ANNUAL REPORT 2023-2024

Introduction

With great pride and delight, we present this annual report of Sree Narayana College, Chelannur, as a comprehensive record of our activities and achievements during the academic year 2023-2024. By highlighting our accomplishments and identifying areas for improvement, we aim for a self-assessment to better understand our strengths and weaknesses. We also hope that this report inspires introspection to overcome hurdles, resolve drawbacks, and work harder towards greater productivity and promise in all areas of activity. Our ultimate goal is to enable our institution to achieve even greater heights in the years to come.

The IQAC, comprising Heads of Departments and elected staff members, meticulously crafted and adhered to a detailed Academic Calendar from the onset of the academic year. This structured approach ensured that all academic activities proceeded as planned, fostering an environment conducive to learning and growth. All academic activities were scheduled and conducted as outlined in this calendar.

The College Council also constituted various clubs and forums, each supervised by a convener with 3-4 faculty members. These clubs and forums aim at the holistic development of students, providing opportunities to awaken their latent talents. This year, there was an overall increase in co-curricular and extra-curricular activities compared to recent years, thanks to the effective coordination between staff and students.

The Parent-Teacher Association (PTA) of our college has once again proven to be a major pillar of support through their contributions across all activities and developments related to the institution. The PTA's support towards academic and other activities, as well as infrastructural needs, was substantial in helping us achieve our goals.

The units of the National Service Scheme (NSS), the National Cadet Corps (NCC), and the Department of Physical Education have consistently proven their competence. Our faculty and students have achieved several milestones collectively and individually this year. The warm cooperation and dedication of our faculty, non-teaching staff, and students have enabled us to reach our goals and objectives. Additionally, our association and cooperation with socio-cultural organizations have helped us fulfil our social obligations.

We have also strived for the timely and effective utilization of not only PD funds but also plan funds and grants from the University Grants Commission (UGC). The UGC's encouragement and support motivate higher educational institutions to undertake academic and developmental endeavours that might otherwise be economically and practically unfeasible. The management has also contributed significantly to the maintenance of our infrastructure.

'Ripples,' the annual interdisciplinary seminar series facilitated by the PTA under the auspices of IQAC, was held this academic year and received widespread appreciation. Another notable practice initiated by the NSS under the auspices of IQAC is organic farming. The vegetables cultivated were distributed to nearby houses and markets, fostering community engagement and promoting sustainability. Additionally, a shrine dedicated to Sree Narayana Guru was installed on the college premises, serving as a place of reverence and inspiration for the college community.

Sree Narayana College recently underwent a rigorous evaluation by the NAAC (National Assessment and Accreditation Council), emerging with flying colours by achieving an 'A' grade with an impressive score of 3.13. This prestigious accreditation reflects the college's unwavering commitment to excellence in all spheres of academic and co-curricular activities. The achievement is a testament to our dedicated faculty, proactive management, and the enthusiastic participation of our students. It underscores our relentless pursuit of educational quality, holistic development, and infrastructural advancements. Moving forward, this award motivates us to sustain our high standards and continually strive for greater heights in the realm of higher education.

Above all, the immense support from our management, SN Colleges, Kollam, the Manager of Sree Narayana Colleges, Sri. Vellappally Natesan, and the Regional Development Committee has been the backbone of our college's successful functioning.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) plays a pivotal role in maintaining and enhancing the quality and standards of our institution. It ensures adherence to the highest educational standards through meticulously crafted departmental action plans based on the seven criteria outlined by the National Assessment and Accreditation Council (NAAC). These criteria include curriculum design and development, academic flexibility, curriculum enrichment strategies, teaching, learning, and evaluation methodologies, as well as research consultancy and extension. At the beginning of each semester, departments prepare detailed action plans aligned with these criteria. The Head of the Department (HOD) oversees the implementation, monitors progress, and provides regular updates to the Principal. At the semester's end, the IQAC conducts a thorough evaluation of these action plans, assessing achievements, identifying areas for improvement, and ensuring effective quality assurance strategies. Through this continuous process of planning, monitoring, and evaluation, the IQAC fosters an environment of excellence, driving the institution towards educational innovation and a high-quality learning experience for all students.

SESSION ON RESEARCH METHODOLOGY FOR POSTGRADUATE STUDENTS OF THE DEPARTMENT

The Department of English conducted a session on Research Methodology for the PG students of English, on 19.03.2024, in the III BA English classroom. Dr. Vidhya Viswanathan, Assistant Professor in English, RSMSNDP Yogam College, Koyilandi, was the Resource Person. Since the students have to submit a dissertation based on their research work, in the final semester of the course, this session proved to be extremely helpful. The relevant areas of the 9th edition of the MLA Handbook were covered by the resource person. The interactive nature of the session enabled the students to get their doubts clarified, without delay. The session began at 10am and concluded by 12.45pm.

CLASS PTA MEETINGS

REPORT OF THE PTA MEETING OF THIRD YEAR BA ENGLISH 2021-2024

The Post Graduate Department of English conducted a PTA Meeting of Sixth Semester BA English students on 7th December 2023 at 2pm in the final BA English classroom. Ms Vandana Viswanath, Head of the Department presided over the meeting. Class Tutor Ms Gayathri P, Ms Anjali G S, Ms Devika G and, Ms Manisha K, faculty of the Department interacted with the parents. Out of a total strength of 60 students, the parents of 14 students attended the meeting. The attendees were handed out the consolidated report of internal and external marks of the batch to understand and analyse their children's academic progress. Matters related to the pass percentage in the fourth semester exam result that was published recently, class tour, phone addiction and sleep deprivation among the students, attendance, provisions of condonation and malpractices like copying answers during exams were discussed in the meeting. The meeting was over by 3pm.

REPORT OF THE PTA MEETING OF SECOND YEAR BA ENGLISH 2022-2025

The class PTA meeting of II BA English was held on 06 December 2023 at 2pm, in room number 19. Parents of 15 students attended the meeting. Ms.Sangeetha G Nair, Department of English, welcomed the gathering and briefed the parents about the performance of the batch in the university examination. Attendance statement, internal marks and university results, published so far, were circulated among the parents. Ms.Priyanka V, class tutor, addressed the queries of the parents individually. Measures that can be introduced to improve the overall performance of the students were discussed. The meeting came to a conclusion by 4.30pm.

REPORT OF THE CLASS PTA MEETING OF I BA ENGLISH

The class PTA meeting of the I Semester BA English was conducted at 2pm on Tuesday, 05.12.2023. Ms.Vandana Viswanath, welcomed the gathering and presided over the meeting. The class tutor, Ms. Anjali G.S, gave an overview of the class room performance of the students and the course, in general. The Principal, Dr.Kumar S P, addressed the gathering and shared his valuable observations and suggestions with the parents. The parents mainly expressed their worries about the loss of working days due to valuation camps and other reasons. Ms. Sonila Florence, the faculty handling the complementary course in Journalism, also spoke to the parents. All the teachers who were present and handled various courses for the students, also conversed with the parents. The meeting ended at 3.30 pm.

DEPARTMENT OF JOURNALISM

Ms.Sonila Florence was the faculty in charge of the Department of Journalism, for the year 2023-24.

Journalism was the complementary course for the students of I Semester and IV Semester B.A.

English. This year, the department came out with a journal, THE VOICE, created mainly by the first

semester students. This journal was released on November 29, 2023. It is divided into two sections in which the first section focused on international journalists from the print and visual media. The second section concentrated on Malayalam journalists, from the period of the birth of journalism in Kerala, to the contemporary era.

DEPARTMENT OF BOTANY

VISIT TO MALABAR BOTANICAL GARDEN AND INSTITUTE FOR PLANT SCIENCES (MBGIPS), KOZHIKODE

Malabar Botanical Garden and Institute for Plant Sciences (MBGIPS) is located in Olavanna Grama Panchayat of Kozhikode district in Kerala. Ministry of Environment, Forest and Climate change, Government of India has approved MBGIPS as a leading botanical garden in the conservation of aquatic plants. In 2015, the garden became a Research Institute under the Kerala State Council for Science, Technology and Environment (KSCSTE). It is home to more than 400 Indian aquatic plants and is the largest collection in the country in this category. It received Leadership award from the National Academy of Biological Science in 2014.

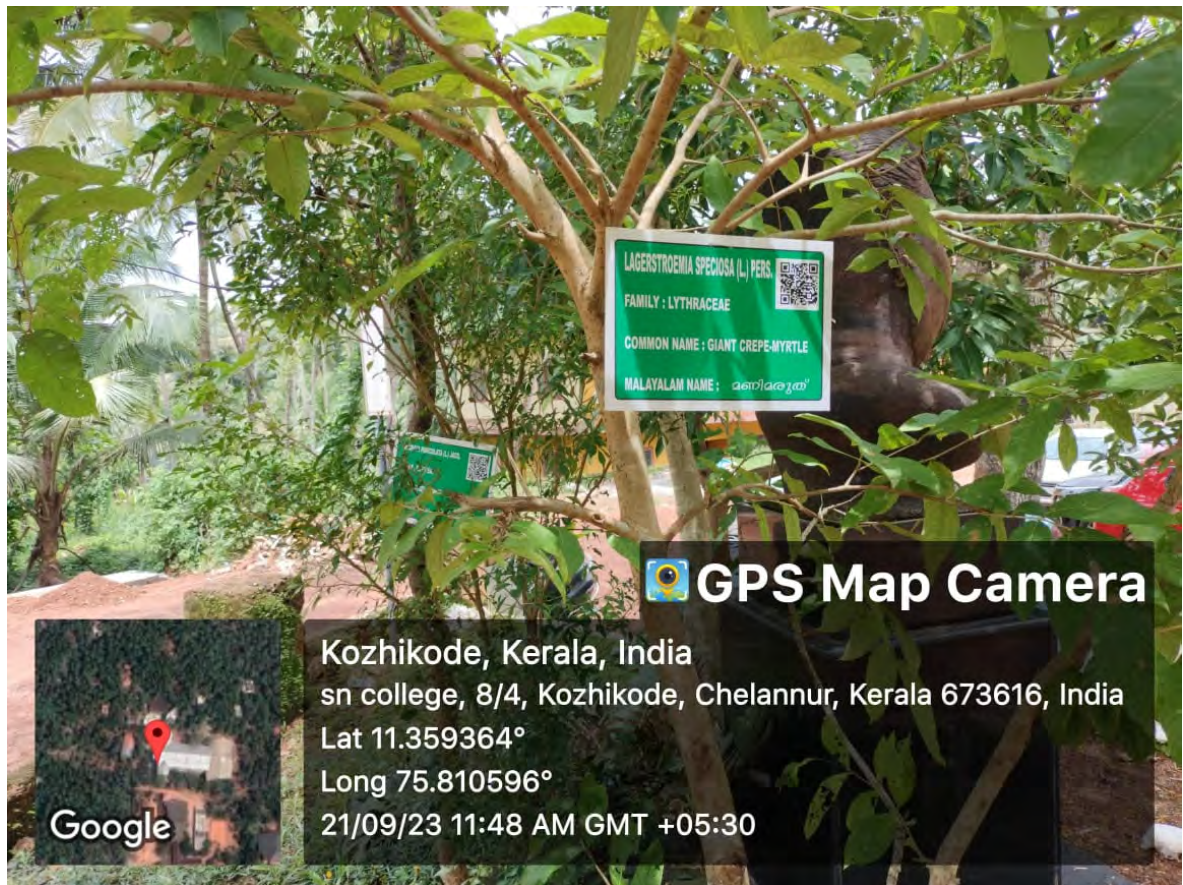

The teachers and students of Botany Department, Sree Narayana Guru College, Chelannur, visited MBGIPS, Kozhikode on 7th December, 2023. The garden is a biodiversity hub for diverse plant groups.

The students visited almost all conservatories in the garden and witnessed the amazing biodiversity of plant groups. They visited the bryophyte and pteridophyte section, balsam and bigonia house, star forest, spices garden, medicinal garden, systematic garden, orchid house, cactus house, butterfly park, valley of gingers and bananas, aquagene, herbarium etc. The garden was a wonderful academic experience for the students.

Installation of QR Coded plant name boards

For the better understanding of plants in and around the campus, the faculties and students of the Department of Botany, prepared QR Coded plant name boards and placed in the campus. In addition to the scientific name, synonyms, author citation and local name of a plant, the QR code on scanning can give the searcher an elaborated description and other details of that specific plant. The name plates with the code provide more and better information to the students regarding the common plants that they see every day.

PARTICIPATION OF THE STUDENTS IN VARIOUS CLUBS

The teachers and students of the Department of Botany are active participants in various clubs of the college. Majority of the members in nature club, environment club and forestry club of the college are from the department. Their contribution in the activities of these clubs is appreciable and they play a great role in the conservation of plants in the campus.

INSTITUTIONAL VISIT TO NATIONAL INSTITUTE OF TECHNOLOGY

The department of physics organized an Institutional visit on 1st February 2024 at National Institute of Technology at Surathkal, Karnataka for 2021-2024 B.Sc Physics students. We reached the location around 9 am. The walk through the campus was amazing. We saw several projects and departments throughout the journey.

Students were seated in a seminar hall and the guiding staff explained about the college history and ranking positions of NIT Surathkal. Then after that the presentation is shown which explains about the history of Surathkal, their official website, ranking with respect to our country, newly introduced virtual lab and the website to use virtual lab or V lab. VR glasses or Virtual reality glasses is a special type of project that creates new separate spaces in our reality.

In the next section different types of bikes and cycles were shown, like bike used by the handicapped people, patrolling policemen, off road riders, etc. Project Vidh Yug 4.1 is a special one. The team has also engineered “URJA”, a solar-based charging station.

In the next section we were familiarized basic structure and design of several working mini models of drones ,planes and helicopters. Another attractive section was 3D printing.3D printing uses digital files to create solid objects by placing sequential material layers..

The institutional visit to NITK has provided invaluable insights into the academic, research, and cultural facets of the institute. The state-of-the-art facilities, dedicated faculty, and vibrant student community underscore NITK's commitment to excellence in education. The visit has reinforced the significance of NITK's role in shaping future leaders and innovators, and it has been a compelling experience witnessing the institute's unwavering dedication to fostering a conducive learning environment.

DEPARTMENT OF CHEMISTRY

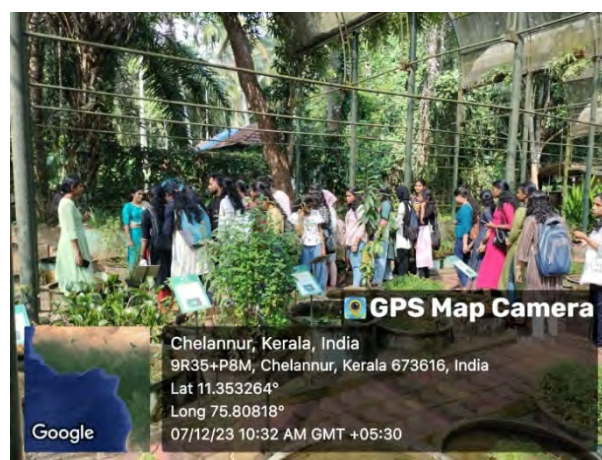

Due to the booming population and associated pollution, our Earth is experiencing extreme levels of pollution, including global warming. The primary solution to combat global warming is to make our planet greener. In collaboration with the Botany Department, we celebrated World Environment Day to protect plant and earth, by planting several trees on campus. Our principal attended the event, and he encouraged students to plant trees at home. Additionally, an environmental trip to Malabar Botanical Garden was organized, allowing students to appreciate the garden's beauty and learn about various plants. The students thoroughly enjoyed this educational trip.

DEPARTMENT OF ZOOLOGY

June 5, “World Environment day” is an international event aimed to spread awareness around environmental issues like climate change, deforestation, pollution and finally which results in the loss of biodiversity. Hence, as we move step forward, the significance of World Environment Day grows more profound. As a part this in collaboration with the Botany Department, we were planned to spread awareness by planting several trees inside the campus throughout the year. Our principal attended the event, and aware the students about the importance of planting trees. In addition to planting trees, some of the important plants were geotagged to protect them from cutting. And also, an environmental trip to Malabar Botanical Garden was organized, allowing students to enjoy the serene beauty of the garden and learn more information about various plants. The students thoroughly enjoyed the study trip.

CAREER GUIDANCE AND PLACEMENT CELL

Objectives

- Introduce students to the plethora of career opportunities available.
- Equip students with professional skills.
- Enhance their employability skills.
- Provide much needed life skills and help find job placements.

Activities

- On 03 August 2023, a session was held at 7 pm via Google Meet to give the students an overview on medical scribing. Mr. Soorya Kumar K, LUMINIS School of Medical Scribing, introduced the relatively new field of medical scribing and the job opportunities related to it. A medical scribe is an assistant to physicians, responsible for electronically documenting patients' medical history, treatments, and other relevant information, thus improving the doctor-patient interaction and ensuring accurate record-keeping. He further provided clarifications to the queries raised by the students. 98 students attended the session.

- A notice was circulated among all the students, informing them about the opportunity to attend the free online competitive examination training classes being conducted by KAS Mentor in association with Career Guidance and Placement Cell, SNGC

Chelannur on 23 August 2023. Interested students were requested to register by filling their details in the Google form circulated. 72 students registered for the online training classes.

Consequent to the inaugural session on 10 September 2023, 23 sessions on different topics were covered over a period of 7 months as mentioned in the schedule below. Some of the topics covered were, Indian polity, Indian economy, English, Indian history, quantitative aptitude, geography and Indian constitution. The online classes were supplemented with notes, interactive sessions to clarify doubts and model examinations. Students found the classes useful as it gave them the foundation required while facing most competitive examinations.

HUMAN RIGHTS FORUM

As part of observing Human Rights Day, the Human Rights Forum of Sree Narayana Guru College, Chelannur conducted a webinar on “Human Rights in India: Historical, Social and Political Perspective” on December 10, 2023 at 4 pm. The welcome address was delivered by Ms. Priyanka V, Co-ordinator, Human Rights Forum. Dr. Shibi K P S, Assistant Professor, MPMM SN Trusts College, Shoranur, the resource person, delivered the lecture, highlighting the importance of safeguarding human rights in a highly volatile global scenario. The session was attended by 35 students.

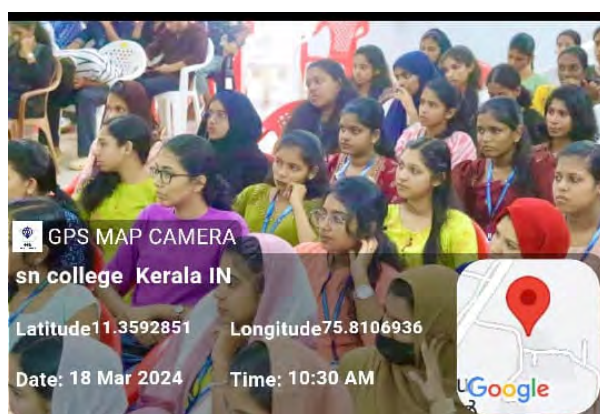

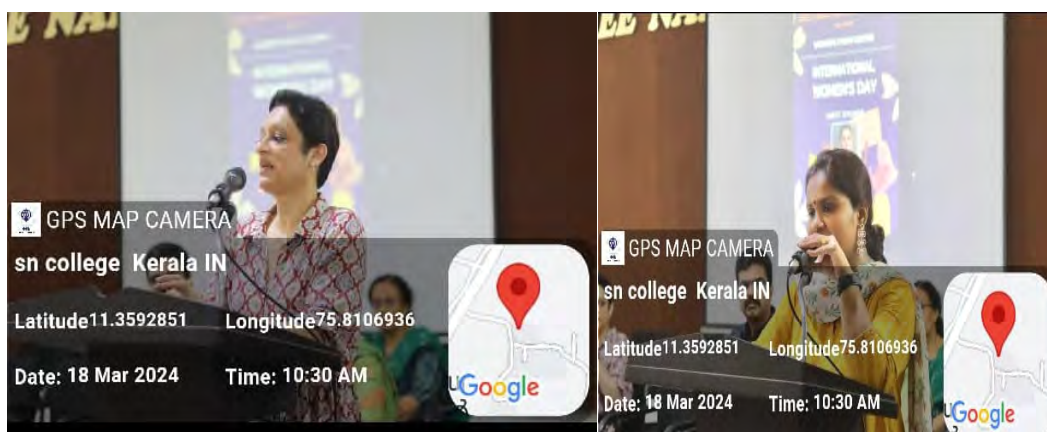

SHARE AND CARE CLUB

The Share and Care Club of the college in collaboration with the Internal Quality Assurance Cell hosted a Lunch packet distribution for the underprivileged on 16th January 2024, Tuesday in the Calicut Medical College premises.

Both students and staff members participated in the charitable initiative.

The club was able to collect more than seventy food packets that the members distributed to the needy. Co ordinator Ms Gayathri P organised the programme under the guidance and support of Prof Dr Kumar SP, Principal of Sree Narayana Guru College. Student members of Share and Care Club actively participated in the programme making it a remarkable experience for everyone involved.

FILM CLUB 2023-24

The Film Club of Sree Narayana Guru College, is formed with an objective to provide the students an opportunity to watch, discuss and review films. Film clubs are the best place for film enthusiasts and aspiring filmmakers. Film Club organizes regular screening of artistic cinema, documentaries and short films. This forum provides young people with a rare opportunity to be part of something fun, creative and sociable. It forms a public sphere where students enter into open discussions, often debating over conflicting views, making them understand the basic values of democracy and history.

The following are the **objectives** of the club:

- To train the students to become active viewers of cinema
- To build editing, directing, writing and film-related skills among students.
- To conduct film related academic activities.
- To explore many films and study film as an art.
- To enrich, educate, entertain, initiate cultural dialogue, and celebrate cinematic excellence in any language.
- To provide various workshops, seminars and webinars for the students to develop skills in editing.
- To develop creative criticism on films.
- To nourish students with the ability to create their own film projects.

The Film Club of our institution conducts film, short-film shows regularly. The students are asked to write reviews on the films and then discuss that together. They have produced short video clips using mobile, following the steps such as script, mis-en-scene, editing and all. Film clubs provide a safe space for the youngsters to grow, flourish and gain confidence as well as creating a sense of unity across age ranges, social classes and ethnicities through a shared appreciation of film. Students get great exposure to the World cinema and it helps them learn about various film- making techniques used worldwide.

The club organized a film show to the students of the department of Malayalam and English on 18-08-2023 Friday afternoon, at the college seminar hall. “Chemmeen” and “Odayil Ninnu” were the movies shown to the students. These movies were a part of the syllabus and hence, the film show was very much appreciated by the students and the faculty. “Chemmeen” is a 1966 Indian Malayalam-language romance film, based on the novel of the same name by Thakazhi Sivasankara Pillai, directed by Ramu Karyat. It was the first South Indian film to win the Indian President's Gold Medal for the Best Film and has been screened at various international film festivals and won awards at the Cannes and Chicago festivals. “Odayil Ninnu” is a 1965 Indian Malayalam-language drama film directed by K. S. Sethumadhavan and written by P. Kesavadev based on his novel of the same name. The film was a commercial success and also received critical acclaim.

Another show was organised for the students of the department of English on 22-01-2024 Monday afternoon. The movie shown was “The White Tiger” directed by Ramin Bahrani and produced by Mukul Deora in 2021. The movie was an adaptation of Aravind Adiga’s novel of the same name, which was a part of the syllabus.

SCIENCE FORUM

On the occasion of Science day, 28th February 2024 the Science Forum Sree Narayana Guru College Chelannur embarked on an educational visit to the Centre for Materials for Electronic Technology (C-MET) in Thrissur. The group consisted of 30 students and 2 faculties. The visit aimed to provide students an insight into cutting – edge research and developments in the field of materials science and electronics.

C-MET is a premier research institution dedicated to the development of advanced materials for various electronic applications.

Upon arrival, the students were greeted by the staff of C-MET, who provided an overview of institution’s research activities and facilities. Then the students were taken on a

guided tour of the laboratories, where they had the opportunity to observe ongoing research projects and interact with scientists and researchers. Demonstrations were conducted to showcase the synthesis and characterisation of advanced materials, such as semiconductors nanoparticles and thin film. Here students got opportunity to interact with researchers, they could ask questions and learn about the applications of material science in different fields. The visit also provided a hands-on experience of working in laboratory environment and allowed them to gain practical insight into materials synthesis and characterisation techniques.

Altogether the visit to C-MET, Thrissur was an enriching and informative experience for the students, providing them with valuable insight into the world of materials science and electronic research.

RIPPLES REPORT : 2023-24

CONSOLIDATED REPORT

The multidisciplinary Seminar Series “Ripples” conceptualised in the year 2018 as part the Golden Jubilee Celebrations of the college aims to enlighten the young minds through intellectual discussions. Eighteen departments of the college collaborate in seminar series with a vision to provide exposure and voice to our students who are socially and economically disadvantaged.

‘Ripples’ 2023–24 offers a convergence of various fields, each adding its own special insight to a more comprehensive body of knowledge. The importance of interdisciplinary dialogues is more important than ever in the changing terrain of scholarly discourse. Acknowledging this need, the National Seminar Series, ‘Ripples’ 2023–24, becomes a crucial forum where academics, researchers, and enthusiasts come together to promote interdisciplinary conversations and understanding.

Sree Narayana Guru College named after Sree Narayana Guru, the great social reformer, anti-caste proponent and the driving force of Renaissance in South India, was founded by R Sankar, the former Chief Minister of Kerala. The college started functioning in 1968 within the extensive 67 acres campus situated at the foot of the towering Kalari Hills and is approximately fourteen kilometres away from Kozhikode city. The college affiliated to the university of Calicut and administered by Sree Narayana Trusts has a total of seven undergraduate and four postgraduate departments and is one of the most prestigious institutions of higher education in the district. The college has been re accredited with A grade with a grade point of 3.13 in the third cycle of NAAC evaluation.

Ripples 2023-24

The National Multidisciplinary Seminar Series Ripples conceptualised in the year 2018 as part of the Golden Jubilee Celebrations of the college aims to enlighten the young minds through intellectual discussions. Eighteen departments of the college collaborate in the seminar series with a vision to provide exposure and voice to our students who are socially and economically disadvantaged.

Ripples 2023-24 offers a convergence of various fields, each adding its own special insight to a more comprehensive body of knowledge. The importance of interdisciplinary dialogues is more important than ever in the changing terrain of scholarly discourse. Acknowledging this need, the National Seminar Series, Ripples 2023-24, becomes a crucial forum where academics, researchers, and enthusiasts come together to promote interdisciplinary conversations and understanding.

SEED DISTRIBUTION

On 27th October 2024, the Seed Club of Sree Narayanaguru College organized a vegetable seed distribution program among the college students, teachers, and non-teaching staff. The aim of the program was to encourage the establishment of kitchen gardens in every household.

The vegetable seeds, including spinach, cucumber, ladies finger, bitter gourd, and lentils, were received as a donation from the Mathrubhumi Newspaper. The distribution of these seeds was inaugurated by Shanthakumari A, the matron of the women's hostel.

Dr. Anusmita, the coordinator of the Seed Club, along with the Seed Club students, led the seed distribution program. They ensured that the seeds were distributed to the interested participants, providing them with information on how to effectively grow and maintain the vegetables in their home gardens.

The program was well-received by the college community, with many participants expressing their enthusiasm for the initiative. The distribution of these vegetable seeds aims to promote sustainable and self-reliant kitchen gardening practices among the staff and students, contributing to the overall well-being and environmental consciousness of the college community.

The Seed Club's efforts in organizing this program demonstrate their commitment to creating a greener and more self-sufficient campus. By empowering the college community to grow their own vegetables, the program aligns with the broader goals of promoting sustainable living and reducing the carbon footprint.

This report captures the key details and objectives of the vegetable seed distribution program conducted by the Sree Narayanaguru College Seed Club. The successful implementation of this program showcases the club's dedication to fostering environmental awareness and encouraging self-reliance among the college community.

KERALAPPIRAVI CELEBRATION

On 4th November, 2023, the Seed Club of Sree Narayanaguru College organized a cloth bag distribution program as part of the celebrations for Kerala State Birthday. The program aimed to promote the use of eco-friendly alternatives and reduce the reliance on plastic bags.

The event was inaugurated by the college Principal, Dr. Kumar S.P., who emphasized the importance of embracing sustainable practices and reducing the environmental impact of plastic waste. The Seed Club's initiative to distribute free cloth bags aligned with the college's commitment to love the earth and avoid plastics.

Under the leadership of Dr. N Anusmita, the Seed Club coordinator, and the Seed Club students, the cloth bag distribution program was successfully implemented. The reusable cloth bags were distributed to the students, teachers, and hostel staff of the college, encouraging them to adopt eco-friendly habits in their daily lives.

The program was well-received by the college community, with participants expressing their appreciation for the Seed Club's efforts to promote environmental consciousness. The distribution of cloth bags served as a tangible step towards reducing the use of single-use plastic bags and fostering a more sustainable campus environment.

The Seed Club's role in organizing this initiative on the occasion of Kerala State Birthday showcases their dedication to raising environmental awareness and inspiring the college community to make conscious choices that benefit the environment. By providing an alternative to plastic bags, the Seed Club empowered the participants to contribute to the larger goal of preserving and protecting the earth.

This report outlines the key details and objectives of the cloth bag distribution program conducted by the Sree Narayana Guru College Seed Club. The successful implementation of this event demonstrates the club's commitment to promoting sustainable practices and fostering an eco-friendly campus culture.

TAPIOCA CULTIVATION PROGRAM

Under the initiative of the SNGC Seed Club, a tapioca cultivation project was successfully undertaken within the premises of the Women's Hostel at Sree Narayana Guru College. This initiative aimed not only at fostering agricultural awareness but also at providing locally sourced food for the hostel residents.

Cultivation and Nurturing:

The project commenced with the planting of tapioca under the guidance and efforts of the SNGC Seed Club members. These dedicated individuals meticulously nurtured the tapioca plants throughout their growth stages, ensuring optimal conditions for healthy development.

Cultivation Program:

Following months of care and cultivation, a dedicated cultivation program was organized to mark the culmination of this agricultural endeavor. The program was inaugurated by Dr. Kumar SP, the Principal of Sree Narayana Guru College. His presence underscored the college's commitment to promoting sustainable practices and fostering practical learning experiences among its students.

Inauguration Ceremony:

The inauguration ceremony of the tapioca harvest was a momentous occasion, attended by esteemed faculty members and hostel staff. Dr. Vineesh KP from the Department of Mathematics and Dr. Dipesh Kirambunkara from the Malayalam Section, along with hostel staff, joined in celebrating the successful harvest.

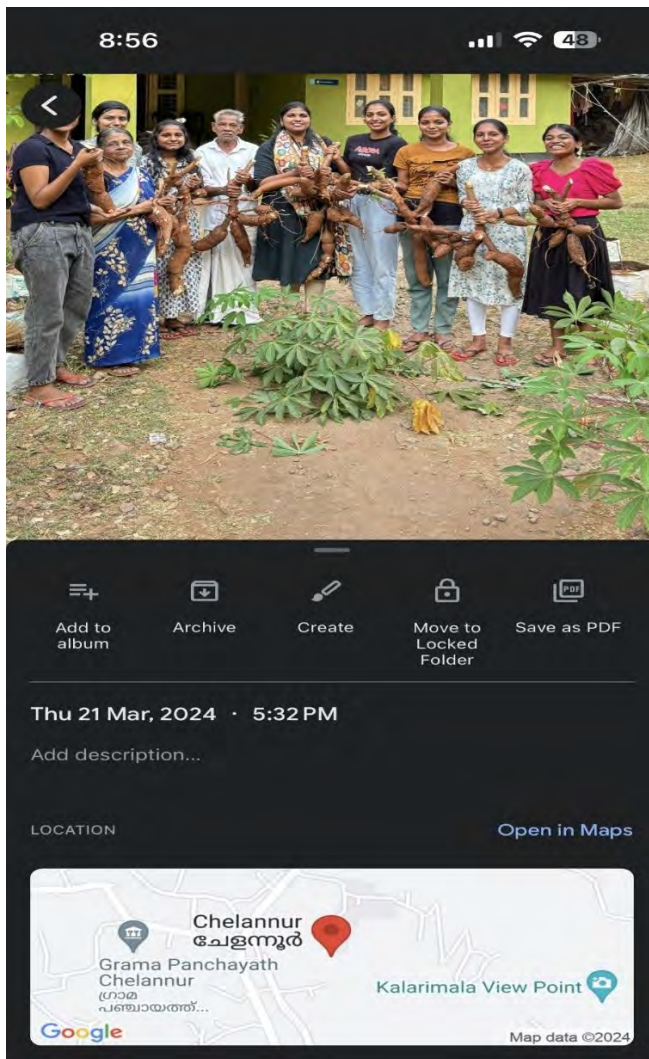

Utilization of Harvest:

The harvested tapioca, locally known as kappa, was utilized to prepare nutritious meals for the students residing in the Women's Hostel. This direct utilization highlighted the sustainable and practical benefits of cultivating food within the college premises, promoting self-sufficiency and environmental consciousness.

Conclusion:

The tapioca cultivation project at Sree Narayana Guru College Women's Hostel, led by the proactive efforts of the SNGC Seed Club and supported by college administration and faculty, not only provided valuable learning experiences but also contributed to the sustainable food practices of the institution. Such initiatives exemplify the college's commitment to holistic education and community engagement through practical applications.

This successful endeavor sets a precedent for future agricultural projects within the college, emphasizing the importance of hands-on learning and sustainable practices in educational institutions.

VEGETABLE CULTIVATION AND HARVESTING PROGRAM

On November 16, 2023, the SEED club of Sree Narayana Guru College organized a vegetable harvesting program. The program was led by the program coordinator, Dr. Anusmitha.

The program focused on harvesting the following vegetables:

Ladies Finger (Okra)

Tomato

Cucumber

Bitter Gourd

The students and faculty members enthusiastically participated in the harvesting activities. Dr. Anusmitha guided them through the proper techniques for harvesting each vegetable.

For the ladies finger, the participants carefully picked the mature pods, ensuring not to damage the plant. The tomatoes were gently plucked from the vines, and the cucumbers were cut from the plant using a sharp knife. The bitter gourd was harvested by cutting the fruit from the vine, taking care not to damage the plant.

The harvested vegetables were then collected and weighed. The total yield was as follows: Ladies Finger: 5 kg

Tomatoes: 8 kg

Cucumbers: 6 kg Bitter Gourd: 3 kg

The participants were excited to see the results of their hard work and the abundance of the harvest. They learned valuable lessons about the importance of proper harvesting techniques and the care required to maintain a healthy vegetable garden.

The program was a great success, and the SEED club plans to organize similar events in the future to promote sustainable agriculture and encourage students to engage in hands-on learning experiences.

അമൃത് മഹോത്സവത്തിന്റെ പരിസമാപ്തി 'മേരി മാട്ടി മേരാ ദേശ്'

ന്യൂഡൽഹി ▶ സ്വാതന്ത്ര്യലബ്ധിയുടെ 75-ാം വാർഷികത്തോടനുബന്ധിച്ച് കഴിഞ്ഞ ഒന്നരവർഷമായി രാജ്യത്ത് നടക്കുന്ന ആസാദി കാ അമൃത് മഹോത്സവിന് 'മേരി മാട്ടി മേരാ ദേശ്' (എന്റെ മണ്ണ്, എന്റെ രാജ്യം) പ്രചാരണപരിപാടിയോടെ പരിസമാപ്തിയാവും. കാഗസ്റ്റ് ഒമ്പതുമുതൽ 30വരെ നടക്കുന്ന പരിപാടിയിൽ രാജ്യത്തിന്റെ എല്ലാ കോണുകളിലെയും ഗ്രാമങ്ങളിൽ നിന്നുള്ള മണ്ണും വൃക്ഷതൈകളും ശേഖരിച്ച് ഡൽഹിയിലെത്തിച്ച്, അവകൊണ്ട് കർത്തവ്യപഥിൽ 'അമൃത് വാടിക' അല്ലെങ്കിൽ 'അമൃത് ഉദ്യാൻ' ഉണ്ടാക്കും.

അമൃത് മഹോത്സവത്തിന്റെ സമാപനത്തോടനുബന്ധിച്ച് വിപുലമായ പരിപാടികളാണ് സംസ്ഥാനികമത്രാലയം ആസൂത്രണം ചെയ്തിരിക്കുന്നത്. സ്വാതന്ത്ര്യസമര സേനാനികളെയും ജനിച്ച മണ്ണിനെ

യും സ്മരിക്കുന്നതിനും ആദരിക്കുന്നതിനുമുള്ള 'മേരി മാട്ടി മേരാ ദേശ്' പരിപാടിയുടെ ആപ്തവാക്യം 'മാട്ടി കൊ നമൻ, വീരോം കാ വന്ദൻ' (മണ്ണിന് വന്ദനം, വീരന്മാർക്ക് വന്ദനം) ആണ്. ഗ്രാമങ്ങളിൽനിന്ന് ശേഖരിക്കുന്ന മണ്ണ് ഡൽഹിയിലെത്തിച്ച് അമൃത് വാടികയുണ്ടാക്കുകയാണ് ഇതിൽ പ്രധാനപ്പെട്ടത്.

ഒപ്പം ഗ്രാമങ്ങളിൽ ഉൾപ്പെടെ ജലാശയങ്ങൾ, ഭരണകേന്ദ്രങ്ങൾ എന്നിവയ്ക്കുസമീപത്ത് ശിലാഫലകം സ്ഥാപിക്കണം. പ്രധാനമന്ത്രിയുടെ വാക്കുകൾ കൊത്തി, അമൃത് മഹോത്സവത്തിന്റെ ലോഗോ ഉൾപ്പെടുത്തിയാണ് ഇത് നിർമ്മിക്കേണ്ടത്. മണ്ണ് കൈയിലെടുത്തുള്ള 'പഞ്ച് പ്രാൺ' പ്രതിജ്ഞയാണ് മറ്റൊരു പരിപാടി. പ്രതിജ്ഞയുടെയും മുസ്ലിം പാർ മാട്ടി (കൈക്കുളിൽ മണ്ണ്), മാട്ടി കാ ദിയ (മൺചീരാതുകുളിൽ ദീപം തെളിയിക്കൽ)

എന്നിവയുടെയും സെൽഫിയെടുത്ത് yuva.gov.in എന്ന പേര്കൂടിയെ merimatimeridesh.gov.in എന്ന പേജിൽ അപ്ലോഡ് ചെയ്യണം. ഗ്രാമങ്ങളിൽ 75 ചെടികൾവീതം നടുന്ന 'വർധവന്ദൻ' ആണ് മറ്റൊരു പരിപാടി.

'വീരോം കാ വന്ദൻ' പരിപാടിയിൽ ജീവിച്ചിരിക്കുന്നതും മരിച്ചതുമായി സ്വാതന്ത്ര്യസമര സേനാനികൾ, പട്ടാളക്കാർ, റിട്ട പോലീസ് ഉദ്യോഗസ്ഥർ എന്നിവരെ ആദരിക്കും.

ദേശീയപതാക ഉയർത്തിയശേഷം ദേശഭക്തിഗാനം ആലപിക്കുന്ന 'രാഷ്ട്രഗാനം' ആണ് പരിപാടികളിൽ മറ്റൊന്ന്. മണ്ണുമാലയ്ക്കു കലശയാത്ര ഡൽഹിയിൽ അവസാനിക്കേണ്ട തീയതി പിന്നീടറിയിക്കും. ജില്ലകളിൽ ഇത് സജ്ജമാക്കുന്നതിനുള്ള നോഡൽ ഓഫീസർ കളക്ടർമാരായിരിക്കും.

ANTI NARCOTIC CELL

Substance abuse has become an alarming health crisis on college campuses across the nation. Considering the issue in the present scenario, SNG College Chelannur in association with Excise Department Act 2003, extended the activities of Anti- Narcotic Cell. The club was initiated to prevent substance abuse - addictive behaviours in the campus.

The college anti-narcotic cell has been constituted to ensure a drug- free campus by imposing a total ban on the possession or consumption or use of drugs and alcohol by students of the college, within or outside the campus.

The duties of the anti-narcotic club include organizing awareness programmes in the college with the help of Excise Department and NSS and NCC Unit. Educating the students about the

ill- effects of drugs and alcohol, encouraging peer policing among students against the use of drugs and reporting of any noticed use of drugs by the students to the student's affairs committee are also the duties of the anti-drugs cell.

Sri Babu T P, Asst. Prof. Department of Commerce is the co-ordinator of the cell 2023-24. The centre provides guidance to enable the students to keep away from drugs.

Mission

To spread awareness to ensure a drug/ substance free campus.

To engage the students in anti- drug activities

Motivate students to become volunteers of anti-drug activities in their life.

Ensure no sale of drugs or alcohol in college premises.

Vision

Purify and strengthen the personality through guidance against Drug

Anti Narcotic cell Formation

The Anti Narcotic Cell of SNG College Chelannur was formed to make awareness against drugs among students. As a preliminary step, Sri. Babu T P, Asst.
