plastic waste, the pond has lost its luster. The plastic wastes were completely removed and the pond was made plastic free. As part of "Catch the Rain Campaign" cadets conducted an awareness class on water conservation.

HAR GHAR TIRANGA PROGRAMME (13/08/2022)

‘Har Ghar Tiranga’ is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India’s independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

The ‘Har Ghar Tiranga’ was organized by Lt. Dr. Sindhu Krishnadas T. ANO of SNGC, Chelannur. The programme was co-ordinated by SUO Bhavana P and UO Ashaika Sajeevan along with other cadets. All the cadets in SNGC army wing actively participated in the programme. The National Flags provided by 9(k)GIRIS BN. NCC were hoisted by all our cadets in their house.

INDEPENDENCE DAY (15/08/2022)

India marked 75 years of independence from British rule in 2022. However, if the number of Independence Days celebrated in India since August 15, 1947, which is considered the first, is added up, the total will be 76. This is the reason why August 15, 2022, is being celebrated as the 76th Independence Day. Hence, in totality, the correct way to say is that India is celebrating the 75th anniversary of its independence but it’s still the 76th Independence Day. Remembering the martyrs of freedom struggle and their immense contribution in Indian Independence, DPS Bokaro celebrated ‘Azadi ka Amrit Mahotsav’. The theme for this year’s celebration is ‘Har Ghar Tiranga’. The Azadi ka Amrit Mahotsav campaign is based on five broad themes- Freedom Struggle, Ideas@75, Resolve@75, Actions@75 and Achievements@75. Over the past 75 weeks, different events based on the themes were organized to commemorate 75 years of the country's independence.

SNGC Army wing had conducted speech, patriotic song and quiz competitions which were organized by Lt. Dr. Sindhu Krishnadas T, ANO of SNGC, Chelannur. The programme was coordinated by SUO Bhavana P and UO Ashaika Sajeevan along with other cadets. All the cadets in SNGC army wing actively participated in the programme

Women's Equality Day (26/08/2022)

Women's Equality Day is celebrated every year on 26th of August in the United States in order to honour the women of America for gaining the constitutional right to vote. The day honours the 19th amendment made to the US constitution in 1920 to provide equal rights to women. The date was chosen to commemorate the day in 1920 when the secretary of state Bainbridge Colby signed the proclamation granting the American women the constitutional right to vote in 1971, following the 1970 nationwide women strike for equality and again in 1973. Congresswoman Bella Abzug introduced a resolution to designate August 26 as Women's Equality Day.

As part of Women's Equality Day several programmes were conducted by the SNGC NCC cadets. Poster making competition, quiz competition and quote making competition were conducted on this day. The programmes were organized by SNGC Army Wing ANO Lt. Dr. Sindhu Krishnadas T. The programmes were well co-ordinated by UO Bhavana P and UO Ashaika Sajeevan along with other cadets. 78 cadets of this unit actively participated in all the programmes.

National Sports Day (29/08/2022)

National sports day is observed on 29th of August every year to honour hockey Legend Major Dyan Chand. The day marks the birth anniversary of Major Dyan Chand who won gold med

als for India in the years 1928,1932,1936 and so on. National Sports Day is a public holiday in several countries to honour national sports teams and traditions of those countries. On this day, people from different age groups take part in sports like kabbadi, marathon, hockey and basketball. It is a day to raise awareness about physical activity, sports and overall health. People in India get together and celebrate National Sports Day on 29th of August. This day was included among the list of celebratory days in the year 2012.

As part of National Sports Day, the NCC Army wing of SNGC Chelannur conducted several programmes for engaging the Cadets in various sports events and to make them realize the importance of physical activity and how it effects their bodies positively. The theme of National sports day 2022 was “Meet the champion” and the Prime Minister argued that the initiatives for this should be given from school itself. Quiz competition and quote making competition were conducted as part of this day to instill sportsman spirit inside cadet’s minds. The programmes were organized by the ANO of SNGC Army Wing Lt. Dr. Sindhu Krishnadas T and was well co-ordinated by UO Bhavana P and UO Ashaika Sajeevan with the support of other cadets. A sum

total of 78 cadets actively participated in the programmes conducted as a part of National Sports day.

WORLD WILDLIFE DAY (04/09/2022)

National Wildlife Day on September 4th encourages improved awareness of the species around us and in the broader world.

This National Day focuses on endangered species, preservation, and conservation efforts around the world. Zoos, aviaries and marine sanctuaries provide a variety of ways to get involved. It's essential to understand how we impact the habitats that animals need to survive. Their homes supply their food and shelter.

America marks National Wildlife Day on September 4. It's an opportunity for everyone to step back, take a deep breath and think about all that surrounds us. It inspiring to consider preservation and conservation efforts that work to improve the natural world. As Henry David Thoreau once wrote, "In wildness is the preservation of the world."

As a part of World wildlife day several programmes were conducted by the SNGC NCC cadets. Poster making competition, quiz competition and quote making competition were conducted on this day. The programmes were organized by SNGC Army Wing ANO Lt. Dr. Sindhu Krishnadas T. The programmes were well co-ordinated by UO Bhavana P and UO Ashaika Sajeewan along with other cadets. Cadets of this unit actively participated in all the programmes conducted.

TEACHER'S DAY [05/09/2022]

Teachers' Day is celebrated on September 5 to honor educators and recognize the effort that they put into shaping young individuals. Teacher's Day also marks the birth anniversary of Dr. Sarvepalli Radhakrishnan, the first Vice-president of India and the second president of India.

Teachers nourish and prepare students for their future as they are the real icons of knowledge and wisdom. They create awareness among the students and common people. They are the source of light in the world that has been darkened due to ignorance. Our teachers are the true pillars of our success. So, as a student, it is our duty to thank them at least once a year and Teachers' Day gives us an ideal opportunity to do so.

As part of the Teachers Day, a webinar was conducted by the SNGC Army Wing. The programme was organized by ANO Lt. Dr. Sindhu Krishnadas T and well co-ordinated by UO Bhavana P and UO Ashaika sajeevan. The webinar was well presented by a team of cadets including SGT Rasiga, who executed the webinar. Several programmes were conducted including recitation of Malayalam poem by CPL Sneha K P and an English poem by cadet Anugraha. A speech on the topic 'Teachers' Day' was delivered by the cadets Alakanandha and Nandana Dharmaraj. A random quiz competition was also conducted during the webinar.

A total of 78 cadets of SNGC Army Wing, Chelannur actively participated in the programmes. The teachers were respectfully greeted by the cadets by giving them handmade greeting cards on the next day.

WORLD FIRST AID DAY [10/09/2022]

World First Aid Day is celebrated every year on second Saturday of September. The Day aims to create awareness on how first aid can save lives. World First Aid Day 2022 celebrated the theme 'Lifelong First Aid'. World First Aid Day 2022 was observed this year on September 10th to demonstrate the significance of first aid practices in saving lives. The goal of World First Aid Day is to provide an opportunity to highlight the value of knowing and administering first aid and to hold awareness campaigns mobilizing both the public and volunteers.

As part of World First Aid Day, department wise video making competition was conducted on the topic "Awareness on First Aid Day" which was organized by Lt. Dr. Sindhu Krishnadas T; ANO of SNGC Army Wing. The programmes were well co-ordinated by CPL Anannya NK along with the other cadets. The first and second prizes for best video were bagged by Mathematics and Physics departments respectively. Every cadet of SNGC Army Wing actively participated in the programmes.

GANDHI JAYANTI (02/10/2022)

Gandhi Jayanti is celebrated on 2nd October every year to mark the birth anniversary of Mohandas Karamchand Gandhi, who was famously known as Mahatma Gandhi. Father of the Nation, as he is called, led India's freedom movement along with many other national leaders against the British rule in India. His method of non-violence inspired many civil rights movements across the world. To celebrate his contribution to the nation, 2nd October is celebrated every year as a national holiday. The day is also celebrated as the International Day of Non-Violence by the United Nations.

As part of Gandhi Jayanti, several programmes were conducted by the SNGC NCC Army Wing cadets. Gandhi Jayanti pledge, campus cleaning and games session were conducted on this day . The programmes were organized by SNGC Army Wing ANO Lt. Dr. Sindhu

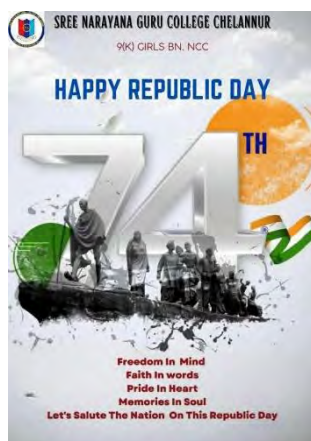

Krishnadas T. The programmes were well co-ordinated by SUO Bhavana P and SUO Ashaika Sajeevan along with other cadets.

ASHA GRAM VISIT

On the same day, the cadets visited Asha gram, a relief bearing institution situated near SNGC College. Several programmes were conducted in the Asha Gram to bring joy to the abandoned people living in Asha Gram.

Republic day (26/01/2023)

Republic day is the day India marks and celebrates the date on which the constitution of India came into effect on 26 January 1950. This replaced the Government of India act 1935, as the government document of India, thus turning the nation into a republic separate from the British.

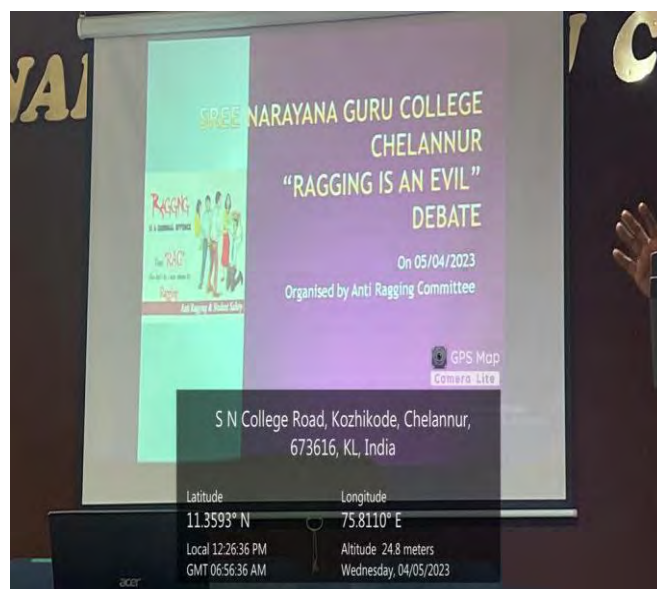

The day was celebrated in our college in a grand manner. The programme began at 9.00 am. Every NCC cadet of SNGC Army Wing gathered in front of the college. The flag was hoisted by our principal in charge Lt. Dr. Sindhu krishnadas T. A short speech to remind the students of the significance of living in a republic nation was given by teachers. Subsequently, the NCC cadets of SNGC Army Wing sang their NCC song. NCC cadets of SNGC Army Wing conducted a dance play, spot topic and team wise quiz competition. The winners got prizes from ANO Lt. Dr. Sindhu krishnadas T. The cadets of SNGC Army wing Chelannur actively participated in every programme pertaining to Republic Day under the guidance of Lt. Dr. Sindhu krishnadas T. The programme was coordinated by SUO Bhavana P along with other cadets.

ANTI-RAGGING COMMITTEE REPORT

Anti ragging committee conducted debate on" **Ragging is an evil**" on 5/04/2023 at college seminar hall. Several students from different departments union members and teachers participated in this debate.The debate was moderated by Dr.Sri . Santosh CR HOD Department of Sanskrit Chaired by Dr.Jooby VP. Welcome speech by REJISH M T Convener anti Ragging committee Vote of thanks by Mr.Babu. T.P Member anti ragging committee.

Those who participated in the debate said that ragging is a poisonous seed that eats away at colleges. It was also opined that the higher education sector is facing a disaster. It was also noted that the importance of organization like Anti Ragging Committee helps in preventing ragging.

Alumni meet (ORIKKAL KOODI) 10-12-2022

The alumni meet held on 10th December 2022 of 1995-2000 Commerce Batch of Sree Narayana Guru College, Chelanur organized “Ormagalude Muttathekke orikkal koodi’ a programme to facilitate, consolidate and coordinate Alumni Association Activities at Sree Narayana Guru College. The seminar hall was the venue for the event.

The Alumni started arriving in college by 10 a.m. and they were been asked to fill the registration form. The Alumni Meet started with a welcome address by the representative member of alumni group. The inaugural function was done by lighting the lamp and cutting a cake made by one of the member of the alumni group. The meeting was graced by the present Head of the Department, faculty members and the alumnae coordinator.

The guest of honour was the two retired teachers out of five. Due to some personal reasons they couldn't join the meet. Total of 40 alumni were present.

The objectives of the meet were:

1. To interact with the Alumni

2. To plan, organize and coordinate alumni association activities and development of sustainability plan

3. To share and rejoice the memories.

The event was stimulating and enjoyable and simultaneously profitable as all members shared their views, ideas and good number of information and insights came up. As a part of love and gratitude the alumni representative handedover a memento to the HoD and the alumni coordinator. Various cultural programmes were organized to create a liveliness for the event and were continued followed by the lunch. The programme were winded up by 5 pm.

The alumni sincerely expressed its gratitude to the honorable alumni coordinator and other faculties for its guidance and support to make this event a grand success.

Let's make this re-union the most memorable moment of our life.

REPORT OF THE SEMINAR SERIES

RIPPLES -2022

Sree Narayana Guru College, Chelannur, is extremely proud and privileged to state that we have successfully completed the fifth series of RIPPLES – The Annual Multi-Disciplinary Seminar Series, facilitated by the PTA. As with the previous events, this year also witnessed the dedicated and wholehearted cooperation and participation of the various departments of the college. The guiding principle of this venture is an earnest view to enlighten the younger generation through academic deliberations. The program has definitely started to create an indelible imprint in the rich historical legacy of our college.

Ripples 2022 was inaugurated on 15 December 2022 by Smt. Madhavikutty M A IAS, District Development Commissioner, Kozhikode. She inspired everyone with her life story emphasizing the importance of education in youngster's life and the inevitability of perseverance in achieving great goals. The event was presided over by Dr. Kumar S P, the Principal of our college. Smt. Vidya K (Convener, Academic Committee 2022), delivered the welcome speech. Dr. Athma Jayaprakash (IQAC Co-coordinator), Dr. Joobi V P (NAAC Co-coordinator), Dr. Lesitha K R (HoD, Botany), Dr. Santosh C R (HoD, Sanskrit), Lt. Dr. Sindhu Krishnadas T (HoD, Economics), Mr. Babu T P (Staff Association Secretary), Mr. K K Murali (Vice-President PTA), Mr. Maheendran I (Office Superintendent), and Ms. Adithya (Vice Chairperson, College Union) felicitated the event. Ms. Anjali G S (Coordinator, Ripples 2022) delivered vote of thanks. The inaugural session was succeeded by seminar conducted by the Economics department. The resource person, Dr. Rahul K, Associate Professor of PG Department of Economics, Government Arts and Science College, Meenchantha presented his paper on the topic "Innovative practices in Banking". The presentation was followed by student paper presentations. The seminar was coordinated by Lt. Dr. Sindhu Krishnadas T (HoD, Economics) and the other faculty members of the department of Economics.

The next seminar was conducted jointly by the Departments of Botany and Biology on 21 December 2022. Dr. Anu Augustine, Professor, Department of Biotechnology and Microbiology, Dr. Janaki Ammal Campus, Kannur University delivered an invited lecture on the topic "Mangroves – Extremophilic Adaptations". The presentation was followed by student paper presentations. The seminar was coordinated by Dr. Lesitha K R (HoD, Botany), Dr. Megha U (HoD, Biology) and the faculty members of the respective departments.

The subsequent session was done by the department of Mathematics on 6 January 2023. The Resource Person for the seminar was Dr. Santhosh P. K., Associate Professor & Head, Dept.

of Mathematics, Govt. College, Mokeri. He enlightened the audience on the topic “Introduction to Calculus of variations”. The seminar ended with the paper presentations by students of the Mathematics department. The session was coordinated by Lt. Mohanan T (HoD), Dr. Vineesh K P, Dr. Priya R S (HoD, Statistics), and Ms. Aparna K (faculty).

The seminar by Physics Department was conducted on 16 January 2023. Dr. Rajitha Ramanarayanan, (Associate Professor, Govt. Victoria College, Palakkad) delivered her invited lecture on the topic “A Brief Insight into the Realms on Physics”. The talk was followed by student paper presentations. The session was coordinated by Ms. Neethu P (HoD) and the remaining faculty members.

The following session on 27 January 2023 was conducted by Commerce Department. The resource person of the seminar was Dr. Anil Kumar K, Principal, Alphonsa Arts & Science College, Sulthan Bathery. He presented his paper on the topic “Research in Social Science”. Interested students of the department presented their papers. The event was organized by Ms. Akhila M K (HoD) with full support of her department members.

The last seminar of the series was organized by the PG Department of English on 27 February 2023. Dr. Moncy Mathew (Head, PG Department of English, Government Arts and Science College, Meenchanda) was the Resource Person. He spoke on "Recontextualising English Literature in Today's World." This was followed by presentations by the PG students of the department. The seminar was coordinated by Ms. Vandana Viswanath (HoD) and the remaining faculty of the department.

The valedictory session of Ripples 2022 was conducted on 13 March 2023. Dr. Joobi VP, Academic Committee Convener delivered the welcome speech. The Chief guest of the function was Dr. K M Anil, Professor Ezhuthachan Study Centre, University of Malayalam. The function was presided over by Prof (Dr). Kumar S P, the Principal of our college. The report of Ripples 2022 was presented by Smt. Anjali G S, Coordinator Ripples. Further, Smt Lesitha K R (HoD, Botany) delivered felicitations. Best Paper Awards and the Presentation Certificates were handed over to the winners. The vote of thanks was proposed by Dr. Deepesh Karimpunkara (HoD, Malayalam). Followed by the vote of thanks, there ensued a fruitful discussion between the chief guest and the students .

**CLASSES IN ENGLISH FOR EFFECTIVE COMMUNICATION – FOR SCHOOL STUDENTS
– 2022-23**

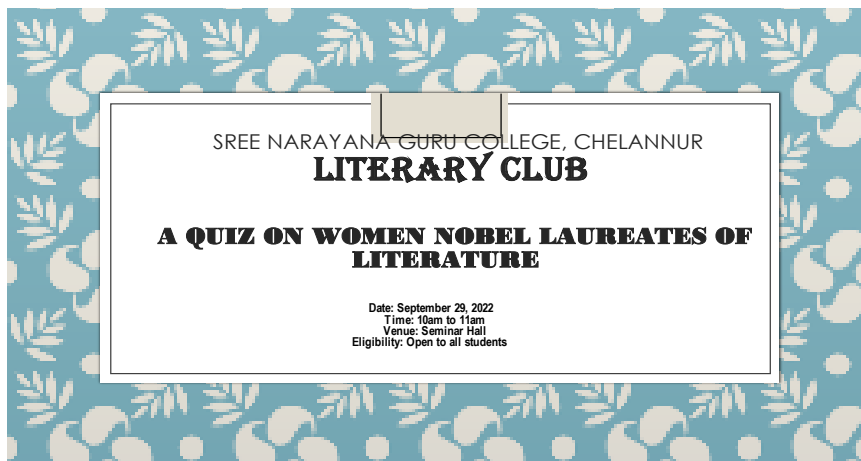

The Postgraduate Department of English, Sree Narayana Guru College, Chelannur, conducted a one month course in Communication Skills in English, for the Seventh standard students of Ichannur Aided UP School, Kannankara, Chelannur. The course was conducted in the months of February - March 2023. The classes were held on all working days for a period of 40 minutes, depending upon the schedule intimated by the school authorities. A class of 25 students was arranged based, primarily, on the interest of the students and also their needs. A pre-test was conducted to identify the students who really required help in using the English language. A team of four students from II MA English was assigned the charge of engaging the classes. One teacher from the department accompanied the student-teachers to the school, everyday. It was observed that the presence of student-teachers had a favourable effect on eliciting responses from the school children. During the sessions held this year, we concentrated on the basic reading and writing skills of the students. Every day, a new passage was given to the students for loud reading practice. A few words from the same passage was given for dictation also. The corrections were explained and they were asked to write down the correct words. The students were also motivated to read books as much as possible. These sessions were mainly meant to generate, in the students, a keen interest in the English language.

LITERARY CLUB REPORT

The Literary Club of Sree Narayana Guru College, Chelannur, conducted a Quiz competition on WOMEN NOBEL LAUREATES OF LITERATURE. A notice was circulated among all classes inviting interested students to participate in the competition. The Quiz contest was held on September 29, 2022, from 10am to 11am at the college Seminar Hall. Two students from II MA English, Kshethra MK and Vishnupriya P were the quizmasters. This was not conducted as a team event. Twenty five questions were asked in total, through five different rounds, each round consisting of five questions. There were audio clips, photographs, video clips and direct questions related to the topic. All the interested students could give their answers individually, by raising their hands if they were ready to answer. Students were assigned as observers to identify which student was eligible for the first chance. After five interesting rounds, the student who answered the most number of questions was declared the winner. Anjana MP of III BA English won the first place. Muhsina Niyas of III BA Malayalam was the runner-up.

SCIENCE FORUM – REPORT

During the academic year 2022-23 , the Science Forum of Sree Narayana Guru College, Chelannur conducted a seminar on 28-02-2023 as part of National Science Day observation. The programme was inaugurated by the Principal Prof. Dr. Kumar S P. The resource person was Sri. Pavithran P P K , Retired Assistant Engineer, KSEBL. He delivered a detailed and comprehensive talk on topics such as Power sector in India , Capacity and consumption , Importance of Energy Conservation , Importance of safety, occurrences of accidents in Kerala due to lapse in safety. 102 students from various departments attended the session .Students asked several doubts related to their daily routine experiences . The session was a highly interactive and informative one.

ANTI-NARCOTIC CLUB 2022-23

DRUG ADDICTION DESTROYS LIVES, TEARS APART FAMILIES AND HARM SOCIETY

Drug addiction has become a serious problem all over the world. The number of teenagers and young people getting addicted to drugs is increasing day by day. Sree Narayana Guru college, anti-narcotic club presents a webinar through Google meet on the topic *DRUG FREE CAMPUS* on 29/11/2021 Monday at 7pm. Mr. Ramakrishnan C (Preventive Officer Vadakara) was the speaker of the session. Meet was anchored by Sradha Vijay (2nd yr BSc Botany student) and was started with the Prayer song (Maneesha, 2nd Yr BA English student). The Welcome speech was delivered by Dr. Jaseena T.P (Co-ordinator Anti-narcotic Club) Presidential Address was done by Dr. Devipriya.V (Principal, SNGC Chelannur). The event was felicitated by Mr. Shabeer N.K (Civil Excise Officer, Chelannur) & Dr. Athma Jayaprakash (IQAC-Co-ordinator.) An excellent awareness class was done by Mr. Ramakrishnan on the topic "DRUG FREE CAMPUS". He explained the adverse effects of drug abuse on education, family and covered many points. At the end students (Vyshnav, Sradha, Agina, Gayathri) of anti-narcotic club asked doubts and interact with the resource person. Vote of thanks was delivered by Dr. Santhosh C.R (H.O.D, Department of Sanskrit). The informative and interesting program came to its successful end at 8:30 pm.

Career Guidance and Placement Cell

Objective

- Introduce students to the plethora of career opportunities available.
- Equip students with professional skills.
- Enhance their employability skills.
- Provide much needed life skills and help find job placements.

Activities

Avodha – Education for a Job

On 15th September 2022, Ms. Chinchu K S, Team Manager from Avodha: Education for a Job, along with two of her associates, introduced the different courses and trainings provided by their institution to the final year students in their respective classrooms. The benefit of enrolling in their programme is guaranteed internship in prestigious companies at the end of the course, which would increase their opportunity of getting placement. 27 final year students joined various courses.

“Civil Service as a Career in India” - Alchemy IAS Institute

Mr. Gris Hikdas and Mr. Mayur Kothewale, Managing Director and Executive Director of Alchemy IAS Institute respectively, were the speakers of the seminar “Civil Service as a Career in India” held on 27 September 2022 at 2.30 pm in the seminar hall. Mr. Hikdas gave a detailed outline of the UPSC examination and Mr. Kothewale provided an insight into the preparations required for cracking the exam. The seminar was followed by an interactive session between the speakers and students. Many civil service aspirants voiced their doubts and apprehensions. The speakers meticulously analysed the problems put forward by the students and suggested practical solutions for the same. A common concern among students was that if they do not clear the examination, would the effort and time put in be a waste, leaving them jobless. Mr. Hikdas used his life as an example to show how knowledge acquired can prove to be

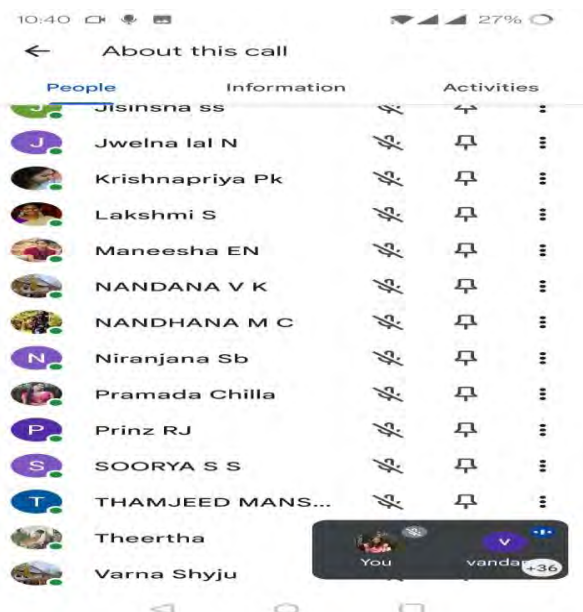

beneficial in non-conventional ways. The session successfully motivated and guided the students to strive relentlessly to achieve their dream. Nearly 150 students took part in the seminar.

IBPS RRB PO Free Mock Interview Programme

On 28.09.2022 a notice was circulated among all the students informing them about an opportunity to attend an IBPS RRB PO free mock interview programme being organised by Veranda Race, Kozhikode on 27th October 2022 at 9 am. The venue of the mock interview was Holiday City Centre, Kozhikode. Interested students were given guidance for attending the same by Ms. Vandana Viswanath, HoD English and Ms. Priyanka V on Sunday 23.10.2022 via Google Meet.

Orientation Programme 2022

During the Orientation Programme 2022 organised by the Academic Committee on 26.10.2022 and 27.10.2022 (three sessions) in the seminar hall for I year students, an overview of Career Guidance and Placement Cell was provided by Ms. Priyanka V. The students were notified of the seminars and workshops being organised in the college to guide them in choosing a career. During the session students were made aware of the MoU signed by our college with

KAS Mentor, which would enable them to be a part of the free online competitive examination training classes scheduled to begin from November.

KAS Mentor

On 26.10.2022, a notice was circulated among all the students, informing them about the opportunity to attend the free online competitive examination training classes being conducted by KAS Mentor in association with Career Guidance and Placement Cell, SNGC Chelannur. Interested students were requested to register by filling their details in the Google form circulated. 65 students registered for the online training classes.

Consequent to the inaugural session on 06.11.2022, 18 sessions on different topics were covered over a period of 5 months as mentioned in the schedule below. Some of the topics covered were, Indian polity, Indian economy, English, Indian history, quantitative aptitude, geography and Indian constitution. The online classes were supplemented with notes, interactive sessions to clarify doubts and model examinations. Students found the classes useful as it gave them the foundation required while facing most competitive examinations. The students also had the opportunity to listen to an eminent personality like Mr. A Hemachandran IPS, former DGP, explain the meaning of public services, speak about the benefits of joining Government services and his personal experiences, via YouTube live stream. Students were able to ask their doubts by posting their questions in the comment section.

Orientation Programme on BFSI Career Strategies

Mr. Satheesh Kumar S, founder and director of Institute of Banking Studies – A Specialised Institute for Bank and SSC Examinations, along with three of his associates conducted an “Orientation Programme on BFSI Career Strategies” on 16.12.2022 at 2 pm in room no. 1. Mr. Satheesh Kumar S introduced students to the numerous job opportunities in the banking, financial services and insurance sector and their perks. The preparations required for clearing the exams were also provided by him. In order to acquaint students with the question pattern of the examination, a mock test was held after the orientation. Nearly 120 students attended the session and found it informative.

Orientation on Connect Career to Campus

Connect Career to Campus (CCC), is a campaign to spread the idea ‘Right Job@Right Time’, inaugurated on August 2, 2022. The campaign led by the Higher Education Department aims at creating awareness about industry 4.0 jobs, change in global job markets, the need for skilling, and guiding students in finding appropriate careers along with pursuing their academics. The campaign will connect academia and industry as a part of the project to provide employment to 20 lakh aspirants by 2026. The Digital Workforce Management System (DWMS) Connect mobile application aims to connect job aspirants from Kerala with job providers around the world. On 27.02.2023, as part of familiarising students with DWMS Connect app, Ms. Anagha S, from ASAP introduced the mobile application and helped the students register in it. The students interacted with Ms. Anagha and clarified their doubts regarding the usefulness of the mobile application in attaining internships and jobs. The session was held in room no. 33 from 2 pm onwards with nearly 50 students in attendance.

Job Fairs

Students were informed about various job fairs.

Students interested in taking part in job fairs were given assistance in creating their CV and resume on 01.03.2023 and 10.03.2023 in room no. 1.

SHARE AND CARE CLUB

The Share and Care club of the college functions with a vision of inculcating compassion and kindness among students so that the institution could play a vital role in creating a sensitive generation and thereby make a difference to the world. The club has been distributing lunch packets to the needy, collected from the students of the institution under the name “Vishakkunnavarkk oru pothichoru” Every Tuesday on a monthly basis, the members of the club under the leadership of Dhruvad of second year BA English collects lunch packets from the students of the college who bring it from their home. During this year, the club could distribute an average of sixty to seventy lunch packets, every month to the people at the premises of Calicut Medical College. Ms Gayathri P, Assistant Professor of English and Faculty Co-ordinator of the club gave the students guidance and proper support that the programme ended up in a huge success and co operation among the students and public alike.

Human Rights Forum

The Human Rights Forum of Sree Narayana Guru College, Chelannur in association with the Patent Office, Chennai (under the aegis of Ministry of Commerce and Industry, Department for Promotion of Industry and Internal Trade) organised a webinar on “What is Intellectual Property Rights: An Awareness Programme on Intellectual Property Rights (IPR) under National Intellectual Property Awareness Mission 2.0 (NIPAM 2.0)” on 1st December 2022 from 11 am. The resource person for the webinar was Mr. Sreedhar Panchumarthi, Examiner of Patent and Designs, NIPAM Officer, Ministry of Commerce and Industry. The session was chaired by Prof. Dr. Kumar S P, Principal and the welcome address was delivered by Ms. Priyanka V, Co-ordinator, Human Rights Forum. The aim of the webinar was to extensively reach every student and inspire them to innovate and protect their creations. The resource person shared his belief that students are innovators, creators, and entrepreneurs of the future. Protecting their intellectual work and respecting the other's IP is much needed for professional development. The knowledge of IPR plays an important role to take their work into this highly competitive world. Further, Mr. Panchumarthi familiarised students with the various types of IPR and Patent filing procedures. The talk was followed by an interactive session during which students clarified their doubts. The session came to a close after a quiz session by Mr. Panchumarthi, which the students thoroughly enjoyed. Ms. Vanadana Viswanath, HoD English delivered the vote of thanks.

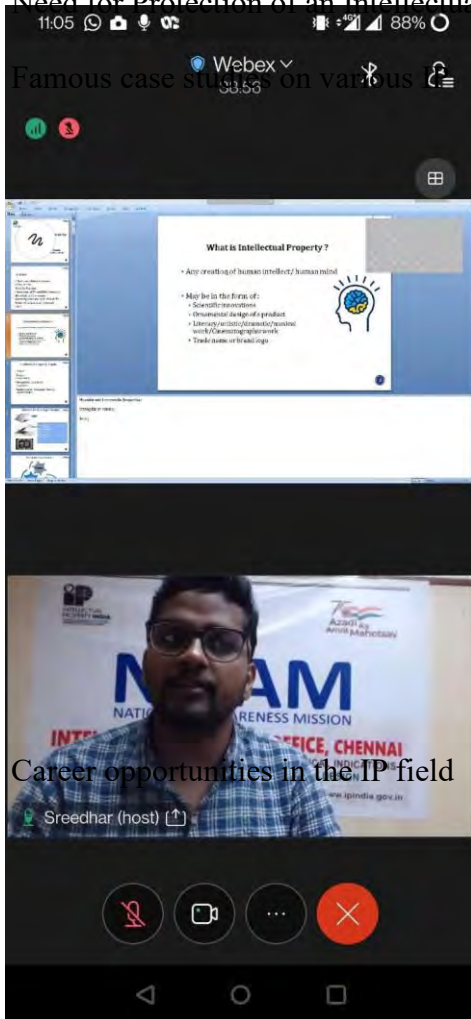

An outline of the session:

- What is Intellectual Property and Why IP? (meaning/definition/significance of IP)
- Types of Intellectual Property

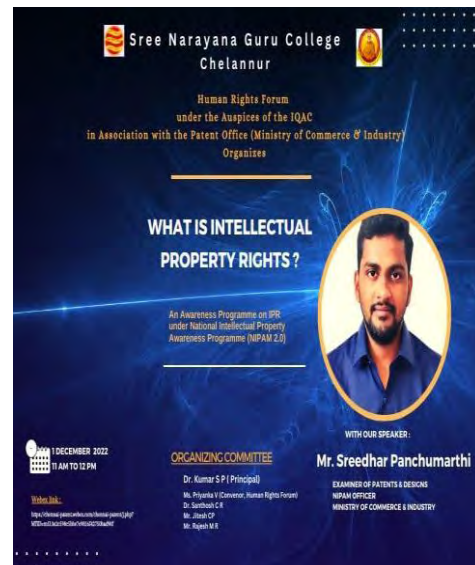

- Patents
 - Designs
 - Trademarks
 - Copyrights
 - Geographical Indications
 - SICLD
- Description of Various IP and their filing procedure
 - Filing Fee details and Concessions provided

- **Need for Protection of an Intellectual Property**

- Famous case studies on various

- Career opportunities in the IP field

CHELANNUR PANCHAYATH AROGYA MELA – JACKFRUIT FAIR

16/07/2022

Jackfruit fair was organized under the leadership of NSS units 19 & 33 of Chelannur Sree Narayana Guru College in the health fair held under the auspices of Chelannur Panchayat. NSS students participated in the health fair held at SN Trust Higher Secondary School on Saturday 16th July by preparing different dishes made from jackfruit which is the healthiest for the human body. There are about 15 dishes made with jackfruit, such as “Chakkapuzhukk”, “Chakka Varuthat”, “Chakkaperi”, “Chakkapayasam”, “Chakkayunda”, “Chakka Ada”, “Chakka Kesari”, “Chakkamanti”, “Chakka Cake”, and more marketed at the stall. Through this fair, they convinced people that no part of the jackfruit should be discarded and every part has medicinal properties. Program officers Dr. Bindu MK and Sri Jitesh CP conducted the program. Principal Dr.Kumar SP inaugurated the fair.

25/12/2022

The second day of 7 Days residential camp started with Yoga at 6 am. Then at 6:30 the assembly met and outlined the program for the day. For the anti-drug survey, five people were divided into different sub-groups. At 8:30 all groups returned to Peringolam Ward 1 and 2 for the survey. Then all came back after survey at exactly 12:00 pm. In the first orientation class of the camp at 2.30 pm, Tamjeed Mansoor took a class on "Learning and Unlearning".

He discussed the importance of building self-confidence, self-analysis before engaging in any activity, and the need for kindness and gratitude towards all living beings on earth among children. After that the first cultural program of the camp started at 6 pm and ended at 6.30 pm and then everyone left for Christmas carols.

K represented Chelannur SNG college in the camp.

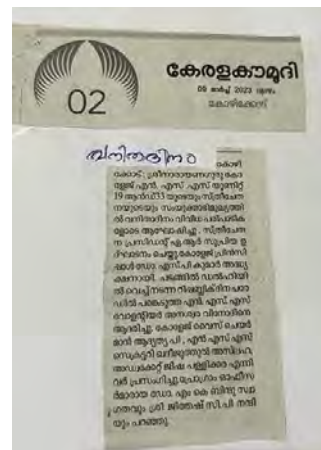

Women's Day Celebration

08/02/2023

<https://youtu.be/gjfAMtUJ3Ao> (KCL NEWS)

Sree Narayana Guru College NSS Unit 19 & 33 in association with Streechetana celebrated Women's Day with various programs. Streechetana President AR Supriya inaugurated the function presided over by college Principal Dr.Kumar SP. Inaugurator said that we can say that gender equality exists in society when we are able to interact with each other with respect and there is no slavery in relationships. Advocate Jisha Pallikkara interacted with the students on the Topic 'Technology and Innovation for Gender Equality'. Jisha Pallikkara added that protecting the rights of women in the field of digital technology is very important. NSS volunteer Anaswara Vinod, who participated in the Republic Day Parade in Delhi, was felicitated on the occasion. Program officers Dr. Bindu MK welcomed the gathering and Mr. Jitesh CP gave vote of thanks. Vice-Chairman of the College, Adithya P and NSS Secretary, Khadijutul Aslaha offered their greetings. After the inaugural ceremony. Various art programs were staged under the leadership of volunteers.

ED CLUB INAUGURATION AND MUSHROOM CULTIVATION TRAINING

ED Club of Sree Narayana Guru College conducted a Mushroom Cultivation training for the Kudumbashree unit of Chelannur Grama Panchayath on 12-07-2022.

Mushroom cultivation is much useful in recycling of organic waste like paddy straw and other farm residues for better utilization as substrates for growing mushrooms. Mushrooms are loaded with antioxidants and Vitamin D which helps in lowering blood pressure, boosting immune system and promoting weight loss. It's just like treasure hunting where you walk for hours along with a small bag pack in the wild, in search of something precious.. Mushrooms are highly nutritive, low-calorie food with good quality proteins, vitamins and minerals. Mushrooms are an important natural source of foods and medicines. So mushroom cultivation training has a vital importance in the present scenario.

This program and ED Club 2022-23 was inaugurated by Dr S. P. Kumar, Principal, Sree Narayana Guru College ,Chelannur,. the training was given by DR. Abhilash. E S ,Assistant Professor Department of Botany ,Sree Narayana Guru College, Chelannur. It was good experience to Kudumbashree members and students also.

Day 1

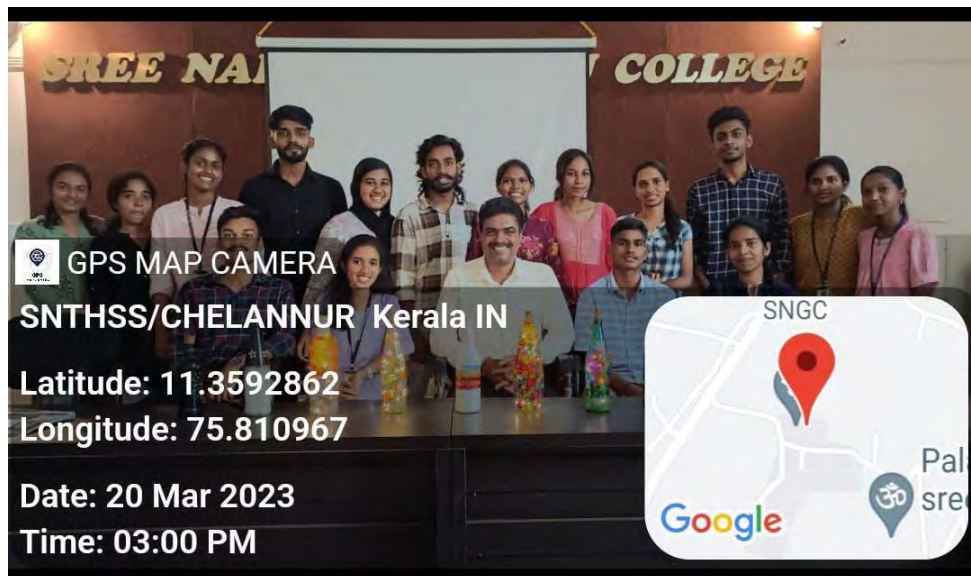

Workshop on Bottle art

The Entrepreneurship Development Club of Sree Narayana Guru college, Chelannur conducted a one-week creative workshop intending to promote the entrepreneurial ideas of the club members. Workshop series of the year 2022- 2023 started on 20th March 2023 with a bottle art session by Dhanya Krishna , ED Club coordinator .

Bottle art is an art form that has been practiced for centuries across cultures and continents. It involves the use of glass bottles and other containers as canvases for artistic expression, turning them into intricate sculptures, decorative objects, and even functional tools. It inspires people to manage waste well by turning plastic/glass waste *bottles* into decorative *art* pieces.

The workshop was inaugurated by Dr.Kumar.S.P . Dr.Athma Jayaprakash , IQAC coordinator , and other faculties of the commerce department were present . ED club Members were actively participated in the session

DAY 2 & DAY 3

Workshop on Soap making and Candle making for Kudumbashree members.

Soap making

Making your own soap allows us to avoid all of those undesirable ingredients. While there is still a chemical process that must be followed to create a hard, usable bar of soap, there are many recipes available using more natural, body friendly ingredients. Soap making as a hobby is a beneficial activity that enhances hard work, commitment, new exploration, experiment, and enjoyment. Selling homemade soap is a profitable business in the present scenario.

2nd day of the workshop was on 21 03 2023 .Resource person Dhanya Krishna, ED Club coordinator, demonstrated the making of soaps. The session was offered to the Kudumbashree members of Chelannur Grama Panchayath.Making of Normal, Single use, Paper, and Hanging

soaps were illustrated and the making process was carried on by the kudumbashree members along with ED Club members

DAY 4

Workshop on Glass painting

Glass painting gives the presence of a fairy-tale. It is also been referred to as a glass art or stained glass. Glass art amplifies its beauty when the light passes through it. Glass painting is been a mode of expression and creativity. Acrylic is typically the easiest for beginners, while water colour is the hardest. Acrylic-based glass paints have high coverage and can also be used on porcelain, ceramics, plastic or paper.

The last day of workshop was on 24 Mar 2023. Glass painting session was conducted by Smt. Sobha Haridas, Office staff of Sree Narayana Guru College. ED Club coordinator Dhanya Krishna oversaw the session. Kudumbashree members and students were a part of this workshop.
