ANNUAL REPORT 2025-2026

The academic year 2025–26 has been a period of pride and progress for Sree Narayana College, Chelannur. Guided by the vision of Sree Narayana Guru, the institution continued its mission of providing quality education, fostering holistic development, and strengthening community engagement. The Internal Quality Assurance Cell (IQAC) ensured the systematic execution of the academic calendar, covering both curricular and co-curricular activities. Various student clubs and forums under the College Council were active throughout the year, providing platforms for debates, cultural events, workshops, and social initiatives that enhanced student participation, leadership, and creativity. The Parent-Teacher Association (PTA) extended unwavering support in academics, co-curricular programs, and infrastructure development, making significant contributions to the overall growth of the college.

The NSS and NCC units remained vibrant, engaging students in community service, awareness campaigns, and campus development activities, while the Department of Physical Education promoted sportsmanship and fitness through intercollegiate tournaments and events, enriching the spirit of the campus. Faculty, staff, and students worked in close cooperation, strengthening the college's role as a centre for learning and community service. Financial resources, including PD funds, plan funds, and UGC grants, were effectively utilized, and the management made notable contributions to infrastructure and facility enhancement.

Among the significant initiatives, the "Ripples" seminar series organized by IQAC and PTA created a valuable platform for academic exchange, while the NSS organic farming project served both educational and community purposes. The college proudly retained its NAAC 'A' grade with a CGPA of 3.13, a recognition of its academic quality, infrastructure, and holistic growth.

Throughout the year, the institution received continuous guidance from our management, SN Colleges, Kollam, with heartfelt gratitude to Sri. Vellappally Natesan, General Secretary of SN Trusts, and to the Regional Development Committee for their unwavering support.The collective achievements of this year reflect the dedication of teachers, the enthusiasm of students, and the encouragement of parents, reaffirming the college's commitment to progress. As we move forward, the college remains determined to uphold the ideals of Sree Narayana Guru and continue its journey towards excellence in education and service.

ANNUAL REPORT OF THE PG DEPARTMENT OF ENGLISH

Program Name	**:** RIPPLES MULTI-DISCIPLINARY SEMINAR: TECHNOLOGIA -2026
Organiser	: PG DEPARTMENT OF ENGLISH
Associating partner	: IQAC
Beneficiary	: UG and PG students
Date and year	: 14.01.2026
Coordinator	: Ms. Vandana Viswanath
Duration of the program	: 10.30am to 12.30 pm
Objective	: To provide a platform to students and faculty for interaction with eminent scholars in various academic disciplines and exchange updated information in their areas of expertise.
Outcome	: The seminar resulted in the updation of the information gathered by the students along with an enhancement of their interest in various areas of contemporary knowledge.

Geotagged photos:

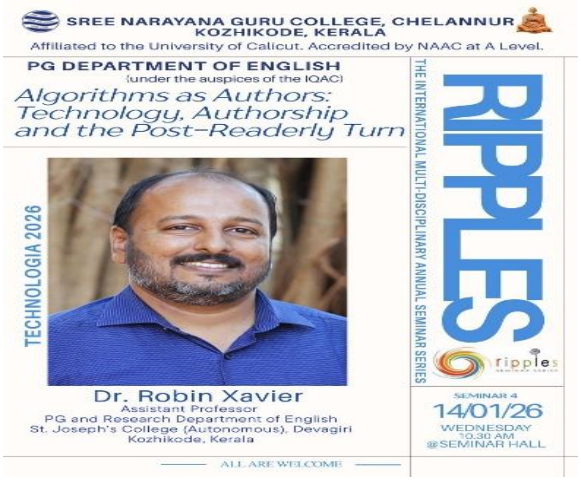

Brochure:

Report:

The Post graduate Department of English, under the auspices of the IQAC, conducted a seminar with the general theme of TECHNOLOGIA, as part of the Ripples Annual Multidisciplinary International Seminar Series, for the year 2025-26. The topic of the seminar was "Algorithms as Authors: Technology, Authorship and the Post-Readerly Turn". The Resource Person for the session was Dr. Robin Xavier, Assistant Professor, PG and Research Department of English, St, Joseph's College, Devagiri. The seminar was held on 14.01.2026 at the college Seminar Hall, from 10.30am to 12.30 pm.

Ms. Vandana Viswanath, Department coordinator and Head, welcomed the gathering. The College Principal, Prof. Dr. Kumar SP delivered the Presidential Address and presided over the function. Dr. Athma Jayaprakash, IQAC coordinator and Mr.Rejish MT, General Convenor, Ripples seminar series, felicitated the occasion. The seminar was conducted with the objective of introducing to the students and familiarizing them with the idea of 'Algorithms', and informing them about the central roles that algorithms play in our daily lives now. The changing roles of authors and readers and the transformations that have appeared in the reading scenario were all discussed during the course of the presentation. The outcome of the session was that many students gained an awareness of the role of algorithmic driven Artificial intelligence, in controlling and manipulating human lives. The session made the audience realize that we should not allow ourselves to become the slaves of technology, especially in matters related to reading and writing as this can have an adverse effect on human creativity. It is extremely vital to learn to use this technology in a judicious manner so that human intelligence will not be controlled by Artificial Intelligence.

Around 180 students from the English department and other departments of the college attended the seminar. The discussion and interaction that followed were very insightful and this session lasted for two hours. This was followed by the paper presentations by the PG students, on the general theme of TECHNOLOGIA. Plenty of positive feedback was provided through the active participation of the students and their interaction with the resource person. The session came to a close with the Vote of Thanks delivered by Ms. Sangeetha G Nair, Assistant Professor, PG Department of English.

Program Name	: ASSOCIATION INAUGURATION
Organizer	: PG DEPARTMENT OF ENGLISH
Associating partner	: The College Students Union 2025-26
Beneficiary	: UG and PG students of the department
Date and year	: 16.03.2026
Coordinator	: Ms. Vandana Viswanath, HoD

Duration of the program: 10.30am to 12.30 pm

Objective	: To provide a platform to students and faculty for interaction with eminent resource persons and create a productive rapport among the faculty and students of the department.
Outcome	: The program enlightened the students and made them aware of various contemporary terms in the Gen Z language which they had been taking for granted

Geotagged Photos:

Report:

The inauguration of the English Association, for the year 2025-26, was conducted on 16.03.2026, at 10.30 am, in the college seminar hall. Ms. Vandana Viswanath, Head of the Department, welcomed the gathering. The Principal in charge, Dr. Abhilash E S, presided over the function. Dr. Prathibha Padmanabha Kurup, Assistant Professor, PG and Research Department of English, Providence Women's College (Autonomous), was the chief guest of the day. She spoke about the Digital Shift and its impact on the Gen Z. Almost 170 students from the UG and PG classes attended the program. As it was a well relatable topic, the students were raptly engrossed in the session. Various examples of common Gen Z vocabulary, from daily life, were mentioned by the resource person, so as to invite maximum involvement by the students. Dr. Athma Jayapraksh, IQAC Co-ordinator, and Ms. Gayathri P, Assistant Professor in English, felicitated the occasion. After the inaugural address, the department extended tokens of appreciation to the student achievers in the field of academics, arts and sports. Neha Sajeev, Varada C, Anagha V and Aiswarya Santhosh were honoured for their excellent performance in various semester examinations. Sharika Sunil Kumar, Archana, Samrudha P T were recognised for their excellent achievement in athletics and kickboxing. Sneha S Nair was honoured for her participation in the college drama, which competed in the B-zone. The efforts of the students who presented papers in the Ripples Seminar, were also appreciated. This was followed by the Vote of Thanks, proposed by Ms. Theertha Manoj, Association Secretary. The inaugural session came to a close by 1 pm. This was followed by an interactive session with the motivational trainer Mr. Amal Ajendra. The session lasted from 2.30pm to 4pm.

PTA Meeting

Program Name	: Class PTA Meetings
Organiser	: PG Department of English
Associating partner	: The College Students Union 2025-26
Beneficiary	: UG students of the department and their parents
Date and year	: 23.10.2025, 10.11.2025, 9.03.2026

Coordinator	: Ms. Vandana Viswanath, HoD, Ms. Anjali GS, Ms. Gayathri P, Ms. Athira Chandran PR
Duration of the program	: 2.30pm to 4pm
Objective	: To provide a platform to students, teachers and parents to discuss points of concern related primarily to academics.
Outcome	: Both the parents and the students emerged better aware of the necessities to be taken care of during their year of study. The final year students and their parents were clearly briefed about the final project work, and this served to erase the anxieties that many students were facing.

Reports:

The Parent-Teacher Association (PTA) meeting of the First Year B.A. English FYUGP students was convened on 10th November 2025 at 2:30 p.m. in Room no 6 .A total of 37 parents attended the meeting out of 54 students. The program commenced with a welcome address by Ms. Vandana Viswanath, Head of the Department. This was followed by the

presidential address delivered by the Principal, Prof. Dr. Kumar S. P., who emphasized the significance of regular attendance, discipline, and academic commitment. The meeting was attended by the Class Tutor, Ms. Athira Chandran P. R., along with Mr. Kiran, Assistant Professor of Journalism; Mr. Haneesh, Assistant Professor of History; and Mr. Shaju, Assistant Professor of Malayalam. The faculty members presented an overview of the students' academic performance and addressed general concerns related to their progress.

Key issues discussed during the meeting included irregular attendance, excessive use of mobile phones, and inadequate participation in extracurricular activities. Parents actively participated in the discussion and shared their valuable suggestions and concerns. The meeting concluded with a vote of thanks proposed by Ms. Athira Chandran P. R. The Parent Teacher Association meeting for the Second BA English students was held on 23rd October 2025 at 2.30PM in Room No. 4. Out of 53 students, parents of 23 attended the meeting.

The session began with a welcome address by Ms. Vandana, Head of the Department, followed by a presidential address by Principal Prof. Dr. Kumar S. P., who stressed the importance of regular attendance and discipline. The class tutor, Ms. Gayathri P, along with Ms Sangeetha G Nair, Department Coordinator of FYUG Program, Ms. Athira, Assistant Professor of English, Mr Hanish, Assistant Professor of History, Mr Kiran, Assistant Professor of Journalism attended the meeting. The faculty members discussed students' academic progress and other general concerns. Major issues discussed included poor attendance, phone addiction, lack of participation in class activities, sleep deprivation, and a decline in reading habits. Parents and teachers collectively observed that smartphone addiction was affecting students' attention span, concentration, time management, physical and psychological well being. Many parents actively shared their views and concerns in the meeting. Ms Gayathri P, delivered the vote of thanks.

PTA meeting for the final year BA English batch was organized on 09/03/26 Monday in the afternoon from 2.30pm to 4pm.Twenty two parents turned up for the meeting as it held much relevance as the students were in thorough preparation for the final examinations and the project viva voce. Head of the department Ms Vandana Viswanath welcomed the gathering. The tutor of the batch Ms Anjali G S delivered an introductory note which explained the facts regarding portion completion. Other teachers from the department who handle classes for the batch Ms. Gayathri P, Ms. Sangeetha G Nair, Ms Priyanka, Ms. Athira, and Ms Harichandana- were also present for the meeting. Parents expressed their concerns regarding the preparation for the final exams. Some queries were raised in connection with the submission of the final

project and the subsequent viva voce, as some students were tensed and confused regarding it. A discussion was also done on the plans for organizing the study tour for the batch. The meeting was wound up at 4 pm.

DEPARTMENT OF BOTANY

Program Name **:** Water Conservation and Restoration

Organizer **:** Department of Botany and Hydrogeology Department Govt.of Kerala

Associative Partner : IQAC

Beneficiary **:** Degree and PG Students

Date **:**15 January 2026

Scope **:** The seminar on "Water Conservation and Restoration**"** has significant academic, environmental, and social relevance. It provides participants with a deeper understanding of the importance of water and the need for their conservation. The program encourages awareness about biodiversity protection, sustainable resource management, and environmental stewardship.

The seminar also offers opportunities for students and researchers to explore current challenges affecting wetland ecosystems and learn about modern restoration techniques. By promoting community participation and scientific approaches to conservation, the program helps develop responsible environmental attitudes and supports future research, policy development, and conservation initiatives aimed at protecting wetland habitats for future generations

Co-ordinator **:** Dr. Abhilash ES, Head of the Department

Duration **:** One day

Objective **:** To create awareness about the ecological significance of wetlands and to promote sustainable conservation and restoration practices.

Outcome **:**The seminar increased awareness regarding Water conservation and emphasized the importance of collective efforts in protecting wetland ecosystems. Participants gained valuable knowledge about environmental sustainability and restoration measures.

"Water Conservation and Restoration"

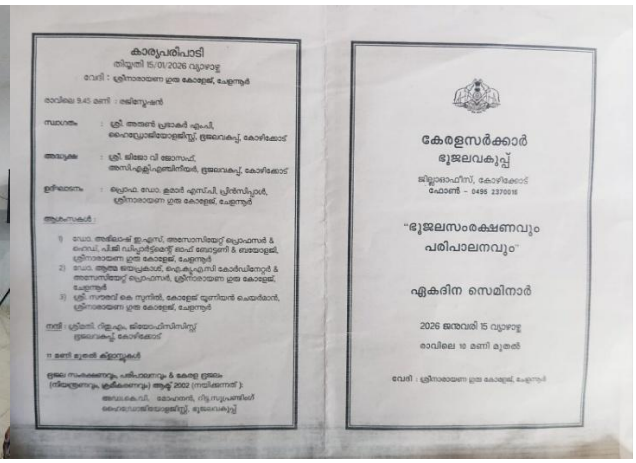

The Department of Botany organized an Academic Seminar on “Water Conservation and Restoration” on 15 January 2026. The program was inaugurated by the chief guest in the presence of faculty members, students, and invited participants.

Expert sessions focused on:

- Ecological importance of wetlands
- Biodiversity conservation
- Threats to wetland ecosystems
- Wetland restoration techniques
- Community participation in conservation

The program concluded with a vote of thanks. The seminar was informative, successful, and contributed significantly to environmental awareness and academic enrichment.

Program Name **:** Botany Association Inauguration

Organizer **:** Department of Botany

Associative Partner : IQAC

Beneficiary **:** Degree and PG Students

Date **:** 25 February 2026

Scope **:** The Botany Association Inauguration served as a platform to officially launch the academic and co-curricular activities of the Department of Botany for the academic year. The program provided students with an opportunity to interact with experts from the agricultural sector and gain practical insights into sustainable agriculture, crop management, and the role of botany in community development. The inaugural talk by Jijisha, Agricultural Officer, Chelannur Grama Panchayat, broadened

students' understanding of career opportunities, agricultural extension services, and the application of botanical knowledge in addressing local agricultural challenges. The program also encouraged active student participation in future departmental activities, seminars, workshops, and outreach initiatives.

Inauguration **:** Jijisha, Agricultural Officer, Chelannur Grama Panchayat

Co-ordinator **:** Dr.Abhilash ES, Head Department of Botany,

Duration **:** One day

Objective **:** To conduct and co-ordinate various programs of the Botany Department

Outcome **:** The Botany Association was successfully inaugurated, marking the commencement of departmental academic and extracurricular activities. Students gained valuable knowledge about the practical applications of botany in agriculture and rural development. The expert session enhanced students' awareness of sustainable farming practices and the role of agricultural officers in supporting farmers. The program motivated students to actively participate in association activities, research, extension programs, and environmental conservation initiatives. It strengthened the collaboration between the Department of Botany, IQAC, and local agricultural agencies, promoting experiential learning and community engagement**.**

Botany Association Inauguration

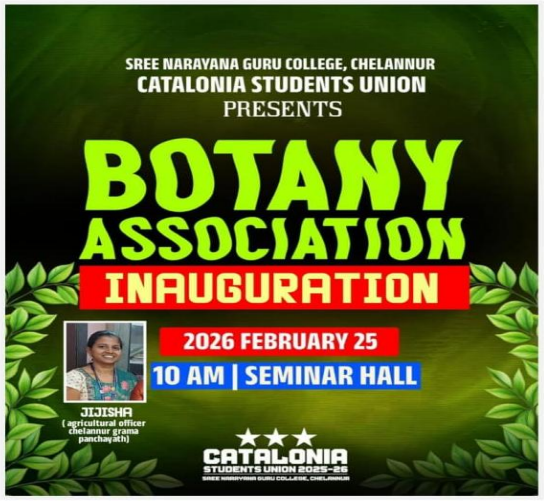

The Department of Botany, in association with IQAC, SNG College, Chelannur, organized the Botany Association Inauguration on 25 February 2026 for the benefit of Degree and PG students. The program was coordinated by Dr. Abhilash E. S., Head, Department of Botany.

The program commenced with a formal inaugural session attended by faculty members and students of the Department of Botany. The inauguration marked the beginning of the association's academic and co-curricular activities for the academic year. The Botany Association aims to provide students with opportunities to enhance their scientific knowledge, develop leadership qualities, and actively participate in academic, environmental, and extension activities.

The keynote address was delivered by Jijisha, Agricultural Officer, Chelannur Grama Panchayat. In her talk, she highlighted the significance of botany in sustainable agriculture, environmental conservation, and rural development. She also explained the role of agricultural officers in supporting farmers through scientific farming practices, government schemes, and agricultural extension services. The interactive session enabled students to gain practical insights into the application of botanical knowledge in the agricultural sector and inspired them to explore career opportunities in agriculture and allied fields.

The program concluded with a vote of thanks. The inauguration was successful in motivating students to actively participate in the activities of the Botany Association throughout the year. The session enhanced students' understanding of the practical relevance of botany.

TRAINING ON GRAFTING

Program Name : Grafting training

Organizer : Department of Botany

Beneficiary : Degree Students

Date : 25 November 2025

Scope : The Grafting Training program was organized to provide Degree students with practical exposure to one of the most important vegetative propagation techniques used in horticulture and agriculture. The training enabled students to understand the principles, methods, and advantages of grafting, along with its applications in improving crop quality, increasing disease resistance, and conserving valuable plant varieties. Through a live demonstration, students gained hands-on experience in

grafting techniques, thereby bridging the gap between theoretical knowledge and practical application.

Inauguration **:** Prof. (Dr.) Kumar S. P., Principal, SNG College, Chelannur

Co-ordinator and demonstration: Dr.Abhilash ES, Head Department of Botany

Duration **:** One day

Objective **:** To conduct and co-ordinate various programs of the Botany Department

Outcome **:** Students acquired practical skills in performing grafting techniques under expert guidance. The training enhanced students' understanding of vegetative propagation and its significance in horticulture and commercial plant production. Participants developed confidence in applying grafting methods for nursery management and plant conservation. The program promoted experiential learning by integrating classroom concepts with field-oriented practice. The session encouraged students to explore entrepreneurship and career opportunities in horticulture, nursery management, and sustainable agriculture.

Grafting training

The Department of Botany, SNG College, Chelannur organized a Grafting Training Program for Degree students on 25 November 2025. The program was conducted as a one-day skill development activity aimed at providing students with practical knowledge and hands-on experience in plant propagation techniques.

The program was inaugurated by Prof. (Dr.) Kumar S. P., Principal, SNG College, Chelannur. The session was coordinated and the demonstration was conducted by Dr. Abhilash E. S., Head, Department of Botany, SNG College, Chelannur.

The objective of the program was to conduct and coordinate various academic and practical skill development activities of the Department of Botany, with special emphasis on enhancing students’ understanding of grafting techniques and their applications in horticulture. The training focused on the importance of vegetative propagation, different methods of grafting, and its role in improving crop quality, disease resistance, and conservation of desirable plant varieties.

During the program, Dr. Abhilash E. S. provided a detailed demonstration of grafting procedures and explained the scientific principles behind the technique. Students actively participated in the hands-on training session and gained practical experience in selecting plant materials, preparing grafting portions, and performing grafting methods. The interactive session helped students clarify their doubts and understand the practical aspects of nursery management.

The program provided valuable exposure to students by connecting theoretical concepts in Botany with real-life applications in agriculture and horticulture. It encouraged students to develop practical skills, explore opportunities in plant propagation and nursery practices, and appreciate the importance of sustainable agricultural methods.

DEPARTMENT OF BIOLOGY

Program Name : Honoring the Calicut University PG Rank Holders

Organiser : Department of Biology, Sree Narayana Guru College, Chelannur

Associating Partner : IQAC, PTA

Beneficiary : PG Rank Holders of the Department of Biology, UG and PG students

Date & Year : 17 December 2025

Scope : To recognize academic excellence, motivate students, and promote a culture of merit and achievement.

Coordinator : Dr. Abhilash E. S., Head of the Department and Associate Professor, Department of Biology

Duration of the Program: Half-day program

Objective : • To honour Calicut University PG Rank Holders. • To motivate students towards academic excellence. • To encourage merit, dedication, and discipline. • To provide interaction between achievers and students.

Outcome : • Rank holders were recognized for their achievements. • Students were inspired to improve their academic performance. • Academic excellence and institutional reputation were enhanced. • Faculty-student interaction was strengthened.

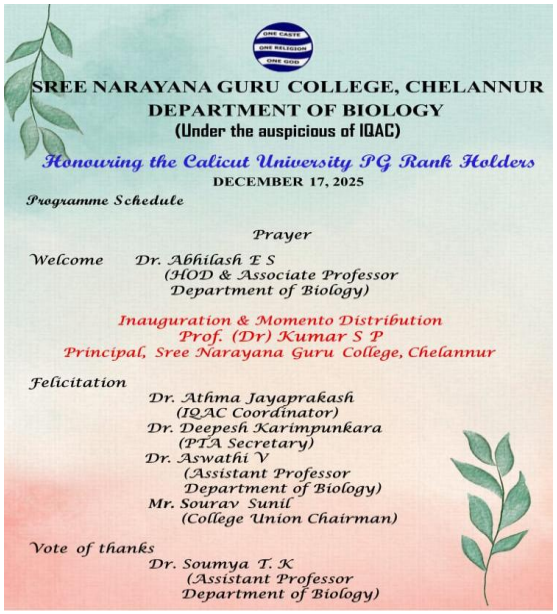

Honoring the Calicut University PG Rank Holders

The Department of Biology, Sree Narayana Guru College, Chelannur, organized the program "Honouring the Calicut University PG Rank Holders" on 17 December 2025 in association with IQAC, PTA, and the College Union. The program aimed to recognize and celebrate the outstanding academic achievements of postgraduate rank holders under Calicut University.

The event commenced with a prayer followed by a welcome address by Dr. Abhilash E. S. The program was inaugurated by Prof. (Dr.) Kumar S. P., Principal of the college, who distributed mementos to the rank holders and congratulated them on their success. Felicitation speeches were delivered by Dr. Athma Jayaprakash, Dr. Deepesh Karimpunkara, Dr. Aswathi V., and Mr. Sourav Sunil, who encouraged students to pursue academic excellence.

The program concluded with a vote of thanks by Dr. Soumya T. K. The event successfully recognized the achievements of the rank holders, motivated students, and strengthened the culture of academic excellence within the department.

Number of Students Benefited: Approximately 50 students.

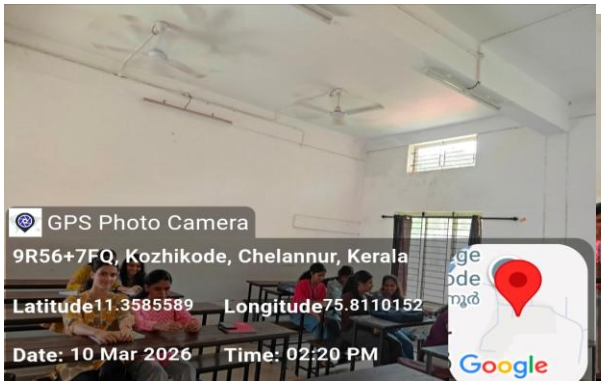

DEPARTMENT OF STATISTICS

QUIZ COMPETITION

The Department of Statistics is conducting a quiz competition on 10th March 2026, on the topic “Basics of Statistics and its Applications." five teams with two students each participated in this program. Miss. Ananya P was the quiz master, as were Miss. Avanthika C M and Miss Sreelakshmi M from the second year of B. Sc. Mathematics wins first prize. Prizes were distributed to the winners.

DEPARTMENT OF ZOOLOGY

Report on World Environment Day Celebration (June 5) Organized in association with the Department of Botany

The World Environment Day was celebrated on June 5 with great enthusiasm and active participation in association with the Department of Botany. The program aimed to create awareness about environmental protection and encourage sustainable practices among students and staff.

The celebration began with a formal inauguration, followed by a welcome speech highlighting the significance of World Environment Day and the need to conserve our natural resources. Faculty members and students gathered to mark the occasion with a shared commitment towards environmental responsibility.

The Botany Department played a key role in organising and coordinating the events. The faculty guided students in understanding the importance of plants in sustaining life and maintaining ecosystem stability. The celebration served as a reminder of our responsibility to protect the environment and inspired everyone to adopt eco-friendly practices in their daily lives.

As part of the celebration, we decided to distribute saplings in the coming days, not only on June 5th, but also to plant in and around the campus throughout the month, encouraging students to contribute towards a greener and more sustainable environment.

Antibiotic Literacy Campaign Exhibition

As a part of the statewide “Antibiotic Literacy Campaign” an exhibition was successfully organized by the Department of Zoology in association with IQAC at Sree Narayana Guru College, Chelannur on 23 January 2026. The aim of the exhibition was creating awareness about the rational use of antibiotics and the growing threat of Antimicrobial Resistance (AMR). The exhibition was inaugurated by the Principal Prof. (Dr.) Kumar S P in the presence of faculty members and students. He also delivered a meaningful message, emphasizing the importance of antibiotic literacy in safeguarding public health. Students from various departments actively participated in organizing and presenting the exhibits.

The main objectives of the exhibition were:

1. To improve awareness about antibiotic and their correct usage.
2. To educate participants on the dangers of antibiotic misuse and self-medication.
3. To highlight the global impact of antimicrobial resistance.
4. To promote responsible health-seeking behavior among students and the community.

The exhibition was a meaningful and impactful initiative. It effectively fulfilled the objectives by educating students and staff about antibiotic resistance and rational drug use. Such awareness programs play a crucial role in promoting public health and should be conducted regularly to build a well-informed society.

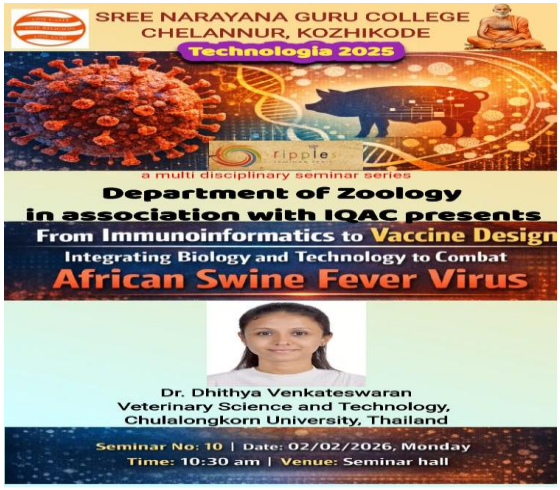

Report of Seminar held on 02/02/2026

The Department of Zoology, in association with the internal Quality Assurance Cell (IQAC), organized a seminar as part of Ripples International Multidisciplinary Seminar Series with the theme Technologia 2025, on the topic “From Immunoinformatics to Vaccine Design: Integrating Biology and Technology to Combat African Swine Fever Virus” on 02 February 2026, at the seminar hall, Sree Narayana Guru College, Chelannur. The seminar was coordinated by Mr. Rejish M T, Assistant Professor, Department of Commerce.

The program commenced with a welcome address by Dr. Aswathi K., Head of the Department of Zoology, followed by the presidential address by Dr. Abhilash E S., Head of the Department of Biology and Botany. Felicitation addresses were delivered by Dr. Athma Jayaprakash, IQAC Coordinator; Dr Aswathi V, Assistant Professor, Department of Biology; and Mr. Sourav Sunil, Union Chairman.

The technical session was led by the resource person, Dr. Dhithya Venkateswaran, Researcher, Veterinary Science and Technology, Chulalongkorn University, Thailand, who delivered an insightful talk on the application of immunoinformatics and technological tools in vaccine design to combat African Swine Fever Virus. The program was highly informative and fulfilled its objective of enhancing awareness of the integration of biology and technology in combating viral diseases such as African Swine Fever Virus. An interactive question-and-answer session followed, enabling active participation and discussion.

A total of 72 students from the Departments of Botany, Biology and related disciplines actively participated in the seminar. Three students presented their research papers, enriching the seminar's academic value. The program concluded with a vote of thanks by Dr. Divya P. V., Assistant Professor, Department of Botany.

Field Visit to KMCT Medical College, Mannassery, Kozhikode

A field trip was organized to the Department of Physical Medicine & Rehabilitation at KMCT Medical College, Mannassery, Kozhikode, to provide students with practical exposure to neurological examination techniques. The visit focused on the demonstration of different reflexes and their importance in clinical diagnosis.

Objectives

To understand the concept of reflex action and reflex arc.

To observe different types of reflexes in a clinical setting.

To learn the methods of eliciting reflexes.

To understand the clinical significance of reflex testing in neurological assessment.

Details of the Visit

The field trip was conducted on 24 February 2026, with the participation of 22 students and faculty member. The session was handled by experienced physiotherapists and medical professionals from the department.

An introductory session was given explaining the importance of reflexes in diagnosing neurological disorders and assessing the integrity of the nervous system. All reflexes were demonstrated clearly with normal responses in healthy individuals. The session emphasised the role of reflex testing in identifying neurological abnormalities. Students gained insight into patient handling and clinical examination procedures.

Learning Outcomes

Developed practical knowledge of reflex testing

Understood the neurological basis of reflex actions

Learned clinical relevance in diagnosing disorders

Improved observation and analytical skills

The field trip to **KMCT Medical College** was highly informative and beneficial. The demonstration of different reflexes provided valuable clinical exposure and enhanced the understanding of neurological examination techniques. The visit successfully bridged the gap between theoretical knowledge and practical application.

DEPARTMENT OF JOURNALISM

Program **:** Independence Day Quiz ‘Nationalism and Media’.

Organizer **:** The Department of Journalism.

Associating partner **:** IQAC

Beneficiary **:** UG and PG students in the college

Date & Year **:** 15-08-2025 Friday

Scope **:** To inculcate the values of Nationalism in students. Providing awareness about national idols.

Coordinators : Kiran N S

Duration **:** 2 hours

Objective **:** The primary objective of conducting an Independence Day quiz on the topic of ‘Nationalism & Media’ is to instil patriotism, honor freedom fighters, and deepen awareness of a nation's history, constitutional values, and cultural heritage.

Outcome **:** The outcome of conducting Independence Day quiz on the topic of ‘Nationalism and Media’ includes heightened historical awareness, enhanced patriotic spirit, and greater community engagement among participants. Knowledge Retention, National Pride, mobilizing youth by providing healthy competition and inculcating civic responsibilities.

Report on Independence Day Quiz on ‘Nationalism and Media’

The Department of Journalism, in association with IQAC, organized an Independence Day Quiz on the theme "Nationalism and Media" for the UG and PG students of the college on

Friday, 15 August 2025**.** The program was conducted over a duration of two hours under the coordination of Kiran N. S.

The quiz was organized as an academic and commemorative activity to celebrate Independence Day in a meaningful manner. It aimed to encourage patriotic reflection while promoting critical awareness of the role of media in shaping ideas of nationalism, democracy, and public understanding of India's history. The event witnessed enthusiastic participation from students representing various departments, creating a vibrant atmosphere of learning and healthy competition.

After an engaging quiz session, the team comprising Aleena and Swathi of First Year B.A. English emerged as the winners, securing First Prize with an outstanding performance. Their excellent teamwork, knowledge, and quick responses were appreciated by the organizers and participants alike.

The program successfully combined the spirit of Independence Day with academic engagement, inspiring students to reflect on the relationship between media, nationalism, and responsible citizenship.

Report on Ripples Seminar Series 2025–26

Program	: Ripples Seminar Series 2025–26
Organizer	: The Department of Journalism
Associating partner	: IQAC, Ripples
Beneficiary	: UG and PG students in the college
Date & Year	: 06-02-2026 Thursday
Scope	: To enhance students' understanding of AI-driven media technologies, ethical journalism, digital creativity, and emerging career opportunities in the evolving media landscape.
Coordinator	: Kiran N S
Duration	: 2.5 hours
Objective	: To introduce students to the applications, opportunities, and ethical challenges of Artificial Intelligence in media, journalism, and creative industries.
Outcome	: Students gained practical knowledge of AI in media, improved awareness of ethical issues, and developed a better understanding of emerging technologies shaping the future of journalism and communication.

The Department of Journalism, Sree Narayana Guru College, Chelannur, organized Seminar No. 9 of the Ripples Seminar Series 2025–26 titled **“**Generators’ Generation: AI, Media and Creativity” on 06 February 2026 at 10:30 AM in the Seminar Hall. The program was organized to create awareness among students about the growing influence of Artificial Intelligence in media, journalism, and creative industries.

The seminar was inaugurated by Prof. (Dr.) Kumar S. P., Principal, who highlighted the significance of understanding emerging technologies and their impact on communication and society. The welcome address was delivered by Smt. Vandana Viswanath, who introduced the theme of the seminar and welcomed the participants.

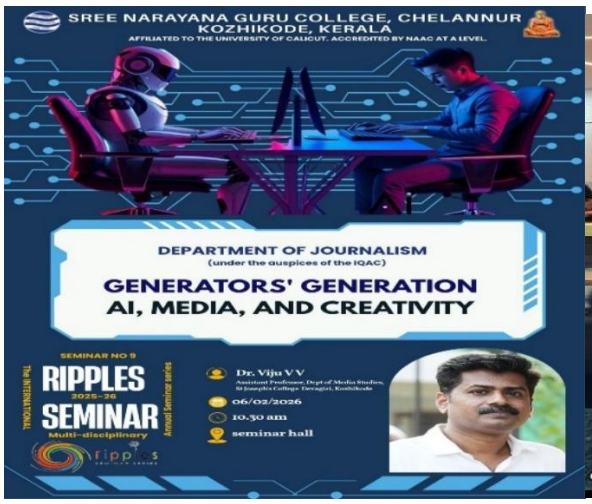

The keynote session was led by Dr. Viju V. V., Assistant Professor, Department of Media Studies, St. Joseph's College (Autonomous), Devagiri, Kozhikode. During the session, Dr. Viju explained the concept of Generative AI and its applications in journalism, digital media, content creation, and storytelling. He discussed how AI tools are transforming newsrooms and media industries while also addressing important concerns related to ethics, misinformation, deepfakes, copyright, and accountability.

The interactive session enabled students to understand both the opportunities and challenges presented by Artificial Intelligence. The resource person emphasized that AI should be viewed as a tool that supports human creativity rather than a replacement for journalists and media professionals. Students actively participated in the discussion and raised questions regarding the future of AI in media and communication.

Felicitation addresses were delivered by Smt. Gayathri P., Ripples Coordinator, Dr. Athma Jayaprakash, IQAC Coordinator, and Smt. Sangeetha G. Nair. The Vote of Thanks was delivered by Keerthana T., First Year BA English student.

The seminar received positive feedback from participants, who appreciated the relevance of the topic and the practical insights shared by the resource person. The program successfully enhanced students' understanding of Artificial Intelligence and encouraged them to explore emerging technologies responsibly and ethically in the field of media and journalism.

The seminar concluded successfully with active participation from students and faculty members, making it an informative and enriching academic experience.

Report on World Photography Day Celebrations 2025

Program : World Photography Day Celebration

Organizer : The Department of Journalism

Associating partner : IQAC,

Beneficiary : UG and PG students in the college

Date & Year : 19-08-2025 Tuesday

Scope : To promote creativity, visual storytelling, and photography skills among students

Coordinator : Kiran N S

Duration : 3 hours

Objective : To celebrate World Photography Day by encouraging students to express creativity, capture meaningful moments on campus, and develop an appreciation for photography as a powerful medium of communication.

Outcome : Students enhanced their photography and visual communication skills, showcased their creativity, and actively participated in promoting a positive and engaging campus environment.

Detailed Report

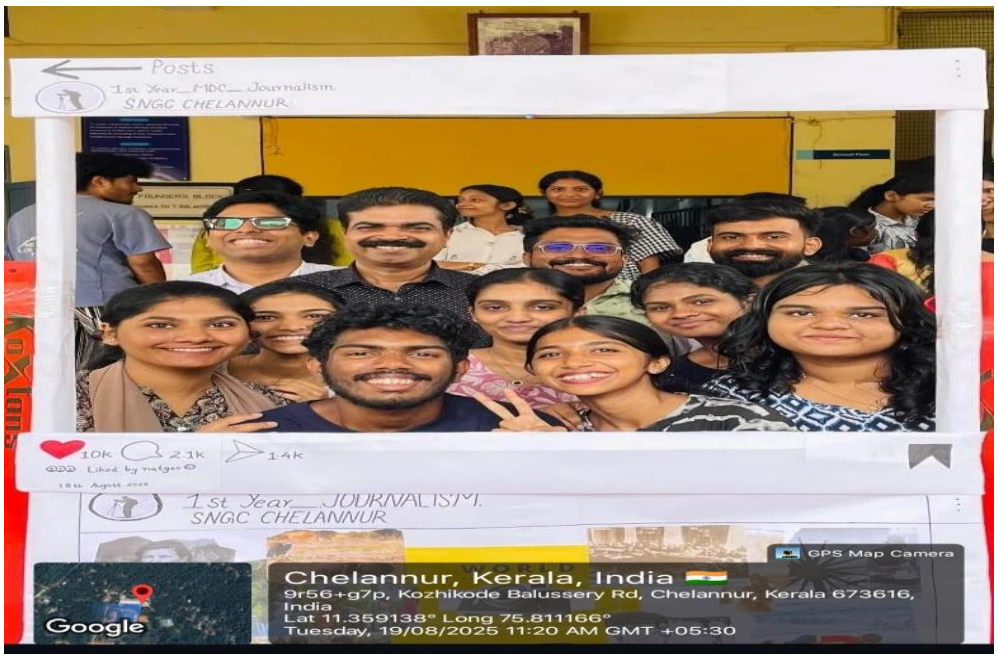

The Department of Journalism, in association with the Internal Quality Assurance Cell (IQAC), Sree Narayana Guru College, Chelannur, celebrated World Photography Day on 19 August 2025 with a series of creative activities aimed at encouraging students' interest in photography and visual storytelling.

The program was inaugurated by the Principal, Dr. Kumar S. P., who highlighted the significance of photography as a powerful medium of communication and documentation in the digital age. He encouraged students to use photography not only as an artistic expression but also as a tool for social awareness and journalism.

The highlight of the celebration was a photography competition on the theme “Smile in Campus.**”** Students enthusiastically participated by capturing candid moments that reflected happiness, friendship, and the vibrant atmosphere of campus life. The competition showcased the creativity and observational skills of the participants.

As part of the celebrations, students of the Department of Journalism also prepared an attractive photo frame installation on the campus. The photo frame became a popular attraction, providing students and staff an opportunity to take memorable photographs and celebrate the spirit of the day.

The event witnessed active participation from students across various departments and successfully promoted appreciation for photography as an art form and a means of communication. The World Photography Day celebration concluded with positive feedback from participants and attendees, making it a memorable occasion for the college community.

DEPARTMENT OF MATHEMATICS

Program : Parent Teacher Association meeting for Mathematics department

Organizer : Department of Mathematics

Associating Partner : IQAC

Beneficiaries : Parents, Teachers & Students

Date & Year **:** 09th June 2025

Scope **:** To serve a bridge between the college administration and the collective body of parents. Discussion of academic performance & curriculum rigor.

Coordinator **:** Dr. Vineesh K. P., Head of the Department of Mathematics

Duration **:** 2 Hours

Objective **:** Establishment of collaborative partnership between the institution and parents to ensure the holistic development, academic success, and future career readiness of the students.

Outcome **:** Establishment of structured remedial classes, peer-mentoring groups, or special counselling sessions for students struggling with attendance or internal grades. A mutual agreement between parents and

administration regarding strict adherence to university mandates (e.g., a signed understanding of the 75% attendance rule for exam eligibility.

Report of Parent Teacher Association meeting

The Department of Mathematics convened its periodic Parent-Teacher Association meeting to review student progress, reinforce academic discipline, and discuss modern updates to the curriculum. The meeting was presided by Dr. Vineesh K. P., Associate Professor and Head of the department.

The primary objective was to align parental support with the department's current academic standards and prepare students for technology-driven career paths. The faculty presented an overview of the previous semester's internal and university exam results. While the overall passing percentage remained strong, the HoD highlighted specific abstract papers (such as Real Analysis/Algebra) where students faced difficulties. Strategies for improving problem-solving speed and analytical writing were shared. The department reiterated the mandatory attendance required to sit for final examinations. Faculty members raised concerns regarding sporadic absenteeism during morning lectures and lab hours, explaining its direct negative impact on internal assessment marks and conceptual understanding. The meeting ended with the vote of thanks by Smt. Manjuraj S., Assistant Professor of the department.

Program : Ripples Seminar Series

Organizer : Department of Mathematics

Associating Partner : IQAC

Beneficiaries : All the students of college

Date & Year **:** 19th January 2026

Scope **:** Critical Thinking, Problem Solving, Networking & Collaboration.

Coordinator **:** Dr. Vineesh K. P., Head of the Department of Mathematics

Duration **:** 1 Hour and 30 minutes

Objective **:** To bridge the gap between abstract mathematical theory and its real-world applications across various fields.

Outcome **:** Enhanced Student Retention & Engagement, Improved Science Communication, Increased Departmental Prestige.

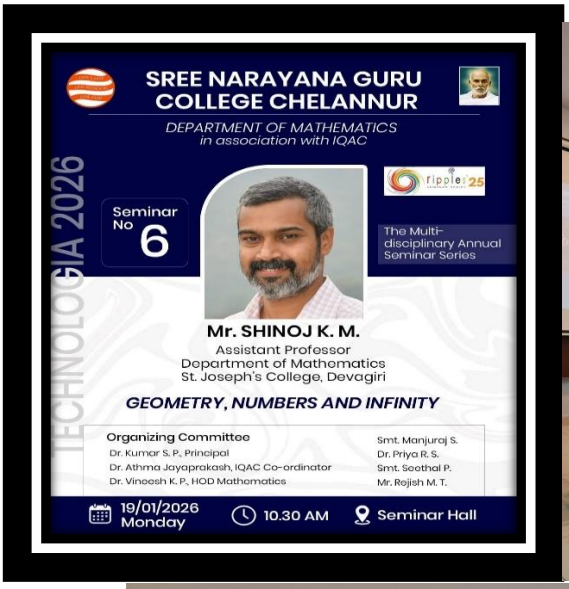

Report of Ripple Seminar Series

The Department of Mathematics at Sree Narayana Guru College, Chelannur, successfully organized a multidisciplinary seminar titled "Geometry, Numbers, and Infinity." The seminar was formally inaugurated by Prof. Dr. Kumar S. P., Principal, Sree Narayana Guru College, Chelannur. The event was curated to break away from traditional silos and examine the foundational pillars of mathematics through a multi-angled lens—linking equations and abstract concepts directly to physics, philosophy, computer science, and natural architecture. The department was privileged to have Mr. Shinoj M**.**, Assistant Professor from St. Joseph's College, Devagiri, Kozhikode as the keynote resource person to lead the sessions.

Mr. Shinoj M. masterfully guided the audience through three intersecting modules, using historical anecdotes, rigorous logic, and real-world parallels. Mr. Shinoj opened the discussion by transitioning from rigid Euclidean shapes to the fluid, fractional dynamics of fractal geometry. He demonstrated how these mathematical models are used by physicists and botanists alike to map natural phenomena, from cloud formations to biological vascular systems and modern antenna designs. Delving into the concept of boundless abstraction, the resource person tackled the paradoxes of infinity.

He expertly walked the audience through Georg Cantor's set theory, comparing countable and uncountable infinities ($\aleph_0$ and $\mathfrak{c}$). He bridged this mathematical concept with computer science, highlighting how the finite limitations of machine computation handle infinite data structures, while engaging the philosophy students in the crowd regarding human perception of limits.

The final segment focused on the power of number systems. Mr. Shinoj illustrated how prime numbers and modular arithmetic—once considered the purest and most "useless" forms of math—serve as the vital security bedrock for modern cryptography and global digital transactions. The program winds up with vote of thanks by Miss. Sona Lineesh, Association Secretary of Mathematics Association.

Association Inauguration

Program : Mathematics Association Day Celebration

Organizer : Department of Mathematics

Associating Partner : IQAC

Beneficiaries : All the students of Mathematics Department and minor Course students from other departments.

Date & Year **:** 20th February 2026

Scope **:** Inviting field experts to talk about modern implementations of mathematics, Provides a stage for department students.

Coordinator **:** Dr. Vineesh K. P., Head of the Department of Mathematics

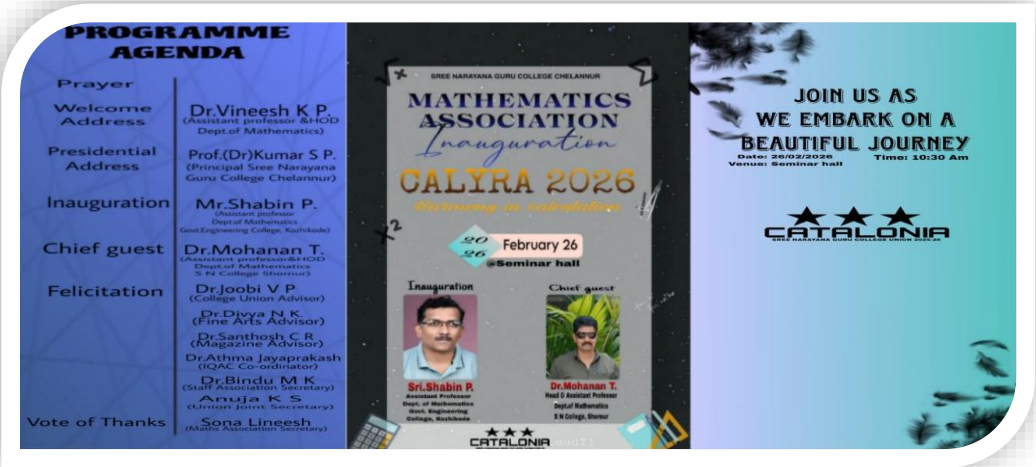

Duration **:** Full Day Program (10.00am to 04.00pm)

Objective **:** To foster a genuine love for mathematics and eliminate the widespread "math anxiety" among the general student population.

Outcome **:** Students—both math majors and those from other departments—develop a more positive attitude toward the subject, viewing it as a language of logic rather than just a series of intimidating formulas.

Report of Association Day Celebration

The Department of Mathematics at Sree Narayana Guru College, Chelannur, organized its annual Mathematics Association Day Celebration for the academic year 2025–2026. The event aimed to promote a deeper interest in mathematics, showcase its real-world applications in modern technology, and provide a platform for students to display their logical and co-curricular talents. The celebration saw enthusiastic participation from the students of the Mathematics department as well as other science and humanities streams. The event began with a welcome speech by Miss. Sona Lineesh, Association Student Secretary, followed by introductory remarks from the Head of the Department, highlighting the significance of the association activities. Prof. Dr. Kumar S. P., Principal of Sree Narayana Guru College, delivered the presidential address, emphasizing the foundational role of mathematics across all academic fields and technological innovations. Mr. Shabin P., Assistant Professor, Department of Mathematics, Govt. Engineering College, Kozhikode officially inaugurated the Association Day by lighting the traditional lamp. This was followed by an insightful keynote lecture on *"The Changing Role of Mathematics in Data Science and AI,"* by the Chief Guest Dr. Mohanan T., Assistant Professor and Head, Department of Mathematics, MPMM SN trusts College, Shornur on the topic *"The Changing Role of Mathematics in Data Science and AI,"* which bridged the gap between academic theory and industry applications. The celebration concluded with a vibrant cultural segment organized by the B.Sc. Mathematics students. The event drew to a close with a Vote of Thanks proposed by Mrs. Manjuraj S., Assistant Professor of the department.

DEPARTMENT OF CHEMISTRY

Program Name	**:**	**Ripples Seminar (Technologia 2026)**
Organiser	:	Department Of Chemistry
Associating Partner	:	IQAC
Beneficiary	:	Students (or Peers/Audience)
Date and year	:	4/02/2026
Scope	**:**	**Fabrication & Optimization:** Development of automated, biocompatible wearable bioelectronic sensors integrated with closed-loop micro-delivery systems for real-time glucose tracking and autonomous insulin dosing. **Performance & Evaluation:** In vitro and in vivo validation of the system's predictive accuracy, response latency, and therapeutic efficacy in maintaining optimal glycaemic control.
Coordinator	:	Dr Kavya KV
Duration of the program	:	1 Day
Objective	:	To explore the design and application of automated, real-time bioelectronic systems that continuously monitor glucose levels and deliver precise insulin therapy to improve outcomes in diabetes management

Outcome : Participants will gain a comprehensive understanding of how integrating real-time sensing with automated drug delivery in bioelectronic systems can significantly minimize human error and drastically improve glycaemic control for diabetic patients.

Seminar Report: Technologia 2026

Introduction and Inaugural Session

On February 4, 2026, the Department of Chemistry at Sree Narayana Guru College, Chelannur, in an organized collaboration with the Internal Quality Assurance Cell (IQAC), hosted an international seminar titled "Technologia 2026". This event was conducted as a significant installment of the "Ripples '25" seminar series, aimed at fostering interdisciplinary academic dialogue. It was a comprehensive half-day event with a total duration of two and a half hours. The program commenced promptly at 11:00 a.m. in the College Seminar Hall. The proceedings began with a warm welcome address by Dr. Kavya K.V., Lecturer in Chemistry, which set a professional tone for the day's discussions.

The formal inauguration was performed by the College Principal, Dr. Kumar S.P., who highlighted the importance of staying abreast of global technological shifts. Following the inauguration, felicitations were offered by a panel of distinguished faculty members, including Dr. Athma Jayaprakash (IQAC Coordinator), Dr. Divya (Assistant Professor, Physics), and Dr. Salna (Assistant Professor, Botany). These speakers collectively emphasized the necessity of an interdisciplinary approach to modern scientific challenges, particularly focusing on the intersection of chemistry, biology, and engineering.

Keynote Address and Technical Insights

The core of the seminar featured an illuminating keynote session delivered by Dr. Debasis Maity, a Senior Research Scientist from ETH Zürich, Switzerland. His presentation, titled "Advanced Closed-Loop Bioelectronic Systems for Diabetes Management," provided a deep dive into the evolution of medical biosensing. Dr. Maity detailed the sophisticated chemical engineering required to develop highly sensitive sensors and discussed the transformative role of the Internet of Things (IoT) in managing chronic conditions.

Following the keynote, the technical discourse extended into a vibrant session of student presentations. During this segment, students presented in-depth topics including Metal-Organic Frameworks (MOFs), advanced Sensor technology, and the role of Medicinal Chemistry in drug development. These presentations also explored diverse yet related themes

such as smart city infrastructure and the integration of Artificial Intelligence (AI) in healthcare. This segment allowed for an active exchange of ideas, demonstrating how fundamental chemical principles—from molecular structures to synthetic medicinal pathways-underpin the life-saving technologies of the future.

Objectives of the Seminar

The primary objective of the seminar was to explore how the principles of chemistry underpin modern, life-saving technologies. Specifically, the session aimed to:

- Examine the intersection of chemical engineering and medical biosensing.
- Provide a platform for discussing the evolution of closed-loop bioelectronic systems.
- Introduce students to the integration of the Internet of Things (IoT) and Artificial Intelligence (AI) in contemporary healthcare solutions.
- Foster an interdisciplinary academic environment for students across the sciences

Key Takeaways

The participants gained several critical insights during the proceedings:

- Technological Evolution**:** An understanding of how bioelectronic systems have advanced to allow for automated, "closed-loop" medical management.
- Chemical Foundation**:** Recognition of how chemical engineering is the fundamental building block for developing accurate medical biosensors.

- Digital Integration**:** Knowledge of how IoT and AI are no longer peripheral but central to modern biosensing and healthcare infrastructure.
- Interdisciplinary Success**:** A demonstration of how different scientific disciplines-Chemistry, Physics, and Botany-converge to solve complex biological problems.

Participation and Outcomes

The seminar saw active participation from a dedicated group of 75 students representing the Departments of Botany, Physics, and Mathematics. The diversity of the audience reflected the interdisciplinary goal of the "Technologia" series.The feedback from participants was overwhelmingly positive, with many noting the value of hearing from a researcher at a world leading institution like ETH Zürich. The session concluded with a formal vote of thanks delivered by Nihal, a first-year Botany student, who expressed gratitude to the organizers and the keynote speaker for such an intellectually stimulating experience. The event successfully met its objective of highlighting the critical role of chemical sciences in modern medical and technological breakthroughs.

DEPARTMENT OF HISTORY

Program	**:** 'Gandhi Quiz' to commemorate Martyrs' day
Organizer	**:** The Department of History
Associating partner	: IQAC
Beneficiary	**:** UG and PG students in the college
Date & Year	**:** 30-01-2026 Friday
Scope	**:** To inculcate the values of Nationalism in students. Giving the insights about the contributions of Gandhi, our father of Nation.
Coordinators	**:** Haneesh H N
Duration	: 2 hours
Objective	: The primary objective of conducting a Gandhi quiz on the topic of 'Gandhi's life and contribution' is to instil patriotism, honor freedom fighters, and deepen awareness of a nation's history.
Outcome	**:** The outcome of the Gandhi quiz includes heightened historical awareness, enhanced patriotic spirit, and greater community engagement among participants. Knowledge Retention, National Pride,

mobilizing youth by providing healthy competition and inculcating civic responsibilities.

Report of Gandhi Quiz

The Department of History in association with IQAC, organized a Quiz on the theme ' 'Gandhi's life and contributions'' for UG and PG students of the college on Friday, 30 January 2026. The program was conducted for a duration of two hours under the coordination of Haneesh H. N.

The quiz was planned as an academic and commemorative activity to mark Martyrs' Day in a meaningful way. It aimed to combine patriotic reflection with critical awareness of the role of media in shaping ideas of nationalism and public understanding of national history.

Objective:

The primary objective of the Gandhi Quiz was to instil patriotism among students and to create a deeper appreciation of the sacrifices made by freedom fighters. The program also sought to expand students' understanding of the nation's history, constitutional values, and cultural heritage through an engaging and competitive academic platform.

In addition, the theme connected nationalism with media awareness, encouraging students to reflect on how media contributes to the spread of national consciousness, public memory, and civic responsibility. This approach made the program both relevant and educational in the contemporary context.

Conduct of the Program

The quiz was conducted as a two-hour academic event with the active participation of undergraduate and postgraduate students. By focusing on the life and contributions of Gandhi, the program created an interactive space for students to test their knowledge, develop awareness of national icons, and engage with important historical and civic themes. The program reflected the institution's commitment to value-based education and student enrichment.

Outcome:

The program resulted in heightened historical awareness and an enhanced patriotic spirit among the participants. It also promoted greater community engagement within the college by bringing students together in a healthy and meaningful competitive environment.

Further, the quiz contributed to knowledge retention on themes related to Gandhi and the freedom struggle. It helped mobilize youth by encouraging national pride, civic responsibility, and informed participation in society, thereby fulfilling the broader educational purpose of the event.

SEMINAR REPORT

Program Name	: *Ripples Multi-Disciplinary Seminar Series – Technologia 2026: "From Confession to Clicks: Technology, Power, and the Making of Sexual Knowledge"*
Organizer	**:** Department of History, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Internal Quality Assurance Cell (IQAC)
Beneficiary	**:** Students and faculty members across various academic departments
Date and Year	**:** January 29, 2026
Scope	**:** Interdisciplinary (connecting History, Media, Gender Studies, and Digital Culture)
Coordinator	**:**Haneesh H N (Head of the Department of History)
Duration of the Program	**:** Starting at 10:30 AM (One-day session)
Objective	**:** To critically examine how technology and power structures shape the historical and contemporary discourses surrounding sexual knowledge.

Outcome **:** Heightened critical awareness of technology's intersection with society, enhanced student research culture, and a promoted platform for cross-departmental dialogue.

Program Name:

Ripples Multi-Disciplinary Seminar Series – Technologia 2026

The specific focus theme for this installment of the series was titled “From Confession to Clicks: Technology, Power, and the Making of Sexual Knowledge.”

Organizer:

The Department of History, Sree Narayana Guru College, Chelannur

The department took charge of executing the event, with the Head of the Department, Haneesh H N, delivering the welcome address and contextualizing the event's theme for the audience.

Associating Partner

The Internal Quality Assurance Cell (IQAC)

The seminar was organized under the strategic auspices and guidance of the college's IQAC unit to ensure academic quality and institutional excellence.

Beneficiary

The Student Body and Faculty Members

The primary beneficiaries were undergraduate students and faculty across multiple domains. The event witnessed massive cross-departmental student participation, demonstrating how relevant the topic was beyond just the history department.

Date and Year

29 January 2026

The event was conducted entirely on this date within the college's dedicated Seminar Hall.

Scope

Interdisciplinary Academic Research and Media Literacy

The scope of the seminar spanned multiple academic fields, specifically intersecting history, media studies, gender studies, and digital culture. It covered the evolution of human discourse

from private, traditional confessional modes to public, modern digital spaces. It also provided an undergraduate research platform by hosting student paper presentations:

Varada C (2nd Year English) presented on the printing press and the construction of the English state.

Aryasree K (2nd Year English) presented on the historical evolution and modern challenges of women's access to public spaces.

Coordinators:

The smooth execution of the seminar was led by a joint coordination team:

Haneesh H N (Head of the Department of History)

Prof. (Dr.) Kumar S P (Principal, who also officially inaugurated the seminar)

Dr. Athma Jayaprakash (IQAC Coordinator)

Rajeesh M T (Ripples Coordinator)

Additionally, administrative support and formal expressions of gratitude were driven by faculty felicitations (including Dr. Deepa P, Prof. Dr. Vidhu Johnson, Prof. Dr. Sindhu Krishnadas, Prof. Dr. Deepesh Karimpunkara, and Dr. Santhosh C R) alongside a final Vote of Thanks by student representative Shivaganga P.

Duration of the Program

Single-Day Session (Commencing at 10:30 AM)

The program kicked off in the morning with an inaugural address and welcome remarks, followed directly by the core keynote presentation by Dr. Laina P (Professor at Providence Women's College) and subsequent student-led discussion panels.

Objective:

- To critically dissect the direct relationship between evolving technologies and the production of sexual knowledge.
- To evaluate the exact ways power structures and institutions have historically regulated or permitted discourses on sexuality.
- To build baseline academic awareness regarding modern digital platforms and how they actively reshape contemporary social narratives.

- To facilitate healthy, open interdisciplinary communication between distinct university departments.
- To incentivize undergraduate students to look at sensitive social topics through a structured, research-oriented lens.

Outcome:

- Elevated Awareness: Students walked away with a deeper, multi-layered understanding of how identity, privacy, and knowledge are influenced by technological shifts.
- Cultural Growth: The successful paper presentations by undergraduate peers significantly strengthened the campus-wide academic research culture.
- Safe Space Dialogue: The event successfully reinforced the necessity and execution of responsible, scholarly dialogue regarding sensitive but critical contemporary social issues.
- Positive Institutional Feedback: Faculty and students highly appreciated the analytical and interactive approach of the session, expressing a distinct interest in seeing more multi-disciplinary seminars under the ongoing Ripples series umbrella.

DEPARTMENT OF PHYSICS

"RIPPLES" INTERNATIONAL SEMINAR

Program Name : Ripples- International seminar

Organiser (Club Name) : Department of Physics, Sree Narayana Guru College, Chelannur

Associating Partner	: Ripples Committee
Beneficiary	: Entire students of the college
Date & Year	: 16 January 2026
Scope	: Fostering scientific awareness and inspiring students to explore advanced research domains
Coordinators	: Ms. Neethu.P
Duration of the Program	: 5 Hours
Objective	:To introduce students and faculty to technological advancements in atmospheric remote sensing
Outcome	: Enhanced awareness about career opportunities in atmospheric and space research using new technologies.

Detailed Report

The Department of Physics, Sree Narayana Guru College, Chelannur, successfully organized an International Seminar as part of "RIPPLES " Seminar series in hybrid mode on 16 January 2026. The seminar focused on recent developments in atmospheric science and modern remote sensing technologies, with special emphasis on advanced instrumental techniques used in weather and climate analysis.

- Title: RIPPLES – Technological Advancements in Remote Sensing of Atmosphere
- Date: 16 January 2026
- Mode: Hybrid (Offline and Online)

The seminar featured an invited international expert, Dr. Vishnu Rajendra Kumar, who served as the resource person.

Dr. Vishnu Rajendra Kumar is an Assistant Professor (Research) in the Department of Space and Aeronomy, University of Alaska Fairbanks, Alaska, USA. His research expertise includes atmospheric remote sensing, space physics, and advanced observational techniques for studying upper atmospheric processes.

The seminar was formally presided over by Dr. Kumar S. P., Principal, Sree Narayana Guru College, Chelannur. In his presidential address, he highlighted the importance of international academic collaborations and the role of emerging technologies in scientific research and higher education.

The welcome address was delivered by Smt. Neethu P., Head, Department of Physics, who emphasized the relevance of the seminar theme in the context of current environmental and climatic challenges.

The main objectives of the seminar were:

- To introduce students and faculty to technological advancements in atmospheric remote sensing
- To provide an overview of LIDAR (Light Detection and Ranging) instrumentation
- To understand the applications of remote sensing in weather monitoring and atmospheric research

- To encourage research orientation and scientific curiosity among undergraduate

During the technical session, Dr. Vishnu Rajendra Kumar delivered an in-depth lecture on "Technological Advancements in Remote Sensing of Atmosphere." He elaborated on:

- Principles and working of LIDAR instruments
- Role of LIDAR in weather forecasting and atmospheric profiling
- Recent innovations in remote sensing technologies
- Real-time data interpretation and its importance in climate studies

The session was highly informative, blending theoretical concepts with real-world research applications. The speaker shared insights from his international research experience, which greatly enriched the academic exposure of the participants.

More than 70 participants, including undergraduate students and faculty members, attended the seminar. The interactive session following the lecture witnessed enthusiastic participation from students, who actively raised questions and engaged in discussions with the resource person.

Following the invited lecture, students from the Department of Physics presented research papers on various contemporary topics in physics. This session provided students with a platform to showcase their academic work and receive constructive feedback.

The seminar received very positive feedback from participants. Students found the session highly motivating and beneficial for understanding advanced research tools in physics. The seminar successfully:

- Enhanced awareness about career opportunities in atmospheric and space research
- Motivated students towards research-oriented learning
- Strengthened the department's academic and research culture

The vote of thanks was delivered by Smt. Nimisha Babu Raj, expressing gratitude to the resource person, college management, Principal, faculty members, organizing committee, and all participants for their support and cooperation.

The "RIPPLES" International Seminar was a grand academic success, fostering scientific awareness and inspiring students to explore advanced research domains. The event

significantly contributed to bridging theoretical learning with global research practices in atmospheric physics and remote sensing.

Number of Students Benefited: 72

Institutional visit to NITC CALICUT

Program Name	: Institutional visit to NIT CALICUT
Organiser (Club Name)	: Department of Physics, Sree Narayana Guru College, Chelannur
Associating Partner	: NIT CALICUT
Beneficiary	: Entire students of second year physics 2024-2028 FYUG BATCH
Date & Year	: 13 August 2025
Scope	: Fostering scientific awareness and inspiring students to explore advanced research domains
Coordinators	: Dr.Divya N K
Duration of the Program	: 6 Hours
Objective	:To familiarize students with advanced laboratory facilities.
Outcome	:Gained insight into research methods and techniques

The Department of Physics organized an industrial visit to the National Institute of Technology Calicut on 13 August 2025 for the second year BSc Physics students. The visit was arranged with the objective of providing practical exposure to advanced scientific laboratories and research environments. It aimed to enhance students' understanding of theoretical concepts through direct observation and interaction with ongoing research activities.

Upon arrival at NIT Calicut, the team was warmly received and guided through various facilities. The visit was coordinated with the assistance of Mr. Aswin, Public Relations Officer (PRO) of NITC, who ensured the smooth conduct of all activities.

Students were introduced to different laboratories where demonstrations of experiments and research projects were conducted. Detailed explanations were provided regarding the working principles of sophisticated instruments and experimental procedures.

Students observed advanced experimental setups, precision instruments, and modern measurement techniques used in physics research. The robotics lab provided insights into automation systems, control mechanisms, and ongoing student projects related to robotics Students gained knowledge about research methodologies, data acquisition systems, and instrumentation used in scientific investigations.

The industrial visit enabled students to:

- Understand the practical implementation of theoretical physics concepts.
- Gain exposure to modern scientific instruments and techniques.
- Develop awareness of research opportunities in physics and related fields.
- Build motivation for higher studies and innovation in science and technology.

The industrial visit to NIT Calicut was a highly informative and enriching experience for the students of the Physics Department. The guidance provided by the faculty coordinators, Dr. Divya and Dr. Krishnapriya, along with the support of Mr. Ashwin, contributed significantly to the success of the program.

Such initiatives play a vital role in bridging the gap between academic learning and practical application, encouraging students to pursue research and innovation in physics and allied disciplines.

Institution Visit to NITK, SURATKAL

Program Name	: Institutional visit to NITK, SURATKAL
Organiser (Club Name)	: Department of Physics, Sree Narayana Guru College, Chelannur
Associating Partner	: NITK, SURATKAL
Beneficiary	: Third year physics students, 2023-2026 Batch
Date & Year	: 9 - 13 February 2026
Scope	: Academic collaboration, access to advanced research facilities, and expert interaction for research enrichment
Coordinator	: Nimisha Babu Raj
Duration of the Program	: 4 days, 5 nights
Key Destinations	**:** NITK Surathkal, Hampi, and Bangalore

Department of Physics conducted an Institution Visit for sixth semester B.Sc. Physics students. 30 students participated in the visit. Smt. Neethu P. and Smt. Nimisha Babu Raj accompanied the students.

1. Visit to NITK, Surathkal (February 13, 2026)

The primary academic objective of the tour was the visit to the National Institute of Technology Karnataka (NITK), Surathkal. As one of India's premier technical institutions, it provided the students with a firsthand look at high-level research and application-based physics.

Laboratory Exposure: Students visited the advanced physics laboratories and the Central Research Facility (CRF). They were introduced to sophisticated instrumentation including Electron Microscopes and Spectrophotometers.

Academic Interaction: Brief sessions with faculty members highlighted the transition from theoretical B.Sc. Physics to applied research in Material Science and Nanotechnology.

2. Historical and Architectural Study: Hampi

The students travelled to the UNESCO World Heritage site of Hampi.

Acoustic Wonders: At the Vittala Temple, students explored the famous "musical pillars." From a physics perspective, the group discussed how the density of the stone and the carving techniques allow these pillars to resonate at specific frequencies when tapped.

Ancient Engineering: Observing the stone chariot and the complex irrigation systems provided insight into the structural mechanics and architectural precision of the Vijayanagara Empire.

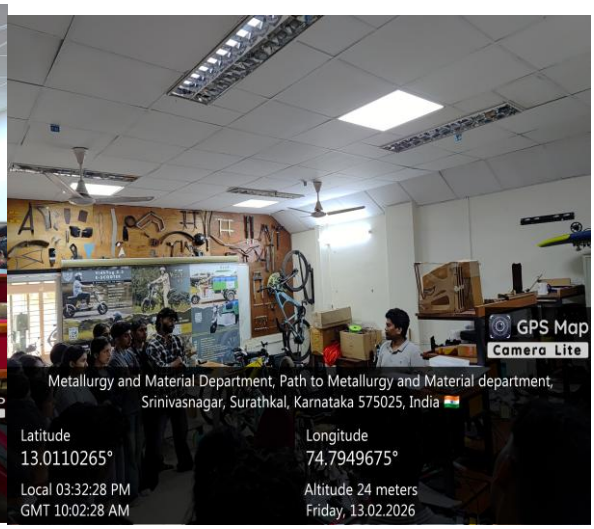

3. Recreational Visit: Wonderla, Bangalore

The students visited Wonderla Amusement Park in Bangalore. While primarily a recreational visit to foster group bonding after years of rigorous study, it also served as a "living laboratory" for classical mechanics.

Physics in Motion: Students experienced principles of centripetal force, acceleration due to gravity, and conservation of energy through various high-thrill rides.

Hydraulics: The water-based attractions offered a practical look at fluid dynamics and pressure systems.

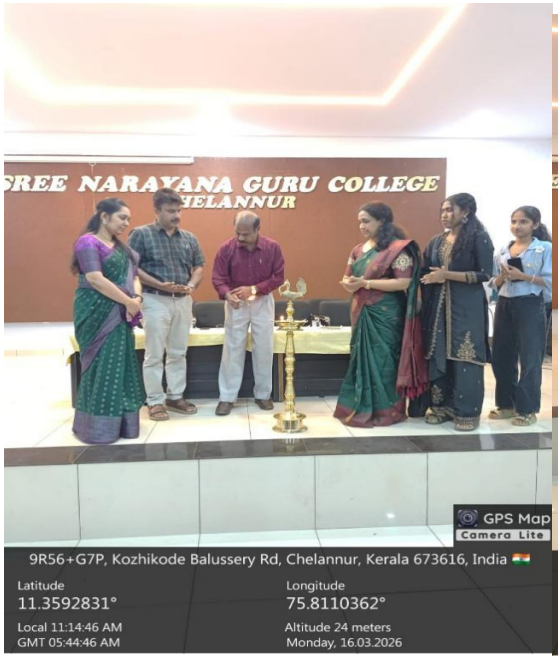

PHYSICS ASSOCIATION INAUGURATION

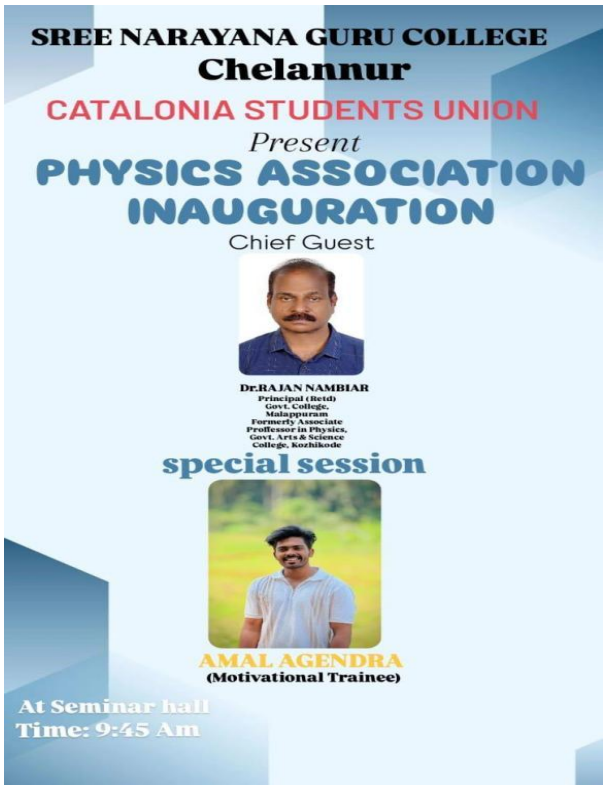

Program Name	: PHYSICS ASSOCIATION INAUGURATION
Organiser (Club Name)	: Department of Physics, Sree Narayana Guru College, Chelannur
Associating Partner	: COLLEGE UNION
Beneficiary	: Whole students of physics
Date & Year	: 16 March 2026
Scope	: It serves as a platform to promote scientific thinking, academic excellence and extracurricular engagement among students.
Coordinators	: Neethu P, Nimisha Baburaj, Dr.Divya N K
Duration of the Program	: 6 Hours
Objectives	:To promote interest and enthusiasm in Physics among students.
Outcome	: Supplemented classroom learning through seminars, workshops, guest lectures, and scientific discussions.

Brochure:

The Physics Association of Sree Narayana Guru College, Chelannur, under the auspices of the Catalonia Students Union, was inaugurated with great enthusiasm and academic spirit in the college seminar hall on 16th march 2026 at 9:45 AM.

The function commenced with a warm welcome address delivered **by** Smt. Nithu P, Head of the Department of Physics. The inaugural ceremony was presided over by Dr**.** Abhilash E S**,** Principal in charge of SNG College, who emphasized the importance of scientific thinking and active student participation in academic associations.

The official inauguration was carried out by the Chief Guest, Dr. Rajan Nambiar, Principal (Retd.), Government College, Malappuram, and former Associate Professor in Physics at Government Arts & Science College, Kozhikode. In his inaugural address, he highlighted the role of physics in shaping modern technology and encouraged students to cultivate curiosity and research-oriented learning.

Felicitations were offered by distinguished guests including Dr. Divya N K (Fine Arts Advisor**),** Sri Rajesh M R (Head of the Electronics Department) and Sri Saurav K Sunil (Union Chairman). Each speaker extended their best wishes and stressed the importance of such academic platforms in enhancing students' skills and knowledge.

The vote of thanks was delivered by Aruni D P**,** Department Representative, who expressed gratitude to all dignitaries, organizers, and participants for making the event a success.

Following the inauguration, a special motivational session was conducted by Amal Agendra**,** a motivational trainee. His session inspired students to stay focused, motivated, and confident in pursuing their academic and personal goals.

In the afternoon session, vibrant cultural programs performed by the Physics students added colour and enthusiasm to the event. The performances included music, dance, and other creative presentations, showcasing the talents of the students and making the program lively and memorable.

The event concluded successfully with active participation from both students and faculty, marking a promising beginning for the activities of the Physics Association for the academic year.

PTA MEETINGS

First year BSc Physics

Program Name : PTA Meeting – First Year B.Sc. Physics

Organiser (Club Name)	: Department of Physics, Sree Narayana Guru College, Chelannur
Associating Partner	: Parent-Teacher Association (PTA)
Beneficiary	: First Year B.Sc. Physics Students and their Parents
Date & Year	: 26 February 2026
Scope	: Academic monitoring, student welfare, parent-teacher interaction, and awareness creation.
Coordinator	: Ms. Neethu (Tutor, First Year B.Sc. Physics)
Duration of the Program	: 2 Hours
Objective	:To establish effective communication between parents and teachers.
Outcome	:Parents gained a clear understanding of their wards' academic performance and attendance status.

Detailed Report

The Department of Physics, Sree Narayana Guru College, Chelannur, organized the PTA Meeting for the First Year B.Sc. Physics students on 26 February 2026. The program marked the first formal interaction between the department and the parents of the newly admitted students. The meeting was conducted with the objective of fostering a healthy partnership

between parents and teachers to ensure the academic success and overall well-being of the students.

The program commenced with a welcome address by the class tutor, Ms. Neethu, who highlighted the significance of parental involvement in higher education. She emphasized the importance of maintaining regular communication between parents and faculty members to monitor student progress effectively.

A detailed discussion regarding the current academic status and attendance of the students was conducted. During the interaction, it was observed that some students were not punctual in attending classes and maintaining regular attendance. Parents were informed about the college regulations concerning attendance and were requested to encourage their wards to follow the prescribed class timings strictly. The importance of discipline, punctuality, and active participation in academic activities was highlighted throughout the session.

Ms. Neethu also conducted an awareness session on campus drug abuse and other common challenges faced by students in higher education institutions. The session focused on creating awareness among parents regarding the signs of substance abuse, the importance of monitoring student behaviour, and the role of families in promoting responsible and healthy lifestyles. Parents appreciated the initiative and actively participated in the discussion.

Mr. Rajesh M. R., Head of the Department of Electronics, addressed the gathering and shared valuable suggestions for improving students' academic performance. He encouraged parents to motivate their children to develop effective study habits, participate actively in classroom activities, and make productive use of the facilities available in the institution. His guidance provided useful insights into the collaborative efforts required from both parents and teachers for academic excellence.

Dr. Krishnapriya K., Assistant Professor, Department of Physics, presented an overview of the practical courses and laboratory components included in the curriculum. She explained the significance of practical training in developing scientific skills and enhancing conceptual understanding. The discussion enabled parents to gain a better understanding of the academic structure and practical requirements of the program.

The interactive session that followed allowed parents to express their concerns and suggestions. Several parents recommended improvements in the practical facilities available in the department. The department assured them that the suggestions would be carefully considered and forwarded to the appropriate authorities for further action.

Approximately ten parents attended the meeting and actively participated in the discussions. Their involvement contributed significantly to the success of the program and reflected their commitment to the academic progress of their children.

The meeting concluded with a vote of thanks delivered by Ms. Nimisha, faculty member of the Department of Physics. She expressed sincere gratitude to the parents, faculty members, and all participants for their valuable presence and constructive contributions. The program successfully achieved its objectives by strengthening parent-teacher collaboration and creating a supportive environment for student development.

Number of Students Benefited: First Year B.Sc. Physics Students

Third year BSc Physics

Program Name	: Parent-Teacher Association (PTA) Meeting – Sixth semester B.Sc. Physics
Organiser	: Department of Physics
Associating Partner	: Parent-Teacher Association (PTA)
Beneficiary	: Sixth Semester B.Sc. Physics Students and Parents
Date & Year	: 29/01/2026
Scope	: Institutional, Departmental, and Academic Progress Monitoring
Coordinator	: Smt. Nimisha Babu Raj (Assistant Professor & Class Tutor)
Duration of the program	: 2 Hours (10:00 AM – 12 Noon)
Objective	**:**To bridge the communication gap between faculty and parents regarding student progression.
Outcome	**:**Enhanced stakeholder collaboration, with parents committing to monitoring their wards' academic habits closely at home.

A formal and highly crucial Parent-Teacher Association (PTA) meeting for the Sixth Semester B.Sc. Physics batch was convened on January 29, 2026. The assembly aimed to establish a direct channel of communication between the department faculty and the guardians of the final-year students. The session commenced exactly at 10:00 AM with a warm welcome address extended by the Class Tutor, Smt. Nimisha Babu Raj (Assistant Professor, Department of Physics). In her opening remarks, she highlighted the gravity of the final semester, noting that the sixth semester serves as the culmination of the students' undergraduate journey and forms the baseline for their future higher education and career prospects.

The meeting was formally inaugurated by the College Principal, Prof. Dr. Kumar S.P. In his comprehensive address, the Principal touched upon both the macro and micro-level aspects of the institution's academic ecosystem. He emphasized that education at this level cannot remain confined to textbooks alone. He discussed various curricular and co-curricular dynamics necessary for the holistic development of science graduates. Principal explicitly mentioned that while the institution provides good infrastructure, library resources, and laboratory equipment, the ultimate execution lies in the hands of the students, guided closely by their parents and teachers alike. He urged the parents to maintain a steady dialogue with their children regarding their campus life and academic burdens.

Following the Principal's address, the Class Tutor, Smt. Nimisha Babu Raj, presented a detailed breakdown of the current semester's academic blueprint. She placed profound emphasis on three pillars of undergraduate academic success: regular practice of theoretical frameworks, the timely and meticulous submission of internal assignments, and proactive

engagement during practical laboratory sessions and classroom seminars. The tutor drew the attention of the gathering to a critical administrative factor: the severe time limitation inherent to the sixth semester. Given the university calendar, the span of time available to complete the extensive Physics syllabus, conduct university practical examinations, and finish core project submissions is highly constrained. She requested the parents to act as primary support systems at home, cutting down regular domestic distractions and ensuring that their children devote their absolute focus to their studies during this high-stakes juncture.

Smt. Neethu P., Head of the Department (HOD) of Physics, subsequently addressed the assembly. Her discourse focused strictly on institutional decorum, code of conduct, and departmental values. She reiterated that discipline on campus is directly proportional to academic output. Parents were requested to check on their children's attendance parameters regularly, reminding them that shortfalls could result in university condonation issues or being barred from final exams.

Furthermore, the HOD initiated a strategic discussion regarding the final-year study tour—a mandatory part of the curriculum aimed at providing industrial and academic exposure. She laid down the proposed itineraries, financial breakdowns, and strict safety guidelines regulated by the government and university. Parents actively put forward their queries regarding travel safety, stay arrangements, and dates, all of which were discussed thoroughly to arrive at a mutual consensus.

The meeting then transitioned into an open intellectual forum where other senior faculty members shared their insights:

Dr. Divya N.K. (Assistant Professor, Dept. of Physics) addressed the parents regarding the conceptual depth required for competitive exams like JAM and state-level PG entrances. She shared her observations on current classroom dynamics and suggested targeted study patterns for students struggling with advanced core papers.

Dr. Krishnapriya K.P. (Assistant Professor, Dept. of Physics) touched upon the psychological well-being of the students, advising parents on how to help their children manage exam stress and academic anxiety without compromising performance.

The floor was then opened completely to the parents for their feedback and open interactions. The response from the parental community was overwhelmingly positive. They openly appreciated the teachers' unwavering dedication, structured approach to laboratory

experiments, and systematic methodology of teaching complex physics theories. Several parents voiced their appreciation for the department's initiative in organizing such a transparent meeting early in the semester.

After a thorough round of individual teacher-parent interactions where specific student progress reports were analyzed, the meeting drew to a successful close. Dr. Krishnapriya K.P. rendered a formal vote of thanks, expressing sincere gratitude to the Principal for his leadership, the faculty for their organization, and the parents for their remarkable turnout and constructive participation.

Number of Students Benefited: Third Year B.Sc. Physics Students

P G DEPARTMENT OF COMMERCE

Report of the PTA Meeting conducted on November 4, 2025 at 2.30 PM

An offline PTA meeting of the First Year FYUG B.Com students was conducted on November 4, 2025 at 2.30 PM in Room No. 32 to discuss the academic progress, attendance, discipline, and other matters related to the students. The meeting was attended by the parents of the students along with the faculty members of the Department.

The class tutor, Ms. Vidya K., Assistant Professor, welcomed the gathering. Dr. Vinarsha T. M., Head of the Department of Commerce, presided over the meeting. The meeting was inaugurated by Prof. (Dr.) Kumar S. P., Principal, who addressed the parents and emphasized the importance of regular attendance, discipline, continuous learning, and effective parent-teacher cooperation in the holistic development of the students.

All the faculty members of the Department of Commerce, along with the teachers from other departments handling the Minor Courses of the First Year FYUG B.Com batch, participated in the meeting. The academic regulations under the Four Year Undergraduate Program (FYUGP), Continuous Internal Evaluation (CIE), attendance requirements, examination pattern, and various academic and co-curricular activities were explained to the parents. The parents were also informed about the progress of the students and were encouraged to maintain regular communication with the class tutor and faculty members.

The meeting concluded with an interactive session in which the parents shared their suggestions and clarified their concerns regarding the academic performance and overall development of

their wards. The class tutor expressed sincere gratitude to the Principal, the Head of the Department, faculty members, and all the parents for their active participation and valuable support.

PTA MEETING OF SECOND YEAR FYUG B.Com

Organiser (Club Name) :Department of Commerce, Sree Narayana Guru College, Chelannur

Associating Partner	: Parent-Teacher Association (PTA)
Beneficiary	: Second Year B. Com Students and their Parents
Date & Year	: 23 October 2025
Scope	: Academic monitoring, student welfare, parent-teacher interaction, and awareness creation.
Coordinator	: Dr. Rajitha K (Tutor, Second Year B. Com)
Duration of the Program	: 2 Hours

Objective:

- To establish effective communication between parents and teachers.
- To review the academic progress and overall development of first-year students

Outcome:

- Parents gained a clear understanding of their wards' academic performance and attendance status.
- Students were advised to maintain punctuality and regular attendance

The PG Department of Commerce conducted a Parent-Teacher Association (PTA) Meeting for the Fourth Semester B.Com FYUG students on 23/10/2025.

The meeting began with a welcome address by the class tutor Dr Rajitha K, who welcomed the parents and explained the objectives of the meeting. The Principal, Prof. Dr Kumar S P addressed the gathering and emphasized the importance of parental involvement in students' academic and personal development. The Head of the Department, Dr Vinarsha T M briefed the parents about the academic activities, curriculum, and expectations for the semester. The academic progress, attendance, discipline, and overall performance of the students were reviewed and discussed. Parents were informed about the curriculum, internal examinations, assignments, and other academic activities planned for the semester.

Faculty members interacted with the parents and provided individual feedback regarding the students' academic achievements and areas for improvement. Parents were encouraged to support their wards in maintaining regular attendance and active participation in academic activities.

The meeting provided a valuable platform for constructive interaction between parents and teachers, helping to strengthen cooperation for the holistic development of the students. The meeting concluded with a vote of thanks, expressing appreciation to all parents and faculty members for their presence and valuable contributions.

Program Name **: PTA Meeting – Final Year B.Com**

Organiser (Club Name) : Department of Commerce, Sree Narayana Guru College, Chelannur

Associating Partner : Parent-Teacher Association (PTA)

Beneficiary : Final Year B.Com Students and their Parents

Date & Year : 21 January 2026

Scope : Academic monitoring, student welfare, parent-teacher interaction, and awareness creation.

Coordinator : Dr. Joobi V P (Tutor, Final Year B.Com)

Duration of the Program : 2 Hours

Objective:

* To establish effective communication between parents and teachers.

* To review the academic progress and overall development of first-year students.

* To create awareness regarding student responsibilities, discipline, and campus-related issues.

* To obtain valuable feedback and suggestions from parents for improving the learning environment.

* To discuss about the study tour

Outcome:

* Parents gained a clear understanding of their wards' academic performance and attendance status.

* Students were advised to maintain punctuality and regular attendance.

* Awareness regarding campus drug abuse and related social issues was imparted.

* Valuable academic guidance and suggestions were provided by faculty members.

* Parents actively participated in discussions and offered constructive suggestions for improving practical facilities.

* The meeting strengthened the relationship between parents and the institution, promoting a collaborative approach to student development.

Detailed Report

The Department of Commerce, Sree Narayana Guru College, Chelannur, organized the PTA Meeting for the Final year students on 21 January 2026. The program marked the first formal interaction between the department and the parents of the students. The meeting was conducted with the objective of fostering a healthy partnership between parents and teachers to ensure the academic success and overall well-being of the students.

The program commenced with a welcome address by the class tutor, Dr. Joobi V P, who highlighted the significance of parental involvement in higher education. She emphasized the importance of maintaining regular communication between parents and faculty members to monitor student progress effectively.

A detailed discussion regarding the current academic status and attendance of the students was conducted. During the interaction, it was observed that some students were not punctual in attending classes and maintaining regular attendance. Parents were informed about the college regulations concerning attendance and were requested to encourage their wards to follow the prescribed class timings strictly. The importance of discipline, punctuality, and active participation in academic activities was highlighted throughout the session.

The Principal Dr. Kumar S P addressed the parents discussed the academic progress, attendance and overall performance of the students

Dr. Vinarsha TM, Head of the Department of Commerce, addressed the gathering and shared valuable suggestions for improving students' academic performance. He encouraged parents to motivate their children to develop effective study habits, participate actively in classroom activities, and make productive use of the facilities available in the institution. His guidance provided useful insights into the collaborative efforts required from both parents and teachers for academic excellence.

Dr. Athma Jayaprakash, IQAC Coordinator and Associate Professor, Department of Commerce, presented an overview of the the courses and educational opportunities included in the curriculum. She explained the significance of practical training in developing skills and enhancing conceptual understanding. The discussion enabled parents to gain a better understanding of the academic structure and practical requirements of the program.

The interactive session that followed allowed parents to express their concerns and suggestions. Several parents recommended improvements in the infrastructure facilities available in the department. The department assured them that the suggestions would be carefully considered and forwarded to the appropriate authorities for further action.

The students' academic progress, attendance and overall performance of the students. Meeting helped to identify and address students learning difficulties and behavioural concerns and also create awareness among parents about institutional policies, programs and activities. The meeting also helped to encourage parental involvement in student's educational and personal development and review and plan initiatives for improving the quality of education and campus

environment Meeting also discussed student welfare, discipline, health and safety- related matters.

Approximately 50 parents attended the meeting and actively participated in the discussions. Their involvement contributed significantly to the success of the program and reflected their commitment to the academic progress of their children.

The meeting concluded with a vote of thanks delivered by Dr. Jeothilakshmi S K, Associate Professor of the Department of Commerce. She expressed sincere gratitude to the parents, faculty members, and all participants for their valuable presence and constructive contributions. The program successfully achieved its objectives by strengthening parent-teacher collaboration and creating a supportive environment for student development and gathered suggestions and feedback from parents for the betterment of the institution.

Report on TECHNOLOGIA 2026 – Ripples Multidisciplinary Seminar Series

Organiser (Club Name)	:Department of Commerce, Sree Narayana Guru College, Chelannur
Associating Partner	: Ripples Multidisciplinary Seminar Series Committee
Beneficiary	: All Commerce Department Students
Date & Year	: 12th January 2026
Scope	: Understanding the scientific basis and practical use of visualization techniques. Improved awareness of goal-setting strategies and self-motivation methods
Coordinator	: Dr. Rajitha K
Duration of the Program	: 2.5 Hours

Objectives of the Seminar

The seminar was organized with the following objectives:

- To introduce students to the concept and practical applications of visualization techniques.
- To enhance professional competence and personal effectiveness among students.
- To promote interdisciplinary learning by integrating technology, psychology, and management concepts.

- To provide a platform for students to actively engage in academic discussions and presentations.
- To encourage innovative thinking and goal-oriented development.

Outcome and Feedback

The seminar achieved its objectives successfully. Participants reported improved clarity regarding personal goal setting and professional planning strategies. The interactive nature of the session enhanced engagement and enthusiasm among students.

Feedback collected from participants indicated:

- High satisfaction with the content and delivery of the session.
- Appreciation for the practical examples and interactive discussions.
- Positive response towards conducting more such multidisciplinary seminars in the future.

The PG Department of Commerce, Sree Narayana Guru College, Chelannur, in association with the Internal Quality Assurance Cell (IQAC), successfully organized a multidisciplinary seminar under the Ripples Seminar Series titled “TECHNOLOGIA 2026**”** on 12 January 2026 at 10.30 a.m. in the Seminar Hall in Hybrid Mode.

Program Details

Duration **:** 10.30 a.m. to 1.00 p.m. (2.5 Hours)
Mode **:** Hybrid (Offline & Online)
Venue **:** Seminar Hall
Coordinator **:** Dr. Rajitha K, Assistant Professor, P G Department of Commerce
No of Participants **:** 200 students

The program commenced with a welcome address by Dr. Vinarsha T M, who warmly welcomed the dignitaries, faculty members, and students.

The presidential address was delivered by Dr. Abhilash E.S, Principal in Charge, who emphasized the importance of interdisciplinary learning and the relevance of technological and psychological tools for holistic development.

The resource person for the seminar was Dr. Angelo Mathew, IEDC Nodal Officer and Assistant Professor, Department of Personnel Management, Loyola College of Social Sciences (Autonomous), Thiruvananthapuram. He delivered an insightful session on the topic "Visualization for Professional and Personal Excellence**."**

Dr. Angelo Mathew explained visualization as a powerful cognitive and motivational tool that enhances professional competence, personal growth, goal achievement, and mental clarity. The session was interactive and included practical demonstrations, real-life examples, and participant engagement activities.

Felicitation

The program included a felicitation session by:

- Dr. Athma Jayaprakash (IQAC Coordinator)
- Dr. Vidhu Jhonson (Head, Department of Economics)
- Ms. Gayathri P (Organising Secretary)

They appreciated the efforts of the organizing committee and highlighted the academic relevance of such multidisciplinary initiatives.

Student Presentation

A student presentation session was conducted, providing students with an opportunity to present their insights and perspectives related to the seminar theme. This session encouraged experiential learning, critical thinking, and active academic participation.

Key Takeaways

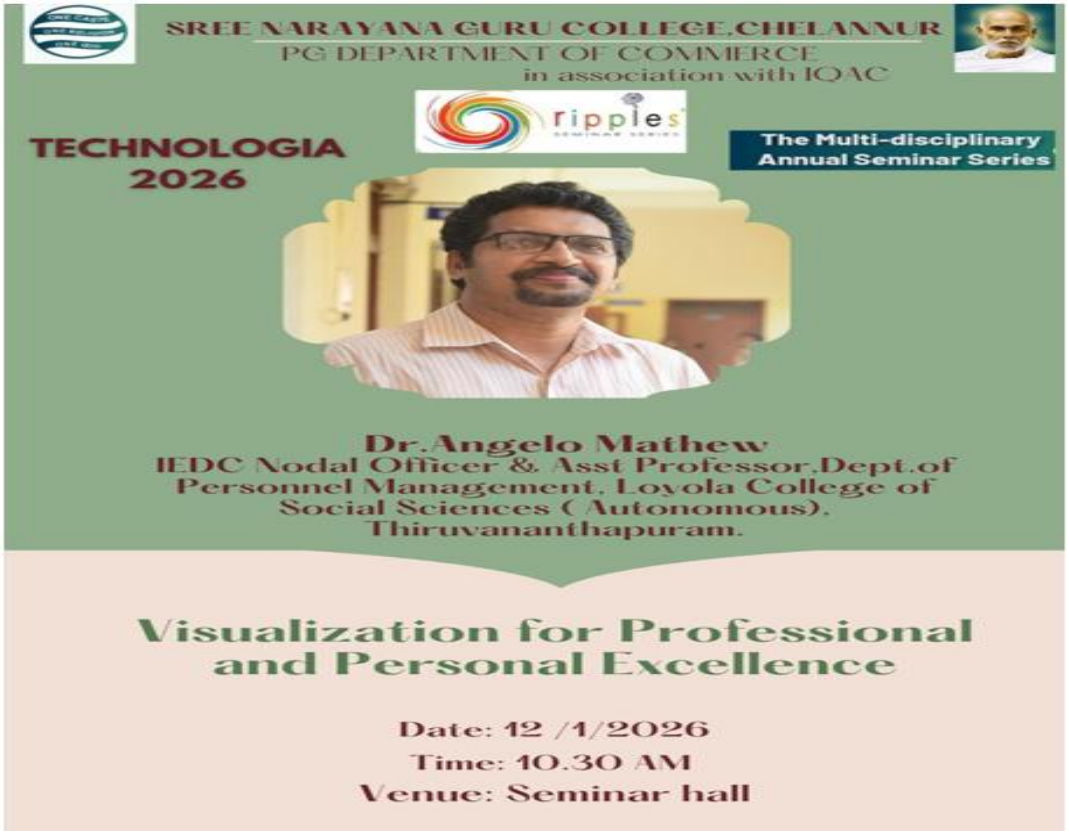

- Understanding the scientific basis and practical use of visualization techniques.
- Improved awareness of goal-setting strategies and self-motivation methods.
- Recognition of the importance of mental clarity and focus in professional success.
- Enhanced confidence in public speaking and academic presentation through student participation.
- Appreciation of interdisciplinary approaches in modern education.

Overall, **TECHNOLOGIA 2026** was a meaningful and enriching academic initiative that contributed significantly to the professional and personal development of students and reinforced the institution's commitment to quality education and holistic learning.

The seminar concluded with a vote of thanks proposed by Dr. Rajitha K, who expressed gratitude to the resource person, dignitaries, organizing committee, faculty members, and students for their wholehearted support and participation.

INDUSTRIAL VISIT –REPORT
Munnar, Idukki, Kerala

Program Name	: Industrial Visit
Organiser	: Department of Commerce
Associating Partner	: Nile Food Products & KDHP Ripple Tea
Beneficiary	: Second Year B.Com Students
Date & Year	: 15-18 February 2026
Scope	: Industrial Exposure and Practical Learning
Coordinator	: Dr. Joobi V P
Duration of the program	: 3 Days
Objective	:To understand industrial operations and tea/flour manufacturing
Outcome	: Students gained practical knowledge of manufacturing processes, quality control, and industrial management.

INTRODUCTION

Industrial visits are a crucial component of a professional undergraduate program such as Bachelor of Commerce . They serve as a vital bridge between theoretical classroom concepts and actual practical applications in corporate environments. While classroom learning equips students with architectural understanding and operational frameworks of business, financial management, and production pipelines, it is the first-hand exposure to actual industry floors that cements this knowledge.

The primary objective and purpose of this industrial visit was to observe large-scale manufacturing workflows, study operations management, analyze quality control standards, and understand commercial production structures. By exploring an established industrial enterprise, students gain crucial insights into organizational hierarchies, human resource management, supply chain coordination, and industrial safety compliance required to survive and grow in today's competitive market landscape.

COMPANY PROFILES

1. Nile Food Products

Located in Devikulam Idukki, this company specializes in processing raw grains and packaging them into high-quality commercial flour products.

Founded in 1985 in the Idukki district of Kerala, Nile Food Products started as a traditional food processing venture utilizing standard methods like boiling, sun drying, and milling. In

1996, the company officially consolidated its brand identity under the name Nile. It has grown into a well-known Fast-Moving Consumer Goods (FMCG) manufacturer committed to delivering authentic, high-quality, and premium South Indian food products without the use of artificial coloring agents.

2. Kannan Devan Hills Plantations Company (KDHP) - Ripple Tea

Kannan Devan Hills Plantations Company Private Limited (KDHP) is one of the most prominent and historically significant tea plantation enterprises in India, located in the highaltitude terrains of Munnar, Idukki District, Kerala. Inheriting a legacy spanning over a century, KDHP is renowned for its unique corporate structure and its premium flagship retail brand, Ripple Tea. The company operates across massive expanses of tea plantations, integrating agricultural cultivation with high-efficiency manufacturing units.

Core Products and Manufacturing Scope

The factory primarily focuses on the mass processing of tea leaves harvested from its expansive local estates. Its core product line includes various grades of Black Tea (CTC and Orthodox), Green Tea, and White Tea. KDHP leverages highly standardized mechanization processes to preserve the essential chemical properties, flavor profiles, and premium market qualities of their agricultural inputs.

VISIT DETAILS & TECHNICAL OBSERVATIONS

As the Second year B.Com student batch of Sree Narayana Guru College, Chelannur, our industrial visit commenced on the night of 15th February 2026. We departed from our college campus at 11:00 PM, filled with enthusiasm for the practical learning experience ahead. By the morning of 16th February 2026, we arrived in the scenic high-range region of Munnar, Idukki. After refreshing, the initial day was spent exploring local high-range environments, allowing the students to observe regional geography, and hilltop viewpoints, which provided a natural introduction to the agricultural setting of the district.

On the morning of 17 February 2026, the main technical plant visits commenced. At 10:00 AM, the batch visited Nile Food Products, a prominent flour milling facility located along the Sangulam Power House Main Road in Devikulam, Idukki. During this session, the students observed heavy-duty stainless steel industrial mixing machinery and automatic refining blenders processing raw grain inputs. The factory staff guided us through their highly hygienic automated pneumatic pipelines that transfer the flour cleanly across divisions. We closely

analyzed the final assembly phase where vertical form-fill-seal machines automatically weigh, pouch, and heat-seal the product into commercial retail packets.

Following this, at 12:00 PM, our batch proceeded to the Kannan Devan Hills Plantations Company (KDHP) - Ripple Tea Factory in Munnar, arriving at the plant at 4:00 pm for our scheduled industrial study. The program at the tea processing plant included an educational video documentary explaining the long history, agricultural practices, and scientific extraction methods behind tea cultivation in the region

After the video overview, factory technical guides led the students to see the operational processing machinery. The visit detailed the four key stages of commercial tea production:

1.Crushing (Maceration): Utilizing Crush, Tear, Curl (CTC) machines to break down fresh leaves.

2.Fermentation (Oxidation): Processing the leaves inside large rotating drums where oxidation turns the leaf mass from green to a rich coppery brown, bringing out the distinct flavour notes of the brand.

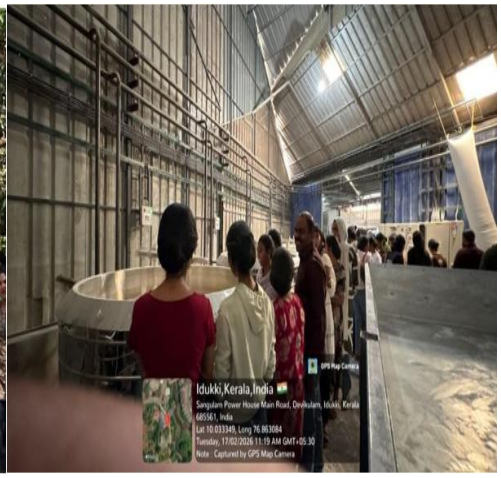

3.Drying (Thermal Arrest): Feeding the leaves through high-temperature dryers to immediately stop oxidation and remove excess moisture, turning the final colour from brown to deep black.

4.Sorting and Grading: Operating large mechanical sieves that shake and sort the final dry tea powder into targeted market dimensions: Leaf, Broken and Dust grades

After completing our factory sessions, we officially started our return journey, arriving back safely at our College campus at 6:00 AM on the morning of 18th February 2026. Under the careful guidance of accompanying teachers Dr. Jooby v.p Ma’am and Mr. Rajeesh Sir. This visit was a successful learning experience and gave us a clear , practical understanding of how large factories run.

1. NILE FOOD PRODUCTS

2. KDHP

DEPARTMENT OF MALAYALAM

Program Name	**:**Reading Week Celebration
Organiser	**:** Department of Malayalam
Associating Partner	**:** Department of Sanskrit & College Library
Beneficiary	**:** Undergraduate Students
Date & Year	**:** 18–19 June 2025
Scope	**:** Promotion of reading habits, literary awareness, and library culture among students.
Coordinator	**:**Dr. Deepesh Karimpunkara (Head, Department of Malayalam)
	Dr. Anusmitha N. (Faculty, Department of Malayalam)

Dr. Bindu M,K (Faculty, Department of Malayalam)

Duration of the Program **:** Two Days

Objective

- To cultivate a habit of regular reading among students.
- To create awareness about the importance of books and libraries.
- To encourage students to explore Malayalam literature and other literary works.
- To improve students' analytical and communication skills through reading-based activities.

Detailed Report

The Department of Malayalam organized the Reading Week Celebration as part of the national Reading Day observance to promote the value of reading among students. A series of academic and literary programs were conducted on 18 and 19 June 2025 with active participation from students and faculty members.

The celebration began on 18 June 2025 with a Reading Day Quiz Competition organized under the leadership of Dr. Anusmitha N., Faculty, Department of Malayalam, and Dr. Santhosh C. R., Faculty, Department of Sanskrit. Students were divided into four groups and participated enthusiastically in the quiz, which focused on literature, books, authors, and reading culture. The competition created a spirit of healthy competition and encouraged students to improve their reading habits. At the conclusion of the program, all participants were presented with a pen as a token of appreciation.

The formal Reading Day Celebration was held on 19 June 2025. The program was inaugurated by Prof. (Dr.) Kumar S. P., Principal, who addressed the students by sharing his personal reading experiences and emphasized the importance of reading in academic and personal development. The program was presided over by Dr. Deepesh Karimpunkara, Head of the Department of Malayalam.

Faculty members including Dr. Santhosh C. R. (Department of Sanskrit), Dr. Anusmitha N., Dr. Bindu M. K. (Department of Malayalam), Mr. Rajeesh M. T. (Department of Commerce), and Ms. Ashwini, College Librarian, shared their reading experiences and introduced books that had influenced them personally and professionally.

As part of the program, second-year undergraduate students Nahada Fathima and Devendhu P. B. presented book reviews on *Ram C/O Anandi* and *Oru Sankeerthanam Pole* respectively. Their presentations encouraged fellow students to explore contemporary Malayalam literature.

Faculty members including Dr. Santhosh C. R. (Department of Sanskrit), Dr. Anusmitha N., Dr. Bindu M. K. (Department of Malayalam), Mr. Rajeesh M. T. (Department of Commerce), and Ms. Ashwini, College Librarian, shared their reading experiences and introduced books that had influenced them personally and professionally.

A special Book Exhibition on Kerala History and Kerala Culture was also organized in the college library. The exhibition displayed a wide collection of books related to Kerala's history, culture, literature, and heritage, attracting the attention of students and faculty members throughout the program.

The Reading Week Celebration successfully inspired students to recognize the significance of reading as a lifelong learning process. The various activities enhanced literary awareness, strengthened reading habits, and promoted effective use of library resources.

Outcome

- Students developed greater interest in reading and literary activities.
- Awareness about the importance of books and libraries was enhanced.
- Students actively participated in discussions, quizzes, and book presentations.
- Reading culture among students was significantly promoted.

Program Name **:**Literary Programs

Organiser **:** Department of Malayalam
Associating Partner **:** Nil
Beneficiary **:** Undergraduate
Date & Year **:** June–August 2025
Scope **:** Promotion of Malayalam literature, literary appreciation, and cultural heritage

Coordinator **:** Dr. Deepesh Karimpunkara

Duration of the Program **:** Multiple programs conducted during June–August 2025

Objective

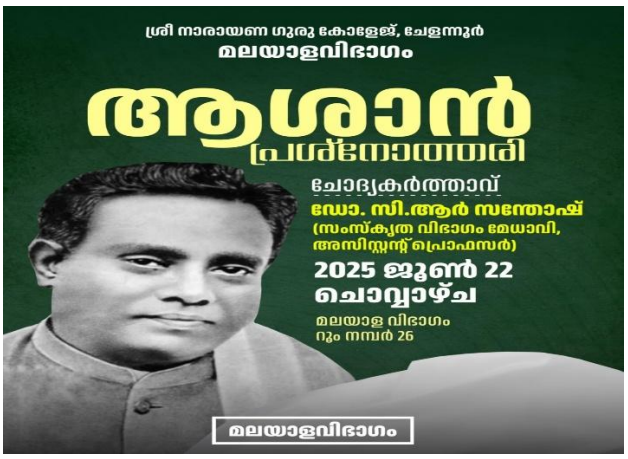

- To introduce students to major Malayalam writers and literary traditions.
- To encourage reading and critical appreciation of Malayalam literature.
- To develop literary awareness through exhibitions, seminars, and competitions.
- To promote cultural values through literary activities.

Detailed Report

The Department of Malayalam organized a series of literary programs during the academic year to familiarize students with the rich heritage of Malayalam literature and to encourage active participation in literary discussions and cultural activities.

On 21 June 2025, a Book Exhibition on Sree Narayana Guru and Kumaran Asan was organized. The exhibition showcased important works related to Sree Narayana Guru and the selected literary works of Kumaran Asan. Students explored Asan's poetry, social vision, and literary philosophy, gaining a deeper understanding of his contribution to Malayalam literature.

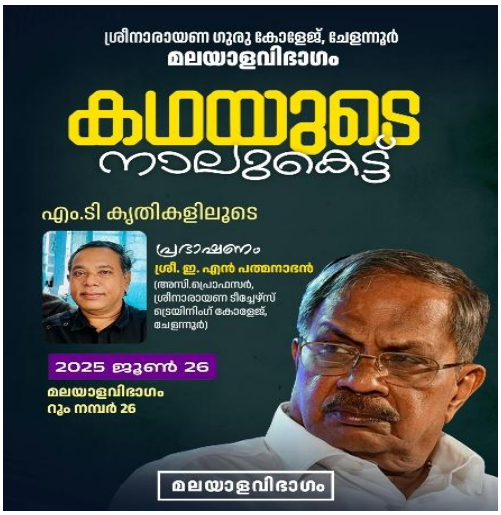

On 22 June 2025, an Asan Quiz Competition was conducted by Dr. Santhosh C. R. The quiz focused on the life, literary works, and philosophical ideas of Kumaran Asan. Students actively participated and enriched their knowledge of Malayalam literary history.

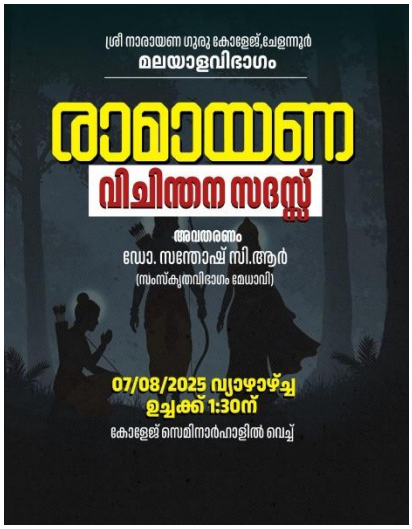

A Book Exhibition on M. T. Vasudevan Nair was organized on 26 June 2025. The exhibition displayed his novels, short stories, screenplays, and critical works, enabling students to appreciate his remarkable contribution to Malayalam literature.

On the same day, E. N. Padmanabhan delivered a literary lecture titled "Through the Works of M. T." The session examined the themes, narrative techniques, characterization, and social relevance of M. T. Vasudevan Nair's writings. The lecture encouraged students to engage in deeper literary analysis.

On 7 August 2025, a Ramayana Reflection Session was conducted by Dr. Santhosh C. R. The session explored the literary, cultural, philosophical, and ethical dimensions of the Ramayana, highlighting its continuing relevance in Indian literature and society.

The literary programs created opportunities for students to interact with classical and modern Malayalam literature through exhibitions, lectures, and competitions. The programs successfully enhanced students' literary knowledge and critical thinking.

Outcome

- Improved literary awareness among students.
- Enhanced knowledge of Malayalam writers and literary traditions.
- Encouraged reading and discussion

RIPPLES MULTIDISCIPLINARY SEMINAR SERIES

Theme	**: Technology and New Society**
Date	**:** 13 January 2026
Venue	**:** Seminar Hall, Sree Narayana Guru College, Chelannur

In collaboration with the Internal Quality Assurance Cell (IQAC), the Department organized a seminar on **"**Technology and New Society**"** on 13 January 2026 as part of the Ripples International Multidisciplinary Seminar Series. The program aimed to critically examine the evolving relationship between technology and contemporary social life.

The seminar was coordinated by Shri Rajeesh M.T., Assistant Professor, Department of Commerce. The program commenced with a welcome address by Dr. Deepesh Karimpunkara, Head of the Department of Malayalam. The presidential address was delivered by Dr. Abhilash E.S., Head of the Department of Botany. IQAC Coordinator Dr. Atma Jayaprakash, HoD of Sanskrit Dr. Santosh C.R., and U.U.C member Abhishek addressed the gathering, highlighting the academic relevance of interdisciplinary discussions in higher education.

Technical Session

The technical session was led by the distinguished Famous Malayalam writer and resource person Vinoy Thomas. In his lecture, he explored how the present student community negotiates life in a technology-driven society. Drawing from his personal experiences, he reflected on the transformation in reading and writing practices among the new generation (Gen Z). He discussed how digital platforms and social media have reshaped literary sensibilities, communication styles, and creative expressions.

He also shared insights into his experience of writing a Gen Z- themed Malayalam novel and elaborated on how social media has become a dominant force directing interests, opinions, and even identity formation in contemporary society. His lecture emphasized the need for critical engagement with technology rather than passive consumption. The session concluded with an engaging interactive discussion. Faculty members and students, including Gayathri, Nayana L.G., Aleena Aloysius, Sivaganga, Dr. Bindu A.K., and Mr. Haneesh, actively participated in the question-and-answer session, making the interaction intellectually vibrant.

Academic Participation

Approximately 130 students from the Department of Malayalam and allied subjects attended the seminar. Three students presented research papers, which enriched the scholarly dimension of the program. F.Y. U.G.P 4th Semester A.E.C students prepared a manuscript magazine inspired by the ideas released by Vinoy Thomas. Students Anamika, Srirangi, Aneena Alocious , and Sivaganga presented papers on various contemporary themes related to technology and society.

The program concluded with a formal vote of thanks delivered by Dr. Bindu M.K., expressing gratitude to the resource person, organizing committee, faculty members, and students for their wholehearted participation.

The primary objective of the seminar was to examine the interaction between technology and the emerging social order in contemporary society. It also aimed to analyze the influence of social media on the value systems and lifestyles of the new generation. Another important objective was to understand the transformation of literary culture in the digital era, particularly in relation to reading and writing practices. The seminar further sought to critically assess how continuous technological engagement contributes to the automation of social behavior and the restructuring of human relationships.

DEPARTMENT OF ELECTRONICS

Program Name	: Hands-on Training on Mobile App Development using Glide
Organizer	: Department of Electronics
Beneficiary	: MDC Electronics students
Date and Year	: 16/2/2026
Scope	: No code Mobile App development using glide platform.
Coordinator	: Rajesh M R, Assistant Professor, department of Electronics.
Duration of the program	: 3 hours.
Objective	: Introduce the concept of no code mobile app development.
Outcome	: Participants gained practical knowledge in mobile app development using Glide platform.

Report on Hands-on Training on Mobile App Development using Glide

A hands-on training program on Mobile App Development Using Glide was conducted on 16 February 2026 at 10:30 AM for the MDC Electronics students of Sree Narayana Guru College, Chelannur. The three-hour training program was organized by the Department of Electronics and coordinated by Rajesh M. R., Assistant Professor, Department of Electronics. The program aimed to introduce students to the emerging field of no-code mobile application development and provide practical exposure to designing and developing mobile applications using the Glide platform.

The session began with an introduction to the concept of No-Code Mobile App Development, a modern approach that enables users to create functional applications without writing traditional programming code. Students were introduced to the significance of no-code platforms in today's digital world and learned how such platforms help reduce development time, cost, and technical complexity. The resource person explained the advantages of no-code development, including rapid application development, ease of deployment, accessibility for non-programrs, and the ability to quickly transform ideas into working applications. The session highlighted how no-code tools are becoming increasingly popular among entrepreneurs, educators, students, and businesses for developing practical digital solutions.

The training focused on Glide, a powerful no-code application development platform that allows users to create mobile and web applications using spreadsheets and visual design tools. Participants were introduced to the Glide interface and learned how applications can be built through drag-and-drop components and data-driven design. The concepts of frontend design and backend design were explained in detail. Frontend design focused on the visual appearance of the application, including page design, layout creation, navigation, menus, buttons, images, and data presentation. Students learned the importance of creating user-friendly interfaces that provide an effective user experience. Backend design concentrated on data management using Glide Tables, where application data is stored, organized, and updated. The participants understood how frontend components interact with backend data to create dynamic and functional applications.

As part of the practical session, students developed a Simple Library Management App using Glide. The application development process began with designing the page structure and layout. Students learned how to create a home page and organize content effectively using various Glide components. They were guided through the process of adding book-related information, including the book title, cover image, author name, book description, and book category or type**.** The session demonstrated how these components could be customized and

linked to data stored in the backend database. Participants also learned how to design attractive interfaces that improve usability and accessibility.

The application included a book listing feature that displayed all available books stored in the database. Students learned how to present data dynamically through lists and card views, enabling users to browse books conveniently. Search functionality was implemented to help users quickly locate books based on titles or other keywords. The training also covered the addition of menu buttons and navigation options, allowing users to move easily between different sections of the application. These features helped students understand the importance of proper page organization and navigation in mobile app design. Further, the participants implemented important library management functions such as book checkout and book return. Through these features, students learned how user actions can update backend data automatically. When a user checks out a book, the status of the book changes from available to borrowed, while the return function updates the status back to available. This practical exercise demonstrated how application workflows can be created without coding and how data management plays a crucial role in application functionality. The implementation of these features provided students with a clear understanding of real-world application development and workflow automation using Glide. The training program was highly interactive and provided valuable hands-on experience to all participants. By the end of the session, students had gained practical knowledge of no-code mobile application development, frontend and backend design concepts, page layout creation, component integration, data management, and application deployment. The successful development of the Library Management App enabled students to understand the complete workflow involved in creating mobile applications using Glide. The program significantly enhanced their confidence and motivated them to explore further opportunities in no-code technology and digital innovation. Overall, the training program successfully achieved its objectives and provided a strong foundation for students to develop their own mobile applications using modern no-code platforms.

Key Highlights

The seminar featured insightful reflections on the reading and writing culture of Generation genzi. It included a critical discussion on the role of social media as a powerful shaping force in contemporary society. The program witnessed active student participation and meaningful interdisciplinary engagement. Research paper presentations by students enhanced the academic rigor of the event. A notable creative outcome of the seminar was the preparation of a manuscript magazine inspired by the ideas discussed during the session.

Feedback and Outcome

The seminar was widely appreciated for its contemporary relevance and academic depth. Participants found the session thought-provoking and intellectually stimulating. Students

responded positively to the interactive format and expressed that the seminar enhanced their understanding of the social implications of technology. Faculty members observed that the program successfully integrated literary discourse with technological and sociological perspectives.

Overall, the seminar emerged as a meaningful academic initiative under the Ripples International Multidisciplinary Seminar Series, contributing significantly to critical discourse on technology and new society.

DEPARTMENT OF PHYSICAL EDUCATION

INTERNATIONAL YOGA DAY – JUNE 21

Program Name	**:**11th International Day of Yoga
Organiser	**:**Department of Physical Education
Associating Partner	**:**IQAC
Beneficiary	**:**Students
Date & year	**:**June 21, 2025
Scope	**:**Institutional level health and spiritual wellness drive integrated with domestic participation.
Coordinator	**:**Dr. Santhosh & Dr.Sooryajith kv
Duration of the program	**:**Integrated single-day drive (Main session started at 7:30 AM)
Objective	**:**To align yoga with global sustainability and well-being under the national theme “Yoga for One Earth, One Health”, enhancing mental, physical, and spiritual development.
Outcome	**:**Students incorporated yogic disciplines into their daily routines. An expert trainer provided practical demonstrations of instructional techniques, and family networks were effectively engaged in health awareness initiatives.

The International Day of Yoga is observed worldwide every year on 21 June to recognize the significance of yoga in promoting physical, mental, and spiritual well-being. The theme for

International Day of Yoga 2025, **"**Yoga for One Earth, One Health**,"** emphasizes the connection between individual wellness, environmental sustainability, and global health.

The students of SNGC observed the International Day of Yoga on 21 June with great enthusiasm. As part of the celebration, all 30 students practiced yoga and encouraged their family members to participate, promoting physical and mental well-being within their households. The program commenced at 7:30 a.m. in the Seminar Hall and was inaugurated by Principal Dr. Kumar S. P**.** The event was coordinated by Santhosh and Sooryajith from the Department of Physical Education. The student volunteers practiced yoga under the guidance of Sri. Bhavya Lakshmi. The successfully, fostering awareness of the importance of yoga for a healthy lifestyle.

ALL KERALA INTERCOLLEGIATE VOLLEYBALL TOUNAMENT,UZHAVOOR

Program Name	**:**Uzhavoor Volleyball Tournament
Organiser	**:**St. Stephens College, Uzhavoor
Associating Partner	**:** IQAC
Beneficiary	**:**Volleyball team players
Date & year	**:**September 15th to 17th , 2025
Scope	**:**Participation in the All Kerala Volleyball Tournament helps students improve their competitive skills and gain valuable match experience.

Coordinator	**:**Dr Sooryajith KV & Vineesh Kumar KP
Duration of the program	**:**3 days
Objective	**:**To provide a competitive platform for players to showcase and enhance their volleyball skills while promoting sportsmanship, teamwork, physical fitness, and healthy competition among participants.
Outcome	**:**The tournament helped participants improve their volleyball skills, gain competitive experience, enhance teamwork and discipline, and develop confidence through exposure to high-level matches.

Fourteen volleyball players from SNGC participated in the prestigious All Kerala Intercollegiate Volleyball Tournament organized by St. Stephen's College from 15 to 17 September 2025. The three-day tournament brought together ten of the leading collegiate volleyball teams from across Kerala, offering a highly competitive environment for athletic excellence. Demonstrating exceptional skill, teamwork, and determination, the SNGC volleyball team delivered an impressive performance throughout the tournament and emerged as the Runner-up, earning recognition and bringing distinction to the institution.

A ZONE INTER-COLLEGIATE FOOTBALL TOURNAMENT

.**Program Name**	**:**A Zone football tournament
Organiser	**:** Pazhassiraja College Pulully
Associating Partner	**:** Calicut university

Beneficiary : College football players,

Date & year : October 22 to 24th. 2025

Scope :The A-Zone Intercollegiate Football Tournament promotes sportsmanship, teamwork, physical fitness, and talent development among college students through competitive football.

Coordinator :Dr. Sooryajith kv

Duration of the program :3 days

Objective :To promote football skills, sportsmanship, teamwork, and healthy competition among students while identifying and developing talented players.

Outcome :Students improve their football skills, physical fitness, teamwork, leadership qualities, and sportsmanship through competitive participation.

The University of Calicut A zone Intercollegiate Football Tournament 2025–2026 was held on 22nd, 23rd, and 24th October 2025 at St. Mary's College Ground. The tournament witnessed enthusiastic participation from more than 18 college teams representing various affiliated colleges under the University of Calicut.

A total of 18 students from SNGC participated in the tournament, displaying excellent teamwork, discipline, and sporting spirit throughout the competition. The team competed

against strong opponents from different colleges and demonstrated remarkable skill and determination.

Through their outstanding performance and consistent efforts, the SNGC football team successfully advanced to the Quarter-Final stage of the tournament. Their achievement reflects the dedication of the players, effective team coordination, and the institution's commitment to promoting sports and physical excellence.

The tournament provided valuable competitive exposure to the students, enhanced their football skills, and fostered sportsmanship, leadership, and teamwork among the participants. The Quarter-Final achievement stands as a significant accomplishment for SNGC in the University-level football competition

A ZONE INTERCOLLEGIATE VOLLEYBALL CHAMPIONSHIP 2025-2026

.**Program Name**	**:** A Zone volleyball championship
Organiser	**:** MES College, Vadakara
Associating Partner	**:** Calicut University
Beneficiary	**:** College volleyball players,
Date & year	**:** October 27th to 29th. 2025
Scope	**:**The A-Zone Intercollegiate volleyball championship promotes sportsmanship, teamwork, physical fitness, and talent development among college students through competitive volleyball.
Coordinator	**:**Dr. Sooryajith kv
Duration of the program	**:** 3 days
Objective	**:** To promote volleyball skills, sportsmanship, teamwork, and healthy competition among students while identifying and developing talented players.
Outcome	**:** Students improve their volleyball skills, physical fitness, teamwork, leadership qualities, and sportsmanship through competitive participation.

The A-Zone Intercollegiate Men's Volleyball Tournament 2025–2026 was conducted at IPM Academy, Vadakara, from 27th to 29th October 2025. The three-day championship was organised under the leadership of MES College, Vadakara and brought together talented volleyball teams from various colleges in the A-Zone of the University of Calicut.

A total of 14 men's volleyball players represented S.N. College, Chelannur in the tournament. Throughout the championship, the team displayed exceptional skill, teamwork, determination, and sportsmanship, competing against some of the strongest college teams in the zone.

S.N.G College, Chelannur, delivered an outstanding performance and emerged as the A-Zone Men's Volleyball Champions. In the thrilling final match, the team secured a well-deserved victory against St. Joseph's College, Devagiri, demonstrating excellent coordination and competitive spirit.

By winning the championship, S.N. College, Chelannur, qualified for the University of Calicut Intercollegiate Men's Volleyball Tournament, earning the opportunity to represent the A-Zone at the university level. This remarkable achievement highlights the dedication and hard work of the players and reflects the institution's commitment to promoting excellence in sports.

CALICUT UNIVERSITY INTERZONR MEN VOLLEYBALL CHAMPIONSHIP 2025-2026

Program Name	**:** Interzone Volleyball Championship
Organiser	**:** St. Joseph's College Devagiri
Associating Partner	**:** Calicut University

Beneficiary	**:** College volleyball players,
Date & year	**:** November 10th to 12th. 2025
Scope	**:**The Calicut University interzone men's volleyball championship promotes sportsmanship, teamwork, physical fitness, and talent development among college students through competitive volleyball.
Coordinator	**:**Dr. Sooryajith K V and Vineesh Kumar
Duration of the program	**:** 3 days
Objective	**:** To promote volleyball skills, sportsmanship, teamwork, and healthy competition among students while identifying and developing talented players.
Outcome	**:** Students improve their volleyball skills, physical fitness, teamwork, leadership qualities, and sportsmanship through competitive participation.

The University of Calicut Inter-Zone Men's Volleyball Championship 2025–2026 was held at the Indoor Stadium of St. Joseph's College, Devagiri, from 10th to 12th November 2025. The three-day championship brought together the top teams that had qualified from different zones, creating a highly competitive and exciting sporting event.

A total of 14 volleyball players from S.N. College, Chelannur participated in the championship. Throughout the tournament, the team displayed exceptional skill, teamwork, discipline, and determination while competing against some of the best collegiate volleyball teams under the University of Calicut.

The matches were intensely contested, with all qualified teams demonstrating a high standard of performance. S.N. College, Chelannur performed remarkably well throughout the tournament and successfully advanced to the final round. After a series of challenging matches, the team secured the Runner-Up position in the championship, marking a significant achievement at the university level.

A notable outcome of the tournament was the selection of four players from S.N. College, Chelannur to represent the University of Calicut Men's Volleyball Team in the South Zone Inter-University Championship. This achievement reflects the outstanding talent, dedication, and consistent performance of the players and brings great pride to the institution.

CALICUT UNIVERSITY INTERZONE WOMEN'S VOLLEYBALL CHAMPIONSHIP

2025-2026

Program Name	**:** Interzone Volleyball Championship
Organiser	**:** St. Joseph's College Irinjalakuda
Associating Partner	**:** Calicut University
Beneficiary	**:** College volleyball players,
Date & year	**:** November 15th to 16th. 2025
Scope	**:**The Calicut University interzone women's volleyball championship promotes sportsmanship, teamwork, physical fitness, and talent development among college students through competitive volleyball.
Coordinator	**:**Dr. Sooryajith K V and Vineesh Kumar
Duration of the program	**:**2 days
Objective	**:** To promote volleyball skills, sportsmanship, teamwork, and healthy competition among students while identifying and developing talented players.
Outcome	**:** Students improve their volleyball skills, physical fitness, teamwork, leadership qualities, and sportsmanship through competitive participation.

The Calicut University Inter-Zone Women's Volleyball Championship was organized by St. Joseph's College, Irinjalakuda on 15–16 November 2025. The women's volleyball team of S.N. College participated in the championship with a squad of 12 players.

The team performed commendably and secured 4th place in the tournament. Furthermore, two players from the team were selected to represent Calicut University and became part of the university squad for the South Zone Inter-University Volleyball Championship.

A ZONE INTER-COLLEGIATE CRICKET TOURNAMENT

Program Name	**:** A Zone cricket tournament
Organiser	**:** Farook College
Associating Partner	**:** Calicut university
Beneficiary	**:** College cricket players,
Date & year	**:** November 29 to 2nd December . 2025
Scope	**:**The A-Zone Intercollegiate Cricket Tournament promotes sportsmanship, teamwork, physical fitness, and talent development among college students through competitive cricket.
Coordinator	**:**Dr. Sooryajith K V
Duration of the program	**:**3 days

Objective **:**To promote cricket skills, sportsmanship, teamwork, and healthy competition among students while identifying and developing talented players.

Outcome **:** Students improve their football skills, physical fitness, teamwork, leadership qualities, and sportsmanship through competitive participation.

The University of Calicut A zone Intercollegiate Cricket Tournament 2025–2026 was held on 29th to 2nd November 2025 at Farook College Ground. The tournament witnessed enthusiastic participation from more than 15 college teams representing various affiliated colleges under the University of Calicut.

A total of 15 students from SNGC participated in the tournament, displaying excellent teamwork, discipline, and sporting spirit throughout the competition. The team competed against strong opponents from different colleges and demonstrated remarkable skill and determination.

A ZONE INTER-COLLEGIATE MEN SHUTTLE BADMINTON CHAMPIONSHIP

Program Name **:**A Zone Shuttle Badminton Championship

Organiser **:** St. Joseph's College Devagiri

Associating Partner **:** Calicut University

Beneficiary **:** College badminton players

Date & year **:** 8th and 9th December . 2025

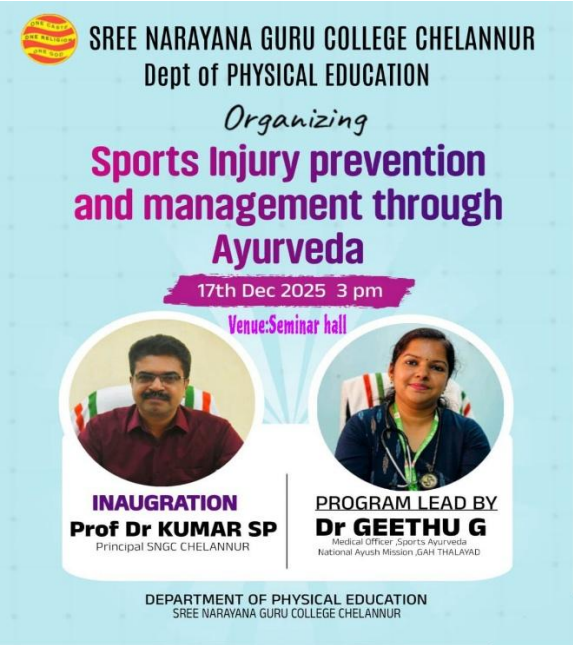

Scope	**:**The A-Zone Intercollegiate Badminton Championship promotes sportsmanship, teamwork, physical fitness, and talent development among college students through competitive matches.
Coordinator	**:**Dr. Sooryajith K V
Duration of the program	**:**2 days
Objective	**:** To promote Badminton skills, sportsmanship, teamwork, and healthy competition among students while identifying and developing talented players.
Outcome	**:** Students improve their football skills, physical fitness, teamwork, leadership qualities, and sportsmanship through competitive participation.

Four students from Sree Narayana Guru College (SNGC) participated in the Shuttle Badminton Competition held at St. Joseph's College on 8–9 December 2025. Parthyush P, a B.Sc. Mathematics student, secured the Second Runner-up position in the Men's Singles event and qualified for the Calicut University Inter-Zone Shuttle Badminton Championship.

Workshop on Sports Injury Prevention and Management through Ayurveda

Program Name	**:** Sports Injury Prevention and Management through Ayurveda
Organiser	**:** Department of Physical education
Associating Partner	**:** IQAC
Beneficiary	**:** College sports students, teachers
Date & year	**:**December 17. 2025
Scope	**:**To equip participants with knowledge and practical skills in the prevention, management, and rehabilitation of sports injuries through Ayurvedic principles, therapies, lifestyle interventions, and evidence-based integrative approaches for enhancing athlete health, recovery, and performance.
Coordinator	**:**Dr. Sooryajith KV
Duration of the Program	**:**2 hours (3 Pm to 5 Pm)
Objective	**:**To enhance participants' understanding of Ayurvedic approaches to sports injury prevention and management, enabling them to apply holistic, safe, and effective strategies for improving athlete health, recovery, and performance.
Outcome	**:**Participants will be able to understand and apply Ayurvedic principles and therapies for the prevention, management, and rehabilitation of sports injuries, thereby promoting athlete health, recovery, and optimal performance.

The Department of Physical Education, in association with the IQAC, organised a Workshop on Sports Injury Prevention and Management through Ayurveda on 17 December 2025 from 3:00 PM to 5:00 PM at the Seminar Hall.

The program was inaugurated by Prof. Dr Kumar S.P. The workshop was led by Dr. Geethu G., Medical Officer, Sports Ayurveda, National AYUSH Mission, who delivered an informative session on the prevention, treatment, and rehabilitation of sports injuries through Ayurvedic practices and therapies.

A total of 30 students participated in the workshop and actively engaged in the discussions and interactive sessions. The program provided valuable insights into the role of Ayurveda in promoting athlete health, enhancing recovery, and improving sports performance.

Annual Athletic Meet 2025-26

Program Name	**: Annual Athletic Meet 2025-26**
Organiser	**:** Department of Physical education
Associating Partner	**:** IQAC
Beneficiary	**:** College students
Date & year	**:** 19th and 20th February. 2026
Scope	**:**The Annual Athletic Meet promotes physical fitness, sportsmanship, teamwork, and healthy competition among students. It provides an opportunity to identify

	talented athletes and encourages active participation in sports while contributing to the overall personality development of students.
Coordinator	**:**Dr. Sooryajith K V
Duration of the program	**:**2 days
Objective	**:** To promote physical fitness, sportsmanship, teamwork, and healthy competition while identifying and encouraging talented student athletes.
Outcome	**:** The Annual Athletic Meet enhanced students' physical fitness, teamwork, and sportsmanship while identifying talented athletes for participation in higher-level competitions.

The Department of Physical Education conducted the Annual Athletic Meet on 19–20 February 2025 at the Sree Narayana Guru College Chelannur Athletic Ground. Around 250 students from various departments participated enthusiastically in the event. The meet featured competitions in athletics, volleyball, cricket, football, badminton, chess, and carrom, providing students with an opportunity to showcase their sporting talents and competitive spirit. The Honourable Principal inaugurated the Annual Athletic Meet. Dr. S. P. Kumar, who encouraged the participants to uphold the values of sportsmanship, discipline, and teamwork throughout the competition.

CALICUT UNIVERSITY INTER ZONE KICK BOXING CHAMPIONSHIP 2025-2026

Program Name	**:** Inter zone kick boxing Championship
Organiser	**:** MES Kallad College
Associating Partner	**:** Calicut University
Beneficiary	**:** College kickboxing players,
Date & year	**:** May 21 th. 2026
Scope	: The championship provides an opportunity for students to showcase their kickboxing skills, gain competitive experience, and promote sportsmanship. It also serves as a platform for selecting talented athletes to represent University of Calicut in South Zone and All India Inter-University competitions.

Coordinator	**:**Dr. Sooryajith K V
Duration of the Program	**:**1 days
Objective	**:** To promote kickboxing among students, provide competitive experience, and identify talented athletes for representing University of Calicut in higher-level competitions.
Outcome	**:** The championship enhanced students' competitive skills and sportsmanship while identifying talented athletes for selection to the University of Calicut kickboxing team.

The Calicut University Inter-Zone Kick Boxing Championship 2025–2026 was organized by MES Kalladi College on 21 May 2026. Sree Narayana Guru College, Chelannur, achieved an excellent performance in the championship. Archana N. S., a first-year B.A. English student, won the Silver Medal in the 45 kg category, while Akhil secured the Bronze Medal in the 52 kg Point Fight category. Their remarkable achievements brought pride and recognition to the college.

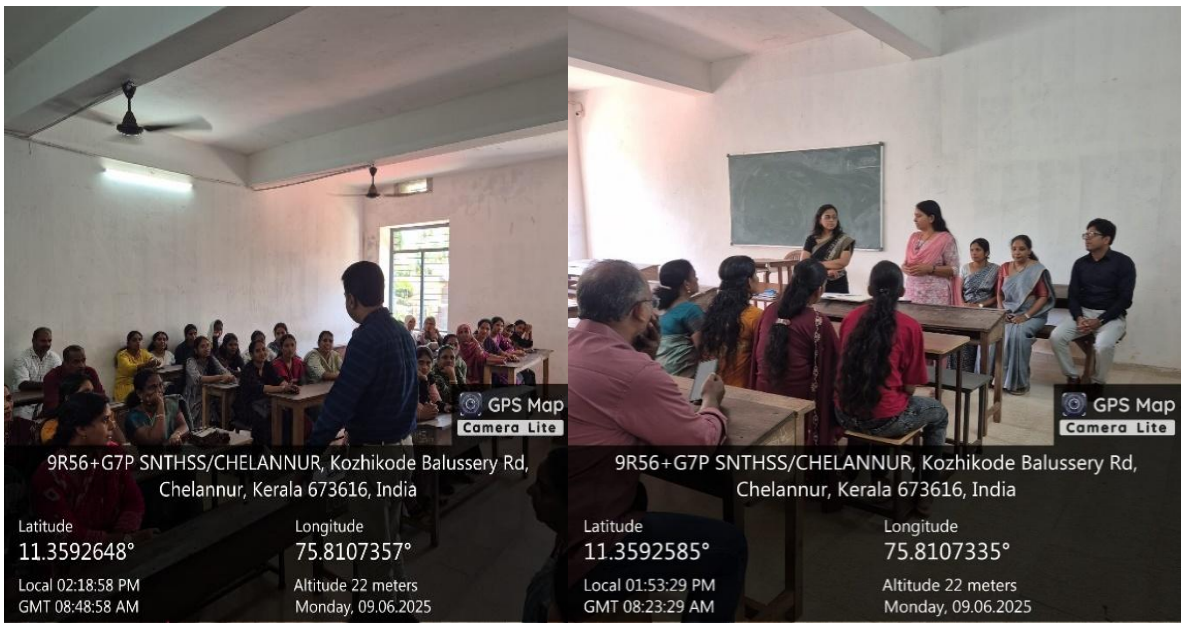

PG DEPARTMENT OF ECONOMICS

PTA Meeting of Second Semester FYUG Students

Program Name **:** PTA Meeting of Second Semester FYUG Students

Organiser	**:** PG Department of Economics, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Nil
Beneficiary	**:** Second Semester UG Students
Date & Year	**:** 09 June 2025
Scope	**:** The program was organised to strengthen interaction between parents and the department, review students' academic performance, discuss university examination results, and formulate strategies to improve academic outcomes and student support mechanisms.
Coordinator	**:** Department Faculty Members
Duration	**:** 2 Hours
Objectives	**:**• To analyse the university examination results of students. • To create awareness among parents regarding academic progress. • To facilitate effective communication between parents and faculty members. • To identify challenges faced by students and suggest remedial measures. • To strengthen the parent–institution partnership in promoting student development.
Outcomes	**:**• Faculty members received valuable feedback from parents. • Areas requiring academic support were identified. • Enhanced cooperation between parents and the department was achieved. • Students were encouraged to improve their academic performance through joint monitoring by parents and teachers. • Parents gained a better understanding of students' academic performance

Geo-Tagged Photos:

Detailed Report

The PG Department of Economics organised a Parent Teacher Association (PTA) meeting for the second-semester FYUG students on 09 June 2025. The program was conducted with the objective of reviewing the academic performance of students and strengthening the interaction between parents and the department. The meeting served as an important platform for discussing students' progress and addressing academic concerns through collaborative engagement between faculty members and parents.

The meeting was attended by Dr. Kumar S.P., Principal of the College, Dr. Vidhu Johnson, Head of the Department of Economics, Smt. Athira Ajay, Tutor, and the parents of second-semester FYUG students. The session commenced with a discussion on the recently published university examination results. Faculty members presented an analysis of students' performance, highlighting areas of achievement as well as aspects requiring improvement.

During the interaction session, parents were informed about the academic expectations of the department and the importance of regular attendance, classroom participation, and continuous evaluation. The faculty members also addressed various concerns raised by parents regarding academic performance, student engagement, and future learning strategies. Constructive suggestions were exchanged to enhance student achievement and overall academic development.

The Principal emphasised the importance of parental involvement in higher education and encouraged parents to maintain regular communication with teachers. The Head of the Department explained the measures undertaken by the department to support students

academically and personally. Parents appreciated the initiative and expressed their willingness to cooperate with the department in ensuring better educational outcomes for their wards.

The meeting concluded with a consensus on the need for continuous monitoring of student performance and stronger collaboration between parents and teachers. The program successfully strengthened the relationship between the institution and parents, creating a supportive environment for student learning and development.

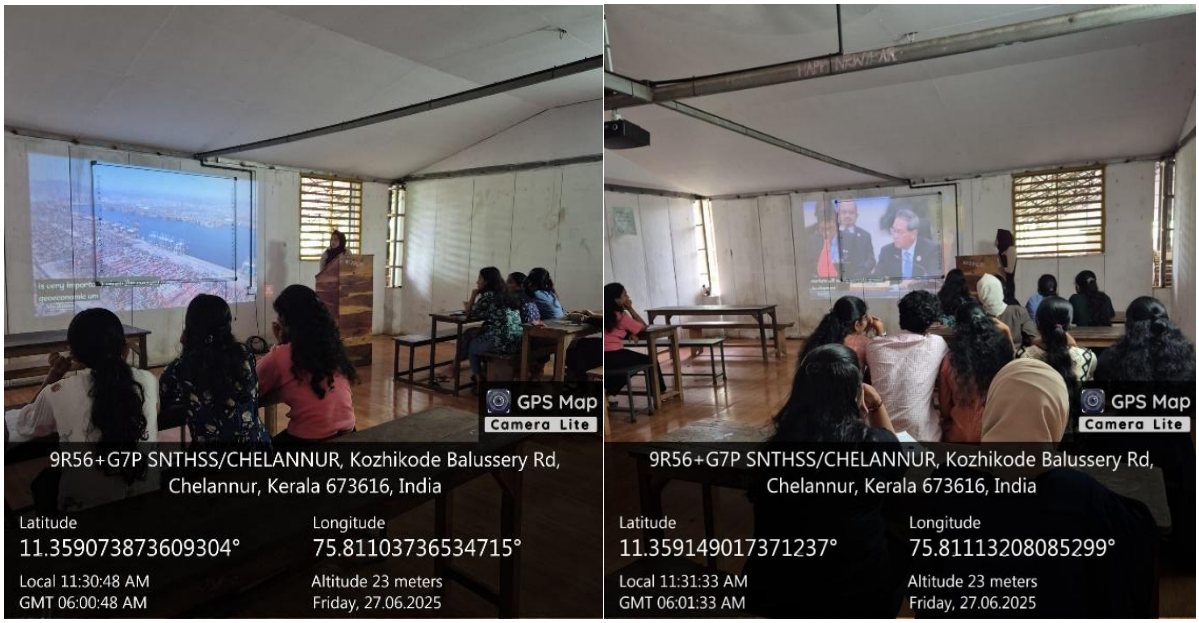

ICT-Enabled Presentation on International Trade Organisations

Program Name	**:** ICT-Enabled Presentation on International Trade Organisations
Organiser	**:** PG Department of Economics, Sree Narayana Guru College, Chelannur
Associating Partner	**:** IQAC
Beneficiary	**:** Economics Students
Date & Year	**:** 27 June 2025
Scope	**:** The program was organised to enhance students' understanding of international trade organisations and to improve their ICT-enabled presentation skills. The activity provided an opportunity for students to engage in collaborative learning and develop confidence in academic communication.
Coordinator	**:** Department Faculty Members
Duration	**:** Approximately 2–3 Hours
Objectives	**:** To familiarise students with major international trade organisations. To improve students' presentation and communication skills. To encourage the effective use of Information and Communication Technology (ICT) in academic learning.

Outcomes **:** Students gained better knowledge of international trade organisations and their functions.

Presentation and public speaking skills were improved. Students became more confident in using ICT tools for academic purposes.

Geo-tagged Photos:

Detailed Report

The PG Department of Economics organised an ICT-enabled presentation program for MA Economics students on 27 June 2025. The program was coordinated by Capt. Dr. Sindhu Krishnadas with the objective of promoting ICT-based learning and enhancing students' understanding of international trade organisations. The activity formed part of the department's efforts to integrate technology into teaching-learning processes and to encourage student-centred learning.

The program provided students with an opportunity to prepare and deliver PowerPoint presentations on various international trade organisations. Students researched the historical evolution, objectives, organisational structure, and functions of major institutions involved in regulating and facilitating international trade. The presentations covered organisations that play significant roles in global economic governance and international commerce.

The session enabled students to develop research skills by collecting information from various sources and organising it systematically for presentation. Through the preparation of slides and visual materials, students learned how to communicate complex economic concepts effectively using ICT tools. The use of multimedia presentations enhanced audience engagement and improved the overall learning experience.

Faculty members evaluated the presentations and provided constructive feedback regarding content, presentation style, analytical depth, and communication skills. Students actively participated in discussions that followed each presentation, thereby fostering an interactive learning environment. The program encouraged peer learning as students shared knowledge and perspectives on contemporary issues related to global trade.

The activity also helped students appreciate the relevance of international institutions in shaping economic relations among nations. By examining the role of these organisations in promoting trade, resolving disputes, and supporting economic development, participants gained valuable insights into the functioning of the global economy.

The program concluded with a feedback session during which students expressed their appreciation for the opportunity to present and discuss economic issues using ICT tools. The activity successfully achieved its objectives by strengthening students' subject knowledge, improving their technological competencies, and enhancing their communication and presentation skills.

Prasanth Memorial Scholarship Distribution

Program Name	**:** Prasanth Memorial Scholarship Distribution
Organiser	**:** PG Department of Economics, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Economics Alumni Association (2011–2014 Batch)
Beneficiary	**:** Meritorious and deserving students from seven departments of Sree Narayana Guru College, Chelannur
Date & Year	**:** 17 October 2025
Scope	**:** The program was organised to commemorate Prasanth, a former student of the Department of Economics, and to

provide financial assistance to deserving students through a scholarship endowment. The program also aimed to strengthen alumni engagement and foster a culture of social responsibility among students.

Coordinator **:** Department Faculty Members

Duration **:** 2 hours

Objectives **:** To honour the memory and contributions of Prasanth, a former student of the department.
To provide financial assistance to deserving students through scholarship support.
To encourage academic excellence among students.
To strengthen the relationship between alumni and the institution.

Outcomes **:** Financial support was provided to deserving students from various departments.
The program strengthened alumni–institution relationships.
Students were motivated to pursue academic excellence.

Detailed Report

The PG Department of Economics, in association with the Alumni Association of the Economics Department (2011–2014 Batch), organised the Prasanth Memorial Scholarship Distribution Program on 17 October 2025 at the Seminar Hall of Sree Narayana Guru College, Chelannur. The program was conducted to commemorate the memory of Prasanth, a former student of the department, and to continue his legacy through meaningful support to students facing financial challenges.

The event reflected the commitment of the department and its alumni towards promoting inclusive education and supporting deserving students. By instituting a scholarship in memory of a former student, the alumni sought to create a lasting contribution to the academic community while strengthening their bond with the institution. The program also highlighted the importance of alumni participation in the development of educational institutions and student welfare initiatives.

The function commenced with a formal inaugural session attended by faculty members, alumni, students, and invited guests. Dr. Kumar S.P., Principal of the College, inaugurated the program and appreciated the efforts of the alumni in establishing a scholarship fund that directly benefits students. In his inaugural address, he emphasised the importance of alumni engagement in institutional growth and student development. He also highlighted how such initiatives can inspire current students to contribute positively to society and remain connected to their alma mater.

The program was presided over by Prof. Capt. Dr. Sindhu Krishnadas, who spoke about the significance of remembering former students through constructive and meaningful activities.

The welcome address was delivered by Praveen, a former student of the department and a representative of the alumni association. He shared memories of Prasanth and explained the motivation behind establishing the memorial scholarship. His address reflected the strong emotional connection among the alumni and their desire to honour their friend through educational support.

Faculty members including Dr. Vidhu Johnson, Dr. Bindu M.K., Dr. Anusmitha, and Dr. Vinarsha felicitated the program and appreciated the initiative undertaken by the alumni. They highlighted the transformative role that scholarships play in helping students continue their education and achieve academic success. The speakers also encouraged students to make the best use of the opportunities available to them and to strive for excellence in their academic pursuits.

A major highlight of the program was the distribution of scholarship assistance to deserving students from seven departments of the college. The recipients were selected based on academic merit and financial need. The distribution ceremony was conducted in the presence of faculty members, alumni representatives, and students. The scholarship recipients expressed their gratitude and acknowledged the support provided through the memorial endowment. The program also served as an occasion for interaction between alumni and current students. Alumni members shared their experiences, career journeys, and memories of college life, thereby inspiring students and strengthening the sense of belonging within the academic community. Such interactions helped bridge the gap between past and present generations of students and demonstrated the lasting impact of educational relationships.

The event concluded with a vote of thanks and expressions of appreciation to all those who contributed to the successful organisation of the program. The Prasanth Memorial Scholarship Distribution Program successfully fulfilled its objectives by providing financial assistance to deserving students, promoting academic excellence, and reinforcing the values of compassion, solidarity, and social responsibility. The program stands as a remarkable example of how alumni engagement can contribute meaningfully to student welfare and institutional development.

The department views the program as an important initiative that not only honours the memory of a former student but also creates a lasting impact on the lives of beneficiaries. With continued support from alumni and stakeholders, such programs will strengthen the academic and social fabric of the institution.

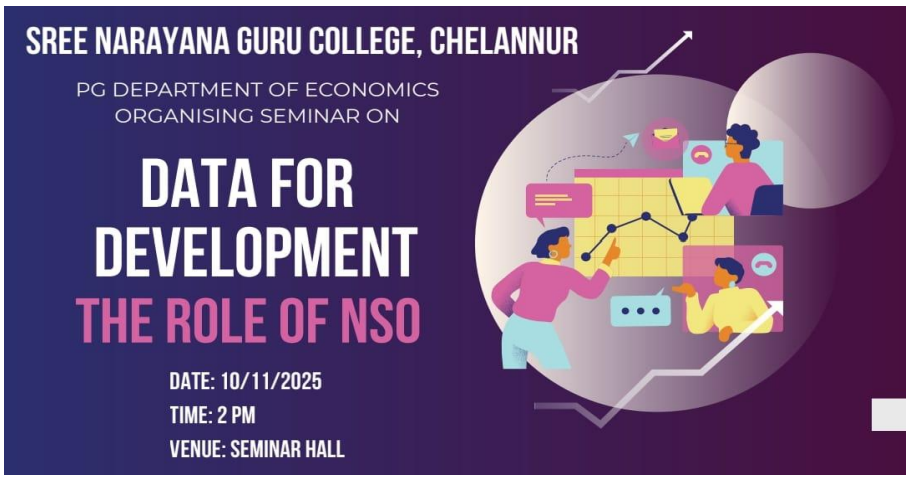

Seminar on Data for Development: The Role of NSO

Program Name	**:** Seminar on Data for Development: The Role of NSO
Organiser	**:** PG Department of Economics, Sree Narayana Guru College, Chelannur
Associating Partner	**:** National Statistical Office
Beneficiary	**:** UG and PG Students
Date & Year	**:** 10 November 2025
Scope	**:** The seminar was organised to create awareness among students regarding the significance of official statistics in economic planning and development. The program aimed to familiarize students with the functioning of the National Statistical Office (NSO), major socio-economic surveys conducted in India, and career opportunities available in the statistical system.
Coordinator	**:** Department Faculty Members
Duration	**:** 3 Hours
Objectives	**:** To introduce students to the role of the National Statistical Office in development planning. To familiarise participants with major socio-economic surveys conducted in India. To create awareness regarding the importance of data in evidence-based policymaking.
Outcomes	**:** Students gained a better understanding of the National Statistical Office and its functions. Awareness regarding socio-economic surveys and data collection methodologies increased. Participants understood the importance of statistical data in policy formulation and development planning.

Detailed Report

The PG Department of Economics organised a seminar on “Data for Development – The Role of NSO” on 10 November 2025 at the Seminar Hall of Sree Narayana Guru College, Chelannur. The program was designed to provide students with a comprehensive understanding of the importance of statistical data in economic planning, governance, and development. The seminar sought to bridge the gap between theoretical learning and practical applications of statistics in public policy and economic decision-making.

The program commenced with a welcome address delivered by Dr. Vidhu Johnson, Head of the Department of Economics. In her address, she highlighted the increasing importance of reliable data in contemporary policymaking and emphasized the role of statistical institutions in generating evidence for developmental interventions. She noted that students of economics must possess a strong understanding of statistical systems in order to analyse socio-economic issues effectively.

The resource person for the seminar was Sri. Shanavaz M.M., Senior Statistical Officer. Drawing from his professional experience in the statistical system, he provided an insightful overview of the structure and functions of the National Statistical Office (NSO). He explained how the NSO serves as the principal agency responsible for collecting, compiling, and disseminating statistical information required for governance, economic planning, and policy evaluation in India.

A major focus of the seminar was the discussion of important socio-economic surveys conducted by the NSO. The resource person explained the objectives, methodologies, and significance of various surveys related to employment, consumption, health, education, agriculture, and household welfare. Through practical examples, he demonstrated how survey data are used by governments, researchers, and policymakers to assess socio-economic conditions and formulate development strategies.

The session also highlighted the importance of official statistics in measuring economic growth, poverty, unemployment, inflation, and other key indicators. Students were introduced to the processes involved in data collection, sampling techniques, survey design, and statistical analysis. The resource person emphasized that reliable and timely data are essential for informed decision-making and effective governance. He also discussed contemporary challenges in data collection and the need for continuous improvements in statistical systems.

An important component of the seminar was the discussion on career opportunities available within the statistical system. Sri. Shanavaz M.M. provided detailed information regarding various positions in government statistical departments, research institutions, and data analysis organizations. He explained the qualifications required, recruitment procedures, and professional prospects associated with careers in statistics and data analytics. This segment generated significant interest among students who were keen to explore employment opportunities in these fields.

The seminar was highly interactive, with students actively participating in discussions and raising questions regarding survey methodologies, data reliability, and statistical careers. The resource person addressed these queries comprehensively, enabling students to gain a deeper appreciation of the practical dimensions of statistical work. The interaction enhanced students' understanding of how data-driven approaches contribute to development planning and public policy.

The program concluded with a vote of thanks delivered by a faculty member of the department. Participants expressed their appreciation for the informative and practical nature of the seminar. The feedback received indicated that students found the session highly relevant to their academic studies and future career aspirations.

Overall, the seminar successfully achieved its objectives by enhancing awareness regarding the role of the National Statistical Office, the significance of socio-economic surveys, and the application of statistical data in development planning. The program reinforced the importance of empirical evidence in economic analysis and encouraged students to engage more actively with data-oriented research. It also inspired many participants to consider career opportunities in statistics, data analysis, and public policy, thereby contributing to their academic and professional development.

Presentation on Nobel Laureates in Economics

Program Name	**:** Presentation on Nobel Laureates in Economics
Organiser	**:** PG Department of Economics, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Nil
Beneficiary	**:** Economics Students
Date & Year	**:** 20 November 2025
Scope	**:** The program was organised to familiarize students with contemporary developments in economic thought through an in-depth presentation on the contributions of the 2025 Nobel Laureates in Economics. The activity aimed to promote academic curiosity, critical thinking, and engagement with frontier research in economics.
Coordinator	**:** Department Faculty Members
Duration	**:** 2 Hours
Objectives	**:** To introduce students to the contributions of the 2025 Nobel Laureates in Economics. To enhance awareness regarding contemporary economic

research and innovation.

To develop students' analytical and presentation skills.

Outcomes **:** Students gained knowledge about recent Nobel Prize-winning contributions in Economics.

Participants developed a better understanding of innovation-driven economic growth.

Presentation and communication skills of students were enhanced.

Geo-tagged Photos:

Detailed Report

The PG Department of Economics organised a presentation program on the 2025 Nobel Laureates in Economics on 20 November 2025. The program was conducted with the objective of introducing students to contemporary developments in economic thought and providing them with an opportunity to engage with the latest advancements in economic research. The activity formed part of the department's continuous efforts to strengthen academic excellence and promote a research-oriented learning environment among postgraduate students.

The program was organised and presented by the third-semester postgraduate students of Economics. Through a detailed PowerPoint presentation, students examined the contributions of the Nobel Prize winners whose work focused on explaining the relationship between innovation, technological progress, and long-term economic growth. The session highlighted

how economic research contributes to understanding the dynamics of productivity, technological advancement, and sustainable development.

The presenters discussed the major contributions of Philippe Aghion, Peter Howitt, and Joel Mokyr, whose work has significantly influenced modern growth theory and innovation economics. Students explained how innovation serves as a driving force behind economic transformation and how technological advancements contribute to increased productivity and living standards. The presentation also examined the institutional and policy factors that encourage innovation and economic progress.

A significant portion of the program was devoted to analysing the concept of innovation-driven growth. The presenters explained how investments in research and development, education, entrepreneurship, and technological adaptation create opportunities for economic expansion. Through examples drawn from developed and developing economies, the session illustrated how innovation can improve competitiveness, generate employment, and enhance national productivity.

The program also explored the relevance of the Nobel Laureates' work in the context of contemporary economic challenges. Students discussed issues such as technological disruption, digital transformation, industrial upgrading, and the knowledge economy. Particular emphasis was placed on the role of innovation in addressing developmental challenges and promoting inclusive economic growth. The discussion enabled participants to connect theoretical concepts with real-world economic developments.

Faculty members and students actively participated in the program by raising questions and sharing observations regarding the implications of innovation-led growth. The interactive discussions enriched the learning experience and encouraged students to critically evaluate different perspectives on economic development. The presenters demonstrated a commendable ability to communicate complex theoretical concepts in a clear and accessible manner.

The activity provided students with valuable experience in academic presentation and public speaking. Preparing and delivering the presentation required participants to engage with scholarly literature, synthesize information, and present their findings systematically. As a result, students enhanced their research, analytical, and communication skills while developing a deeper appreciation for contemporary economic scholarship.

The program also highlighted the significance of the Nobel Prize as a recognition of groundbreaking contributions to economic science. Students gained insights into the process through which economic ideas evolve and influence policymaking, business practices, and social development. The session reinforced the importance of continuous learning and intellectual engagement in the study of economics.

The program concluded with feedback from faculty members and participants, who appreciated the efforts of the student presenters and the relevance of the topic. The session successfully achieved its objectives by introducing students to recent Nobel Prize-winning research, encouraging academic inquiry, and promoting a culture of scholarly engagement within the department.

Overall, the Presentation on Nobel Laureates in Economics – 2025 proved to be an enriching academic exercise that enhanced students' understanding of innovation economics and contemporary research developments. The program contributed significantly to the intellectual growth of participants and reinforced the department's commitment to fostering academic excellence and research awareness among students.

Career Guidance and Overseas Education

Program Name : Career Guidance and Overseas Education

Organiser : PG Department of Economics, Sree Narayana Guru College, Chelannur

Associating Partner : K C Overseas Education

Beneficiary : Economics Students

Date & Year : 21 November 2025

Scope : The program was organised to create awareness among students regarding higher education opportunities abroad and to provide guidance on career planning after graduation. The session aimed to familiarize students with international universities, available academic programs, admission procedures, scholarship opportunities, and career prospects in the global job market.

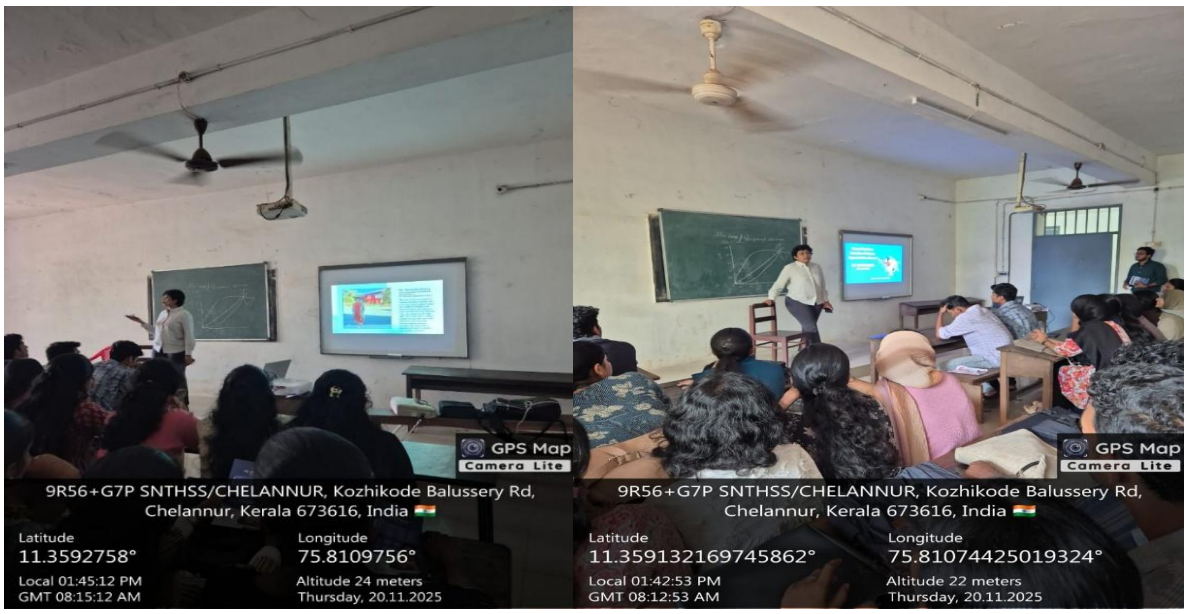

Coordinator : Department Faculty Members

Duration : 3 Hours

Objectives : To provide students with information about higher education opportunities abroad.
To create awareness regarding international universities and academic programs.
To familiarize students with admission procedures, visa requirements, and scholarship opportunities.

Outcomes : Students gained awareness regarding higher education opportunities available abroad.
Participants developed a better understanding of admission and application procedures.
Knowledge regarding scholarships, financial assistance, and visa processes was enhanced.

Detailed Report

The PG Department of Economics organised a Career Guidance and Overseas Education Awareness Program on 21 November 2025 with the objective of equipping students with information regarding higher education opportunities and career prospects available at the national and international levels. In an increasingly globalised educational environment, students require access to reliable information about universities, courses, scholarships, and employment opportunities across different countries. Recognising this need, the department arranged an informative session to guide students in planning their academic and professional futures.

The resource person for the program was Ms. Narmadha Nishad, Director of K C Overseas Education, who possesses extensive experience in counselling students regarding international education opportunities. The session attracted enthusiastic participation from undergraduate and postgraduate students who were eager to learn about educational pathways available after graduation.

The program commenced with an introductory session highlighting the importance of career planning and informed decision-making in the contemporary world. Faculty members emphasized that higher education choices significantly influence future career trajectories and therefore require careful consideration. Students were encouraged to actively participate in the program and seek clarification regarding their academic aspirations.

During the session, Ms. Narmadha Nishad provided a comprehensive overview of major universities and educational institutions across different countries. She discussed the academic strengths of universities located in countries such as the United Kingdom, Canada, Australia, Germany, and other popular destinations for international students. Participants were introduced to various undergraduate, postgraduate, diploma, and research programs offered by these institutions across multiple disciplines.

A major component of the program focused on admission procedures and eligibility requirements. The resource person explained the process of selecting universities, preparing application documents, writing statements of purpose, obtaining recommendation letters, and meeting language proficiency requirements. Students received practical guidance regarding standardized tests and documentation necessary for securing admission to international institutions.

The session also covered scholarship opportunities and financial assistance schemes available to international students. Detailed information was provided regarding merit-based scholarships, government-funded scholarships, institutional grants, and educational loans. The resource person explained how students could identify suitable funding opportunities and prepare competitive applications. This segment of the program was particularly beneficial for students concerned about the financial aspects of overseas education.

Another important aspect of the program was the discussion on visa procedures and immigration requirements. Students were informed about application timelines, documentation requirements, interview procedures, and legal obligations associated with studying abroad. The resource person also addressed common misconceptions regarding overseas education and provided practical advice for adapting to new academic and cultural environments.

The program further explored career opportunities available after graduation. Students received information regarding emerging employment sectors, skill requirements, internship opportunities, and professional development pathways in different countries. The discussion highlighted the importance of acquiring globally relevant skills and maintaining adaptability in a rapidly changing labour market. Participants were encouraged to view higher education not merely as a degree acquisition process but as an opportunity for personal growth, skill development, and international exposure.

The interactive question-and-answer session proved to be one of the most engaging components of the program. Students actively sought clarification regarding university selection, scholarship opportunities, employment prospects, and post-study work options. The resource person responded to these queries with detailed explanations and practical suggestions, helping students gain confidence in their future planning.

The program concluded with expressions of gratitude to the resource person for sharing valuable insights and practical guidance. Participants appreciated the clarity and relevance of the information provided and acknowledged the usefulness of the session in helping them make informed decisions regarding their academic and professional futures.

Overall, the Career Guidance and Overseas Education Awareness Program successfully achieved its objectives by enhancing students' awareness of global educational opportunities and career pathways. The program provided participants with the knowledge and confidence required to explore higher education options abroad and encouraged them to pursue their aspirations with greater clarity and determination. The department considers the program an important step towards preparing students for success in an increasingly interconnected and competitive global environment.

Ripples Seminar: Artificial Intelligence Powered by Deep Learning

Program Name	**:** Ripples Seminar: Artificial Intelligence Powered by Deep Learning
Organiser	**:** PG Department of Economics, Sree Narayana Guru College, Chelannur
Associating Partner	**:** PTA, IQAC
Beneficiary	**:** Economics Students
Date & Year	**:** 06 January 2026
Scope	**:** The seminar was organised to introduce students to the rapidly evolving field of Artificial Intelligence (AI) and Deep Learning. The program aimed to provide participants with a conceptual understanding of AI technologies, their practical applications, and their transformative impact on education, research, business, and society. The seminar also sought to encourage students to

explore emerging technological developments and their interdisciplinary relevance.

Coordinator **:** Department Faculty Members

Duration **:** Approximately 2–3 Hours

Objectives **:** To introduce students to the concepts and applications of Artificial Intelligence and Deep Learning.
To create awareness regarding emerging technological advancements and their societal implications.
To familiarize participants with the practical applications of AI in various sectors.

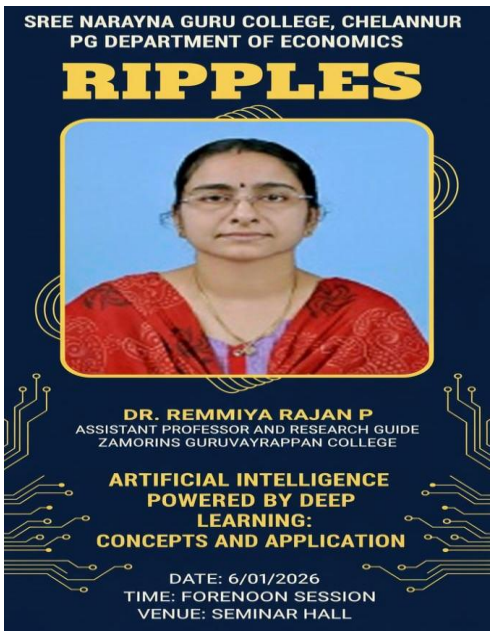

Outcome **:** Students gained a foundational understanding of Artificial Intelligence and Deep Learning.
Participants became aware of the growing applications of AI across different sectors.
The seminar stimulated interest in technology-driven innovation and research.

Brochure:

Detailed Report

As part of the Ripples Seminar Series, the PG Department of Economics organised a seminar on “Artificial Intelligence Powered by Deep Learning: Concepts and Applications” on 06 January 2026 at the Seminar Hall of Sree Narayana Guru College, Chelannur. The program was conceived with the objective of familiarising students with one of the most significant technological developments of the contemporary era—Artificial Intelligence (AI)—and its growing influence on various aspects of society, economy, education, and industry.

The seminar was led by Dr. Remmiya Rajan P., Assistant Professor, ZG College, who served as the resource person for the session. The program attracted enthusiastic participation from students and faculty members who were keen to understand the implications of AI-driven technological transformations. Given the increasing relevance of artificial intelligence in everyday life and professional environments, the seminar provided a timely platform for academic engagement with this emerging field.

The program commenced with a welcome address delivered by Dr. Vidhu Johnson, Head of the Department of Economics. In her remarks, she highlighted the importance of understanding technological advancements in an increasingly digital world. She emphasized that students, irrespective of their academic discipline, must develop awareness regarding technological innovations that are reshaping economic systems, labour markets, and social interactions.

The resource person began the session by introducing the fundamental concepts of Artificial Intelligence and explaining how machines can be designed to perform tasks that traditionally require human intelligence. Participants were introduced to concepts such as machine learning,

neural networks, data processing, pattern recognition, and predictive analytics. The discussion focused on making complex technological ideas accessible to students from diverse academic backgrounds.

A major highlight of the seminar was the explanation of Deep Learning, a specialized branch of Artificial Intelligence that enables computers to learn from large volumes of data. Through illustrative examples, the resource person explained how deep learning algorithms are capable of recognizing images, understanding language, processing speech, and making predictions with remarkable accuracy. Students gained valuable insights into the mechanisms through which AI systems learn and improve their performance over time.

The seminar also explored the practical applications of Artificial Intelligence across various sectors. The resource person discussed the use of AI in healthcare, education, finance, agriculture, transportation, and business analytics. Particular attention was given to the role of AI in improving decision-making processes, enhancing productivity, and solving complex societal challenges. Students were introduced to real-world examples demonstrating how AI technologies are transforming industries and creating new opportunities for innovation.

An important component of the discussion focused on the relevance of AI for academic research and education. Participants learned how AI-powered tools can assist in data analysis, literature review, forecasting, and knowledge generation. The session encouraged students to explore the potential applications of AI in economics, social sciences, and interdisciplinary research. This perspective was particularly valuable in helping students appreciate the role of technology in modern academic inquiry.

The seminar also addressed the ethical, social, and economic implications of Artificial Intelligence. The resource person highlighted concerns related to data privacy, algorithmic bias, automation, employment displacement, and responsible AI governance. Students were encouraged to critically examine both the opportunities and challenges associated with technological advancement. This balanced approach enabled participants to develop a more nuanced understanding of the broader implications of AI adoption.

As part of the program, the department organised a paper presentation competition that provided students with an opportunity to engage more actively with the seminar theme. Participants presented papers on various aspects of Artificial Intelligence, including its

applications, opportunities, challenges, and future prospects. The competition promoted research orientation, critical thinking, and academic communication skills among students.

The interactive nature of the seminar encouraged active participation throughout the session. Students raised questions regarding AI applications, career opportunities, technological trends, and ethical concerns. The resource person addressed these queries comprehensively, creating an engaging learning environment that stimulated curiosity and intellectual discussion.

The program concluded with a vote of thanks delivered by Capt. Dr. Sindhu Krishnadas. Participants expressed their appreciation for the insightful and informative nature of the seminar. Feedback indicated that the program significantly enhanced their understanding of Artificial Intelligence and inspired many students to explore emerging technologies more deeply.

Overall, the Ripples Seminar on "Artificial Intelligence Powered by Deep Learning: Concepts and Applications" successfully achieved its objectives by creating awareness regarding contemporary technological developments and their societal relevance. The program enriched students' knowledge, encouraged interdisciplinary learning, and strengthened their preparedness for a technology-driven future. It stands as an important academic initiative that reflects the department's commitment to promoting innovation, critical inquiry, and lifelong learning.

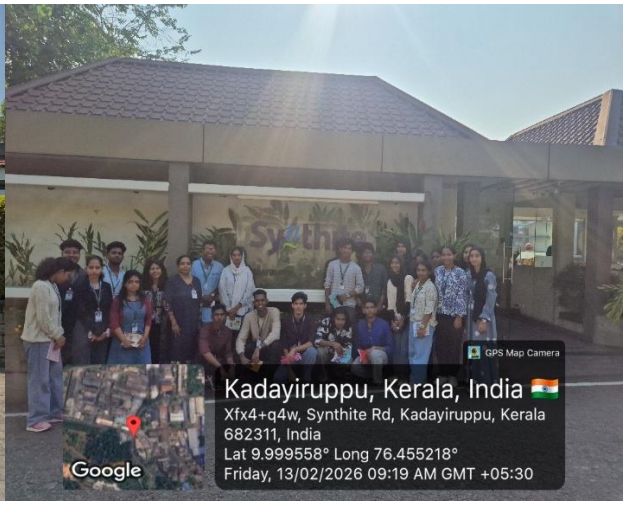

Industrial Visit to Synthite Industries Pvt. Ltd.

Program Name	**:** Industrial Visit to Synthite Industries Pvt. Ltd.
Organiser	**:** PG Department of Economics, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Synthite Industries Private Limited, Kadayirippu
Beneficiary	**:** Fourth Semester FYUG Economics Students
Date & Year	**:** 13 February 2026
Scope	**:** The industrial visit was organised to provide students with practical exposure to industrial operations, production processes, quality management systems, export-oriented manufacturing, and global business practices. The program aimed to bridge the

	gap between classroom learning and real-world industrial operations while enhancing students' understanding of industrial development, international trade, and entrepreneurship.
Coordinator	**:** Department Faculty Members
Duration	**:** One Day
Objectives	**:** To provide practical exposure to industrial operations and manufacturing processes. To familiarize students with modern production technologies and quality control systems. To understand the role of industrial enterprises in economic development and employment generation.
Outcome	**:** Students gained first-hand knowledge of industrial production processes. Participants understood the functioning of export-oriented manufacturing industries. Awareness regarding quality standards, innovation, and industrial management was enhanced.

Geo Tagged Photos:

Detailed Report

The PG Department of Economics organised an Industrial Visit to Synthite Industries Private Limited, Kadayirippu, on 13 February 2026 for the Fourth Semester FYUG Economics students. The visit was undertaken as part of the department's commitment to experiential learning and industry-academia interaction. Industrial visits play a vital role in complementing classroom instruction by enabling students to observe practical aspects of production, management, technology, and business operations. The program was designed to provide students with an opportunity to gain direct exposure to one of India's leading manufacturing enterprises and understand its contribution to industrial development and international trade.

Synthite Industries Private Limited is internationally recognised as the world's largest producer of spice extracts, essential oils, and botanical extracts. The company has established itself as a global leader in the production of plant-derived ingredients used in the food, flavour, fragrance, health, and wellness industries. With a presence in multiple countries and a diverse portfolio of more than five hundred products, Synthite represents a successful example of Indian industrial entrepreneurship and innovation. The company is particularly renowned for

pioneering spice oleoresin production in India and supplying products to major multinational corporations across the globe.

The industrial visit commenced with an orientation session conducted by company officials. During the introductory briefing, students were provided with an overview of the history, growth, and global operations of Synthite Industries. The officials explained how the company evolved from a regional enterprise into a globally competitive organisation through continuous innovation, technological advancement, and adherence to international quality standards. Students were introduced to the company's mission, vision, organisational structure, and key business segments.

One of the major highlights of the visit was the opportunity to observe various stages of the manufacturing process. Students were guided through production units where they witnessed the processing of raw materials into value-added products. Company representatives explained the procedures involved in extraction, processing, packaging, and quality assurance. Participants gained practical insights into how agricultural products are transformed into high-value industrial outputs through scientific and technological interventions.

The visit also exposed students to modern quality management practices. Officials explained the rigorous quality control mechanisms implemented by the company to ensure product consistency and compliance with international standards. Students learned about laboratory testing procedures, certification requirements, and quality assurance systems that enable the company to maintain its reputation in global markets. The emphasis on quality highlighted the importance of standards and regulatory compliance in international trade.

A significant aspect of the industrial visit was the discussion on export-oriented production and global markets. Students were informed about the company's international operations and its role in supplying ingredients to leading multinational brands. The session provided valuable insights into global value chains, international marketing strategies, and export management. Students were able to connect theoretical concepts studied in economics and international trade courses with practical business operations observed during the visit.

The company officials also discussed the importance of innovation, research, and product development in maintaining competitiveness in global markets. Participants learned how continuous investment in research and development helps the company introduce new products, improve production efficiency, and respond to changing consumer preferences. The

discussion demonstrated the critical role of innovation in sustaining industrial growth and market leadership.

Another important learning outcome of the visit was the understanding of employment generation and industrial development. Students observed the diverse range of professional roles within the organisation, including production management, quality control, logistics, marketing, research, and administration. This exposure enabled participants to appreciate the multidimensional nature of industrial enterprises and the variety of career opportunities available in the manufacturing sector.

The industrial visit also highlighted the significance of sustainability and responsible business practices. Company representatives explained various initiatives undertaken to promote environmental sustainability, efficient resource utilisation, and ethical business conduct. These discussions encouraged students to think critically about the relationship between industrial growth, environmental responsibility, and sustainable development.

Throughout the visit, students actively interacted with company officials and sought clarification regarding production processes, export markets, technological innovations, and career prospects. The interactive discussions enriched the learning experience and provided participants with practical knowledge that cannot be acquired solely through classroom instruction. Faculty members accompanying the students encouraged them to observe industrial operations critically and relate their observations to economic concepts studied in their curriculum.

The program concluded with a feedback session and expression of gratitude to the management and staff of Synthite Industries for facilitating the visit. Students acknowledged that the experience significantly enhanced their understanding of industrial operations, global business practices, and economic development. Many participants expressed appreciation for the opportunity to witness the practical application of economic principles in a real-world industrial setting.

Overall, the Industrial Visit to Synthite Industries Private Limited successfully achieved its objectives by providing students with valuable industrial exposure and experiential learning opportunities. The program strengthened the integration of theoretical knowledge and practical understanding, enhanced awareness regarding industrial development and global value chains, and encouraged students to explore future career opportunities in industry and business. The

visit stands as a significant academic initiative that contributed meaningfully to the holistic development of students and enriched their educational experience.

Economics Association Inauguration

Program Name	: Economics Association Inauguration
Organiser	: Economics Association, PG Department of Economics
Associating Partner	**:** College Union
Beneficiary	: Undergraduate and Postgraduate Students of Economics
Date & Year	:13 March 2026
Scope	**:** The program was organised to inaugurate the Economics Association for the academic year and to provide students with guidance regarding higher education opportunities and career prospects available to Economics graduates. The session aimed to motivate students to pursue advanced studies, develop professional competencies, and make informed career decisions in a rapidly changing economic environment.
Coordinator	**:** Faculty members, Department of Economics
Duration of the Program	: 3 Hours
Objectives	**:**To formally inaugurate the Economics Association and encourage student participation in academic activities. To create awareness regarding higher education opportunities available for Economics students. To provide information about diverse career pathways in economics and related disciplines.
Outcomes	**:**Students gained awareness regarding postgraduate programs and research opportunities in Economics and allied disciplines. Participants developed a better understanding of career opportunities in academia, government, corporate sectors, and development organisations.

The session motivated students to plan their higher education and professional careers systematically.

Brochure:

Detailed Report

The Economics Association of the PG Department of Economics, Sree Narayana Guru College, Chelannur, was formally inaugurated on 13 March 2026 at the College Seminar Hall. The program was organised with the dual objective of inaugurating the Economics Association for the academic year and conducting an invited lecture on “Higher Education and Career Opportunities for Economics Students.” The event sought to provide students with academic motivation, career guidance, and a platform for intellectual engagement beyond the classroom.

The program witnessed enthusiastic participation from undergraduate and postgraduate students, faculty members, and invited guests. The inauguration marked the beginning of the association's academic and co-curricular activities aimed at enhancing students' knowledge, leadership abilities, and professional competencies. The Economics Association has traditionally played an important role in fostering academic discussions, seminars, workshops, debates, and student-centered initiatives, and the inaugural program reflected this commitment to holistic student development.

The inaugural session commenced with a welcome address delivered by Dr. Vidhu Johnson, Head of the Department. Principal in charge, Dr.Abhilash E.S presided over the function and during his address, he highlighted the objectives of the Economics Association and emphasized the importance of active student participation in academic forums. Students were encouraged to take advantage of the association's opportunities to enhance their intellectual growth, communication skills, and leadership capabilities.

The chief guest and guest of honour for the program was Dr Rajesh I. D., Assistant Professor, Department of Development Studies, University of Calicut. In his inaugural address, he appreciated the department's efforts to promote academic excellence and create platforms for student engagement. He emphasised that student associations play a crucial role in complementing classroom learning by fostering critical thinking, creativity, and collaboration.

Following the inauguration, Dr. Rajesh I. D. delivered an insightful lecture on "Higher Education and Career Opportunities for Economics Students." The lecture focused on the evolving academic and professional landscape available to students pursuing Economics as a discipline. The resource person explained that Economics provides a strong analytical foundation that enables graduates to pursue a wide range of careers in both public and private sectors.

A significant portion of the lecture was devoted to discussing higher education opportunities available after graduation. Students were introduced to postgraduate programs in Economics, Applied Economics, Development Studies, Public Policy, International Relations, Data Analytics, Business Economics, and related disciplines. The resource person explained the academic structure, admission procedures, and career prospects associated with these programs. Particular emphasis was placed on the importance of selecting higher education pathways that align with students' interests, aptitudes, and long-term career goals.

The session also highlighted opportunities for research and academic careers. Students were informed about the possibilities of pursuing M.Phil., Ph.D., and postdoctoral research in Economics and allied fields. The resource person explained the significance of research in addressing contemporary economic and developmental challenges and encouraged students to cultivate research skills through reading, writing, and participation in academic activities.

An important aspect of the lecture focused on career opportunities available to Economics graduates. Dr. Rajesh I. D. discussed employment prospects in government departments, planning agencies, financial institutions, banking, civil services, research organisations, international development agencies, non-governmental organisations, corporate enterprises, and educational institutions. He explained how the analytical and quantitative skills acquired through the study of Economics are highly valued across diverse professional sectors.

The resource person also stressed the importance of skill development in enhancing employability. Students were encouraged to acquire competencies in data analysis, statistical software, communication, report writing, digital literacy, and problem-solving. The discussion highlighted the growing demand for professionals who can analyse data, interpret economic trends, and contribute to evidence-based decision-making processes. Participants were advised to continuously update their skills in order to remain competitive in a dynamic labour market.

Another major theme of the lecture was preparation for competitive examinations and professional advancement. Students received guidance regarding examinations conducted by the Union Public Service Commission, Kerala Public Service Commission, Reserve Bank of India, banking institutions, and various public sector organisations. The speaker shared practical suggestions regarding preparation strategies, time management, and career planning.

The interactive session that followed enabled students to engage directly with the resource person. Participants raised questions regarding higher education options, scholarship opportunities, employment prospects, and skill requirements in different sectors. The discussion proved highly informative and helped clarify several concerns related to academic and professional development. Students appreciated the opportunity to interact with an experienced academician and gain practical insights into future opportunities.

The program concluded with a vote of thanks delivered by a faculty member of the department. Participants expressed their appreciation for the relevance and usefulness of the session. The

lecture was widely regarded as inspiring and informative, providing students with greater clarity regarding their educational and career aspirations.

Overall, the Economics Association Inauguration and Invited Lecture on “Higher Education and Career Opportunities for Economics Students” successfully achieved its objectives by creating awareness regarding academic and professional opportunities available to Economics students. The program strengthened the academic culture of the department, motivated students to pursue higher studies and professional excellence, and laid a strong foundation for the activities of the Economics Association during the academic year. It stands as a significant initiative in promoting informed career planning, academic engagement, and holistic student development.

DEPARTMENT OF HINDI

Program Name	: Hindi Quiz Competition – Premchand Day Observance
Organiser	: Department of Hindi, SNG College Chelannur
Date	: 31 July 2025
Venue	: SNG College Chelannur
Beneficiaries	: Students of SNG College Chelannur
Objective	: To commemorate Premchand Day and enhance students' knowledge of Hindi language, literature, and the life and works of Munshi Premchand through an engaging quiz competition.

Detailed Report

The Department of Hindi, SNG College Chelannur, organised a Hindi Quiz Competition on 31 July 2025 as part of the Premchand Day Observance. The program aimed to honour the literary contributions of Munshi Premchand while encouraging students to develop a deeper interest in Hindi language and literature.

The competition witnessed enthusiastic participation from students of various departments. The quiz consisted of multiple rounds covering topics such as the life and literary works of Munshi Premchand, Hindi literature, grammar, language, and general literary knowledge. The participants displayed remarkable enthusiasm, confidence, and teamwork throughout the competition.

The faculty members of the Hindi Department conducted the program smoothly and ensured a fair and engaging competition. The winners were appreciated and congratulated for their outstanding performance, while all participants were encouraged for their active involvement.

The program concluded with a vote of thanks, highlighting the significance of celebrating literary icons like Premchand and inspiring students to continue exploring the richness of Hindi literature. The event successfully fulfilled its objective of promoting literary awareness and academic interest among students.

DEPARTMENT OF ARABIC

Innovative Program on Arabic Study

Program Name	: Innovative Program on Arabic Study
Organiser	: Department of Arabic, SNG College Chelannur
Date & Year	: 16 September 2025
Beneficiary	: Students of the Department of Arabic
Scope	: To promote innovative and interactive methods for learning Arabic language and literature.
Coordinator	: Head of the Department and Faculty Members, Department of Arabic
Duration of the Program	: 2 Hours
Objective	: To motivate students to learn Arabic through innovative activities, digital tools, group discussions and interactive learning techniques.
Outcome	: The program enhanced students' interest in Arabic studies and introduced effective learning strategies for improving language skills and literary understanding.

Detailed Report

On 16 September 2025, the Department of Arabic, SNG College Chelannur organised an Innovative Program on Arabic Study for the students of the department. The program aimed to introduce creative and student-centred approaches to Arabic language learning.

Various innovative activities such as vocabulary games, group discussions, digital presentations and interactive language exercises were conducted. Faculty members

demonstrated the use of modern learning tools and online resources that can help students improve their reading, writing, listening and speaking skills in Arabic.

The students actively participated in all sessions and showed great enthusiasm throughout the program. The activities encouraged collaborative learning and helped students develop confidence in using Arabic for communication and academic purposes.

The program concluded with a feedback session in which students shared their learning experiences and expressed their interest in conducting similar programs in the future.

Quiz Competition for Arabic Students

Program Name	: Quiz Competition for Arabic Students
Organiser	: Department of Arabic, SNG College Chelannur
Date & Year	: 17 February 2026
Beneficiary	: Students of the Department of Arabic
Scope	: To assess and improve students' knowledge of Arabic language, literature, grammar and culture through a competitive quiz program.
Coordinator	: Quiz Committee, Department of Arabic
Duration of the Program	: 1 Hour
Objective	: To encourage students to strengthen their knowledge of Arabic and develop a spirit of healthy academic competition.
Outcome	: The quiz competition improved students' awareness of various aspects of Arabic studies and motivated them to engage in further learning and preparation.

Detailed Report

On 17 February 2026, the Department of Arabic, SNG College Chelannur conducted a Quiz Competition for Arabic Students. The competition was organised to promote academic excellence and encourage students to expand their knowledge of Arabic language and literature.

The quiz consisted of multiple rounds covering Arabic grammar, vocabulary, classical and modern Arabic literature, famous authors, cultural heritage and current developments related to the Arab world. Students participated individually and in teams, creating a lively and competitive atmosphere.

The participants demonstrated good knowledge and quick response skills during the competition. Faculty members served as quiz masters and evaluators, ensuring the smooth conduct of the event.

The winners were appreciated for their outstanding performance, and all participants were encouraged to continue their efforts in mastering Arabic studies. The program ended with a brief address highlighting the importance of continuous learning and intellectual curiosity.

World Arabic Day Programs

Program Name	: World Arabic Day Programs
Organiser	: Department of Arabic, SNG College Chelannur
Date & Year	: 18 December 2025
Beneficiary	: Students of the Department of Arabic
Scope	: To celebrate World Arabic Day and create awareness about the significance of the Arabic language and its cultural heritage.
Coordinator	: Department of Arabic Faculty Team
Duration of the Program	: 3 Hours
Objective	: To commemorate World Arabic Day and encourage students to appreciate the richness of Arabic language, literature and culture through various academic and cultural activities.
Outcome	: The celebration increased students' awareness of the global importance of Arabic and provided opportunities for cultural expression and academic engagement.

Detailed Report

On 18 December 2025, the Department of Arabic, SNG College Chelannur organised World Arabic Day Programs in connection with the international observance of World Arabic Day. The celebration aimed to highlight the historical, cultural and linguistic importance of Arabic as one of the world's major languages.

The program included Arabic speeches, poetry recitation, essay writing, calligraphy exhibition, cultural presentations and interactive sessions on the contribution of Arabic to world civilisation. Students actively participated in the competitions and cultural events, displaying their linguistic talents and creativity.

Faculty members addressed the gathering and explained the role of Arabic in literature, science, philosophy and intercultural communication. The celebration created a vibrant academic atmosphere and strengthened the students' interest in Arabic language and culture.

The program concluded with the distribution of certificates and prizes to the winners of various competitions, followed by a vote of thanks.

DEPARTMENT OF SANSKRIT

Quiz program on Indian aesthetics

Program Name	**:**Quiz program on Indian aesthetics
Organiser	**:**Department of Sanskrit
Associating Partner	**:**IQAC
Beneficiary	**:** UG students in the college
Date & year	**:**20/06/2025
Scope	**:**Quiz program on Indian aesthetics explores the vast philosophy of beauty, art, and expression spanning thousands of years. It delves into classical concepts like the Rasa theory (emotional flavors) and Bhava (states of mind) originating from Bharata Muni's Natyashastra. The scope encompasses diverse traditional art forms, including classical dance, classical music, ancient architecture, temple sculptures, and regional painting styles like Miniature and Madhubani. Participants engage with the foundational texts of Indian philosophy, literary traditions, and the cultural evolution of aesthetic values across Hindu, Buddhist, and Jain heritages. Ultimately, the program bridges historical traditions with modern expressions, testing knowledge on how ancient artistic principles continue to influence contemporary Indian cinema, design, and literature.
Coordinator	**:**Dr. Santhosh C R
Duration of the program	**:**One Hour

Objective	**:**Program focused on Indian Aesthetics (Saundaryaśāstra) aims to explore ancient India's core theories of art, beauty, literature, and performance. It tests participants' grasp of classical concepts that define how emotions and beauty are expressed and experienced.
Outcome	**:** Deeper Conceptual Clarity: Participants master complex aesthetic frameworks like Rasa, Dhvani, and Alankara.
Increased Textual Literacy	: Competitors gain immediate familiarity with core texts like the Natya Shastra and Dhvanyaloka.
Enhanced Critical Thinking	: Students learn to analyze modern art and literature through classical Indian critical lenses.
Expanded Sanskrit Vocabulary	: Vocabulary grows with precise technical terms like Sahṛdaya, Bhāva, and Camatkāra.
Improved Performance Analysis	: Participants learn to decode the subtle emotional and structural nuances of classical dance and drama.
Audience Outcomes	
Cultural Preservation	: The event successfully revives interest in ancient Indian art philosophy among younger generations.
Community Engagement	:Audiences develop into Sahṛdayas (cultivated, empathetic viewers) who appreciate classical arts more deeply.
Interdisciplinary Bridges	: The program inspires students to connect Sanskrit literature with modern disciplines like psychology and film studies.
Resource Generation	: The quiz creates a reusable bank of high-quality questions and study materials for future academic use.

A college-level quiz competition on "Indian Aesthetics" was successfully conducted at Sree Narayana Guru (SNG) College. The event was organized by the Department of Sanskrit to enhance students' understanding of classical Indian philosophy, literary theories, and art forms.

Format: A preliminary screening round followed by an intensive four-round stage finale.

The competition drew enthusiastic participation from multiple student teams. The final competition was structured into specialized thematic rounds:

Round 1 (The Foundational Texts): Focused on the Nāṭyaśāstra of Bharata Muni and classical treatises on poetry and drama.

Round 2 (Rasa and Bhava): Tested concepts surrounding the core aesthetic emotions, including the eight primary Rasas and the Dhvani theory.

Round 3 (Schools of Poetics): Challenged participants on the six major schools of Sanskrit poetics, including Alankara, Riti, and Vakrokti.

Round 4 (Visual and Performing Arts): Explored the intersection of aesthetic theories with classical Indian dance, sculpture, and painting.

Winners and Conclusion

The quiz generated a spirited competitive atmosphere.

The Principal and the Quiz Master presented prizes to the winners. The program concluded with an appreciation of how traditional concepts can be bridged with contemporary literary.

CLUBS AND COMMITTEES 2025- 26

NCC ARMY WING ANNUAL REPORT 2025-26

WORLD ENVIRONMENT DAY - JUNE 05

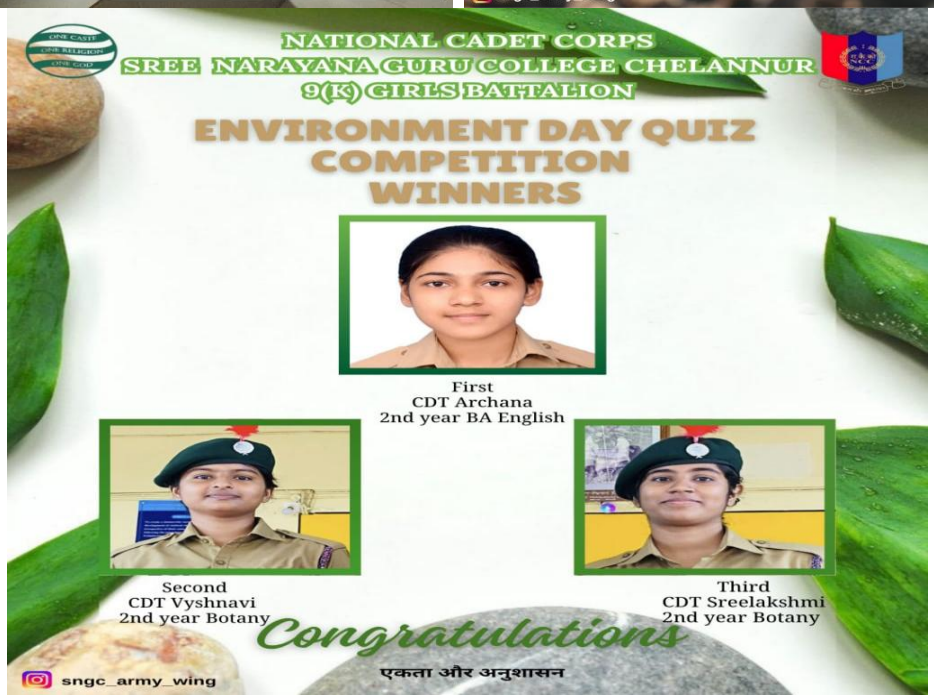

Program Name	**:**World Environment Day Celebration
Organiser	**:**NCC Army Wing
Associating Partner	**:**United Nations Environment Program (UNEP) Global Initiative
Beneficiary	**:**College students, cadets, and the environment
Date & year	**:**June 05, 2025
Scope	**:**Institutional & Community level environmental outreach to end plastic pollution and enhance biodiversity.
Coordinator	**:**ANO Capt. Dr. Sindhu Krishnadas T, UO Gayathri P Nair, and UO Anjana Sathyan
Duration of the program	**:**1 hour 45 minutes (10:00 AM to 11:45 AM)
Objective	**:**To raise global awareness about environmental protection, eliminate plastic waste globally under the slogan "Beat Plastic Pollution", and repair ecosystems.
Outcome	**:**Cleaned college premises, successfully collected plastic waste, conducted a competitive quiz to test knowledge, and planted saplings to enhance the green cover of the college.

World Environment Day is the biggest international day for the environment. Led by the United Nations Environment Program (UNEP), and held annually since 1973, it has grown

to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world. The Republic of Korea will host World Environment Day 2025 with a focus on ending plastic pollution globally. Ridding the planet of plastic pollution is an important contribution to achieving the Sustainable Development Goals, including those on climate action, sustainable production and consumption, protection of seas and oceans and repairing ecosystems and retaining biodiversity.

World Environment Day was celebrated by NCC Army Wing. The program began at 10 am. A sapling was planted by Dr. Abhilash Sir, HOD BSC. Botany and ANO Capt. Dr. Sindhu Krishnadas T. The program was conducted under the guidance of ANO Capt. Dr. Sindhu Krishnadas, UO Gayathri P Nair and UO Anjana Sathyan. Ex NCC Cadets also took part in the program. The slogan for environment day this year is "Beat Plastic Pollution". Cadets also cleaned college premises and collected plastic waste. A quiz competition was also conducted. The program was over by 11.45 am.

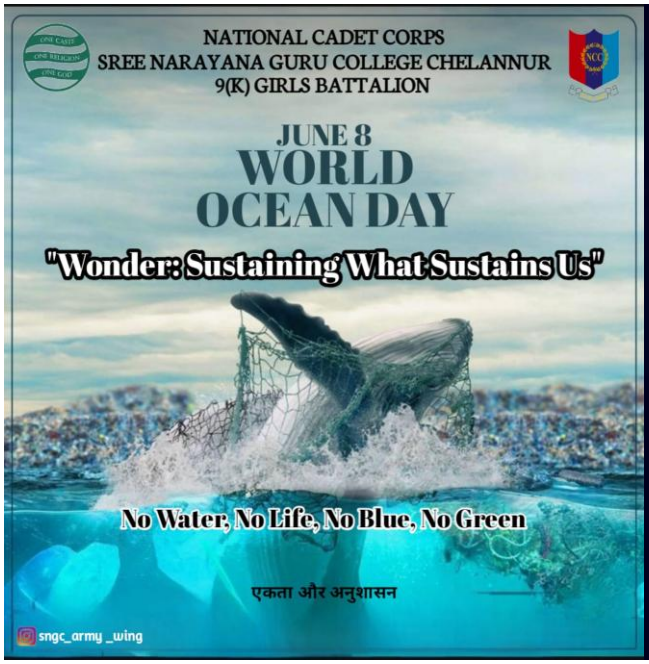

WORLD OCEAN DAY – JUNE 08

Program Name	**:**World Ocean Day Observation
Organiser	**:**NCC Army Wing
Associating Partner	**:**UN General Assembly Global Awareness Network
Beneficiary	**:**NCC Cadets and College Students
Date & year	**:**June 08, 2025 (Webinar conducted on June 07, 2025)
Scope	**:**Digital awareness platform targeting ocean conservation, exploration, and sustainable resource management.
Coordinator	**:**ANO Capt. Dr. Sindhu Krishnadas T, UO Gayathri P Nair, and UO Anjana Sathyan
Duration of the program	**:**1 hour (6:00 PM to 7:00 PM)
Objective	**:**To celebrate the shared blue planet and encourage public action to conserve marine ecosystems under the theme "Wonder: Sustaining what sustains us".

Outcome **:**Enhanced understanding of civic responsibilities in ocean preservation among youth, followed by a digital poster-making competition to promote creative messaging.

World Oceans Day is celebrated annually on June 8th to raise awareness about the importance of oceans and their vital role in our planet's health. The UN General Assembly designated June 8th as World Oceans Day in 2008. The day's purpose is to celebrate the ocean, our shared blue planet, and to encourage action to protect and conserve it.

The theme for World Oceans Day 2025 is “Wonder: Sustaining what sustains us”, which event organisers say aims to celebrate the wonder and awe that the ocean inspires in us, and the important role that wonder plays in encouraging curiosity, scientific knowledge, exploration, and innovation.

A webinar was conducted in accordance with World Ocean day on the topic “Wonders : Sustaining What Sustains Us” by NCC cadets. The program began at 6 pm. ANO Capt. Dr. Sindhu Krishnadas T addressed about the importance of conserving ocean and the responsibilities of each person in the society. UO Gayathri P Nair presented the introduction followed by 2nd year and 3rd year cadets. Talking about the importance of ocean conservation. Vote of thanks was given by UO Anjana Sathyan and other two cadets. The program was over by 7 pm. A poster making competition was also conducted in accordance with the World Ocean Day.

INTERNATIONAL YOGA DAY – JUNE 21

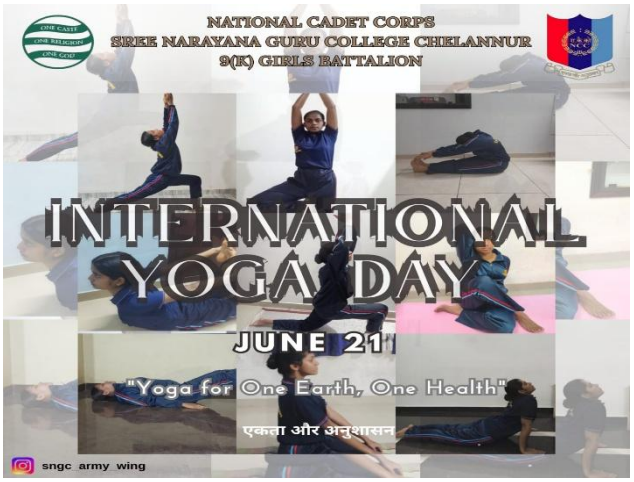

Program Name	**:**11th International Day of Yoga
Organiser	**:**NCC Army Wing
Associating Partner	**:**NCC Naval Wing and NSS Unit
Beneficiary	**:**NCC Army Cadets, Naval Cadets, NSS Volunteers, and family members
Date & year	**:**June 21, 2025
Scope	**:**Institutional level health and spiritual wellness drive integrated with domestic participation.
Coordinator	**:**Principal Dr. Kumar S P and NSS Coordinator Dr. Jeothilakshmi. S K
Duration of the program	**:**Integrated single-day drive (Main session started at 10:30 AM)
Objective	**:**To align yoga with global sustainability and well-being under the national theme “Yoga for One Earth, One Health”, enhancing mental, physical, and spiritual development.

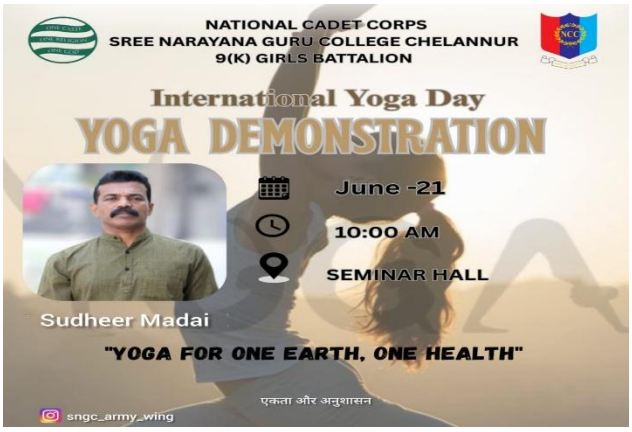

Outcome **:**Cadets and volunteers adopted daily yogic disciplines. instructional layouts were demonstrated by an expert trainer, and family networks were effectively Practical integrated into health awareness.

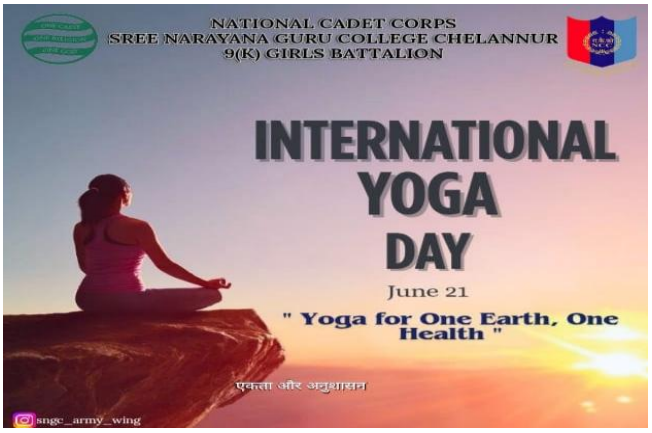

The International Day of Yoga is a day in recognition of Yoga that is celebrated around the world annually on 21 June. Theme of 2025 yoga day is “Yoga for One Earth, One Health”, aligning yoga with sustainability and global well-being.

The NCC Army Wing of SNGC observed International Yoga Day on 21st June. All 78 cadets practiced yoga at home also by including their family members, promoting physical and mental well-being. This Yoga Day was observed by SNGC, bringing together NCC Army Wing, Naval Wing and NSS Unit. The program began at 10.30 am in Seminar Hall. The program was inaugurated by Principal Dr. Kumar S P. NSS Coordinator Jyothi ma'am coordinated the program. The cadets and NSS volunteers practiced yoga under the guidance of Sri. Sudheer Madai. The program was conducted effectively.

The International Day of Yoga (IDY) in 2025 will mark a significant milestone-promoting yoga as a global movement that enhances physical, mental, and spiritual well-being and we are celebrating the 11th IDY in a truly global and inclusive manner.

INTERNATIONAL DAY AGAINST DRUG ABUSE AND ILLICIT TRAFFICKING – JUNE 26

Program Name	**:**World Drug Day Observation
Organiser	**:**NCC Army Wing
Associating Partner	**:**NCC Naval Wing
Beneficiary	**:**College community, youth sectors, and general public
Date & year	**:**June 26, 2025
Scope	**:**Anti-narcotics awareness and institutional compliance campaign against illegal substance distribution networks.
Coordinator	**:**Principal Dr. Kumar S P and ANO Capt. Dr. Sindhu Krishnadas T
Duration of the program	**:**Multi-session day drive (Commenced at 11:30 AM)
Objective	**:**To strengthen institutional action and cooperation to realize a society free of drug abuse, operating under the 2025 global theme: "The Evidence is Clear: Invest in Prevention".

Outcome	**:**Dissemination of preventative strategies via hybrid formats, executing public flashmobs, educational seminars, and webinars to empower anti-drug advocacy.

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year to strengthen action and cooperation in achieving a world free of drug abuse. This year 2025, the International Day Against Drug Abuse and Illicit Trafficking, theme is "The Evidence is Clear: Invest in Prevention".

International Day Against Drug Abuse and Illicit Trafficking was observed by NCC Army Wing. The program began at 11.30 am in the presence of Principal Dr. Kumar S P and ANO Capt. Dr. Sindhu Krishnadas T, from the college premises. The program was conducted in coordination with NCC Naval Wing. A webinar was also conducted on the topic "The Evidence is Clear: Invest in Prevention", spreading awareness about drug abuse. The program was conducted effectively.

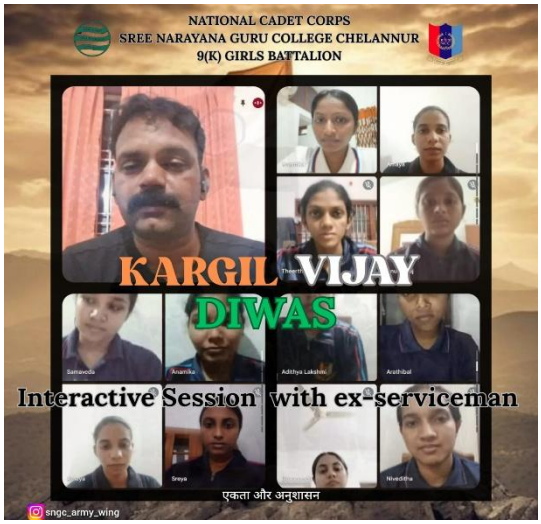

KARGIL VIJAY DIWAS – JULY 26

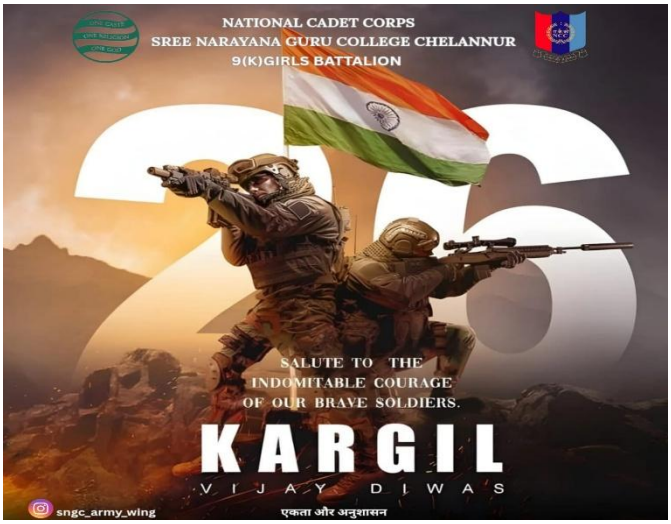

Program Name	**:**Kargil Vijay Diwas Interactive Webinar
Organiser	**:**NCC Army Wing
Associating Partner	**:**Ex-Servicemen Welfare Liaison Network
Beneficiary	**:**NCC Army Wing Cadets
Date & year	**:**July 26, 2025
Scope	**:**Patriotic orientation, historical militancy education, and military strategic evaluation.
Coordinator	**:**Under Officer (UO) Gayathri P Nair

Duration of the program :Custom evening interaction block

Objective :To honor the historical victory of Indian Armed Forces over infiltrators in the 1999 Kargil War and evaluate the strategic hardships endured by defense forces.

Outcome :Cadets interacted directly with active field veterans, clarified strategic field doubts, and achieved an advanced patriotic mindset regarding frontier defenses.

Kargil Vijay Diwas is celebrated every year on 26th of July in India, to observe India's victory over Pakistan in the Kargil War for ousting Pakistani Forces from their occupied positions on the mountain tops of Northern Kargil District in Ladakh in 1999.

Kargil Vijay Diwas was observed by the NCC Army Wing cadets of SNGC with due respect. A webinar was conducted at to make cadets aware of the struggles and determination of an army personnel, the interactive session with an ex - serviceman leading to be very eye opening. The session was handled by UO Gayathri with Hav Linesh K as the main guest. The session gave opportunity for cadets ask their doubts and get answers on the hurdles of a soldier. The program was conducted effectively with the active participation of cadets.

GREENING INDIA'S WASTELAND

Program Name :Greening India's Wasteland Drive

Organiser :NCC Army Wing

Associating Partner	**:**Local Panchayaths of Balussery, Sivapuram, and Chemancheri
Beneficiary	**:**Regional ecosystems and local rural communities
Date & year	**:**July 26, 2025
Scope	**:**Decentralized community-level afforestation and ecological restoration project across multiple geographical zones.
Coordinator	**:**Senior Cadet Representatives under ANO Guidance
Duration of the program	**:**Full-day decentralized field operations (11:00 AM to 5:00 PM across sectors)
Objective	**:**To revive damaged rural ecosystems, clean peripheral community waste zones, and expand green foliage on uncultivated wastelands.
Outcome	**:**Successful plantation of multi-species saplings in rural sectors, elimination of wild growth, and creation of public awareness videos for social channels.

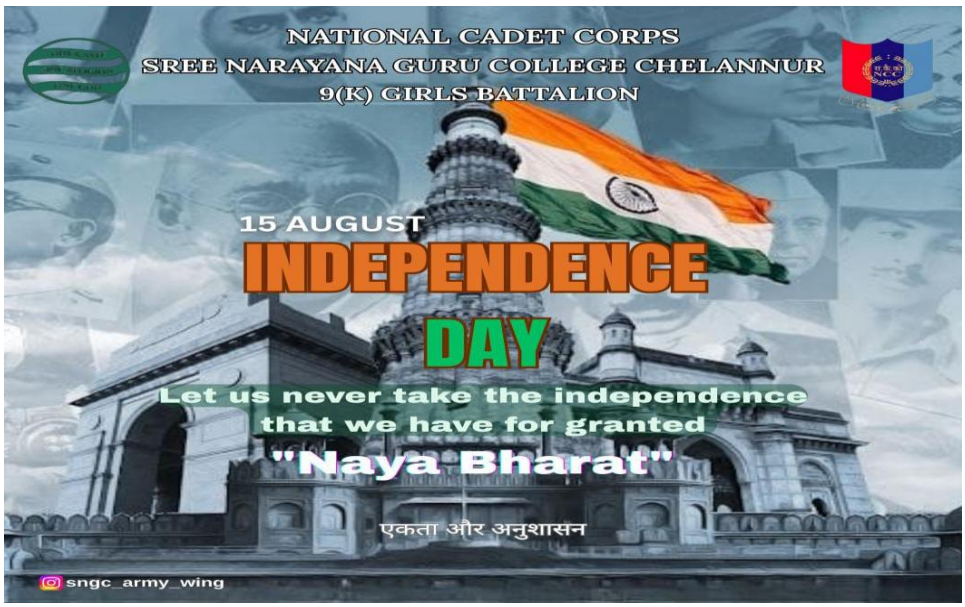

The program “Greening India’s Wasteland” is observed as part of an environmental awareness initiative linked to World Environment Day. This day aims to encourage global awareness and action for the protection of the environment. This day is mainly focused on reviving damaged ecosystems and making the Earth greener.

In line with this theme, the NCC cadets of SNGC Army wing organized a meaningful cleanliness and plantation drive. The cadets actively cleaned the surroundings and planted saplings. Cadets also took initiative in recording videos of the activity to spread awareness and encourage others to take part in environmental conservation. The program was conducted effectively and encouraged cadets to bring awareness about the surroundings.

INDEPENDENCE DAY – AUGUST 15

Program Name	**:**79th National Independence Day Ceremonial Observation
Organiser	**:**NCC Army Wing
Associating Partner	**:**NCC Naval Wing and NSS Unit
Beneficiary	**:**College faculty, institutional staff, and all functional cadres
Date & year	**:**August 15, 2025
Scope	**:**National celebratory observation, parade evaluation, and community integration under national guidelines.
Coordinator	**:**Principal Dr. Kumar S P, ANO Capt. Dr. Sindhu Krishnadas T, and NSS Coordinator Jyothi Ma'am
Duration of the program	**:**1 hour 30 minutes (8:30 AM to 10:00 AM)
Objective	**:**To commemorate the historic sovereignty of India from British rule and evaluate citizen alignment with the national focal vision: "Naya Bharat".
Outcome	**:**Successful flag hoisting ceremony, delivery of motivational speeches on national development, pledge administration, and distribution of traditional Payasam to celebrate unity.

Independence Day is celebrated annually on 15 August in India commemorating the nation's independence from the United Kingdom on 15 August 1947. The theme for the 79th Independence Day celebrations is "Naya Bharat."

NCC Army Wing of SNGC observed Independence Day in coordination with NCC Naval Wing and NSS Unit. The program began at 8.30 am from college premises. Flag hoisting was done by Principal Dr. Kumar S P. ANO Capt. Dr. Sindhu Krishnadas T and NSS Coordinator Jyothi ma'am spoke at the event. The program was followed by payasam distribution to all cadets and volunteers as a gesture of goodwill and to mark the spirit of freedom and unity. The program was over by 10 am. The program was conducted effectively.

INTERNATIONAL COASTAL CLEANUP DAY – SEPTEMBER 20

Program Name	**:**International Coastal Cleanup Drive
Organiser	**:**NCC Army Wing
Associating Partner	**:**Indian Coast Guard Station (ICGS) Beypore, NSS Volunteers, and Providence Women's College NCC Unit
Beneficiary	**:**Marine ecosystems, public tourists, and municipal coastal systems
Date & year	**:**September 20, 2025
Scope	**:**Inter-institutional community service and coastal waste management campaign at Kozhikode Beach.
Coordinator	**:**Indian Coast Guard Commandants and NCC Field Officers
Duration of the program	**:**2 hours (Field cleaning ran from 7:30 AM to 8:30 AM; arrival at 6:30 AM)
Objective	**:**To eliminate non-biodegradable trash from marine coastlines, counter plastic accumulation in oceanic channels, and honor local sanitation workers.
Outcome	**:**Cleaned a large section of Kozhikode Beach, successfully segregated tons of plastic, wood, and glass waste, and promoted responsible public waste disposal habits.

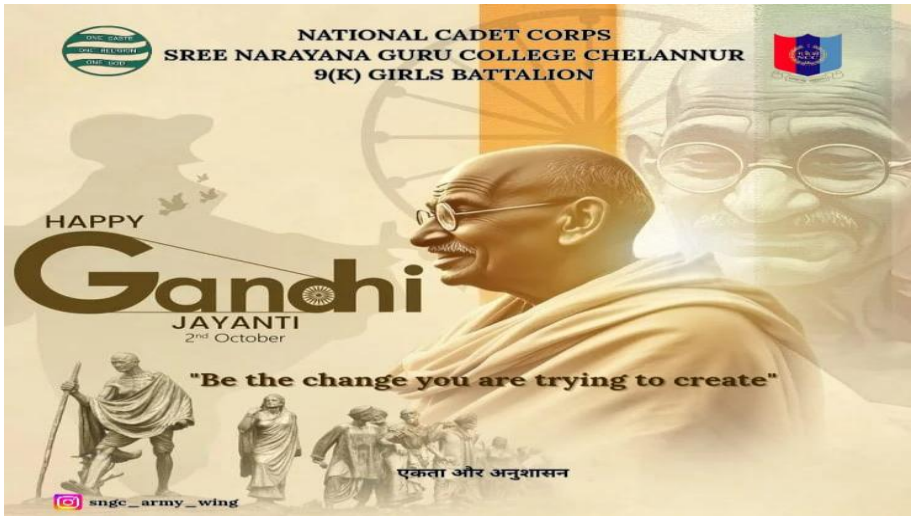

International Coastal Cleanup Day is an annual, worldwide volunteer event held on the third Saturday of September, dedicated to cleaning up beaches and waterways and raising awareness about marine pollution. The Indian Coast Guard (ICGS) Beypore organized a major coastal cleanup event at Kozhikode Beach on 20th September 2025. This initiative involved participation from NCC cadets, NSS volunteers, and other groups, with the goal of keeping the coastline clean and waste-free.

NCC Army Wing cadets of SNGC participated in the cleaning drive. All cadets reached Kozhikode beach by 6.30 am and completed their registration and collected cleaning equipment and t-shirt. Cleaning began at 7.30 am after inauguration. All sanitation workers were honoured in the event. Cadets collected plastic waste, glass waste and wood waste separately. After a one-hour cleaning process, a huge amount of waste was collected. After the cleaning session, refreshment was provided. The program ended by 8.30 am. The collective effort of all cadets helped clean a portion of the beach, raising awareness about responsible waste disposal.

GANDHI JAYANTI – OCTOBER 02

Program Name	**:**Gandhi Jayanti Swachh Bharat Celebration
Organiser	**:**NCC Army Wing
Associating Partner	**:**National Swachh Bharat Mission Framework
Beneficiary	**:**College campus community and internal sanitation networks
Date & year	**:**October 02, 2025

Scope	**:**Campus hygiene drive, civic duty orientation, and non-violent philosophy review.
Coordinator	**:**ANO Capt. Dr. Sindhu Krishnadas T, UO Gayathri P Nair, and UO Anjana Sathyan
Duration of the program	**:**Custom morning service session
Objective	**:**To honor the birth anniversary of Mahatma Gandhi and put his core values of truth, non-violence, and community cleanliness into practice.
Outcome	**:**Improved campus hygiene, removed non-biodegradable waste, and strengthened personal responsibility and institutional ownership among cadets.

Gandhi Jayanti is celebrated annually on 2nd October to honour the birth of Mahatma Gandhi, one of the key leaders of the Indian independence movement and a pioneer of the philosophy and strategy of nonviolence. In 2025, the day continues to inspire people across the country to embrace the ideals of truth (Satya) and non-violence (Ahimsa) that Gandhi championed.

To commemorate Gandhi Jayanti, NCC Army Wing cadets of SNGC took the lead in cleaning their premises. The program was coordinated by UO Gayathri P Nair and UO Anjana Sathyan under the guidance of ANO Capt. Dr. Sindhu Krishnadas T. The cadets cleaned up their premises in order to keep the places clean. This proactive effort not only contributed to a hygienic environment but also promoted a sense of responsibility and ownership among the cadets. By engaging in this activity, the cadets demonstrated their commitment to maintaining clean surroundings.

NCC DAY – NOVEMBER 10

Program Name	**:**NCC Day Institutional and Community Outreach Program
Organiser	**:**NCC Army Wing (9(K) Girls Battalion)
Associating Partner	**:**Ashagram CMI Psycho-Social Rehabilitation Centre, Chelannur
Beneficiary	**:**Residents of Ashagram CMI center and the college campus community
Date & year	**:**November 10, 2025
Scope	**:**Social rehabilitation support, humanitarian outreach, and a public cadet rally.
Coordinator	**:**ANO Capt. Dr. Sindhu Krishnadas T and Father Jose Prakash C J (Director, Ashagram)
Duration of the program	**:**Full-day community outreach event (Commenced at 10:00 AM)
Objective	**:**To celebrate the founding of the NCC, build leadership and discipline among youth, and support vulnerable sections of society under the motto: "Once a Cadet, Always a Cadet".
Outcome	**:**Conducted a campus cleaning session, held an energetic public awareness rally, organized cultural performances for rehabilitation residents, and distributed sweets.

NCC Day is celebrated on the fourth Sunday of November to commemorate the founding of the National Cadet Corps (NCC) in India. The organization was officially established on July 15, 1948, but the celebration is held on this specific Sunday because the first units were raised in Delhi on that day in 1947. The day honors the NCC's mission to develop character, leadership, and discipline among the youth.

As a part of celebrating NCC Day, Army Wing cadets of Sree Narayana Guru College, Chelannur conducted campus cleaning, cadet rally and a special program at Ashagram CMI Center, Chelannur.

The program began with the cadets cleaning the college campus, followed by cadet rally to Ashagram. The program started with a warm welcome to the residents of Ashagram. The cadets organized various activities to entertain and engage the residents. The program started with cultural activities like singing and dancing. Both the cadets and the inmates performed, which made the residents happy. Later, cadets interacted with the residents and distributed sweets and listened to their stories and experiences. The cadets also visited the paper-bag-making section. The event concluded with the speech of Father Jose Prakash C J, who is the director of the rehabilitation centre. Overall, the NCC Day program was conducted effectively.

ARMY DAY – JANUARY 15

Program Name	**:**78th Indian Army Day Celebration & Academic Competitions
Organiser	**:**NCC Army Wing
Associating Partner	**:**NCC Naval Wing
Beneficiary	**:**Army and Naval Wing cadets, and college students
Date & year	**:**January 15, 2026
Scope	**:**Institutional academic competitions and military awareness drive.
Coordinator	**:**Senior NCC Wing Executives under ANO Supervision
Duration of the program	**:**Multi-session educational event (Competitions ran through 11:47 AM - 2:49 PM)
Objective	**:**To honor Field Marshal K.M. Cariappa's historic command takeover in 1949 and align students with the 2026 national defense theme: "Year of Networking and Data Centricity".
Outcome	**:**Successfully organized an defense quiz and an essay-writing competition with participation from both Army and Naval wings, awarding cash prizes to winners.

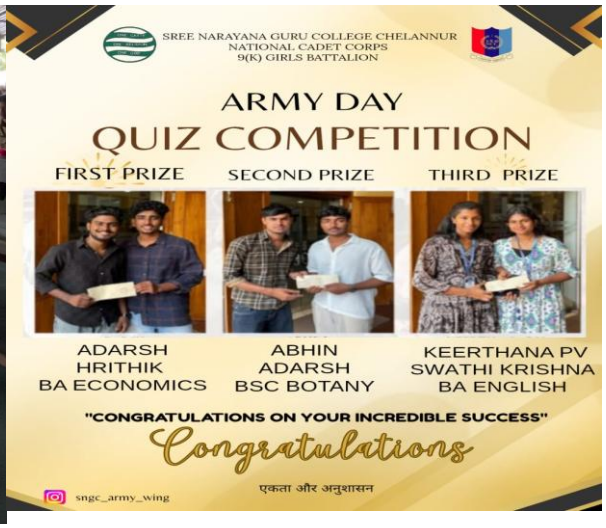

Army Day is celebrated on 15 January every year in India, in recognition of Lieutenant General Kodandera M. Cariappa's (later who became Field Marshal) taking over as the first Commander-in-Chief of the Indian Army on 15 January 1949. The day is celebrated in the form of parades and other military shows in the national capital New Delhi as well as in all headquarters. The 78th Indian Army Day (January 15, 2026) celebrated in Jaipur, Rajasthan, was themed "Year of Networking and Data Centricity".

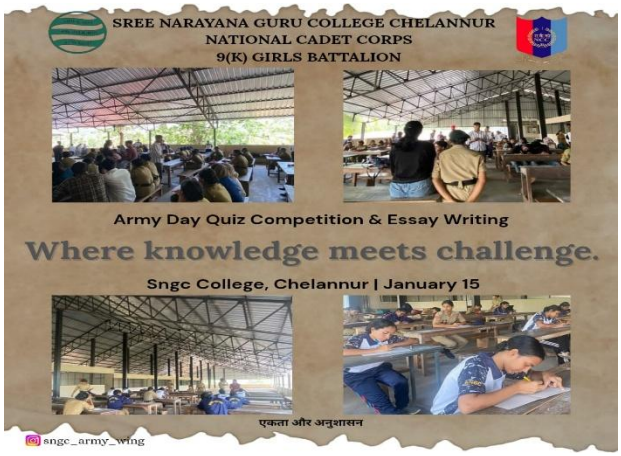

NCC Army Wing cadets of SNGC observed Army Day by conducting quiz competition and essay writing competition. Army Wing cadets and Naval Wing cadets actively participated in these competitions. Winners were awarded cash prize. Army Day marks a day to salute the valiant soldiers who sacrificed their lives to protect the country and its citizens. Overall, the program was conducted successfully.

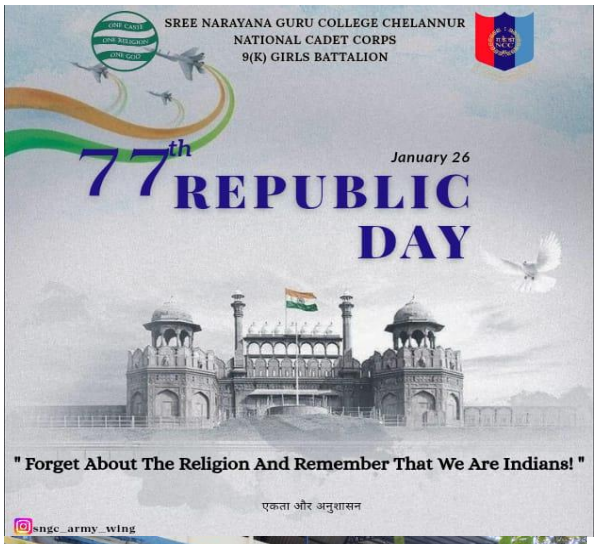

REPUBLIC DAY – JANUARY 26

Program Name	**:**77th National Republic Day Celebration
Organiser	**:**NCC Army Wing
Associating Partner	**:**NCC Naval Wing and NSS Unit
Beneficiary	**:**College campus community, faculty, and participating volunteers
Date & year	**:**January 26, 2026
Scope	**:**National holiday observation, performance art showcase, and a campus cleanup drive.
Coordinator	**:**Principal Dr. Kumar S P, ANO Capt. Dr. Sindhu Krishnadas T, and NSS Coordinator Jyothi Ma'am
Duration of the program	**:**Continuous morning drive (Commenced at 8:30 AM)
Objective	**:**To celebrate the historic implementation of the Constitution of India in 1950, focusing on the 2026 central theme: “150 Years of Vande Mataram”.
Outcome	**:**Successful flag hoisting ceremony, delivery of motivational speeches, patriotic group dance performance, payasam distribution, and a clean campus environment.

Republic Day is a national holiday in India commemorating the adoption of the Constitution of the Republic of India and the country's transition to a republic which came into effect on 26 January 1950. India celebrated its 77th Republic Day on January 26, 2026 features the central theme “150 Years of Vande Mataram,” honoring the 150th anniversary of the national song, alongside themes of “Svatantrata Ka Mantr – Vande Mataram” (Freedom) and “Samriddhi Ka Mantr – Aatmanirbhar Bharat” (Prosperity/Self-reliance).

NCC Army Wing of SNGC observed Republic Day in coordination with NCC Naval Wing and NSS Unit. The program began at 8.30 am from college premises. Flag hoisting was done by Principal Dr. Kumar S P. ANO Capt. Dr. Sindhu Krishnadas T and NSS Coordinator Jyothi ma'am spoke at the event. Some of the NCC Army Wing cadets performed a patriotic dance followed by the singing of NCC song, NSS song and National Anthem. The program was followed by payasam distribution and a cleaning session of college premises. The event was well-organized and all cadets participated actively.

ARMY WELFARE FUND COLLECTION

Program Name	**:**Army Welfare Fund Collection Initiative
Organiser	**:**NCC Army Wing
Associating Partner	**:**Department of Malayalam and Institutional Finance Committee
Beneficiary	**:**Members of the Armed Forces, Paramilitary Forces, and their dependents
Date & year	**:**February 11, 2026
Scope	**:**Institutional charity drive, social welfare support, and patriotic orientation campaign.
Coordinator	**:**Sri. Deepesh Karimpunkara (HOD, Malayalam Department) and ANO Capt. Dr. Sindhu Krishnadas T
Duration of the program	**:**Systematic campus wide donation collection drive (9:57 AM - 10:15 AM onward)
Objective	**:**To raise financial resources for the welfare of armed forces personnel and their families, while helping

students develop deep patriotism and appreciation for their sacrifices.

Outcome **:**Successfully raised significant welfare funds through active contributions from teachers and students across all college departments.

On 11th February 2026, NCC Army Wing cadets of SNGC collected the Army Welfare Fund from college. The program was inaugurated by Sri. Deepesh Karimpunkara, Head of Malayalam Department in the presence of ANO Capt. Dr. Sindhu Krishnadas T. Sri. Deepesh Karimpunkara was the first to contribute to the collection. The main agenda of the program was to spread awareness about soldiers' sacrifices and to induce a sense of patriotism among students. Teachers and students actively contributed to the fund collection. These funds will be used for the welfare of the members of the Armed Forces (including Para Military Forces) and their dependents. Overall, the program was conducted successfully and effectively.

NCC NAVAL WING

Program	: Blood Donation
Organizer	: NCC Naval Wing
Associating partner	: Beach Hospital Kozhikode
Beneficiary	: Patients requiring transfusion
Date & Year	: April 29 2025
Scope	: Promoting community health and humanitarian service.
Coordinator	: Dr.Vineesh K. P.
Duration	: 3hrs
Objective	: To encourage voluntary blood donation and support healthcare services.
Outcome	: Blood collected for patients in need and increased awareness about blood donation.

Detailed Report

The Naval NCC Unit of Sree Narayana Guru College, Chelannur, organized a Blood Donation Program at Beach Hospital, Kozhikode, on 29 April 2025 as part of its commitment to community service and social responsibility. The program was conducted with the objective of encouraging voluntary blood donation, creating awareness about the importance of maintaining adequate blood supplies in hospitals, and instilling humanitarian values among NCC cadets.

The initiative was carried out under the constant guidance and encouragement of the Care Taker Officer, Dr. Vineesh K. P., and with the unwavering support of the Principal, Prof. (Dr.) Kumar S. P. Their leadership and motivation played a significant role in inspiring the cadets to participate wholeheartedly in this noble cause. The program witnessed active participation from the cadets of the Naval NCC Unit, who came forward voluntarily to contribute to society through blood donation.

On reaching the hospital, the cadets were welcomed by the medical staff and were briefed about the procedures and precautions related to blood donation. The participants underwent preliminary medical examinations, including health assessment, blood pressure checks, and eligibility screening to ensure donor safety. Only medically fit volunteers were permitted to donate blood, and the entire process was carried out under the strict supervision of qualified healthcare professionals.

The program highlighted the importance of blood donation as a life-saving act. Blood is an essential resource that cannot be artificially manufactured and can only be obtained through

voluntary donors. The blood collected during the program will support patients undergoing surgeries, accident victims, individuals requiring emergency transfusions, and those suffering from various medical conditions that necessitate regular blood supply. Through their contribution, the cadets helped strengthen the blood reserves available for patient care and emergency medical requirements.

Apart from its humanitarian significance, the program also served as an educational experience for the cadets. They gained valuable knowledge about the need for safe blood donation, donor eligibility criteria, and the role of voluntary donors in strengthening public healthcare systems. The activity helped develop a spirit of empathy, compassion, and civic responsibility among the participants. It also reinforced the values of selfless service and dedication that form the foundation of the National Cadet Corps.

The hospital authorities expressed their appreciation for the enthusiasm, discipline, and commitment displayed by the cadets throughout the program. They acknowledged the contribution made by the Naval NCC Unit and commended the students for their willingness to support a cause that directly benefits the community. The interaction between the cadets and the medical professionals further enhanced awareness regarding the importance of regular blood donation and maintaining a healthy lifestyle.

The program successfully reflected the motto of the National Cadet Corps, "Unity and Discipline," while also demonstrating the cadets' commitment to social welfare and nation-building. It provided an opportunity for the cadets to translate their values into meaningful action and contribute positively to society.

In conclusion, the Blood Donation Program conducted at Beach Hospital, Kozhikode, on 29 April 2025 was a highly successful and impactful initiative. The event not only helped support healthcare services through voluntary blood donation but also strengthened the spirit of service, responsibility, and humanitarianism among the cadets. The program stands as a testament to the Naval NCC Unit's dedication to community welfare and its continued efforts to serve society through meaningful and life-saving activities.

CIVIL DEFENCE MOCK DRILL

Program	**:** Civil Defence Mock Drill
Organizer	**:** NCC Naval Wing
Associating partner	**:** Kerala Fire & Rescue Services, Police Department, Civil Defence Teams
Beneficiary	**:** General Public / Civilians
Date & Year	**:** 07 May 2025
Scope	**:** Emergency preparedness and disaster response awareness
Coordinator	: Dr.Vineesh K. P.
Duration	**: 1hr**
Objective	**:** To participate in the Civil Defence Mock Drill and demonstrate coordinated emergency response during crisis situations.
Outcome	**:** Enhanced disaster management skills, teamwork, and coordination among NCC cadets and emergency response agencies.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, actively participated in the Civil Defence Mock Drill conducted on 7 May 2025 at Lulu Mall, Kozhikode. The program was organized as part of a nationwide emergency preparedness initiative aimed at strengthening civil defence mechanisms and enhancing public awareness regarding emergency

response procedures. The event brought together various emergency response agencies, including the police, fire and rescue services, and civil defence personnel, to demonstrate coordinated action during crisis situations.

The program was conducted under the guidance of Care Taker Officer Dr. Vineesh K. P. and with the support of Principal Prof. (Dr.) Kumar S. P. NCC cadets enthusiastically took part in the drill and actively engaged in the various activities organized during the event. The mock drill simulated emergency situations requiring immediate response and effective coordination among different agencies. Through this exercise, participants gained practical exposure to disaster management techniques and emergency response strategies.

During the program, the cadets observed and participated in demonstrations related to evacuation procedures, rescue operations, crowd management, and communication systems used during emergencies. Fire and Rescue Service personnel explained the importance of timely intervention and showcased modern firefighting and rescue equipment. Police officials demonstrated methods of maintaining law and order and ensuring public safety during emergencies. The collaborative efforts of all participating agencies highlighted the significance of teamwork and coordination in managing crisis situations effectively.

The drill provided an opportunity for NCC cadets to understand their role as responsible citizens during emergencies. They learned the importance of discipline, leadership, quick decision-making, and cooperation while responding to challenging situations. The practical experience gained through the program complemented the theoretical knowledge acquired through NCC training and contributed to the overall personality development of the cadets.

The event also emphasized the need for community preparedness and public participation in disaster management activities. Awareness was created regarding safety measures, emergency protocols, and the responsibilities of citizens during times of crisis. The demonstrations helped participants understand how proper planning and coordinated action can minimize risks and save lives during emergencies.

The Civil Defence Mock Drill was successfully conducted and achieved its intended objectives. The program enhanced the confidence, preparedness, and emergency response awareness of the participating NCC cadets. It also strengthened their understanding of civil defence operations and the importance of coordinated efforts among various emergency response agencies. The experience proved to be highly informative and beneficial, providing valuable lessons in disaster preparedness, public safety, and civic responsibility.

In conclusion, the participation of the NCC Naval Wing in the Civil Defence Mock Drill was a meaningful and enriching experience. The program reinforced the values of service, discipline, and responsibility among the cadets while equipping them with practical knowledge and skills relevant to emergency situations. Such initiatives play an important role in preparing young volunteers to contribute effectively to society during times of need and national emergencies.

WORLD ENVIRONMENT DAY

Program	**:** World Environment Day Celebration
Organizer	**:** NCC Naval Wing
Associating partner	**:** Sree Narayana Guru College, Chelannur
Beneficiary	**:** Students, Cadets, and Local Community
Date & Year	**:** 05 June 2025
Scope	**:** Environmental Awareness and Conservation
Coordinator	**:** Dr.Vineesh K. P.
Duration	**:** 1hr
Objective	**:** To promote environmental awareness
Outcome	**:** Increased environmental consciousness among cadets and successful plantation of saplings on campus and at their homes.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, observed World Environment Day on 5 June 2025 with a series of meaningful activities aimed at promoting environmental awareness and encouraging sustainable living practices. The program was

conducted under the guidance of Care Taker Officer Dr. Vineesh K. P. and with the support of Principal Prof. (Dr.) Kumar S. P. The celebration reflected the commitment of the NCC unit towards environmental conservation and the development of responsible citizenship among cadets.

World Environment Day is observed globally to raise awareness about environmental issues and to encourage individuals and communities to take positive action for the protection of nature. In connection with this important occasion, the NCC cadets actively participated in a tree-planting drive organized on the college campus. The program emphasized the importance of preserving natural resources, increasing green cover, and promoting environmental sustainability. Through their enthusiastic participation, the cadets demonstrated their concern for the environment and their willingness to contribute towards a greener future.

The program began with an awareness session highlighting the significance of environmental protection and the urgent need to address challenges such as deforestation, pollution, climate change, and loss of biodiversity. The cadets were reminded that environmental conservation is a collective responsibility and that even small individual actions can contribute significantly to the well-being of the planet. The session encouraged students to adopt eco-friendly habits and become ambassadors of environmental awareness within their communities.

As part of the celebration, the cadets planted saplings in selected areas of the college campus. The activity aimed not only to increase the green cover of the institution but also to instill a sense of responsibility towards nurturing and protecting the planted trees. The cadets participated with great enthusiasm and worked together to ensure the successful completion of the plantation drive. The event provided practical exposure to environmental conservation activities and reinforced the importance of maintaining ecological balance.

In addition to the campus plantation program, all cadets were encouraged to plant saplings at their homes and in their localities. This initiative extended the impact of the program beyond the college campus and promoted wider community participation in environmental protection efforts. By planting and caring for trees in their surroundings, the cadets contributed to spreading awareness among family members, neighbours, and friends regarding the importance of environmental stewardship. The activity conveyed the message that meaningful environmental change begins with individual commitment and action.

The program also highlighted the role of youth in addressing environmental challenges. As future leaders and responsible citizens, the cadets were encouraged to take active roles in promoting sustainable practices and protecting natural resources. The activities conducted on World Environment Day strengthened their understanding of environmental issues and motivated them to participate in similar initiatives in the future. The program served as a platform for developing environmental consciousness, leadership qualities, and a sense of social responsibility among the participants.

The celebration successfully achieved its objectives by creating awareness about environmental conservation and encouraging active participation in green initiatives. The tree-planting activities provided a practical and impactful way for cadets to contribute to environmental protection. The program enhanced their appreciation for nature and reinforced the importance of collective efforts in building a sustainable future. The participation and dedication shown by the cadets reflected the values of discipline, service, and responsibility that are central to NCC training.

In conclusion, the World Environment Day celebration organized by the NCC Naval Wing of Sree Narayana Guru College was a meaningful and successful event. Through awareness programs and tree-planting activities, the cadets demonstrated their commitment to environmental protection and sustainable development. The program inspired participants to continue adopting environmentally responsible practices and to contribute actively towards the preservation of nature. The event served as a reminder that protecting the environment is a shared responsibility and that every effort, however small, can make a positive difference for future generations.

International Yoga Day Celebration

Program **:** International Yoga Day Celebration

Organizer	**:** NCC Naval Wing
Associating partner	**:** Mr. Sudheer Madayi (Yoga Practitioner and Resource Person)
Beneficiary	: NCC Cadets, NSS Volunteers, and Students
Date & Year	: 26 June 2025
Scope	: Health, Wellness, and Yoga Awareness
Coordinator	: Dr.Vineesh K. P.
Duration	: 3hrs
Objective	: To promote physical fitness, mental well-being, and healthy living through yoga practice.
Outcome	: Enhanced awareness of the benefits of yoga and improved interest among participants in adopting a healthy and balanced lifestyle.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, observed International Yoga Day with great enthusiasm and dedication on 26 June 2025. The program was organized with the objective of promoting physical fitness, mental well-being, and a healthy lifestyle among students and cadets. Conducted under the guidance of Care Taker Officer Dr. Vineesh K. P. and with the support of Principal Prof. (Dr.) Kumar S. P., the event reflected the institution's commitment to holistic education and the overall development of its students. The celebration brought together NCC cadets and other student participants to experience the benefits of yoga and mindfulness in a structured and disciplined environment.

International Yoga Day is celebrated worldwide to raise awareness about the importance of yoga in achieving harmony between the body, mind, and spirit. Recognizing the significance of this ancient Indian practice, the NCC Naval Wing organized a special yoga session on campus. The program aimed to encourage participants to incorporate yoga into their daily lives as a means of improving physical health, reducing stress, and enhancing mental clarity. The event served as an opportunity for cadets to understand the value of self-discipline, concentration, and inner balance.

The yoga session was led by Mr. Sudheer Madayi, an experienced yoga practitioner and resource person, whose expertise and guidance contributed significantly to the success of the program. He introduced the participants to various yoga postures, breathing exercises, and relaxation techniques designed to improve flexibility, strength, and overall well-being.

Through clear instructions and practical demonstrations, he helped the cadets understand the correct methods of performing yoga and highlighted the importance of regular practice for maintaining a healthy lifestyle.

The program commenced with an introductory session on the history and significance of yoga. Participants were informed about the role of yoga in promoting physical fitness, emotional stability, and mental peace. Mr. Sudheer Madayi emphasized that yoga is not merely a form of exercise but a way of life that encourages self-awareness, discipline, and personal growth. The session inspired the cadets to view yoga as a valuable tool for managing academic pressure, maintaining emotional balance, and developing a positive outlook on life.

During the practical session, the participants actively engaged in a series of yoga asanas and breathing techniques. The cadets performed the exercises with enthusiasm and discipline, demonstrating their willingness to learn and adopt healthy practices. The session also included meditation and relaxation exercises that allowed participants to experience mental calmness and improved concentration. The atmosphere throughout the program was peaceful and focused, reflecting the true spirit of yoga and mindfulness.

The celebration highlighted the importance of maintaining physical and mental health in today's fast-paced world. Through active participation in the yoga session, cadets gained firsthand experience of the positive effects of yoga on their overall well-being. The program encouraged them to develop healthy habits and to recognize the connection between physical fitness, mental strength, and personal success. It also reinforced the values of discipline, self-control, and perseverance, which are essential qualities for NCC cadets.

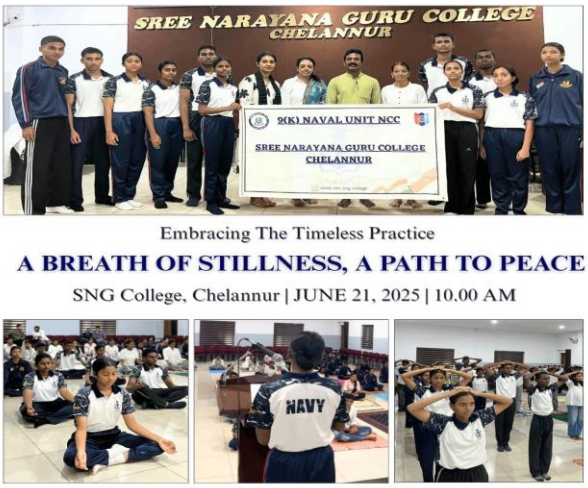

The event served as a platform for promoting awareness about preventive healthcare and wellness. Participants learned that regular yoga practice can contribute to improved posture, better breathing, enhanced concentration, stress reduction, and increased emotional resilience. The program motivated many cadets to continue practicing yoga beyond the celebration and to share its benefits with their families and communities. Such initiatives help create a culture of health consciousness and personal responsibility among young people.

The International Yoga Day celebration was successfully conducted and achieved its objectives of promoting wellness and healthy living among students. The active participation of the cadets and the expert guidance provided by Mr. Sudheer Madayi made the program both informative and inspiring. The event strengthened the cadets' understanding of the importance of physical

and mental fitness while encouraging them to adopt positive lifestyle practices. The experience proved valuable in fostering self-awareness, confidence, and inner strength among the participants.

In conclusion, the International Yoga Day program organized by the NCC Naval Wing of Sree Narayana Guru College was a meaningful and enriching experience for all participants. The celebration successfully highlighted the importance of yoga as a path to physical health, mental peace, and personal development. Through awareness, practice, and reflection, the cadets gained valuable insights into the benefits of yoga and its relevance in everyday life. The program reaffirmed the institution's commitment to nurturing healthy, disciplined, and well-rounded individuals capable of contributing positively to society.

INTERNATIONAL DAY AGAINST DRUG ABUSE AND ILLICIT TRAFFICKING AWARENESS

Program	: International Day Against Drug Abuse and Illicit Trafficking Awareness Program (Mime Performance)
Organizer	: NCC Naval Wing, Sree Narayana Guru College, Chelannur
Associating Partner	: Sree Narayana Guru College, Chelannur
Beneficiary	: Students, Faculty Members, and Youth Community
Date & Year	: 26 June 2025
Scope	: Awareness and Prevention of Drug Abuse and Illicit Trafficking
Coordinator	: Dr. Vineesh K. P.
Duration	: 1hr

Objective : To create awareness among students and the public about the harmful effects of drug abuse and illicit trafficking, promote a drug-free lifestyle, and encourage social responsibility among youth.

Outcome : The program successfully raised awareness about substance abuse through an informative mime performance. Participants and viewers gained a better understanding of the dangers of addiction and the importance of vigilance. The event strengthened social responsibility, discipline, and community awareness among NCC cadets and students.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, observed the International Day Against Drug Abuse and Illicit Trafficking on 26 June 2025 by organizing an awareness program aimed at educating students and the campus community about the harmful effects of substance abuse. The program was conducted as part of the NCC's commitment to promoting social responsibility, healthy lifestyles, and national development among youth. The observance of this important day provided an opportunity to spread awareness about the growing menace of drug addiction and the need for collective efforts to prevent substance abuse among young people.

The program was organized under the guidance of Dr. Vineesh K. P., Care Taker Officer of the NCC Naval Wing, with the support and encouragement of the college administration. The Principal, Prof. (Dr.) Kumar S. P., extended wholehearted support to the initiative and motivated the cadets to actively participate in social awareness activities that contribute positively to society. The program witnessed enthusiastic participation from NCC cadets who took the lead in planning and executing the awareness campaign.

A major highlight of the program was a creative and impactful mime performance presented by the NCC cadets. Through expressive actions and visual storytelling, the cadets effectively conveyed the dangers associated with drug abuse and addiction. The performance depicted the physical, psychological, social, and economic consequences of substance abuse, illustrating how addiction can adversely affect individuals, families, and communities. The mime also emphasized the importance of making informed choices, resisting peer pressure, and seeking support when facing challenges related to substance use.

The awareness program attracted the attention of students, faculty members, and staff, who gathered to witness the performance and learn about the significance of the International Day Against Drug Abuse and Illicit Trafficking. The cadets used the opportunity to communicate important messages regarding the prevention of drug abuse and the importance of maintaining a healthy and disciplined lifestyle. Their efforts helped create a platform for meaningful discussions about addiction, mental health, and personal responsibility.

The program aimed to instill awareness among students regarding the serious risks posed by drug abuse and illicit trafficking. It sought to encourage young people to stay away from harmful substances and become advocates for a drug-free society. By engaging the audience through an innovative mime presentation, the program succeeded in delivering its message in an effective and memorable manner. The event highlighted the role of educational institutions and youth organizations in addressing social issues and promoting positive behavioral change.

The NCC cadets demonstrated exceptional teamwork, discipline, and commitment throughout the program. Their dedication to spreading awareness reflected the core values of the National Cadet Corps, including leadership, service, and social responsibility. The event also provided the cadets with an opportunity to develop their communication and organizational skills while contributing to a meaningful social cause.

The program concluded with a renewed commitment among participants to support anti-drug initiatives and promote healthy living practices within the campus and the wider community. The audience appreciated the efforts of the NCC Naval Wing in organizing the event and acknowledged the effectiveness of the mime performance in conveying a powerful social message. The awareness program left a lasting impression on students and faculty members, encouraging them to remain vigilant against the dangers of substance abuse.

Overall, the observance of the International Day Against Drug Abuse and Illicit Trafficking was a successful and impactful initiative. It effectively fulfilled its objective of creating awareness about the harmful consequences of drug addiction and fostering a sense of responsibility among youth. The program reinforced the importance of collective action in building a drug-free society and demonstrated how creative educational activities can contribute to social awareness and positive community engagement.

PAPER BAG DAY CELEBRATION

Program : Paper Bag Day Celebration and Eco-Friendly Paper Bag Distribution

Organizer	: NCC Naval Wing, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Sree Narayana Guru College, Chelannur
Beneficiary	: Teachers, Staff Members, Students, and College Community
Date & Year	: 11 July 2025 (observed in advance of Paper Bag Day on 12 July 2025)
Scope	: Environmental Awareness and Sustainable Living
Coordinator	: Dr. Vineesh K. P.
Duration	: 3hrs
Objective	: To promote environmental sustainability by encouraging the use of eco-friendly paper bags as an alternative to plastic bags, creating awareness about plastic pollution, and fostering environmental responsibility among students and the college community.
Outcome	: NCC cadets successfully crafted and distributed handmade paper bags to the Principal, teachers, and staff members. The activity raised awareness about reducing plastic usage and adopting sustainable alternatives. It enhanced the cadets' creativity, teamwork, and sense of environmental responsibility while inspiring the college community to support eco-friendly practices and sustainable living.

Detailed report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, observed Paper Bag Day on 11 July 2025 in anticipation of the annual observance on 12 July. The program was organized with the objective of promoting environmental sustainability and encouraging the use of eco-friendly alternatives to plastic bags. The activity reflected the commitment of the NCC unit towards environmental conservation and community awareness. By conducting this program, the cadets sought to spread the message of responsible consumption and environmental stewardship among members of the college community.

The program was conducted under the guidance of Dr. Vineesh K. P., Care Taker Officer of the NCC Naval Wing, whose leadership and encouragement played a significant role in the successful implementation of the activity. The initiative also received valuable support from the Principal, Prof. (Dr.) Kumar S. P., who continuously motivates students to participate in socially relevant and environmentally conscious programs. The involvement of the college administration helped create a positive atmosphere for the successful execution of the event.

As part of the celebration, NCC cadets actively engaged in the preparation of handmade paper bags using recyclable and eco-friendly materials. The cadets devoted their time and creativity to designing and crafting durable paper bags that could serve as practical alternatives to plastic carry bags. Through this hands-on activity, the cadets gained valuable insights into sustainable practices and the importance of reducing dependence on single-use plastics. The preparation process also encouraged teamwork, innovation, and a sense of collective responsibility among the participants.

Plastic pollution has become one of the most pressing environmental challenges faced by modern society. The excessive use of plastic bags contributes significantly to environmental degradation, affecting ecosystems, wildlife, and human health. Recognizing this issue, the NCC Naval Wing utilized the occasion of Paper Bag Day to create awareness regarding the harmful impacts of plastic waste and the importance of adopting sustainable alternatives. The program emphasized that small individual actions, such as choosing paper bags over plastic bags, can collectively make a substantial contribution to environmental protection.

Following the preparation of the paper bags, the cadets distributed them to the Principal, teachers, and staff members of the college. This gesture symbolized the collective commitment of the institution towards promoting environmentally responsible practices. The distribution activity also served as an effective awareness campaign, encouraging members of the college community to reduce their dependence on plastic products and embrace eco-friendly solutions in their daily lives. The recipients appreciated the efforts of the cadets and expressed their support for sustainable initiatives that contribute to environmental conservation.

The program provided an excellent opportunity for cadets to demonstrate their creativity and social commitment. By actively participating in the design and distribution of paper bags, the cadets translated environmental awareness into practical action. The activity helped them understand that environmental protection is not limited to theoretical discussions but requires meaningful efforts and behavioral changes. The experience also enhanced their organizational skills, teamwork, communication abilities, and sense of civic responsibility.

The observance of Paper Bag Day highlighted the role of educational institutions in promoting sustainable development and environmental awareness. Colleges and youth organizations have a significant responsibility in shaping environmentally conscious citizens who can contribute positively to society. Through initiatives such as this, students are encouraged to adopt sustainable habits and inspire others to do the same. The program demonstrated how awareness activities can be effectively combined with practical action to create a lasting impact on participants and the wider community.

The event generated considerable interest among students, faculty members, and staff, fostering discussions on environmental conservation and waste reduction. The active participation of NCC cadets showcased their dedication to community service and environmental stewardship. Their efforts reflected the core values of the National Cadet Corps, including discipline, leadership, service, and social responsibility. The program also strengthened the cadets' understanding of their role as responsible citizens committed to creating a cleaner and healthier environment.

The program concluded with a strong message on the importance of sustainable living and environmental responsibility. Participants were encouraged to continue promoting eco-friendly practices and to act as ambassadors of environmental awareness within their communities. The successful observance of Paper Bag Day reinforced the idea that collective efforts and conscious choices can bring about positive environmental change. The activity served as a reminder that every individual has a role to play in protecting the environment for future generations.

Overall, the Paper Bag Day celebration organized by the NCC Naval Wing of Sree Narayana Guru College, Chelannur, was a meaningful and impactful initiative. The program effectively achieved its objective of promoting environmental awareness and encouraging the adoption of sustainable alternatives to plastic bags. Through creativity, teamwork, and community engagement, the cadets demonstrated their commitment to environmental conservation and social responsibility. The event left a positive impression on the college community and contributed significantly to the promotion of eco-friendly values and sustainable practices.

KARGIL VIJAY DIWAS FLASH MOB PROGRAM

Program	: Kargil Vijay Diwas Flash Mob and Tribute Program
Organizer	: NCC Naval Wing, Sree Narayana Guru College, Chelannur
Associating Partner	: Sree Narayana Guru College, Chelannur
Beneficiary	: Students, Faculty Members, NCC Cadets, and College Community
Date & Year	: 25 July 2025
Scope	: Patriotism, National Awareness, and Commemoration of Kargil War Heroes
Coordinator	: Dr. Vineesh K. P.
Duration	: 1hr
Objective	: To commemorate Kargil Vijay Diwas by honoring the courage, sacrifice, and dedication of the soldiers who fought in the Kargil War, while instilling patriotism, national pride, unity, and respect for the armed forces among students and the college community.
Outcome	: The flash mob effectively conveyed the significance of Kargil Vijay Diwas and paid tribute to the brave soldiers who sacrificed their lives for the nation. The program enhanced patriotic spirit, national awareness, teamwork, and respect for the armed forces among participants and spectators. It left a lasting impression on the audience and reinforced the values of service, sacrifice, and national unity.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, solemnly commemorated Kargil Vijay Diwas on 25 July 2025 through a vibrant and meaningful flash mob program conducted within the college campus. The event was organized in advance of the official observance on 26 July, the day on which the nation remembers the victory of the Indian Armed Forces in the Kargil War of 1999. The program aimed to pay tribute to the brave soldiers who sacrificed their lives in defense of the nation and to instill patriotic values among students and members of the college community. Through a creative and engaging presentation, the NCC cadets conveyed the spirit of courage, sacrifice, and national pride associated with Kargil Vijay Diwas.

The program was conducted under the guidance of Dr. Vineesh K. P., Care Taker Officer of the NCC Naval Wing, whose constant support and encouragement ensured the successful organization of the event. The initiative also received the wholehearted backing of the Principal, Prof. (Dr.) Kumar S. P., who has consistently encouraged students to participate in activities that foster patriotism, leadership, and social responsibility. The combined efforts of the NCC unit and the college administration created a meaningful platform for students to reflect upon the sacrifices made by the nation's armed forces.

Kargil Vijay Diwas holds immense significance in Indian history as it commemorates the successful completion of Operation Vijay and the victory achieved by the Indian Army during the Kargil conflict. The day serves as a reminder of the bravery, dedication, and resilience of soldiers who defended the sovereignty and territorial integrity of the nation under extremely challenging conditions. Recognizing the importance of preserving the memory of these national heroes, the NCC cadets organized a flash mob performance designed to communicate the essence of patriotism and sacrifice to the student community in an innovative manner.

The flash mob was carefully planned and executed by the cadets, who invested considerable time and effort in preparing the performance. Through synchronized movements, expressive gestures, and patriotic themes, the participants presented a moving tribute to the soldiers who fought bravely during the Kargil War. The performance effectively captured the emotions of courage, unity, and dedication associated with the Indian Armed Forces. The creative presentation attracted the attention of students, faculty members, and staff, creating a powerful atmosphere of national pride and remembrance across the campus.

One of the major objectives of the program was to create awareness among young people about the historical significance of the Kargil War and the sacrifices made by the armed forces in safeguarding the nation. In an era where many students may not have direct knowledge of

historical military events, such initiatives play an important role in educating the younger generation about the country's rich legacy of valor and service. The flash mob served as an engaging medium through which complex themes of patriotism, national security, and sacrifice could be communicated effectively to a diverse audience.

The program also emphasized the values of unity, teamwork, and discipline. The successful execution of the flash mob required close coordination among participants, demonstrating the importance of collective effort and mutual support. Through their active involvement, the cadets showcased the core principles of the National Cadet Corps, including leadership, discipline, commitment, and service to the nation. The event provided an opportunity for cadets to strengthen their organizational and communication skills while contributing to a meaningful national cause.

The audience responded positively to the performance, appreciating both its artistic quality and its patriotic message. The flash mob successfully generated interest and encouraged discussions regarding the contributions of the armed forces and the importance of remembering national heroes. Many students expressed admiration for the courage and dedication displayed by the soldiers during the Kargil War. The program helped foster a deeper sense of respect for the armed forces and reinforced the importance of national unity and collective responsibility.

As part of the observance, the cadets also reflected upon the sacrifices made by the soldiers who laid down their lives in service to the nation. The program concluded with a tribute to these brave heroes, acknowledging their unwavering commitment and dedication. The solemn remembrance served as a reminder that the freedoms enjoyed by citizens today are made possible through the sacrifices of countless members of the armed forces who have protected the nation with courage and determination.

The event further strengthened the bond between students and the ideals of national service. It inspired participants and spectators alike to develop a greater sense of civic responsibility and commitment to the welfare of the country. By celebrating Kargil Vijay Diwas through a creative and interactive format, the NCC Naval Wing succeeded in making the occasion both educational and emotionally impactful. The program demonstrated how cultural and artistic activities can be effectively utilized to promote patriotism and national awareness among youth.

Overall, the Kargil Vijay Diwas Flash Mob Program organized by the NCC Naval Wing of Sree Narayana Guru College, Chelannur, was a memorable and successful event. It effectively fulfilled its objective of honoring the heroes of the Kargil War while inspiring patriotism, unity,

and respect for the armed forces among students. The program served as a fitting tribute to the brave soldiers of India and reinforced the values of courage, sacrifice, and national pride. Through active participation and meaningful engagement, the cadets demonstrated their commitment to preserving the legacy of the nation's defenders and promoting a spirit of responsible citizenship.

INDEPENDENCE DAY FLAG HOISTING CEREMONY 2025

Program	: Independence Day Flag Hoisting Ceremony
Organizer	: NCC Naval Wing, Sree Narayana Guru College, Chelannur Associating Partner: NSS Unit, Sree Narayana Guru College, Chelannur
Beneficiary	: NCC Cadets, NSS Volunteers, Students, Faculty Members, Staff, and College Community
Date & Year	: 15 August 2025
Scope	: National Celebration, Patriotism, Civic Responsibility, and Commemoration of India's Independence
Coordinator	: Dr. Vineesh K. P.
Duration	: 1hr
Objective	: To celebrate the 79th Independence Day of India by honoring the sacrifices of freedom fighters, promoting patriotism and national unity, and encouraging students to uphold the values of freedom, democracy, and responsible citizenship.
Outcome	: The flag hoisting ceremony successfully instilled patriotic values and national pride among participants. The program provided an opportunity to remember and honor the contributions of India's freedom fighters while fostering unity and civic responsibility. The participation of NCC cadets in the

ceremony and Independence Day parade enhanced their sense of discipline, leadership, and commitment to national service. The event concluded on a positive note, strengthening the spirit of patriotism within the college community.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, proudly celebrated the 79th Independence Day of India on 15 August 2025 through a solemn and patriotic Flag Hoisting Ceremony titled “Triumph of Freedom.” The program was organized to commemorate the historic achievement of India’s independence and to honor the sacrifices made by countless freedom fighters who dedicated their lives to securing freedom for the nation. The celebration served as an important occasion to instill patriotism, national unity, and civic responsibility among students while reaffirming the values of democracy, freedom, and service to the country.

The event was conducted with the active participation of NCC cadets, NSS volunteers, faculty members, staff, and students of the college. The program was successfully coordinated under the guidance of Dr. Vineesh K. P., Care Taker Officer of the NCC Naval Wing, whose dedicated efforts ensured the smooth conduct of all ceremonial proceedings. The celebration also received the wholehearted support of the college administration led by Principal Prof. (Dr.) Kumar S. P., whose commitment to promoting patriotic and value-based education contributed significantly to the success of the event.

The ceremony commenced at 9:00 a.m. with the assembly of participants on the college campus. The atmosphere was filled with enthusiasm and patriotic fervor as students and staff gathered to celebrate one of the most significant days in the history of the nation. NCC cadets, dressed in their uniforms, maintained discipline and ceremonial decorum throughout the program, reflecting the values and traditions of the National Cadet Corps. Their presence added dignity and pride to the occasion and served as an inspiration to fellow students.

A key highlight of the program was the hoisting of the National Flag by Principal Prof. (Dr.) Kumar S. P. As the tricolor unfurled against the sky, participants stood in attention and paid their respects to the national flag, symbolizing the unity, sovereignty, and aspirations of the nation. The moment inspired feelings of pride, gratitude, and commitment among all those present. Following the flag hoisting ceremony, the gathering joined in the rendition of the NCC Song and the National Anthem, creating a sense of collective patriotism and national solidarity.

In his Independence Day address, the Principal emphasized the importance of remembering the sacrifices of freedom fighters who fought tirelessly against colonial rule. He highlighted the values of courage, determination, and selfless service demonstrated by leaders of the freedom movement and encouraged students to uphold these ideals in their personal and professional lives. He reminded the audience that independence is not merely a historical achievement but also a responsibility that requires active participation in nation-building and social development. His speech inspired students to contribute positively to society and to work towards the progress and prosperity of the country.

The program also served as an educational opportunity for students to reflect upon the significance of Independence Day and the journey of India as a sovereign democratic nation. Discussions during the event emphasized the importance of preserving constitutional values, promoting national unity, and respecting the diversity that characterizes the country. Through the celebration, participants gained a deeper appreciation of the struggles faced by earlier generations and the responsibilities entrusted to present and future citizens.

An additional source of pride for the institution was the participation of NCC cadets in the Independence Day Parade conducted at Capt. Vikram Maidan, Kozhikode. Representing Sree Narayana Guru College, the cadets displayed discipline, dedication, and commitment while participating in the prestigious event. Their involvement reflected the quality of training imparted by the NCC Naval Wing and demonstrated their readiness to contribute to national service. The participation further enhanced the reputation of the college and instilled confidence among cadets regarding their abilities and responsibilities as future leaders.

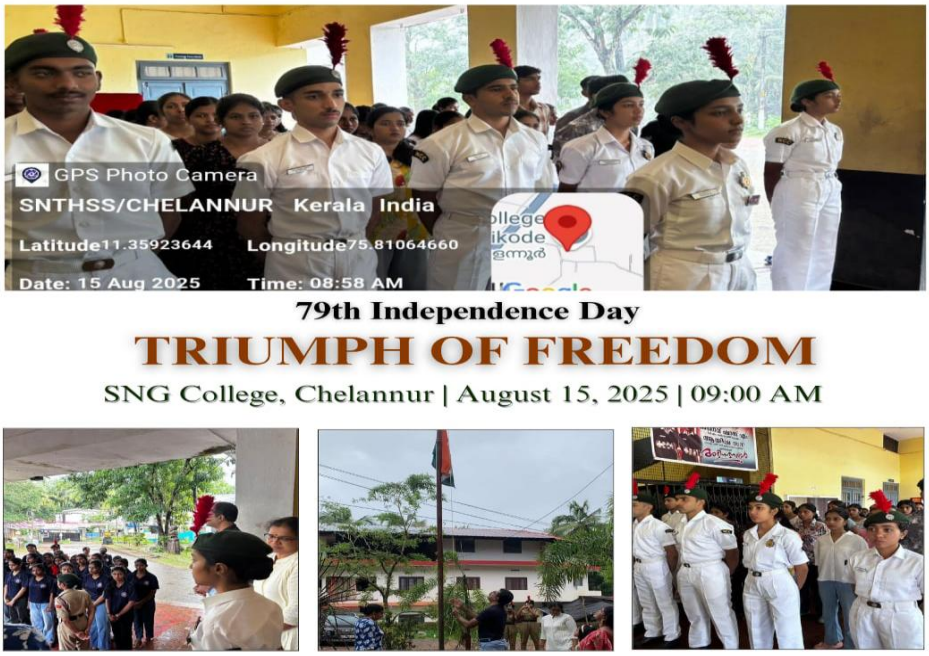

The event strengthened the spirit of unity and cooperation among students from diverse backgrounds. By bringing together NCC cadets, NSS volunteers, faculty members, staff, and students, the program highlighted the importance of collective participation in national celebrations. Such occasions foster mutual respect, social harmony, and a shared sense of belonging to the nation. The active engagement of participants also reinforced the role of educational institutions in nurturing responsible citizens who are aware of their duties towards society and the country.

The Independence Day celebration provided a platform for cadets to demonstrate leadership, discipline, and organizational skills. Through their active involvement in managing and participating in the program, they gained valuable practical experience in teamwork, event coordination, and public service. These experiences contribute significantly to the overall

personality development of cadets and help prepare them for future roles as responsible citizens and leaders.

The program concluded with the distribution of sweets among participants, symbolizing the joy and pride associated with the nation's independence. The gesture added warmth and festivity to the occasion, bringing the celebration to a meaningful conclusion. Participants departed with renewed enthusiasm, patriotic spirit, and a deeper understanding of the sacrifices that secured India's freedom.

Overall, the Independence Day Flag Hoisting Ceremony organized by the NCC Naval Wing of Sree Narayana Guru College, Chelannur, was a memorable and successful event. The program effectively honored the legacy of the nation's freedom fighters while inspiring students to uphold the values of patriotism, unity, discipline, and service. Through meaningful participation and reflection, the celebration strengthened national consciousness and reaffirmed the commitment of the college community towards the ideals of freedom, democracy, and responsible citizenship. The event stands as a proud reminder of the enduring spirit of independence and the collective responsibility of every citizen in shaping the future of the nation.

NCC DAY TREE PLANTING AND CAMPUS CLEANING DRIVE 2025

Program : NCC Day Tree Planting and Campus Cleaning Drive

Organizer	: NCC Naval Wing, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Sree Narayana Guru College, Chelannur
Beneficiary	: NCC Cadets, Students, Faculty Members, Staff, and the College Community
Date & Year	: 23 November 2025
Scope	: Environmental Conservation, Campus Beautification, and Sustainability Awareness
Coordinator	: Dr. Vineesh K. P.
Duration	: 2hrs
Objective	: To observe NCC Day by promoting environmental responsibility through tree planting and campus cleaning activities, encouraging sustainable practices, enhancing greenery on the campus, and creating awareness about the importance of environmental protection among students.
Outcome	: The program successfully contributed to the development of a cleaner and greener campus environment through sapling planting and cleanliness activities. It strengthened environmental awareness, teamwork, discipline, and social responsibility among NCC cadets. The initiative encouraged participants to adopt eco-friendly practices and reinforced their commitment to preserving natural resources and maintaining a sustainable campus environment.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, observed NCC Day on 23 November 2025 by organizing a Tree Planting and Campus Cleaning Drive under the theme “Planting for a Cleaner, Greener Campus.” The program was conducted with the objective of promoting environmental awareness, sustainability, and social responsibility among students. As an organization committed to nation-building and community service, the National Cadet Corps consistently encourages cadets to participate in activities that contribute positively to society and the environment. The observance of NCC Day through an environmental initiative reflected these ideals and provided an opportunity for cadets to engage in meaningful action for ecological conservation.

The program was organized under the guidance of Dr. Vineesh K. P., Care Taker Officer of the NCC Naval Wing, whose leadership and encouragement played a vital role in the successful implementation of the activity. The initiative also received valuable support from the Principal, Prof. (Dr.) Kumar S. P., who has consistently motivated students to participate in programs that foster environmental awareness and social commitment. The combined efforts of the NCC unit and the college administration ensured the smooth conduct of the program and encouraged active participation from the cadets.

The celebration of NCC Day through environmental action highlighted the importance of sustainable development and ecological responsibility. In recent years, environmental challenges such as climate change, deforestation, pollution, and biodiversity loss have become major concerns across the world. Educational institutions have an important role in addressing these challenges by promoting environmental consciousness among young people. Recognizing this responsibility, the NCC Naval Wing chose to commemorate NCC Day through activities that directly contribute to environmental protection and campus sustainability.

The program commenced with a tree-planting activity conducted within the college campus. NCC cadets actively participated in planting saplings in selected locations with the aim of enhancing the green cover of the institution. The activity emphasized the significance of trees in maintaining ecological balance, improving air quality, conserving biodiversity, and combating climate change. Through their participation, cadets gained practical experience in environmental conservation and developed a deeper appreciation for the role of trees in sustaining life and protecting natural resources.

The sapling-planting initiative also symbolized hope, growth, and long-term commitment to environmental stewardship. Each sapling planted during the program represented a contribution towards creating a healthier and greener future. Cadets were encouraged to take responsibility for nurturing and protecting the planted saplings, reinforcing the understanding that environmental conservation requires continuous care and commitment. The activity served as a reminder that even small individual efforts can collectively create a significant positive impact on the environment.

In addition to tree planting, the program included a campus cleaning drive aimed at promoting cleanliness and hygiene within the college premises. Cadets worked together to clean various areas of the campus, collecting waste materials and ensuring that the surroundings remained neat and environmentally friendly. The cleaning activity highlighted the importance of

maintaining public spaces and encouraged participants to adopt responsible waste management practices. Through this effort, cadets demonstrated their dedication to creating a healthy and pleasant environment for all members of the college community.

The cleaning drive also served as an educational experience by emphasizing the relationship between cleanliness and environmental sustainability. Participants learned about the importance of proper waste disposal, recycling, and minimizing environmental pollution. The activity encouraged students to become more conscious of their daily habits and motivated them to adopt environmentally responsible behaviors both within and beyond the college campus. The practical nature of the program helped translate environmental awareness into concrete action.

One of the major strengths of the program was the spirit of teamwork displayed by the cadets. Both the tree-planting activity and the cleaning drive required cooperation, coordination, and mutual support among participants. The cadets worked collectively towards a common goal, demonstrating the values of discipline, leadership, and service that form the foundation of the National Cadet Corps. Their enthusiastic participation reflected their commitment to community welfare and environmental preservation.

The program also provided an opportunity for cadets to develop essential life skills such as leadership, responsibility, planning, and teamwork. Through active involvement in organizing and executing the activities, participants gained valuable practical experience that contributed to their overall personality development. Such initiatives not only benefit the environment but also help shape socially conscious individuals who are prepared to contribute positively to society.

The event generated awareness among students, faculty members, and staff regarding the importance of maintaining a sustainable and environmentally friendly campus. The visible impact of the tree-planting and cleaning activities inspired members of the college community to support similar initiatives in the future. The program reinforced the message that environmental conservation is a shared responsibility and that every individual has a role to play in protecting natural resources for future generations.

The observance of NCC Day through this initiative successfully combined celebration with meaningful social action. Rather than limiting the occasion to ceremonial activities, the NCC Naval Wing utilized the opportunity to make a tangible contribution to environmental sustainability. The program demonstrated how youth organizations can play a significant role

in addressing contemporary environmental challenges through awareness, participation, and practical action.

Overall, the NCC Day Tree Planting and Campus Cleaning Drive organized by the NCC Naval Wing of Sree Narayana Guru College, Chelannur, was a highly successful and impactful program. It effectively achieved its objectives of promoting environmental awareness, enhancing campus greenery, encouraging cleanliness, and fostering a sense of social responsibility among participants. Through their dedication and active involvement, the NCC cadets demonstrated their commitment to building a cleaner, greener, and more sustainable future. The program left a lasting impression on the college community and served as an inspiring example of responsible citizenship and environmental stewardship.

WORLD POLLUTION DAY UNITY RUN AND AWARENESS CAMPAIGN 202

Program	: World Pollution Day Unity Run and Awareness Campaign
Organizer	: NCC Naval Wing, Sree Narayana Guru College, Chelannur Associating Partner: Sree Narayana Guru College, Chelannur
Beneficiary	: NCC Cadets, Students, Faculty Members, Staff, and Local Community
Date & Year	: 2 December 2025
Scope	: Environmental Awareness, Pollution Prevention, and Sustainable Living
Coordinator	: Dr. Vineesh K. P.

Duration : 3hrs

Objective : To observe World Pollution Day by creating awareness about the harmful effects of pollution, encouraging eco-friendly habits, promoting sustainable lifestyles, and motivating students and the community to take collective action for environmental protection.

Outcome : The Unity Run successfully raised awareness about pollution control and environmental conservation among participants and the public. Cadets took a pledge to adopt eco-friendly practices and promote sustainability in their daily lives. The program strengthened environmental responsibility, community participation, and commitment towards creating a cleaner, healthier, and more sustainable environment.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, observed World Pollution Day on 2 December 2025 by organizing a Unity Run and Environmental Awareness Campaign. The program was conducted with the objective of creating awareness about the growing environmental challenges caused by pollution and encouraging individuals to adopt sustainable and eco-friendly practices in their daily lives. The observance reflected the commitment of the National Cadet Corps towards environmental protection, social responsibility, and community engagement. Through active participation and awareness-oriented activities, the program sought to inspire students and the public to become responsible custodians of the environment.

The event was organized under the guidance of Dr. Vineesh K. P., Care Taker Officer of the NCC Naval Wing, and with the support of Principal Prof. (Dr.) Kumar S. P. Their leadership and encouragement played a significant role in the successful implementation of the program. The organizers emphasized the importance of collective action in addressing environmental issues and highlighted the responsibility of educational institutions in promoting awareness about sustainable living. The program brought together NCC cadets, students, faculty members, and members of the local community, creating a shared platform for environmental advocacy and public participation.

World Pollution Day serves as a reminder of the serious threats posed by pollution to human health, biodiversity, and ecological balance. Air pollution, water contamination, plastic waste,

and improper waste disposal continue to affect communities across the globe. The observance of this day aims to encourage individuals and organizations to take meaningful steps towards reducing pollution and protecting natural resources. Recognizing the urgency of these issues, the NCC Naval Wing utilized the occasion to spread awareness and inspire positive environmental action among young people.

The program commenced with a pledge-taking ceremony in which cadets and participants reaffirmed their commitment to protecting the environment. The pledge focused on adopting eco-friendly habits, reducing waste generation, minimizing pollution, and promoting sustainable practices in everyday life. This activity encouraged participants to recognize that environmental conservation begins with individual responsibility and that even small actions can contribute significantly to environmental protection. The pledge created a sense of commitment and accountability among participants, motivating them to become active contributors to a cleaner and healthier environment.

A major highlight of the program was the Unity Run conducted by NCC cadets and students. The run served as a symbolic expression of collective determination to combat pollution and promote environmental awareness. Participants marched together carrying banners and messages emphasizing environmental conservation, pollution control, and sustainable living. The Unity Run attracted attention from members of the public and effectively communicated the importance of environmental responsibility. By taking the awareness message beyond the boundaries of the campus, the program succeeded in reaching a wider audience and encouraging community participation.

The Unity Run also highlighted the role of youth in addressing contemporary environmental challenges. Young people possess the energy, creativity, and commitment necessary to bring about positive social change. Through their enthusiastic participation, the NCC cadets demonstrated that environmental conservation is not merely a governmental responsibility but a collective mission that requires active involvement from every citizen. The program inspired participants to view themselves as agents of change capable of influencing their peers, families, and communities to adopt environmentally responsible behaviors.

Throughout the program, emphasis was placed on practical measures that individuals can implement to reduce pollution. Participants were encouraged to minimize the use of single-use plastics, practice waste segregation, conserve water and energy, utilize public transportation when possible, and support recycling initiatives. Discussions also focused on the importance of maintaining cleanliness in public spaces and protecting natural ecosystems from human-

induced pollution. These messages reinforced the understanding that environmental sustainability depends on consistent and responsible actions at both individual and community levels.

The event provided an excellent opportunity for cadets to develop leadership, teamwork, and organizational skills. Planning and conducting a large-scale awareness program required effective coordination, communication, and collective effort. Through their involvement, cadets gained valuable practical experience while simultaneously contributing to a meaningful social cause. The program also strengthened their sense of civic responsibility and reinforced the core values of the National Cadet Corps, including discipline, service, leadership, and commitment to national development.

The awareness campaign generated significant interest among students and members of the community. Participants appreciated the initiative and recognized the importance of adopting environmentally friendly practices in their daily lives. The program encouraged meaningful discussions regarding environmental protection and inspired individuals to make conscious lifestyle choices that reduce their ecological footprint. The positive response from participants demonstrated the effectiveness of awareness-based activities in promoting environmental consciousness and community engagement.

Another important aspect of the program was its focus on collective responsibility. Pollution is a challenge that affects everyone regardless of age, profession, or background. Therefore, meaningful solutions require cooperation among individuals, institutions, and communities. The Unity Run symbolized this shared responsibility and reinforced the idea that environmental protection can only be achieved through coordinated efforts and sustained commitment. By bringing together diverse participants under a common cause, the program strengthened the spirit of unity and cooperation within the college community.

The observance of World Pollution Day also aligned with broader goals of sustainable development and environmental stewardship. Educational institutions play a crucial role in shaping environmentally conscious citizens who understand the importance of balancing development with ecological preservation. Through programs such as this, students gain practical exposure to environmental issues and become more aware of their responsibilities towards future generations. The initiative successfully integrated awareness, action, and community participation, creating a meaningful learning experience for all involved.

Overall, the World Pollution Day Unity Run and Awareness Campaign organized by the NCC Naval Wing of Sree Narayana Guru College, Chelannur, was a highly successful and impactful

program. It effectively fulfilled its objectives of creating awareness about pollution, promoting sustainable living practices, and encouraging collective action for environmental protection. Through active participation, community engagement, and a strong commitment to environmental responsibility, the program inspired participants to contribute towards building a cleaner, healthier, and more sustainable future. The event left a lasting impression on the college community and reaffirmed the role of NCC cadets as responsible citizens dedicated to the welfare of society and the environment.

NAVY DAY MARATHON

Program	: Navy Day Marathon
Organizer	: NCC Naval Wing
Associating Partner	: Sree Narayana Guru College, Chelannur
Beneficiary	: NCC Cadets and Students
Date & Year	: 04 December 2025
Scope	: Physical Fitness, Discipline, and Awareness
Coordinator	: Dr. Vineesh K. P.
Duration	: 4 hrs
Objective	: To promote physical fitness, discipline, teamwork, and the spirit of Navy Day among cadets.
Outcome	: Improved fitness awareness, enhanced team spirit, and strengthened commitment to the values of discipline and service among participants.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, organized a Marathon Run on 4 December 2025 as part of the Navy Day celebrations. The program was conducted with the aim of promoting physical fitness, discipline, teamwork, and awareness of the values upheld by the Indian Navy. The event was organized under the guidance of Care Taker Officer Dr. Vineesh K. P. and with the encouragement and support of Principal Prof. (Dr.) Kumar S. P. The marathon witnessed enthusiastic participation from NCC cadets, who actively took part in the run and demonstrated their commitment to fitness and disciplined living.

Navy Day is celebrated every year to honor the achievements, courage, and dedication of the Indian Navy in safeguarding the nation's maritime interests. The NCC Naval Wing observed this occasion by organizing a marathon that reflected the spirit of determination, endurance, and service associated with naval forces. The event provided cadets with an opportunity to celebrate Navy Day in a meaningful manner while encouraging healthy habits and physical activity among participants.

The program commenced with an assembly of cadets and faculty members at the college campus. Participants were briefed about the significance of Navy Day and the objectives of the marathon. Instructions regarding safety measures, route guidelines, and the importance of maintaining discipline throughout the event were provided before the commencement of the run. The briefing emphasized the values of teamwork, perseverance, and responsibility, which are essential qualities for both NCC cadets and future citizens.

The marathon was conducted along a designated route that enabled participants to experience the importance of endurance and physical stamina. Cadets participated with enthusiasm and determination, maintaining discipline and coordination throughout the event. The run encouraged participants to challenge themselves physically while fostering a sense of unity and collective achievement. The atmosphere was energetic and inspiring, with cadets motivating one another and demonstrating strong team spirit during the course of the program.

Physical fitness forms an important component of NCC training, and the marathon served as an effective platform for reinforcing this aspect. Regular physical activity contributes significantly to overall health, mental well-being, and personal development. Through their participation in the marathon, cadets gained a deeper appreciation of the importance of maintaining an active lifestyle and building physical endurance. The program also highlighted how fitness contributes to confidence, resilience, and the ability to face challenges effectively.

In addition to promoting health and fitness, the marathon served as a means of developing discipline and leadership qualities among participants. The event required cadets to demonstrate punctuality, self-control, commitment, and cooperation. These qualities are fundamental to NCC training and play a vital role in shaping responsible and capable individuals. The program encouraged cadets to cultivate these values and apply them in their academic, personal, and social lives.

The event also provided an opportunity to strengthen camaraderie among cadets. Participating in a shared physical challenge fostered mutual support, teamwork, and a sense of belonging within the unit. The collective experience of completing the marathon enhanced group cohesion and reinforced the spirit of unity that is central to NCC activities. The program created a positive and motivating environment that encouraged cadets to work together toward a common goal.

The Navy Day Marathon was successfully conducted and achieved its intended objectives. The active participation and enthusiasm displayed by the cadets reflected their dedication to the principles of fitness, discipline, and service. The program enhanced awareness regarding the significance of Navy Day while promoting healthy lifestyles and positive values among participants. It also served as an effective means of encouraging youth involvement in activities that contribute to personal growth and community development.

In conclusion, the Navy Day Marathon organized by the NCC Naval Wing of Sree Narayana Guru College was a memorable and successful event. The program combined the celebration of Navy Day with the promotion of physical fitness, teamwork, and disciplined living. Through their participation, cadets gained valuable experiences that contributed to their physical, mental, and personal development. The event reaffirmed the commitment of the NCC Naval Wing to nurturing responsible, confident, and socially conscious individuals who embody the values of service, dedication, and national pride.

NAVY DAY OLD AGE HOME VISIT

Program	: Navy Day Old Age Home Visit
Organizer	: NCC Naval Wing
Associating Partner	**:** Asha Old Age Home
Beneficiary	: Residents of Asha Old Age Home
Date & Year	: 04 December 2025
Scope	: Community Outreach and Social Service
Coordinator	: Dr. Vineesh K. P.
Duration	: 2hrs
Objective	: To celebrate Navy Day through community service and provide companionship and support to elderly residents.
Outcome	: Strengthened social responsibility among cadets and brought joy, comfort, and emotional support to the residents of the old age home.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, organized a meaningful community outreach program on 4 December 2025 as part of the Navy Day celebrations. The program, titled “Sharing Time, Spreading Smiles,” was conducted at Asha Old Age Home with the objective of fostering social responsibility, compassion, and community service among NCC cadets. The initiative was carried out under the guidance of Care Taker Officer Dr.

Vineesh K. P. and with the encouragement and support of Principal Prof. (Dr.) Kumar S. P. The program provided cadets with an opportunity to interact closely with elderly residents and contribute positively to their emotional well-being.

Navy Day is observed to commemorate the achievements and sacrifices of the Indian Navy and to promote the values of discipline, service, and commitment. In keeping with these ideals, the NCC Naval Wing chose to celebrate the occasion through a community service activity that focused on caring for senior citizens. The visit to Asha Old Age Home reflected the spirit of social responsibility and demonstrated the importance of extending support and companionship to elderly members of society who often experience loneliness and isolation.

The program began with the arrival of the cadets at the old age home, where they were warmly welcomed by the residents and staff members. The cadets introduced themselves and spent time interacting with the elderly residents in a friendly and respectful manner. These interactions created an atmosphere of warmth and mutual understanding. The residents enthusiastically shared stories from their lives, experiences, and memories, while the cadets listened attentively and engaged in meaningful conversations. The exchange helped bridge the generational gap and fostered a sense of connection between the young volunteers and the senior citizens.

As part of the program, the cadets organized small cultural and recreational activities to entertain the residents. Songs, group interactions, and informal performances were conducted to create a joyful environment and encourage active participation. The residents responded with enthusiasm and appreciation, making the program lively and memorable. The activities not only provided entertainment but also helped strengthen emotional bonds between the participants. The smiles and positive responses of the residents reflected the success of the initiative in bringing happiness and companionship to their lives.

The visit also provided an important learning experience for the cadets. Through their interactions with the residents, they gained a deeper understanding of the challenges faced by elderly individuals and the importance of empathy, patience, and respect. The program encouraged cadets to appreciate the value of family relationships and the need to care for senior citizens in society. It reinforced the principles of selfless service and social commitment that form an integral part of NCC training and character development.

The event highlighted the role of youth in contributing to social welfare and community development. By dedicating their time and energy to serving others, the cadets demonstrated that meaningful service does not always require large-scale efforts but can begin with simple

acts of kindness and compassion. The program encouraged participants to continue engaging in community outreach activities and to become responsible citizens who actively contribute to the well-being of society.

The residents of Asha Old Age Home expressed their gratitude for the visit and appreciated the efforts of the cadets in making the day special and enjoyable. The interaction created a positive and uplifting atmosphere, leaving a lasting impact on both the residents and the cadets. The program successfully fulfilled its objective of spreading happiness, building relationships, and promoting social awareness among the participants.

The Navy Day Old Age Home Visit was a highly successful and meaningful initiative that combined the celebration of Navy Day with community service. The program strengthened the values of compassion, discipline, and social responsibility among the cadets while bringing comfort and joy to the residents of the old age home. The experience enriched the participants by providing valuable lessons in empathy, respect, and human connection.

In conclusion, the community outreach program at Asha Old Age Home was a memorable and rewarding experience for everyone involved. Through meaningful interactions, cultural activities, and acts of kindness, the NCC cadets successfully spread smiles and created cherished memories for the elderly residents. The program reflected the true spirit of service and demonstrated the commitment of the NCC Naval Wing of Sree Narayana Guru College to community welfare and nation-building. Such initiatives continue to inspire cadets to uphold the values of humanity, service, and social responsibility in all aspects of life.

ARMY DAY QUIZ COMPETITION

Program	**:** Army Day Quiz Competition
Organizer	**:** NCC Naval Wing
Associating Partner	**:** Sree Narayana Guru College, Chelannur
Beneficiary	: NCC Cadets and Students of Sree Narayana Guru College, Chelannur
Date & Year	**:** 15 January 2025
Scope	**:** College Level
Coordinator	**:** Dr. Vineesh K. P.
Duration	**:** 1 Hour
Objective	**:** To commemorate Army Day by enhancing students' knowledge about the Indian Army, its history, achievements, and contribution to national security while promoting patriotism and awareness.
Outcome	**:** The quiz competition increased participants' understanding of the Indian Army, encouraged healthy competition, strengthened patriotic values, and recognized outstanding performers through cash prizes.

Detailed Report

The NCC Naval Wing of Sree Narayana Guru College, Chelannur, organized an Army Day Quiz Competition on 15 January 2026 in connection with the celebration of Army Day. The program was conducted with the aim of paying tribute to the courage, sacrifice, and dedication of the Indian Army while promoting knowledge and awareness among students about the nation's armed forces. The event was organized under the guidance of the Coordinator, Dr. Vineesh K. P., and witnessed enthusiastic participation from NCC cadets and students of the college. The program served as a meaningful platform to commemorate Army Day and to inspire young minds with the values of patriotism, discipline, and national service.

Army Day is observed every year on 15 January to honor the brave soldiers of the Indian Army and to remember their invaluable contribution to safeguarding the sovereignty and integrity of the nation. Keeping this significance in mind, the NCC Naval Wing decided to conduct an interactive quiz competition that would not only test the knowledge of participants but also help them learn more about the history, achievements, operations, and distinguished personalities of the Indian Army. The competition was designed to create awareness among

students regarding the role of the armed forces in maintaining national security and responding to various challenges faced by the country.

The program commenced at 11:30 AM with a brief introduction highlighting the importance of Army Day and the purpose of organizing the quiz competition. Participants were informed about the rules and structure of the competition. The event attracted a large number of students who eagerly took part in the quiz, demonstrating their interest in military history, national defense, and current affairs related to the armed forces. The questions covered a wide range of topics, including the history of the Indian Army, important military operations, gallantry awards, national leaders, military traditions, and contemporary developments in defense and security.

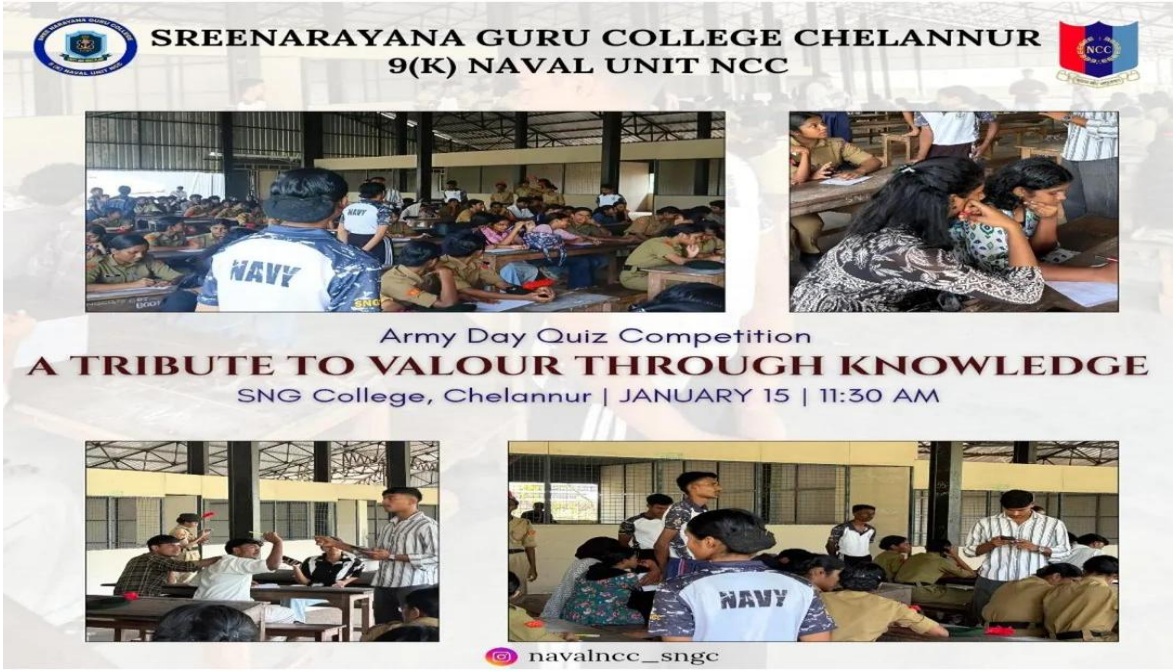

The quiz competition was conducted in an engaging and systematic manner. Participants actively responded to the questions, creating a lively and competitive atmosphere throughout the event. The competition encouraged students to think critically, recall information, and apply their knowledge effectively. The enthusiasm displayed by the participants reflected their curiosity and eagerness to learn more about the nation's military heritage. The event also provided an opportunity for interaction and knowledge sharing among students from different academic backgrounds.

One of the major highlights of the program was the recognition of the winners through cash prizes. The best-performing participants were awarded cash prizes as a token of appreciation for their knowledge, dedication, and outstanding performance in the competition. The prize distribution added excitement to the event and motivated students to actively participate in similar educational activities in the future. The awards served as an encouragement for students to continue developing their knowledge and awareness about national issues and defense-related topics.

The program successfully fulfilled its objectives by enhancing participants' understanding of the Indian Army and its contributions to the nation. Through the quiz competition, students gained valuable insights into the sacrifices and achievements of the armed forces. The event also strengthened patriotic feelings and inspired respect for the brave men and women who serve the country. By combining learning with healthy competition, the program created a positive educational environment that encouraged intellectual growth and civic responsibility.

The Army Day Quiz Competition concluded with words of appreciation for all participants, volunteers, and organizers who contributed to the success of the event. The NCC Naval Wing once again demonstrated its commitment to promoting national awareness and character

development among students through meaningful and educational activities. The program was a grand success, leaving participants with greater knowledge, enhanced confidence, and a deeper sense of patriotism. It stands as a memorable initiative that effectively honored the spirit of Army Day through the pursuit of knowledge and learning.

REPUBLIC DAY CELEBRATION 2026

Program	**:** Republic Day Celebration & Flag Hoisting Ceremony
Organizer	**:** NCC Naval Wing
Associating Partner	**:** Army NCC Wing and NSS Unit, SNG College Chelannur
Beneficiary	**:** NCC Cadets, NSS Volunteers, Students, and Faculty Members
Date & Year	**:** 26 January 2026
Scope	**:** Institutional Level
Coordinator	**:** Dr. Vineesh K. P.
Duration	**:** 1 Hour
Objective	**:** To instill patriotism, discipline, and respect for the nation among students.
Outcome	**:** Enhanced national unity, civic awareness, and commitment to democratic values among participants.

Detailed Report

The Naval NCC Unit of Sree Narayana Guru College, Chelannur, celebrated the 77th Republic Day of India with great enthusiasm and patriotic spirit on 26 January 2026 at the college

campus. The program was organized by the NCC Naval Wing under the guidance of Care Taker Officer Dr. Vineesh K. P. The event commenced at 8:30 AM and witnessed the active participation of NCC cadets, NSS volunteers, faculty members, and students. The celebration served as a tribute to the democratic values of the nation and reminded everyone of the sacrifices made by the freedom fighters and national leaders in building a sovereign and democratic India.

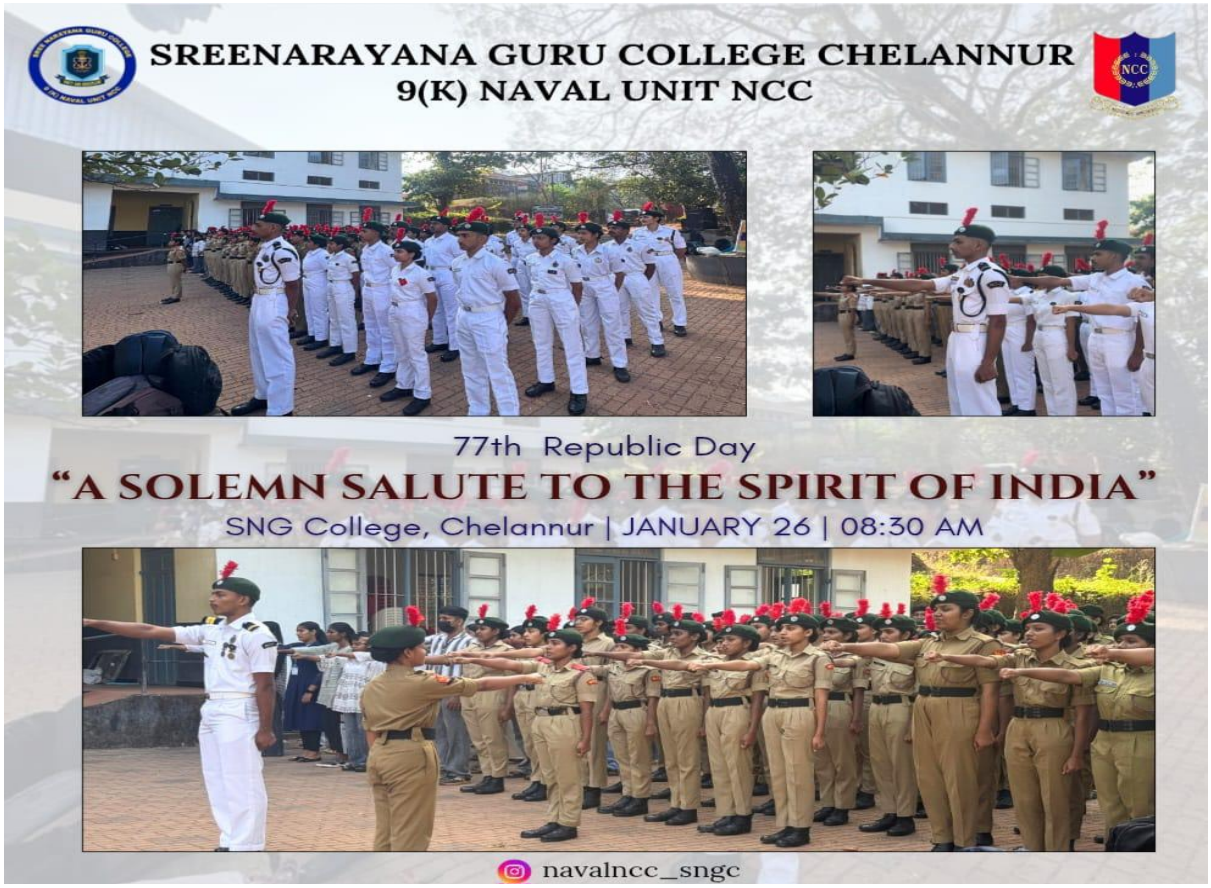

The Republic Day celebration began with the assembly of NCC cadets and other participants in the college courtyard. The cadets stood in disciplined formations, reflecting the values of unity, dedication, and responsibility that are deeply rooted in the National Cadet Corps. The National Flag was ceremonially hoisted, and all participants paid homage to the nation by saluting the Tricolour. The atmosphere was filled with patriotism as the National Anthem was sung with pride and respect. The ceremony highlighted the significance of Republic Day, which marks the adoption of the Constitution of India on 26 January 1950. The program was conducted under the leadership and coordination of Dr. Vineesh K. P., whose guidance ensured the smooth and successful execution of the event. The celebration also received valuable motivation and support from the Principal of the college, Prof. (Dr.) Kumar S. P., whose encouragement inspired the students to participate actively in the program. The presence and support of the college administration added significance to the event and strengthened the spirit of national service among the students.

The celebration was further enriched by the participation of Army NCC cadets led by ANO Captain Dr. Sindhu Krishnadas T. Their disciplined presence and active involvement reflected the strong bond and cooperation between the different NCC wings of the institution. NSS volunteers, under the guidance of Program Officer Prof. Jyothi Lakshmi, also participated enthusiastically in the ceremony. Their involvement demonstrated the collective commitment of the student community towards national development, social responsibility, and civic engagement.

During the program, the importance of the Constitution of India and the responsibilities of citizens in a democratic nation were highlighted. The event emphasized the need to uphold the values of justice, liberty, equality, and fraternity, which form the foundation of the Indian Republic. The cadets and volunteers were reminded of their duties as responsible citizens and future leaders who can contribute positively to society. The celebration also provided an opportunity for students to reflect on the achievements of the nation and the role they can play in its continued progress and development.

The Republic Day celebration successfully instilled a sense of patriotism, national pride, and unity among all participants. The disciplined conduct of the cadets and the enthusiastic participation of students reflected the effectiveness of NCC and NSS activities in shaping responsible and service-minded individuals. The program strengthened the values of leadership, teamwork, discipline, and respect for national symbols and democratic institutions.

In conclusion, the Republic Day Celebration organized by the Naval NCC Unit of Sree Narayana Guru College, Chelannur, was a meaningful and inspiring event. It provided a platform for students to express their love for the nation and reaffirm their commitment to the ideals of the Constitution. The program successfully promoted national integration, civic responsibility, and patriotic values among the participants. Through such activities, the NCC continues to play a vital role in nurturing disciplined, responsible, and socially conscious citizens who are dedicated to serving the nation.

NATIONAL SERVICE SCHEME

UNITS 19 & 33

ENVIRONMENT DAY

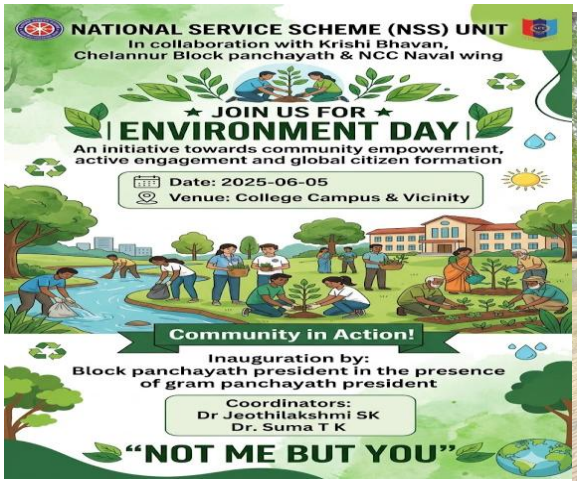

Program Name	**:** Environment day
Organiser	**:** National Service Scheme (NSS) Unit
Associating Partner	**:** Krishi Bhavan, NCC Naval wing
Beneficiary	**:** The whole community
Date and Year	**:** 2025-06-05
Scope	**:** Institutional / Local Community Development
Coordinator	**:** Dr Jeothilakshmi SK, Dr. Suma T K
Duration of the Program	**:** Full-Time Campaign (One Day)
Objectives	**:** To foster civic responsibility, execute community welfare tasks, and address regional social challenges through active youth volunteerism.
Outcome	**:** Enhanced community alignment, practical leadership experience for student volunteers, and immediate improvement in local ecosystem/awareness parameters.

The National Service Scheme (NSS) unit successfully organized the program titled 'Environment day' on 2025-06-05. The primary objective of this initiative was to actively engage student volunteers in social welfare development activities and instill a robust sense of social and civic responsibility. In alignment with the core values of the institution, the program sought to provide meaningful contributions to the campus and the surrounding community. The

event commenced with an inaugural address by Block panchayath president in the presence of gram panchayath president, who emphasized the critical importance of youth engagement in nation-building and community development.

During the program, the volunteers actively participated in various planned tasks, which included planted fruit trees in the campus, cleaned the college road, volunteers participated in the awareness program held at railway station Calicut. This comprehensive hands-on involvement allowed students to understand the ground realities of social issues while working collaboratively with their peers. Under the expert guidance of the program coordinators, Dr Jeothilakshmi SK, Dr. Suma T K, the scheduling and execution of all activities were seamlessly managed, ensuring full compliance with the institutional guidelines and community needs.

The outcome of the program was highly encouraging and impactful. The student volunteers gained invaluable practical experience in leadership, team coordination, and community relationship management. Furthermore, the initiative significantly benefited the target audience, enhancing the clean and green ecosystem of the locality and fostering a spirit of selfless service. The NSS unit and the Internal Quality Assurance Cell (IQAC) continue to commit to such sustainable community development activities, ensuring a continuous positive transformation in the academic year.

READERS DAY QUIZ COMPETITION

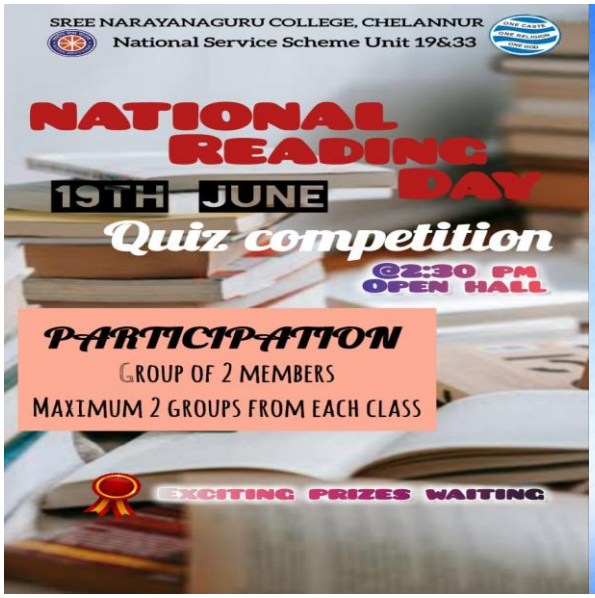

Program Name:	Readers Day Quiz Competition
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Beneficiaries	UG Students (80)
Date and Year:	June 19, 2025
Scope:	Institutional (Open to all students)
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day

Objectives: To cultivate reading habits, promote literature appreciation, and enhance general knowledge among the student community.

Outcome: A competitive quiz program was organized by the NSS Program Officers, which witnessed active intellectual participation from students across various departments.

To honour the legacy of national reading movements, the National Service Scheme units organized an academic Readers Day Quiz Competition tailored for the entire student body. Curated comprehensively by the designated NSS Program Officers, the quiz contained diverse rounds focusing on classic global literature, regional language publications, historical milestones, and current global affairs. The central aim of the event was to re-ignite a healthy passion for physical reading and library research within a highly digital student environment. Multiple student groups from different undergraduate branches competed in the event, showing solid literary awareness and sharp logical processing speeds. The activity successfully transformed regular observance into a dynamic educational exercise, motivating students to explore diverse literature beyond their rigid curriculum bounds. The program officers concluded the event by emphasizing how steady reading habits directly shape critical thinking abilities and enhance public speaking skills.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

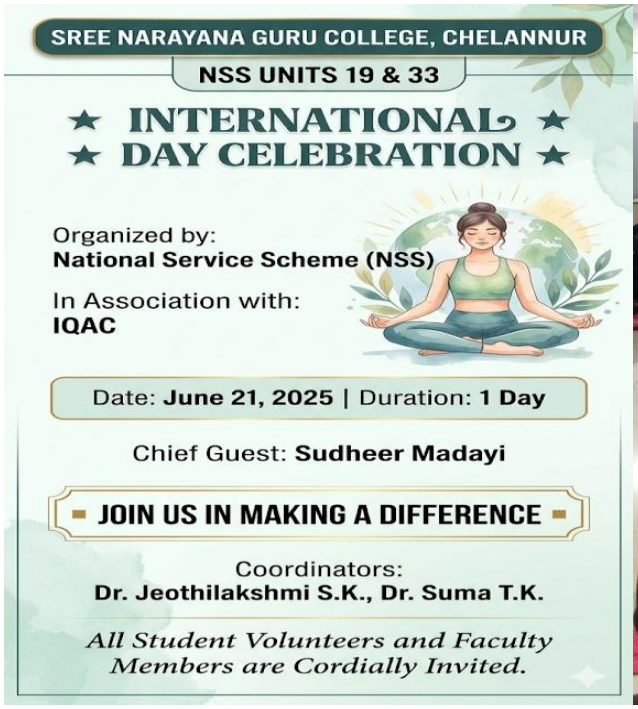

INTERNATIONAL YOGA DAY CELEBRATION

Program Name:	International Yoga Day Celebration
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Beneficiaries	92 NSS and NCC volunteers
Date and Year:	June 21, 2025
Scope:	Institutional
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To raise awareness about the physical, mental, and spiritual benefits of practicing yoga, promoting a holistic lifestyle among students.
Outcome:	Inaugurated by Sudheer Madayi, the program successfully conducted a live Yoga Demonstration alongside an insightful session on the structural significance of incorporating yoga into daily routines.

The International Yoga Day Celebration was conducted to bring focused awareness to wellness practices within the academic environment. The workshop was officially opened by Sri Sudheer Madayi, who delivered an expert address centered on using yogic sciences to manage stress and balance modern lifestyle demands. Following the opening speech, a comprehensive physical demonstration was led by trained practitioners, guiding volunteers through specific breathing techniques, stretching series, and meditative alignment steps. The session highlighted yoga as a practical tool for student wellness, particularly for improving mental concentration, correcting posture from long study hours, and building psychological resilience. Student volunteers actively participated in the practical sessions, experiencing firsthand the immediate calming benefits of structured meditation. The event effectively motivated the institutional

community to think about daily wellness practices, offering actionable routines for personal stress relief.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

MENSTRUAL CUP AWARENESS PROGRAM

Program Name:	Menstrual Cup Awareness Program
Organiser:	National Service Scheme (NSS)
Associating Partner:	JCI (Junior Chamber International)
Date and Year:	June 25, 2025
Scope:	Institutional / Health & Sanitation
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To break stigmas around menstruation, educate students on sustainable menstrual hygiene options, and promote eco-friendly practices.
Outcome:	Inaugurated by the Principal, the seminar educated female students and volunteers on the health benefits and usage of menstrual cups, driving a shift toward sustainable hygiene.

The Menstrual Cup Awareness Program was organized as a health education workshop to discuss modern biological hygiene options and sustainable lifestyle adjustments. Arranged in joint collaboration with Junior Chamber International (JCI), the session provided a scientific platform to break long-standing biological taboos and answer common healthcare questions. The Principal officially opened the seminar, emphasizing the value of introducing eco-friendly choices into everyday routines. Expert medical educators provided detailed demonstrations regarding the anatomical safety, long-term economic advantages, and environmental benefits of adopting menstrual cups over disposable alternatives. Female student volunteers engaged in an open, highly educational question-and-answer session that clarified common myths regarding materials, usage safety, and sanitation. The initiative successfully drove a positive shift in perspective toward healthy, sustainable menstrual health management, giving participants clear, practical options for personal well-being.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

ANTI-NARCOTICS DAY AWARENESS DRIVE

Program Name:	Anti-Narcotics Day Awareness Drive
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC and Excise Department
Date and Year:	June 26, 2025

Scope:	Institutional and Public Awareness
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To sensitize youth against drug abuse and illicit trafficking, highlighting the beauty of a addiction-free life.
Outcome:	Inaugurated by the Principal, the event featured a powerful and engaging talk titled 'Jeevithamaanu Lahari' delivered by Mr. Shafi V (Excise Inspector). Volunteers also performed a flash mob to creatively convey anti-drug messages to the public.

In response to growing public safety and youth health challenges, an extensive Anti-Narcotics Day Awareness Drive was executed to warn the student body against chemical substance dependencies. The program opened with a keynote address from the principal, followed by an expert legal and health presentation titled 'Jeevithamaanu Lahari' delivered by Mr. Shafi V, a regional Excise Inspector. The expert talk covered the psychological traps of substance abuse, the strict statutory penalties involved in narcotics tracking, and the clinical impact of addiction on families. To spread these critical safety messages beyond the lecture hall, NSS volunteers organized an energetic public flash mob on the campus grounds. This creative performance combined synchronized choreography with dramatic messaging to show the realities of drug abuse, drawing strong attention from general viewers. The dual-approach program effectively combined structured statutory education with creative performance arts, encouraging students to actively champion healthy, substance-free lifestyles.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

ULLAS DIGITAL LITERACY TRAINING WORKSHOP

Program Name:	ULLAS Digital Literacy Training Workshop
Organiser:	National Service Scheme (NSS)
Associating Partner:	Saksharatha Mission
Date and Year:	July 18, 2025
Scope:	Community Empowerment & Capacity Building
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.

Duration of the program:	1 Day
Objectives:	To equip NSS volunteers with digital skills so they can act as mentors and educators in eliminating regional digital illiteracy.
Outcome:	Formally inaugurated by the Panchayath President, the training workshop successfully empowered student volunteers to cascade foundational digital knowledge into the local community under the national literacy mandate.

Aligned with national directives to expand functional technology access, the ULLAS Digital Literacy Training Workshop was organized to turn student volunteers into effective digital mentors. Held in close coordination with the regional Saksharatha Mission, the capacity-building event was officially opened by the Grama Panchayath President. The instructional curriculum focused heavily on teaching core digital competencies, including navigating online governance portals, executing secure mobile banking payments, and accessing e-literacy tools safely. Expert resource persons trained the volunteers on clear techniques for teaching adult learners who have minimal experience with smartphones or computers. This structured training successfully built a dedicated group of student educators ready to go into the local community to teach digital basics. The initiative directly supported grassroots community development, bridging the local technological divide and helping residents gain independent access to modern digital resources.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment.

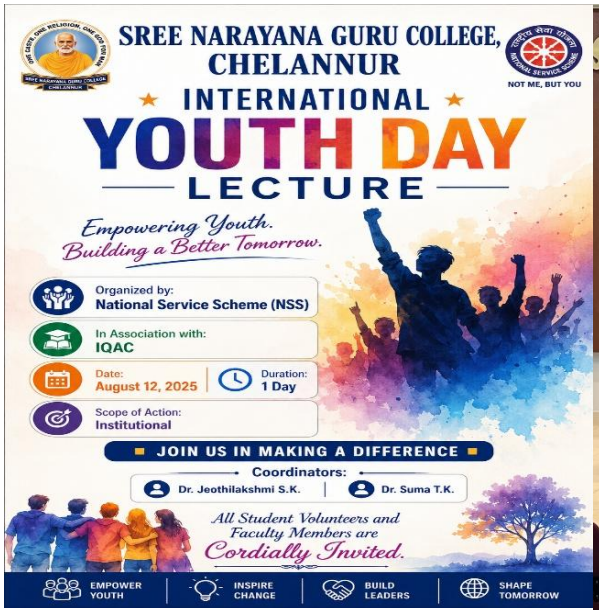

INTERNATIONAL YOUTH DAY LECTURE

Program Name:	International Youth Day Lecture
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Date and Year:	August 12, 2025
Scope:	Institutional

Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To celebrate the potential of youth and discuss leadership roles that students can undertake to handle contemporary global and local issues.
Outcome:	Opened by the Principal, the NSS units hosted a highly motivational expert talk based on the annual Youth Day theme, presented by Ms. Sangeetha G.

To celebrate the capabilities of young people, the International Youth Day Lecture was organized to inspire civic action and leadership across the student body. The session opened with an address by the College Principal, who emphasized the power of youth-driven projects in reshaping neighbourhood socio-economic conditions. The main keynote address was delivered by Ms. Sangeetha G., a well-known community speaker, who spoke in depth on the global theme of youth leadership in a changing economy. Her lecture focused on turning personal academic potential into effective social leadership, encouraging students to actively address issues like environmental sustainability and educational inequality. The interactive discussions gave volunteers a clear perspective on their civic responsibilities, helping them see how small, local efforts link directly to broader sustainable development goals. The event successfully built a shared sense of social duty, motivating participants to lead positive community changes.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

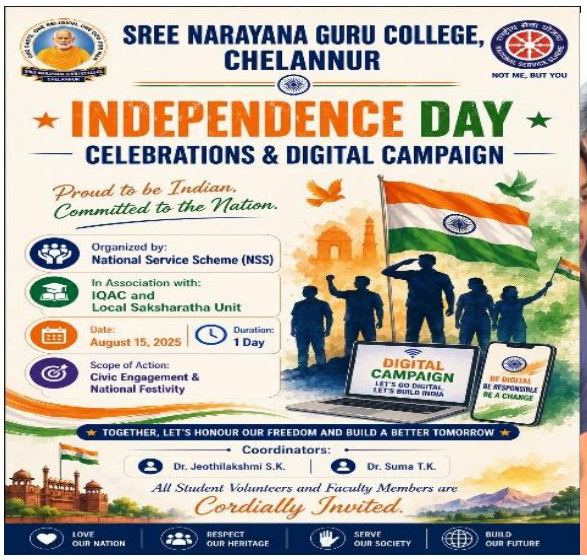

INDEPENDENCE DAY CELEBRATIONS & DIGITAL CAMPAIGN

Program Name:	Independence Day Celebrations & Digital Campaign
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC and Local Saksharatha Unit
Date and Year:	August 15, 2025

Scope:	Civic Engagement & National Festivity
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To pay tribute to the nation's independence while engaging in social data collection to assist regional development plans.
Outcome:	Following the official Independence Day flag-hoisting and campus celebrations led by the Principal, volunteers went out into the field to carry out an extensive public survey as part of a grassroots digital literacy campaign.

The Independence Day celebrations combined traditional civic pride with practical public service, making the national milestone both commemorative and impactful. The morning started with the official flag-hoisting ceremony and patriotic commitments led by the College Principal, attended by faculty members and student volunteers. Immediately after the campus event, the day transitioned into community action, with NSS units launching a field-based household survey in the surrounding neighborhood. Working with the Local Saksharatha Unit, volunteers visited homes to collect key data on local literacy levels and digital access gaps. This field survey gave students firsthand insights into regional development needs while building accurate records for future literacy projects. The initiative successfully mixed national pride with direct civic service, showing how community-focused fieldwork helps address local educational inequalities.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment.

MENTAL HEALTH AWARENESS & SUICIDE PREVENTION TALK

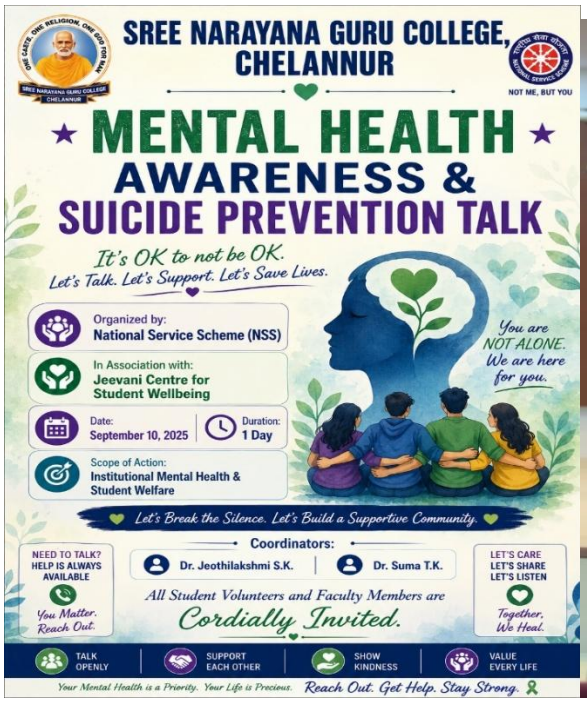

Program Name:	Mental Health Awareness & Suicide Prevention Talk

Organiser:	National Service Scheme (NSS)
Associating Partner:	Jeevani Centre for Student Wellbeing
Date and Year:	September 10, 2025
Scope:	Institutional Mental Health & Student Welfare
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To build an empathetic support system within the campus, alleviate psychological distress stigmas, and provide coping mechanisms.
Outcome:	Program Officers coordinated an intimate session where Jeevani Counsellor Ms. Nanditha addressed students on emotional resilience, identifying warning signs, and maintaining positive mental health.

The Mental Health Awareness and Suicide Prevention Talk was organized as an institutional support initiative to create an open environment for mental healthcare discussions on campus. Held alongside trained psychologists from the Jeevani Centre for Student Wellbeing, the structured seminar was arranged by the NSS Program Officers to address academic anxiety and personal stress dynamics. The keynote speaker, Jeevani Counsellor Ms. Nanditha, delivered a supportive, highly detailed talk focusing on building individual emotional resilience and noticing early warning behavioral signs among peer groups. The speaker highlighted actionable coping exercises, mindfulness steps, and the importance of professional counseling channels. The session successfully gave student groups a safe space to discuss psychological well-being, helping remove social taboos around mental health treatment and building a supportive network across the campus.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of

coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

FREE EYE CHECKUP CAMP

Program Name:	Free Eye Checkup Camp
Organiser:	National Service Scheme (NSS)
Associating Partner:	The Eye Foundation Super Speciality Eye Hospital
Date and Year:	September 11, 2025
Scope:	Institutional and Community Health
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day

Objectives:	To offer accessible vision screening and ophthalmologist consultations to early-detect eyesight anomalies for students and staff.
Outcome:	Inaugurated by the Principal, a professional medical screening camp was executed, providing free consultations, diagnostic assessments, and corrective advice to numerous beneficiaries.

Understanding the vital role vision care plays in long-term academic productivity, a comprehensive Free Eye Checkup Camp was organized for all institutional stakeholders and local neighborhood residents. Managed alongside clinical medical experts from The Eye Foundation Super Speciality Eye Hospital, the diagnostic camp was officially inaugurated by the College Principal. A specialized mobile diagnostic setup was installed on campus, featuring advanced optical refraction equipment, intraocular pressure monitors, and darkroom assessment charts. A medical team comprising experienced optometrists and healthcare consultants systematically examined patients for issues like refractive errors, early signs of cataract development, and screen-induced optical strain. Beneficiaries received customized optical prescriptions, professional medical guidance, and referral pathways for advanced treatments where necessary. The healthcare drive successfully provided high-quality medical testing directly to the campus, improving well-being and identifying vision conditions early.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

YUVA JAGARAN FOLK CAMPAIGN ON HIV AWARENESS

Program Name:	Yuva Jagaran Folk Campaign on HIV Awareness
Organiser:	National Service Scheme (NSS)
Associating Partner:	Kerala State AIDS Control Society (KSACS) and IQAC
Date and Year:	September 23, 2025
Scope:	Regional / Public Health Advocacy

Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To deploy traditional folk art forms as a compelling communication channel to educate youth regarding HIV/AIDS prevention and combat discrimination.
Outcome:	The college hosted a vibrant, high-impact regional folk campaign that successfully demystified HIV/AIDS facts for a wide student audience.

The Yuva Jagaran Folk Campaign on HIV Awareness was organized as a regional public health advocacy drive using traditional performing arts to share crucial healthcare messages. Conducted in close partnership with the Kerala State AIDS Control Society (KSACS), the event used folk music, street theater, and interactive performances to break down misconceptions surrounding HIV transmission and treatment. The performance group used vibrant local art styles to convey clear facts on disease prevention and the importance of ending social discrimination against affected patients. This unique cultural approach drew strong engagement from a large student audience, presenting complex public health information in an accessible way. The campaign successfully built high levels of health awareness among student groups, demonstrating how traditional art forms remain powerful tools for social change and public health communication.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

NATIONAL SERVICE SCHEME (NSS) DAY OBSERVANCE

Program Name:	National Service Scheme (NSS) Day Observance
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Date and Year:	September 24, 2025
Scope:	Institutional Festivity & Cultural Engagement
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.

Duration of the program:	1 Day
Objectives:	To commemorate the foundational principles of NSS ('Not Me But You') and celebrate community volunteerism.
Outcome:	Inaugurated by the Principal, the day was marked by community spirit and concluded with a captivating and entertaining Magic Show performed by Mr. Venugopal E.P.

The National Service Scheme (NSS) Day Observance was celebrated across the institution to honor the core spirit of voluntary social service and highlight the motto 'Not Me But You'. The official program was opened by the College Principal, who spoke on how community service projects help develop strong personal character and civic awareness in students. Following the formal presentations, the celebration featured a creative cultural program, highlighted by a live educational Magic Show performed by Mr. Venugopal E.P. The performance mixed entertaining illusions with positive social messages on community harmony and environmental protection. The event successfully brought volunteers together, celebrating past project milestones and encouraging students to stay committed to grassroots community development initiatives.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

CAMPUS CLEANING AND ROAD CLEANING DRIVE

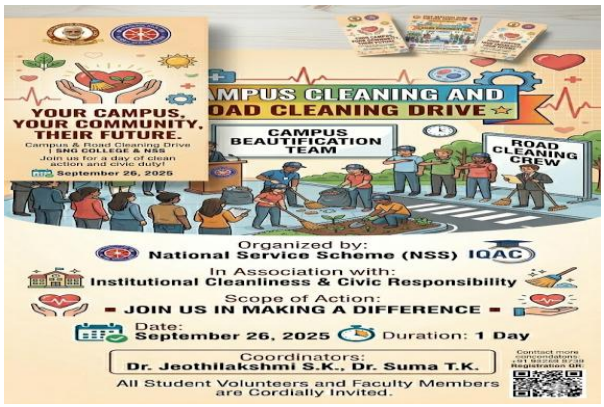

Program Name:	Campus Cleaning and Road Cleaning Drive
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Date and Year:	September 26, 2025
Scope:	Institutional Cleanliness & Civic Responsibility
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day

Objectives:	To cultivate cleanliness, improve public sanitation, and reduce visual pollution on public infrastructure around the institution.
Outcome:	Coordinated by the program officers, the mass volunteer action group effectively cleared refuse, plastic waste, and overgrowth from both the inner campus perimeter and adjoining public transit roads.

The Campus Cleaning and Road Cleaning Drive was organized as a major volunteer effort under local sanitation frameworks to improve public hygiene and preserve the local environment. Coordinated by the NSS Program Officers, teams of student volunteers worked together to collect and sort non-biodegradable waste, plastic clutter, and wild overgrowth across the campus grounds. After completing the internal cleanup, the volunteer teams expanded their work to the adjoining public transit roads, clearing public walkways and drainage paths. The collective effort successfully removed visual clutter and waste blockages, significantly improving local public hygiene. The project gave student volunteers practical experience in environmental maintenance, reinforcing the value of regular civic responsibility and public sanitation efforts.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

GANDHI JAYANTI COMMUNITY SANITATION SERVICE

Program Name:	Gandhi Jayanti Community Sanitation Service
Organiser:	National Service Scheme (NSS)
Associating Partner:	Kakkur Grama Panchayat and Primary Health Centre
Date and Year:	October 2, 2025
Scope:	Community Service / Public Health Infrastructure
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day

Objectives:	To pay homage to Mahatma Gandhi's ideals of Shramdaan (voluntary labor) and universal sanitation by executing maintenance support at a medical facility.
Outcome:	Formally inaugurated by Kakkur Gram Panchayat President Mr. C.M. Shaji, NSS volunteers organized and successfully executed a rigorous deep-cleaning and beautification drive at the Kakkur Primary Health Centre.

To honour Gandhi Jayanti through direct community action, the NSS units organized a comprehensive sanitation service project at the Kakkur Primary Health Centre, focusing on improving local public health infrastructure. The social service project was officially opened by the Kakkur Grama Panchayat President, Mr. C.M. Shaji, who praised the volunteers for supporting public medical spaces. Working in teams, student volunteers deep-cleaned the medical outpatient rooms, cleared surrounding walkways, and sorted waste materials safely. The teams also cleared wild overgrowth around the clinic grounds, creating a safer, more welcoming environment for incoming patients. This targeted field initiative successfully improved safety and hygiene conditions at the public health centre, showing how youth-led voluntary service directly supports essential community healthcare spaces.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

WORLD MENTAL HEALTH DAY OBSERVANCE

Program Name:	World Mental Health Day Observance
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Date and Year:	October 10, 2025
Scope:	Institutional Holistic Wellness
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day

Objectives:	To encourage discussions around mental wellness through a healthy blend of orientation, stress-relieving physical movement, and interactive games.
Outcome:	Inaugurated by Mr. Sooryajith, the event kicked off with an awareness session emphasizing personal well-being, followed by high-energy stress-buster events including a lively Zumba dance performance and an interactive campus Treasure Hunt.

The World Mental Health Day Observance was organized as a dynamic student wellness event designed to promote emotional well-being and relieve academic stress through active participation. The program was officially opened by Mr. Sooryajith, who delivered an introductory talk on managing stress and maintaining a healthy work-life balance during college years. Following the opening discussion, the event moved into interactive, high-energy activities, including a structured group Zumba session that used physical exercise as a natural way to relieve tension. The day concluded with a cooperative campus Treasure Hunt game, which encouraged teamwork, problem-solving, and positive social interaction among different student groups. The event successfully combined mental health education with active wellness games, giving volunteers practical, enjoyable strategies for managing everyday emotional well-being.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

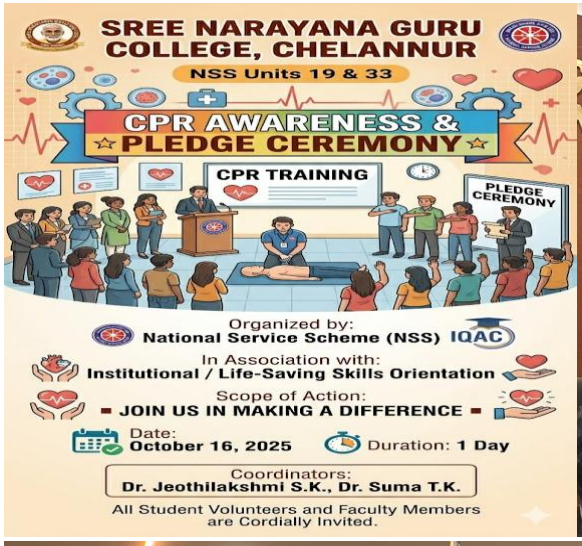

CPR AWARENESS & PLEDGE CEREMONY

Program Name:	CPR Awareness & Pledge Ceremony
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Date and Year:	October 16, 2025
Scope:	Institutional / Life-Saving Skills Orientation
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.

Duration of the program:	1 Day
Objectives:	To instill an understanding of emergency response systems and the vital role CPR plays in saving cardiac-arrest victims.
Outcome:	The solemn mass awareness pledge was seamlessly administered by Prof. Dr. Kumar S.P., Principal of SNGC Chelannur, ensuring students understood their civic duty in health emergencies.

The Cardiopulmonary Resuscitation (CPR) Awareness and Pledge Ceremony was organized as an essential safety training event to teach life-saving skills to the student community. The mass awareness assembly and pledge were led by Prof. Dr. Kumar S.P., the Principal of SNGC Chelannur, who spoke on how immediate bystander action is critical during sudden medical emergencies. The training session focused on the core biological steps of CPR, explaining how maintaining chest compressions helps preserve life until professional medical teams arrive. Following the instructional walkthrough, all attending student volunteers took a formal health service pledge, committing to step forward as responsible first responders during civic and medical emergencies. The event successfully increased safety awareness on campus, giving volunteers the confidence and knowledge needed to handle critical emergency situations.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

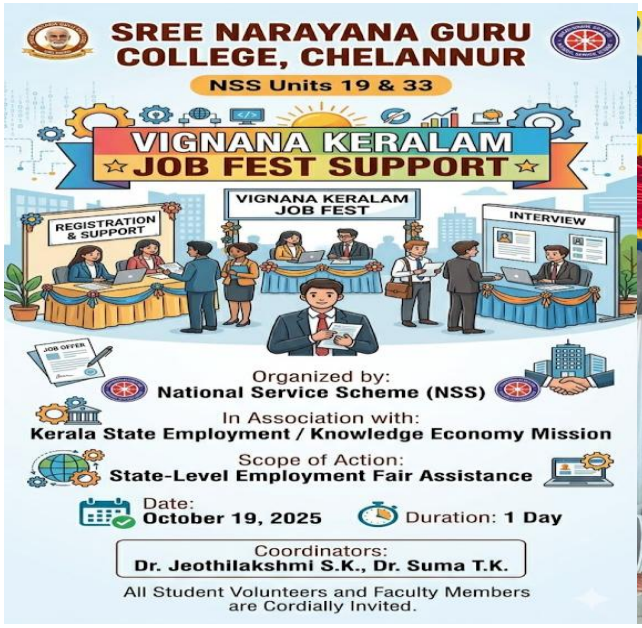

VIGNANA KERALAM JOB FEST SUPPORT

Program Name:	Vignana Keralam Job Fest Support
Organiser:	National Service Scheme (NSS)
Associating Partner:	Kerala State Employment / Knowledge Economy Mission
Date and Year:	October 19, 2025
Scope:	State-Level Employment Fair Assistance
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day

Objectives:	To provide logistics management, registration support, and candidate guidance infrastructure to make the regional employment mega-fair a success.
Outcome:	Inaugurated by Honorable State Minister A.K. Saseendran, the job fair was managed smoothly thanks to the logistical help of student volunteers, who assisted hundreds of employment seekers.

The Vignana Keralam Job Fest Secretariat Support project was organized as a major voluntary logistics initiative to assist regional employment drives and help local youth find career opportunities. Arranged alongside the Kerala Knowledge Economy Mission, the public job fair was officially opened by the Honorable State Minister Sri A.K. Saseendran. A large group of NSS volunteers managed the event's logistics, setting up candidate help desks, running digital registration counters, and guiding job seekers to their interview venues. The volunteers worked efficiently across multiple halls, maintaining order and helping hundreds of applicants connect smoothly with corporate recruiters. This structured support was essential to the event's success, earning praise from state employment officers and demonstrating the value of student leadership in managing large community development events.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

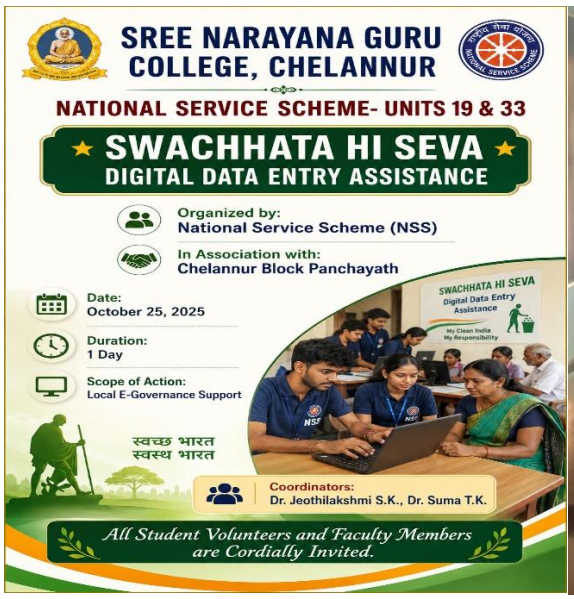

SWACHHATA HI SEVA DIGITAL DATA ENTRY ASSISTANCE

Program Name:	Swachhata Hi Seva Digital Data Entry Assistance
Organiser:	National Service Scheme (NSS)
Associating Partner:	Chelannur Block Panchayath
Date and Year:	October 25, 2025
Scope:	Local E-Governance Support

Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To assist local government governance systems by providing clerical digital labor needed for public sanitation data records.
Outcome:	NSS volunteers actively operated computing stations at the Chelannur Block Office, ensuring the swift and accurate entry of public data files under the Swachhata Hi Seva Campaign framework.

The Swachhata Hi Seva Digital Data Entry Assistance project was organized as a special community governance service to support local administrative bodies with essential digital data management. A selected team of computer-literate NSS volunteers was sent to the Chelannur Block Panchayath Office to handle large public records from recent regional sanitation and environmental audits. Working under the guidance of municipal officers, the student volunteers methodically categorized, updated, and entered field data into official digital governance databases. This direct administrative support helped the local block office clear a significant data processing backlog, improving the efficiency of local public services. The project gave volunteers practical insights into e-governance systems while showing how student service directly strengthens local public administration efforts.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

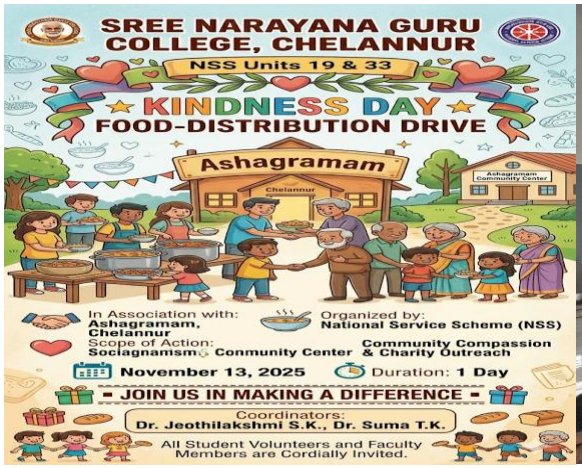

KINDNESS DAY FOOD-DISTRIBUTION DRIVE

Program Name:	Kindness Day Food-Distribution Drive
Organiser:	National Service Scheme (NSS)
Associating Partner:	Ashagramam, Chelannur
Date and Year:	November 13, 2025
Scope:	Community Compassion & Charity Outreach
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.

Duration of the program:	1 Day
Objectives:	To cultivate empathy and social responsibility among youth by interacting with and supporting institutionalized marginalized citizens.
Outcome:	Coordinated by the NSS student secretaries and faculty members, a highly successful charity drive collected and distributed fresh food packages directly to the residents of Ashagramam, Chelannur.

The Kindness Day Food-Distribution Drive was organized as a social empathy outreach project to encourage charitable support and direct community connection among student volunteers. Organized by the NSS student secretaries alongside faculty advisers, the charitable drive collected and distributed fresh food packages and essential health items to the residents of Ashagramam in Chelannur. Volunteers spent the day spending time with the elderly and differently-abled residents, building strong mutual understanding and supporting marginalized community groups. This grassroots welfare campaign provided helpful nutritional aid while giving students an active lesson in community responsibility and social care.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

CHILDREN'S DAY COMMUNITY OUTREACH

Program Name:	Children's Day Community Outreach
Organiser:	National Service Scheme (NSS)
Associating Partner:	Kandannur Anganavadi
Date and Year:	November 14, 2025
Scope:	Grassroots Community Development
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To spread joy and positivity among toddlers at public day-care institutions while analysing early-childhood nourishment ecosystems.

Outcome:	Volunteers orchestrated an engaging field outreach day at Kandannur Anganavadi, conducting games, distributions, and interactive educational activities for the children.

The Children's Day Community Outreach project was organized as a grassroots service field day to support early childhood care centers and review rural educational spaces. Held at the Kandannur Anganavadi, NSS volunteers spent the day organizing creative learning games, musical activities, and artistic drawing workshops for the attending children. Alongside the games, volunteers distributed healthy snacks, learning materials, and illustrated books to support childhood nutrition and literacy. This field initiative gave student volunteers practical insights into rural childcare frameworks while building helpful community relationships through direct social service.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

SPECIAL INITIATIVE: A DAY WITH BOOTH LEVEL OFFICER (BLO)

Program Name:	Special Initiative: A Day With Booth Level Officer (BLO)
Organiser:	National Service Scheme (NSS)
Associating Partner:	Election Department / Revenue Authority
Date and Year:	November 15, 2025
Scope:	Local Democratic Processes & Civil Support
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To assist the local administration in auditing, updating, and compiling regional voter registration records.
Outcome:	Under a vital Special Initiative (SI), volunteers collaborated closely with assigned Booth Level Officers, verifying voter details and facilitating applications for electoral roll entries.

The Special Initiative field project titled 'A Day With Booth Level Officer' was organized to support municipal election offices with updating and verifying local voter registration lists. Working directly with assigned Booth Level Officers (BLOs) across local neighborhoods, student volunteers helped review voter addresses, identify outdated entries, and distribute

official election guidelines to households. The volunteers also helped young citizens fill out registration forms for the electoral roll, expanding democratic participation. This civic initiative helped local government departments update essential voting records while giving student volunteers practical experience in local democratic processes.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community

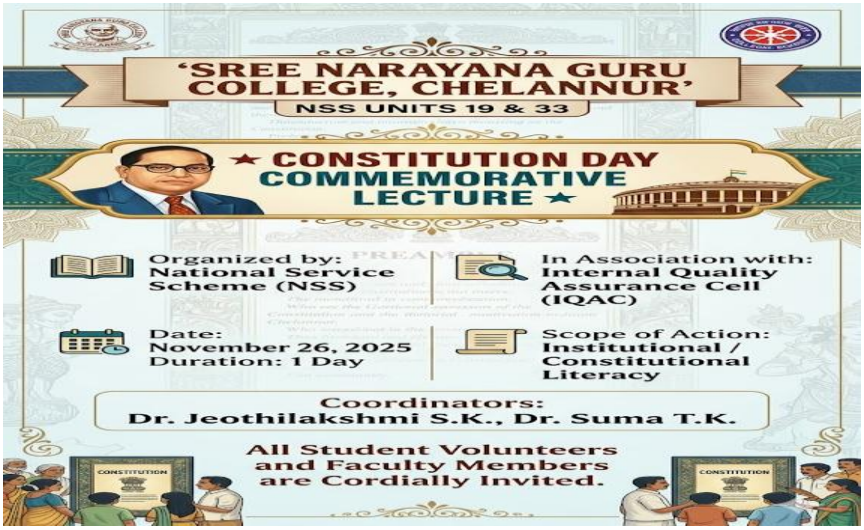

CONSTITUTION DAY COMMEMORATIVE LECTURE

Program Name:	Constitution Day Commemorative Lecture
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Date and Year:	November 26, 2025
Scope:	Institutional / Constitutional Literacy
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To remind students of their fundamental constitutional rights, duties, and core democratic values enshrined in the Preamble.
Outcome:	Inaugurated by the Principal, a special constitutional values seminar was conducted by expert speaker Mr. Jithesh C.P., broadening student knowledge on judicial structures and public civic responsibilities.

The Constitution Day Commemorative Lecture was conducted across the institution to celebrate democratic principles and expand constitutional literacy among student groups. The formal seminar was opened by the College Principal, followed by an expert educational talk led by legal specialist Mr. Jithesh C.P. The speaker covered the foundational history of the Indian Constitution, the social value of fundamental human rights, and the civic responsibilities written into the national framework. The session focused heavily on the Preamble, explaining how democratic values guide active citizenship. The educational lecture successfully gave student groups a clearer view of national statutory processes, encouraging young voters to uphold constitutional values in their everyday civic life.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively

demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

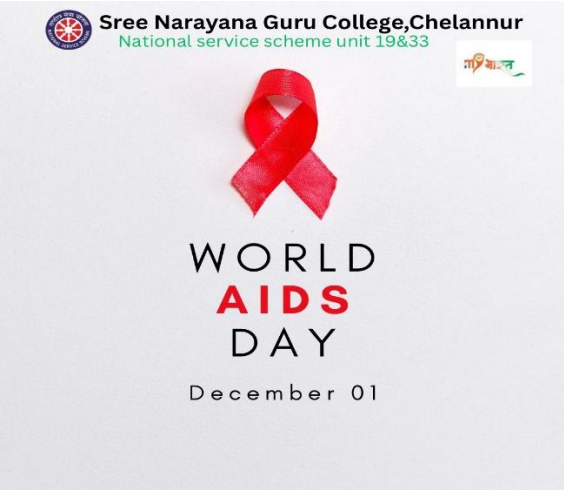

WORLD AIDS DAY SOLIDARITY CAMPAIGN

Program Name:	World AIDS Day Solidarity Campaign
Organiser:	National Service Scheme (NSS)
Associating Partner:	IQAC
Date and Year:	December 1, 2025
Scope:	Institutional Healthcare Communication

Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To express community support for people living with HIV and systematically educate the public to mitigate societal discrimination.
Outcome:	Volunteers conducted an institutional campus campaign, distributing red awareness badges and preventative educational information to all teachers and students, achieving widespread campus-wide engagement.

The World AIDS Day Solidarity Campaign was organized as an institutional healthcare communication initiative to share accurate medical facts, encourage preventative habits, and counter social discrimination against HIV patients. Managed by the NSS student volunteers, the awareness drive included handing out symbolic red ribbons and health information pamphlets to all faculty members, administrative staff, and student groups across the campus. The informational materials focused on modern medical treatments, standard healthcare resources, and the importance of supporting patients with empathy. The campaign successfully increased health literacy on campus, helping remove social stigmas around the disease and encouraging a supportive community culture.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

YOUTH STAND FOR GREEN ELECTION CAMPAIGN

Program Name:	Youth Stand for Green Election Campaign
Organiser:	National Service Scheme (NSS)
Associating Partner:	State Election Commission and IQAC
Date and Year:	December 2, 2025
Scope:	Public Advocacy & Ecological Politics
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To advocate for eco-friendly, plastic-free practices during public election cycles and create sustainable voting habits.
Outcome:	The units organized an expressive signature campaign coupled with an energetic public awareness rally, getting commitments from students and locals to uphold green protocols during voting processes.

The Youth Stand for Green Election Campaign was organized as a public advocacy drive to encourage eco-friendly practices during municipal election cycles and reduce single-use plastic

waste at voting centres. Student volunteers led a large awareness march through local public transit areas, holding banners that promoted sustainable voting habits and plastic-free campaign materials. Alongside the rally, volunteers ran a public signature campaign on campus, collecting commitments from students and community members to support eco-friendly voting guidelines. This environmental project successfully shared helpful waste-management ideas, urging local groups to make sustainable choices during public events.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

DISHA INNOVATION ORIENTATION WORKSHOP

Program Name:	Disha Innovation Orientation Workshop
Organiser:	National Service Scheme (NSS)
Associating Partner:	Insight for Innovations
Date and Year:	December 6, 2025
Scope:	Skill Development & Academic Innovation
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To nurture innovation, research mindedness, and practical project design capabilities among students.
Outcome:	Ms. Devika P.S., State Coordinator of Insight for Innovations, delivered an expert orientation session that provided students with structured knowledge on how to transform creative project ideas into practical innovations.

The Disha Innovation Orientation Workshop was conducted as an advanced academic skill development session to encourage creative research and help students build practical

engineering and social projects. Organized alongside experts from Insight for Innovations, the workshop featured an interactive keynote address by Ms. Devika P.S., the State Coordinator of the mission. The presenter explained how to turn early project concepts into working models, register intellectual property rights, and secure funding for research initiatives. This academic session gave student volunteers practical strategies for designing impactful projects, preparing them to build useful technical and social solutions for local development needs.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

PASSENGER AID AND WELFARE PUBLIC VOLUNTEERING

Program Name:	Passenger Aid and Welfare Public Volunteering
Organiser:	National Service Scheme (NSS)
Associating Partner:	Indian Railways
Date and Year:	December 10, 2025
Scope:	Community Support & Public Facility Service
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To assist elderly, differently-abled, and vulnerable rail passengers with transit movements during peak travel rushes.
Outcome:	Volunteers managed heavy terminal queues, assisted travelers with heavy luggage, and helped vulnerable groups safely navigate station platforms.

The Passenger Aid and Welfare Public Volunteering project was organized at the regional railway terminus to provide direct logistical assistance to elderly, differently-abled, and vulnerable travelers during seasonal travel rushes. Working in organized teams under the guidance of railway station managers, NSS volunteers helped direct passenger traffic, manage terminal queues, and assist travelers carrying heavy bags across platform stairs. The volunteers also shared clear updates regarding train times and platforms, helping ensure a smooth transit experience for commuters. This direct service project supported local transport operations while giving student volunteers practical experience in community care and public safety service.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project

not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

Barrier-Free Kozhikode Initiative: Accessibility Audit

Program Name	Barrier-Free Kozhikode Audit / Accessibility Survey
Organiser	National Service Scheme (NSS) Units 19 & 33, Sree Narayana Guru College (SNGC), Chelannur

Associating Partner	Internal Quality Assurance Cell (IQAC), SNGC (in coordination with local authorities)
Beneficiary	Differently-abled individuals, senior citizens, general public, and local government bodies of Kozhikode district
Date and Year	January 12, 2026
Scope	Local Self Government Department (LSGD) - Comprehensive coverage of 60 public and government institutions within the jurisdiction of Chelannur Grama Panchayath, Kozhikode District, Kerala
Coordinator	NSS Program Officers (Units 19 & 33)
Duration of the Program	One-day intensive baseline field survey and structural audit (09:00 AM – 05:00 PM)
Objective	To conduct a systematic accessibility assessment and structural audit of public buildings and government institutions to map physical barriers, evaluate compliance with disabled-friendly standards, and provide actionable data to transform Kozhikode into a fully inclusive, barrier-free district.
Outcome	Successfully completed comprehensive physical accessibility profiling of 60 public and government buildings under Chelannur Panchayath. The project generated vital primary field data for local governance infrastructural upgrades, fostered civic engagement, and deeply strengthened the sense of social responsibility and empathetic community leadership among the participating first-year NSS volunteers.

In alignment with the national and state-level mandates to ensure equal opportunities, protection of rights, and full participation of individuals with disabilities, the National Service Scheme (NSS) Units 19 and 33 of Sree Narayana Guru College (SNGC), Chelannur, executed a comprehensive institutional accessibility audit on January 12, 2026. Titled 'Barrier-Free Kozhikode', this civic-technical project was designed to systematically assess and document the infrastructural readiness of local government and public facilities within the Chelannur Grama Panchayath. Driven entirely by the proactive participation of first-year NSS volunteers, the field assessment audited 60 critical public touchpoints, evaluating features such as ramps, tactile pathways, entrance clearances, and adaptive sanitations. The core objective was to generate a granular, data-driven report to assist local governance bodies in modifying infrastructure to fulfill disabled-friendly parameters, thereby converting Kozhikode into a fully inclusive district.

The program was meticulously structured to ensure scientific accuracy and complete geographical coverage within the Local Self Government Department (LSGD) jurisdiction of Chelannur. Execution was handled in three strategic phases:

Phase I: Pre-Audit Briefing & Training

Prior to the field deployment, the NSS Program Officers conducted a technical orientation for first-year volunteers. Students were trained on essential accessibility indicators, including the proper measurement of ramp inclines, minimum width clearances for wheelchair navigation, door width accessibility, handrail provisions, and the standard configuration of disabled-friendly restrooms. Survey templates and standardized check-lists were distributed to ensure unified data collection.

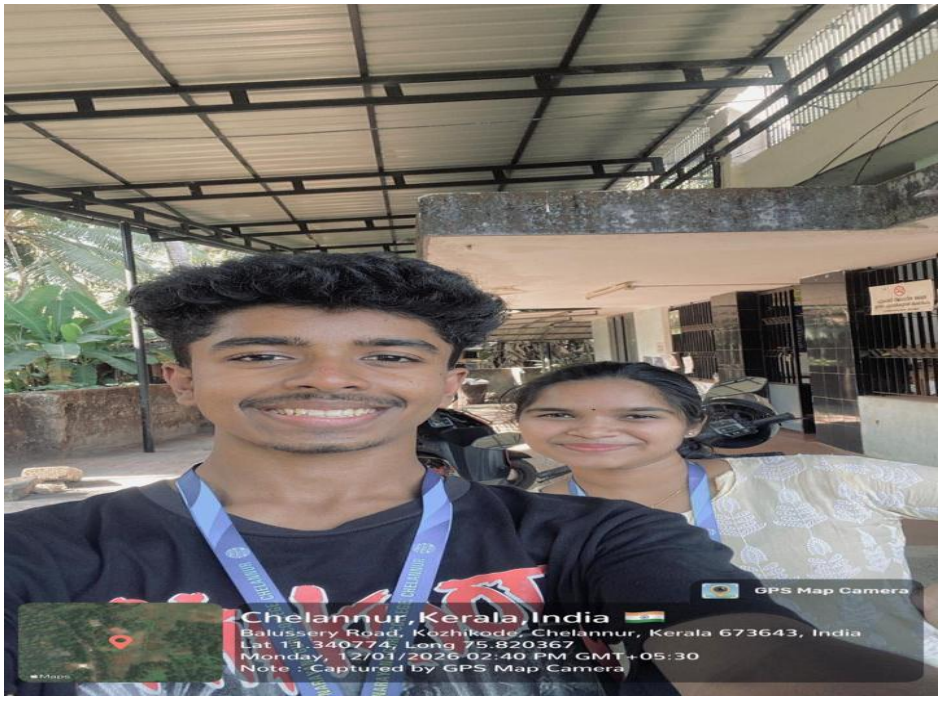

Phase II: Field Mapping & Survey Operations

On January 12, 2026, the volunteers deployed across multiple wards of Chelannur Panchayath. Operating in dedicated teams, they surveyed 60 distinct institutions. The scope of institutions encompassed the Panchayath Secretariat, local Village Offices, Government Homeopathic and Ayurvedic Dispensaries, Primary Health Centers (PHCs), public libraries, government schools, Anganwadis, and agricultural offices (Krishi Bhavans). Utilizing GPS-enabled mobile applications for geographic tracking, teams evaluated entrances, corridors, service counters, and public utilities, documenting structural blockades or missing amenities.

Phase III: Compilation and Verification

The raw data sheets collected from the field were cross-referenced and integrated. Photographic evidence captured via GPS Map Cameras was compiled alongside structural observations to map physical challenges at each location accurately.

The accessibility audit organized by NSS Units 19 and 33 of Sree Narayana Guru College, Chelannur, stands as a vital milestone in localized efforts to establish structural inclusivity. By diagnosing the infrastructural gaps of 60 institutions, the youth volunteers have laid down an empirical foundation for future developmental works. The initiative underscores the critical role that institutional volunteerism plays in societal advancement. It cements the shared commitment of the community and the institution to transform the district into an egalitarian space where every citizen, regardless of physical ability, can navigate public spaces with equal dignity and independence.

Disaster Management Workshop & First Aid Training Session

Program Name	Disaster Management Workshop & Empowering First Responders Session
Organiser	National Service Scheme (NSS) Units, Sree Narayana Guru College (SNGC), Chelannur

Associating Partner	Directorate of Samoohya Sannadha Sena (SSS), Kerala, and Narikkuni Fire and Rescue Station
Beneficiary	First-Year NSS Volunteers, Student Community, and Campus Community of SNG College, Chelannur
Date and Year	January 17, 2026
Scope	Institutional & Community Emergency Response Preparedness – Technical and Practical Skill Development
Coordinator	Dr. Jeothilakshmi S.K. and Dr. Suma T.K. (NSS Program Officers, SNG College Chelannur)
Duration of the Program	One-day comprehensive technical training and field demonstration (Morning to Evening)
Objective	To equip first-year student volunteers with basic disaster management concepts, emergency response capabilities, and theoretical knowledge of hazard dynamics, while providing hands-on practical skills in Cardiopulmonary Resuscitation (CPR), industrial fire extinguisher operations, snakebite management, and medical mitigation protocols for thermal burns.
Outcome	Successfully trained first-year NSS volunteers as certified civic first-responders. The session produced measurable progress in emergency handling capabilities, built a data-driven understanding of accident mitigation, and successfully passed on vital lifesaving physical methodologies, enriching both campus and community resilience frameworks.

On January 17, 2026, the National Service Scheme (NSS) Units of Sree Narayana Guru College, Chelannur, under the leadership of NSS Program Officers Dr. Jyothi Lakshmi S.K.

and Dr. Suma T.K., organized a comprehensive Disaster Management Workshop for first-year student volunteers in the college Seminar Hall, collaborating closely with the Directorate of Samoohya Sannadha Sena (SSS), Kerala, and the Narikkuni Fire and Rescue Station to strengthen civic first-responder readiness. The institutional capacity-building program opened in the morning with the collective singing of the NSS anthem, followed immediately by a formal inauguration ceremony that set an academic and humanitarian tone for the technical training sessions. The initial technical segment was led by Mr. Tony, an expert intern from the Samoohya Sannadha Sena—assisted by fellow interns Tom Cyriac, Akram, and Abhinav—who delivered a foundational lecture defining the structural types of environmental and socio-technical disasters and illustrating their socioeconomic impacts on community networks. Following this baseline conceptual briefing, Senior Fire and Rescue Officers Nithin V., Sajith Kumar T., and Hamza K.P. from the Narikkuni Fire Station assumed technical charge of the primary workshop curriculum, providing expert instruction on standard protocols to execute across varying crisis situations. These tactical modules transitioned into hands-on emergency training, where the senior officers explained the clinical steps of Cardiopulmonary Resuscitation (CPR) and led a practical demonstration, inviting student participants on stage to practice chest compressions and rescue breathing techniques under direct supervision. The curriculum also provided vital safety and management instructions regarding venomous snakebites, thermal burns, and electrical accidents, teaching participants how to avoid dangerous medical myths and apply correct first-aid stabilization methods before professional medical transit arrives. Concluding the field-demonstration portion, the officers conducted an open-air drill showing the mechanical deployment of portable fire extinguishers, teaching volunteers how to differentiate between Class A through Class D fires and apply the proper physical techniques required for rapid fire suppression. The workshop proved highly informative and practical, allowing student leaders Hrudya and Sarang to share active reflective reviews on behalf of the participants before the successful day concluded peacefully with a formal vote of thanks and an orderly dispersal.

BEST PRACTICE REPORT: CAMPUS ORGANIC FARMING INITIATIVE

Metric	Details
Program Name	Campus Organic Farming Initiative (Institutional Best Practice)

Metric	Details
Organiser	National Service Scheme (NSS) Units, Sree Narayana Guru College, Chelannur
Associating Partner	Department of Agriculture / College Environmental Committee
Beneficiary	NSS Volunteers, College Community, and Local Ecosystem
Date and Year	20th January 2026
Scope	Institutional Green Initiative & Skill Development
Coordinator	NSS Program Officers
Duration of the Program	One Day (Official Commencement & Land Preparation Phase)
Objective / Outcome	To promote environmental sustainability, practical agricultural education, and healthy food habits among youth; effectively fostering teamwork, hard work, and a long-term commitment to nature conservation.

One of the best practice of our college is organic farming conducted by the NSS units of the college. This year the official beginning of the farming activities were taken up 20th January 2026 as part of its initiative to promote environmental awareness and sustainable agricultural practices among students.

The program was conducted in the evening with the active participation of NSS volunteers. The volunteers engaged in various farming activities such as cleaning the land, preparing the soil, etc . The volunteers worked together with great enthusiasm and teamwork, which helped in completing the tasks efficiently. The activity aimed to create awareness about self-sufficiency, healthy food habits, and the need to preserve agricultural traditions.

Overall, the farming program was a meaningful and productive experience for the volunteers. It helped them understand the value of hard work, cooperation, and environmental responsibility. The program concluded successfully with a sense of satisfaction and commitment towards nature conservation.

77th Republic Day Celebrations & Patriotic Observance

Program Name	77th Republic Day Celebration & Creative Poster Exhibition
Organiser	National Service Scheme (NSS) & National Cadet Corps (NCC) Units, Sree Narayana Guru College (SNGC), Chelannur
Associating Partner	Internal Quality Assurance Cell (IQAC), SNGC
Beneficiary	NSS Volunteers, NCC Cadets, Faculty Members, and Students of Sree Narayana Guru College, Chelannur
Date and Year	January 26, 2026
Scope	Institutional Level – Promotion of Constitutional Values, Civic Duty, National Integration, and Cultural Heritage

Coordinator	NSS Program Officers & NCC Associate Officer, SNG College Chelannur
Duration of the Program	Half-day commemorative event and exhibition (08:30 AM – 12:30 PM)
Objective	To commemorate the adoption of the Constitution of India, instill deep patriotic values, civic awareness, and national pride among student youth, provide an artistic platform for creative constitutional expression via poster making, and pay institutional tribute to the nation through disciplined ceremonial protocols.
Outcome	Fostered a deep sense of democratic responsibility and institutional unity among the participants. The event successfully combined disciplined ceremonial drills, national vocal tributes, and unique artistic expressions via an extensive student poster exhibition, reinforcing the core principles of the sovereign, socialist, secular, and democratic republic.

On January 26, 2026, Sree Narayana Guru College, Chelannur, joyously observed India's 77th Republic Day with deep patriotic devotion and institutional unity through a joint initiative organized by the college's National Service Scheme (NSS) and National Cadet Corps (NCC) units, with institutional alignment provided by the Internal Quality Assurance Cell (IQAC). The commemorative program commenced at 08:53 AM with the formal hoisting of the National Flag in front of the main college building facade, where an assembled gathering of faculty members, administrative staff, and student cohorts stood in strict attention, rendering a unified salute to honor national sovereignty. Following the flag hoisting ceremony, the campus resonated with consecutive musical tributes as the NSS volunteers collectively delivered the NSS anthem—highlighting community welfare—followed directly by the disciplined, commanding delivery of the official NCC song by the assembled cadets. Operating seamlessly under the technical instructions and tactical drills of the student NCC Commander, the entire student delegation saluted the tricolor with high levels of discipline, order, and patriotic pride. Elevating the ceremonial proceedings, the NCC cadets presented a specially choreographed Republic Day performance that combined rhythmic synchronization with vibrant regional

expressions, illustrating India's rich cultural diversity and heritage. Parallel to the physical assembly, the NSS volunteers organized a creative poster-making campaign where each student developed independent visual artwork using diverse sketching, watercolor, and calligraphic styles to reflect foundational constitutional values, fundamental rights, and historical struggles. At the successful conclusion of the itinerary, a traditional sweet dish ('Payasam') was distributed to all attendees as a token of communal fellowship, allowing the celebration to conclude peacefully and leaving the students with a deeply reinforced sense of democratic responsibility and civic awareness.

VOTER REGISTRATION AWARENESS CAMPAIGN

Program Name:	Voter Registration Awareness Campaign
Organiser:	National Service Scheme (NSS)
Associating Partner:	Election Department
Date and Year:	January 27, 2026
Scope:	Civic Literacy & National Empowerment
Coordinator:	Dr. Jeothilakshmi S.K., Dr. Suma T.K.
Duration of the program:	1 Day
Objectives:	To promote awareness among the student community and public regarding electoral registration and active democratic participation.
Outcome:	NSS Program Officers successfully coordinated a mass campus campaign and registration drive, helping numerous eligible young voters fill out registrations online.

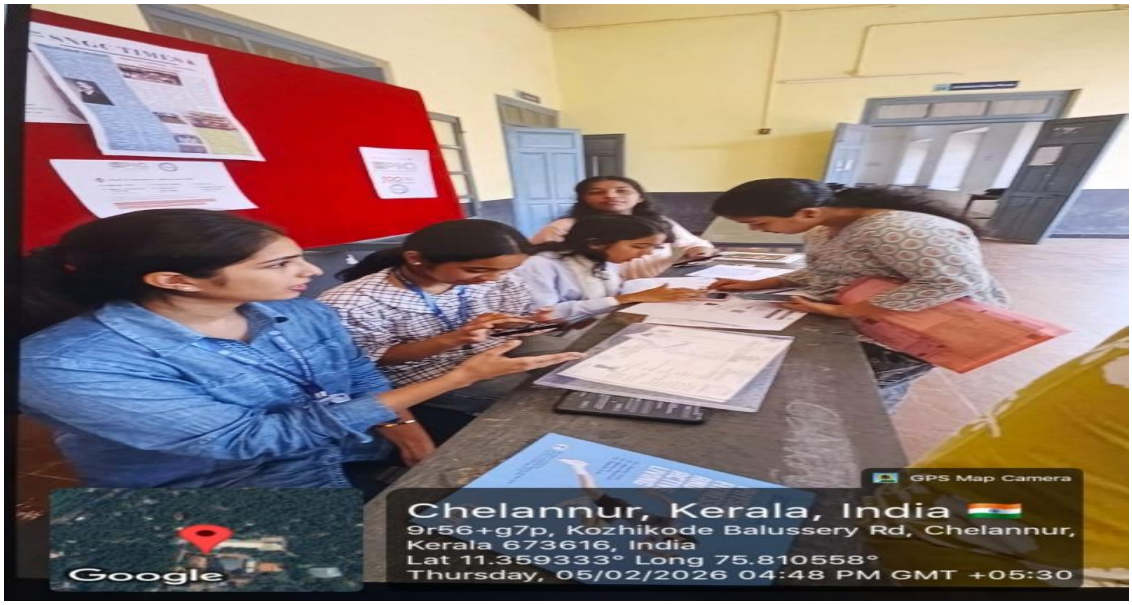

The Voter Registration Awareness Campaign was organized to promote civic literacy and encourage active democratic participation among eligible young voters on campus. Managed by the NSS Program Officers, the campaign combined classroom information sessions with a live digital assistance desk set up in the college hall. Volunteers helped students navigate online election portals, verify age documentation, and submit fresh voter registration applications. The initiative successfully increased civic awareness across the student body, helping young voters understand their role in shaping the democratic framework.

The collaborative nature of this 1 Day program allowed the National Service Scheme units to seamlessly bridge institutional resources with practical public needs. Under the guidance of coordinators Dr. Jeothilakshmi S.K., Dr. Suma T.K., student volunteers effectively demonstrated leadership, organizational agility, and civic commitment. This successful project

not only achieved its core metrics but also left a lasting positive impression on both the participants and the wider local community.

Campus Speaks – Social Welfare Opinion Drive

Program Name	Campus Speaks
Organiser	NSS (National Service Scheme)
Associating Partner	IQAC

Beneficiary	Students
Date and Year	February 10, 2026
Venue	SNG College, Chelannur
Coordinator	Dr. Jeothilakshmi. S.K, Dr. Suma TK
Duration of Program	2 Hours
Scope	Social welfare measures, Opinion generation
Objective Outcome	Collect opinions of students regarding social welfare measures

Under the leadership of the NSS Units of Sree Narayana Guru College, Chelannur, and at the direction of the NSS Secretaries, a special program titled 'Campus Speaks' was organized on February 10, 2026. The program aimed to engage NSS Volunteers in a structured exercise to record and present their views and opinions on the developmental activities carried out by the government over the past 10 years, as well as on the initiation of new social welfare schemes.

- To create awareness among students about government developmental activities of the past decade.
- To encourage students to critically analyze and express their opinions on social welfare schemes.
- To collect and document the opinions of NSS volunteers for constructive academic and civic engagement.
- To foster a sense of social responsibility and democratic participation among the student community.

The program commenced with a briefing session conducted by the NSS Secretaries and the Program Coordinator, Dr. Jeothilakshmi. S.K. The NSS volunteers were informed about the purpose and format of the activity. They were then divided into small groups to facilitate focused and meaningful discussions.

Each group was assigned to deliberate on specific aspects of government developmental work carried out over the last 10 years. Topics included infrastructure development, healthcare initiatives, educational reforms, women empowerment programs, and environmental protection schemes, among others.

Following the group discussion, representatives from each group presented their findings and recorded their collective opinions. The session encouraged open dialogue, critical thinking, and civic awareness among the student volunteer

The program was successfully conducted within the stipulated duration of 2 hours. A total of multiple groups of NSS volunteers actively participated in the opinion-recording exercise. The opinions and suggestions gathered from the students have been documented and will be submitted to the relevant authorities as a reflection of youth perspectives on governance and social welfare.

- Students demonstrated a high level of awareness and engagement with government welfare programs.
- Constructive opinions on ongoing and proposed social welfare schemes were recorded.
- The activity strengthened the spirit of active citizenship and community service among the volunteers.
- The documentation of student opinions provides a valuable grassroots-level feedback mechanism.

The 'Campus Speaks' program organized by the NSS Units of Sree Narayana Guru College, Chelannur was a commendable initiative in promoting civic education and democratic participation among students. The event successfully achieved its intended objectives and left a positive impact on the student community. Such programs align with the core mission of NSS — to instill social values and develop the personality of students through community service.

EVM Awareness Campaign

Program Name	EVM Awareness & Demonstration Campaign
Organiser	Sree Narayana Guru College, Chelannur
Associating Partner	National Service Scheme (NSS) & Electoral Literacy Club (ELC)
Beneficiary	College Students (Specifically New and First-Time Voters)
Date and Year	24th February 2026
Scope	Institutional / Campus-Wide Civic Literacy

Coordinator	NSS Program Officer / ELC Coordinator
Duration of the Program	1 Day (One-day campus visit)
Objective / Outcome	To demystify the electronic voting process, eliminate voting anxiety among new voters, and increase electoral turnout through hands-on practice with a real Electronic Voting Machine (EVM).

Detailed Report

1. Introduction

With a view to strengthening democracy and ensuring maximum participation of youth in the electoral process, an Electronic Voting Machine (EVM) Demonstration Van visited the campus of Sree Narayana Guru College, Chelannur, on **24th February 2026**. Organized under the institutional banner, the initiative specifically targeted young, first-time voters among the student community to build confidence in the integrity and functioning of democratic voting systems.

2. Collaborative Effort

The smooth execution of the awareness program was made possible through the joint collaboration of the college's **National Service Scheme (NSS) unit** and the **Electoral Literacy Club (ELC)**. Working alongside visiting government election officials, student volunteers took an active role in mobilizing their peers, managing the crowds, and ensuring that every student received an opportunity to interact with the equipment.

3. The Demonstration Process

The specialized demonstration van functioned as a mobile polling station. Government officials walked the students through the step-by-step voting process:

- Verification of identity at the mock polling desk.
- Understanding the layout of the Ballot Unit.

- The actual casting of a vote by pressing the blue button next to a candidate's symbol.
- Verifying the vote via the Voter Verifiable Paper Audit Trail (VVPAT) monitor.

This hands-on experience was crucial in addressing common misconceptions and clarifying how votes are securely recorded.

4. Key Outcomes

- Anxiety Reduction**:** Students who had never seen a voting machine expressed a significantly higher comfort level with the process after trying it themselves.
- Civic Responsibility**:** The drive sparked meaningful conversations across the campus regarding the importance of exercising the right to vote.
- High Engagement**:** A vast majority of the undergraduate student body visited the van, making the single-day outreach highly effective.

Blood Donation Awareness Class (NSS)

Program Name	Blood Donation Awareness Class (NSS)
Organiser	NSS Units
Associating Partner	Government Hospital, Kottaparamba, Kozhikode
Beneficiary	NSS Volunteers
Date and Year	27 March 2026
Scope	Awareness and education on voluntary blood donation
Coordinator	NSS Units
Duration of the Program	Awareness Session (duration not specified in report)
Objective / Outcome	To educate volunteers on blood donation and motivate participation in donation and awareness activities

A Blood Donation Awareness Class was organized by the NSS units on 27 March 2026 with the objective of educating NSS volunteers about the importance of voluntary blood donation and its role in saving lives. The program was conducted as part of the NSS commitment to promote social responsibility, humanitarian values, and community service among students.

The session was led by Ms. Amitha, Blood Donation Counsellor from Kottaparamba Hospital, Kozhikode. She provided detailed information regarding the significance of blood donation in healthcare services, particularly during emergencies, surgeries, accident cases, and for patients suffering from serious illnesses. The resource person explained how a single unit of donated

blood can help save multiple lives and emphasized the continuous need for voluntary blood donors in hospitals and blood banks.

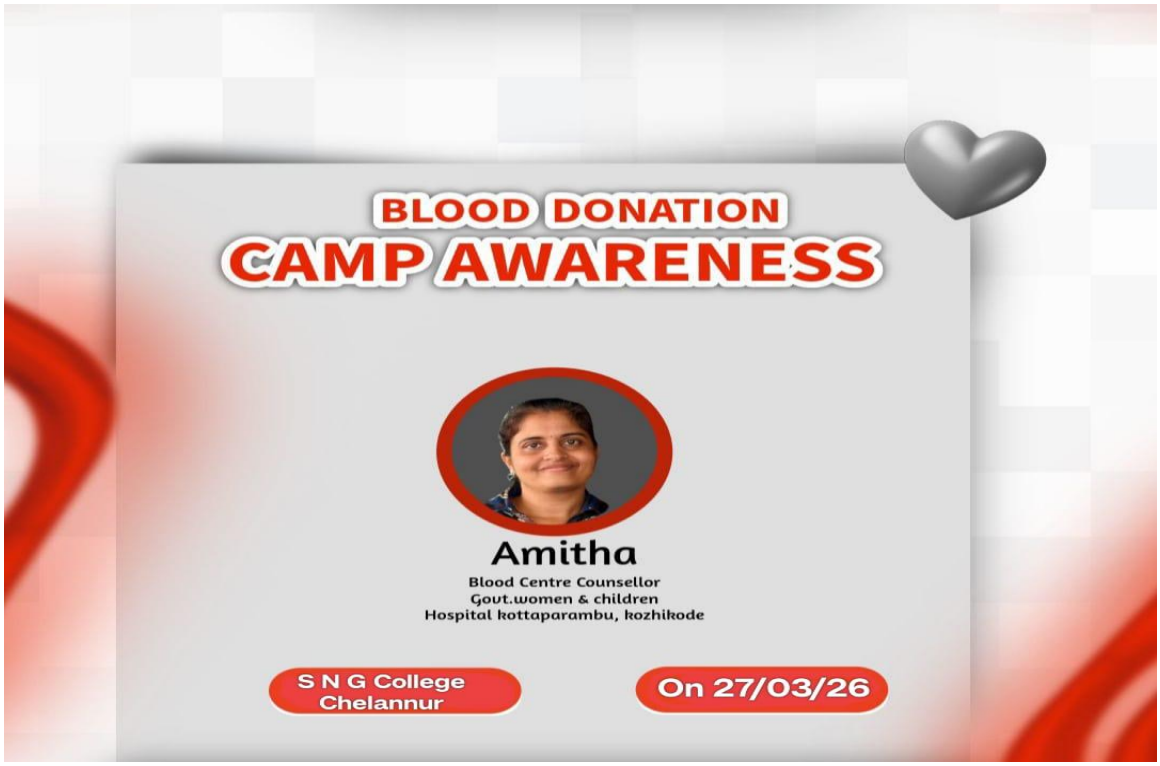

During the interactive session, participants were informed about the eligibility criteria for blood donors, the blood donation process, and the safety measures followed before, during, and after donation. Common misconceptions and fears associated with blood donation were addressed and clarified, helping the volunteers develop a positive attitude toward this noble cause. The speaker also highlighted the health benefits of regular blood donation and encouraged students to become responsible donors whenever eligible.

The program further emphasized the important role NSS volunteers can play in creating awareness among the public. Volunteers were motivated to organize awareness campaigns, encourage eligible individuals to donate blood, and actively participate in blood donation drives conducted by hospitals and social organizations. The session inspired students to view blood donation not merely as an act of charity but as a social responsibility that contributes significantly to public health and community welfare.

The awareness class was highly informative and engaging. The participants actively interacted with the resource person, raising questions and clarifying doubts regarding blood donation. The program successfully enhanced the volunteers' knowledge and understanding of blood donation and motivated them to become ambassadors of this life-saving mission. Overall, the event achieved its objective of promoting awareness, encouraging voluntary blood donation, and fostering a spirit of service and compassion among NSS volunteers.

Green Election Human Chain and Pledge

Program Name	Green Election Human Chain and Pledge
Organiser	Sree Narayana Guru College / NSS Units
Associating Partner	Green Election Campaign
Beneficiary	Students, Teachers and the Community
Date and Year	30 March 2025
Scope	Environmental awareness, responsible electoral participation and social unity
Coordinator	NSS Program Officers and Volunteers
Duration of the Program	Approximately 1–2 hours
Objective / Outcome	To promote eco-friendly elections, strengthen social responsibility, and encourage environmental protection during election-related activities

Detailed Report

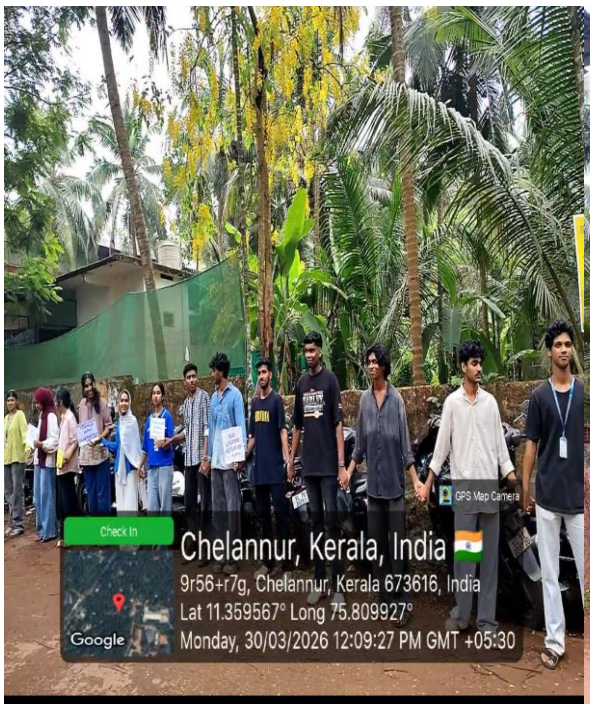

As part of the Green Election Campaign, a Human Chain and Pledge Program was organized at Sree Narayana Guru College on 30 March 2025 with the aim of promoting environmentally responsible election practices and creating awareness among students about sustainable civic participation. The program was designed to encourage individuals to actively support green initiatives during elections while fostering the values of unity, equality, cooperation, and social harmony.

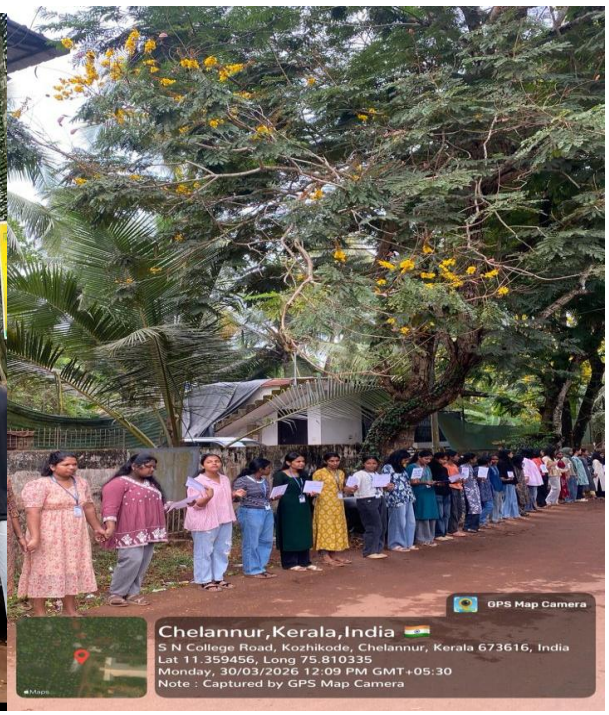

The event witnessed enthusiastic participation from students, teachers, NSS volunteers, and members of the college community. At the scheduled time, participants assembled on the campus and formed a long human chain, symbolizing collective responsibility and solidarity in protecting the environment. The human chain served as a visual message highlighting the importance of working together to build a cleaner, greener, and more responsible society.

During the program, awareness messages related to Green Elections were shared with the participants. Discussions focused on reducing the environmental impact of election campaigns by avoiding plastic materials, minimizing waste generation, encouraging digital communication, and adopting eco-friendly alternatives. The program emphasized that every citizen has a role in ensuring that democratic processes are conducted in a sustainable and environmentally conscious manner.

A major highlight of the event was the Green Election Pledge. All participants solemnly pledged to support environmentally friendly election activities and to act responsibly in protecting natural resources. The pledge reinforced the values of environmental stewardship, ethical citizenship, and community participation. Through this collective commitment, participants expressed their willingness to contribute to a greener future and to spread awareness among their peers and the wider community.

The program successfully enhanced awareness regarding sustainable election practices and strengthened the spirit of social unity among the participants. It also provided an opportunity for students to understand the connection between environmental conservation and democratic responsibility. Overall, the Green Election Human Chain and Pledge Program was a meaningful and impactful initiative that inspired participants to become responsible citizens and advocates of environmental protection.

Blood Donation Camp

Program Name	Blood Donation Camp
Organiser	NSS Units, Sree Narayana Guru College Chelannur
Associating Partner	Government Hospital for Women and Children, Kottaparamba, Kozhikode
Beneficiary	Patients requiring blood; community beneficiaries
Date and Year	31 March 2026
Scope	Voluntary blood donation and community service
Coordinator	NSS Volunteers and NSS Units
Duration of the Program	Conducted from 10:00 AM (full duration not specified in report)
Objective / Outcome	Collected blood units, promoted awareness on blood donation, and encouraged social responsibility

On Tuesday, 31 March 2026, a blood donation camp was organized at Sree Narayana Guru College Chelannur at 10:00 AM under the initiative of the NSS units and government hospital

for women and child Kozhikode. The program aimed to promote the importance of voluntary blood donation and encourage people to contribute towards saving lives.

The camp witnessed active participation from individuals belonging to different age groups. Students, NSS volunteers, teachers, and Non-teaching staff came forward voluntarily to donate blood. The event reflected a strong sense of unity and social responsibility among the participants.

Proper arrangements were made to ensure the safety and comfort of all donors. Medical professionals were present to supervise the entire process, and donors were treated with utmost care before, during, and after the donation. Necessary refreshments, including juice and biscuits, were provided to help donors recover and maintain their energy levels.

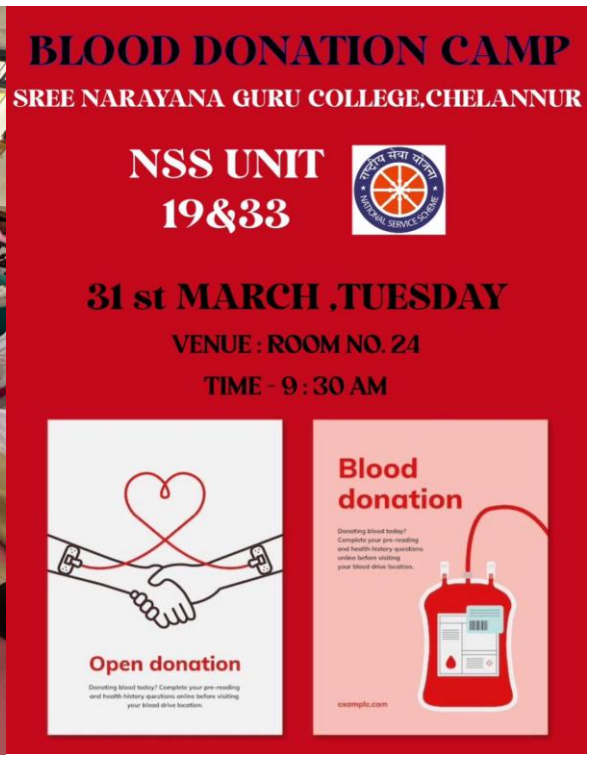

The NSS volunteers played a significant role in coordinating the program, assisting donors, and ensuring the smooth conduct of the camp. Their efforts contributed greatly to the success of the event.

The blood donation camp turned out to be a meaningful and impactful initiative. It not only helped in collecting valuable blood units but also raised awareness about the importance of donating blood and serving the community selflessly.

Election Awareness

Program Name	**:** Election Awareness Campaign
Organizer	**:** NSS Units 19 & 33, Sree Narayana Guru College, Chelannur
Associating Partner	**:** Election Commission & IQAC (Internal Quality Assurance Cell)
Beneficiary	**:** General Public & Local Community
Date and Year	**:** April 4, 2026
Scope	**:** Civic Responsibility, Democratic Engagement & Community Outreach
Coordinator	**:** NSS Program Officers
Duration of the Program	**:** 1 Day
Objectives	**:** To create widespread public awareness regarding the fundamental importance of voting, actively encourage responsible participation in the democratic process, gauge local community awareness levels concerning elections via surveys, and instill a strong sense of civic duty and collaborative teamwork among the participating youth volunteers.

Outcome **:** Successfully elevated civic consciousness and highlighted the deep value of voting across local households. The data gathered during the field census provided valuable insights into community perspectives, while the interactive field games established a memorable, effective template for future community outreach, fundamentally enriching the leadership and communication skills of the participating NSS volunteers.

Detailed Report: On April 4, 2026, an impactful Election Awareness Campaign was successfully conducted at Sree Narayana Guru College, Chelannur, as a strategic initiative organized in direct association with the Election Commission and the Internal Quality Assurance Cell (IQAC). This day-long civic program was specifically designed with a scope focusing on institutional, civic, and community sustainability, aiming to reach out to the general public as the primary beneficiaries. Coordinated under the meticulous guidance of the designated NSS Program Officers, the campaign sought to address critical democratic goals. The primary objectives of this initiative were to generate widespread public awareness regarding the fundamental importance of voting, actively encourage responsible participation in the democratic process, gauge community awareness levels concerning elections, and instill a lasting sense of civic duty and collaborative teamwork among the participating youth volunteers.

The operational execution of the campaign relied on the structured, energetic participation of the NSS volunteers from Unit 19 and Unit 33, who carried out field activities across local neighborhoods. The core of the outreach program involved comprehensive house-to-house field visits, where the student volunteers conducted a detailed census survey specifically tailored to map out and understand the current electoral awareness levels of local residents. During these door-to-door interactions, volunteers engaged meaningfully with community members, emphasizing the profound weight of exercising their voting rights responsibly in upcoming elections. To augment the traditional surveying methods, the volunteers dynamically integrated an educational game centered entirely on election awareness into the campaign, introducing an innovative, highly interactive element that effectively disseminated complex civic responsibilities in an engaging, accessible, and enjoyable manner for the public.

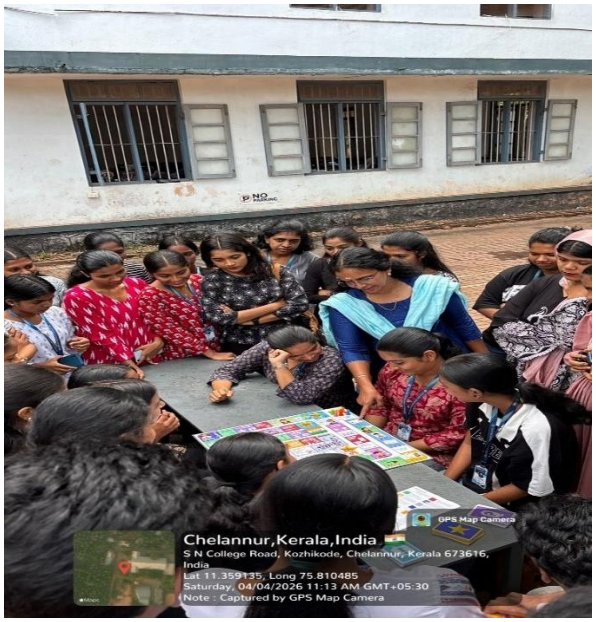

The successful completion of this awareness drive yielded highly tangible and meaningful outcomes for both the community and the institution. By successfully bridging the gap between the student body and the local public, the campaign effectively elevated the perceived value of

voting and deepened civic consciousness across the targeted neighborhoods. The data gathered during the census survey provided valuable insights into public perspectives on governance and democratic systems, while the interactive field games established a memorable, effective template for future community outreach. Furthermore, the drive served as a profound practical learning experience for the participating NSS volunteers, successfully fostering high-level teamwork, enhancing communication skills, and nurturing a proactive commitment to upholding democratic values within society.

Agriculture harvest

Program Name	**:** Campus Agricultural Harvest Program
Organizer	**:** Sree Narayana Guru College, Chelannur
Associating Partner	**:** IQAC (Internal Quality Assurance Cell)
Beneficiary	**:** Students, Faculty, and the College Community
Date and Year	**:** April 6, 2026
Scope	**:** Institutional Green Initiatives & Environmental Sustainability
Coordinator	**:** Designated Institutional Green Club / NSS Program Officers
Duration of the Program	**:** 1 Day (Final Harvesting Event)
Objectives	**:** To restore campus land for sustainable organic farming, actively engage the college community in eco-friendly practices, harvest fresh quality produce, and instill the values of patience, teamwork, and dedication toward environmental sustainability.
Outcome	**:** Successfully reaped an abundant yield of high-quality organic vegetables including green chillies, long beans, and ladies' finger. The initiative enhanced practical agricultural knowledge, fostered a deep sense of community teamwork, and provided strong motivation to continue expanding farming practices on campus.

Detailed Report: On April 6, 2026, Sree Narayana Guru College, Chelannur, successfully conducted its first-ever agricultural harvest initiative on the college farming grounds, marking a monumental milestone in the institution's green campus endeavors. Officially titled the Campus Agricultural Harvest Program, the event was organized by the institutional community in active association with the Internal Quality Assurance Cell (IQAC) as a targeted initiative under the supervision of designated institutional coordinators. Spanning a single day for its final execution, this comprehensive agricultural project was conceptualized with a core scope centered on institutional and environmental sustainability, directly benefiting the students, faculty, and the broader college community. The primary objectives guiding this agricultural drive were to restore and utilize campus land for sustainable organic farming, engage students

in active agricultural practices, foster an understanding of food security and ecological responsibility, and instill the core values of collective teamwork, patience, and dedicated community service among all participants.

The execution of the program involved a series of well-coordinated activities that targeted multiple critical areas across the college grounds. Prior to this harvesting day, participants faithfully managed the agricultural plot through disciplined daily maintenance, structured watering routines, and robust plant protection measures, which ensured the crops reached optimal maturity and were perfectly prepared for gathering. On the day of the event, the entire campus community gathered at the cultivation site with immense enthusiasm and active participation to systematically reap the yields. The harvest yielded an abundant quantity of high-quality, perfectly fresh organic vegetables, specifically focusing on the successful collection of green chillies, long beans, and ladies' finger. The superior quality and freshness of the gathered produce stood as a testament to the sincere labor, systematic farming techniques, and genuine care rendered to the crops throughout their growth cycle.

The realization of this maiden harvest brought forth impactful outcomes that went far beyond the physical acquisition of agricultural produce. The event stood out as a premier achievement for the institution's sustainability goals, demonstrating the practical feasibility and immense rewards of campus-based organic farming. Creatively engaging with the soil allowed the participants to gain invaluable, first hand insight into the vital importance of agriculture, the true power of community-driven teamwork, and the profound value of patience and structural dedication in executing long-term projects. Furthermore, the outstanding success of this initial yield has generated a lasting motivational wave across the college, serving as a powerful catalyst that inspires both students and staff to sustainably expand and continue these agricultural activities in the future. Ultimately, this inaugural harvest concluded as an incredibly successful, rewarding, and deeply memorable experiential learning milestone for the entire institution.

"VIHAGĀMRUTHAM" INITIATIVE”

Metric	Details
Program Name	Vihagāmrutham (Summer Bird Water Provision Drive)
Organiser	NSS Units 19 & 33, Sree Narayana Guru College, Chelannur
Associating Partner	College Environment Committee / Campus Biodiversity Club *(or Internal Staff Association)*
Beneficiary	Local Avian Biodiversity (Birds) & Campus Ecosystem
Date and Year	24th April 2026
Scope	Campus-Wide Environmental & Ecological Conservation
Coordinator	NSS Program Officers (Units 19 & 33)
Duration of the Program	1 Day (Inauguration and placement setup)
Objective / Outcome	To provide vital drinking water sources for local birds during extreme summer heat, while simultaneously fostering empathy for living creatures and raising practical biodiversity awareness among students and staff.

Detailed Report

As summer temperatures soar, urban and rural wildlife frequently face severe dehydration due to the drying up of natural water bodies. In response to this ecological challenge, NSS Units 19 and 33 of Sree Narayana Guru College, Chelannur, launched the **“**Vihagāmrutham” program on 24th April 2026. The name itself signifies providing the "nectar of life" to the birds of the air, emphasizing human responsibility toward our ecosystem during harsh weather conditions.

The core execution of the project took place within the green pockets of the college campus.

- Procurement: Earthen water pots, chosen for their natural ability to keep water cool, were sourced by the NSS units.
- Strategic Placement**:** NSS volunteers systematically mapped out the campus to identify shaded, quiet areas, tree branches, and known avian nesting spots where birds could safely drink without fear of predators.
- Setup**:** Volunteers, alongside teachers and college staff, actively participated in hanging and securing these water bowls, filling them up for immediate use.

Beyond the immediate physical benefit to the local bird population, Vihagāmrutham served as a highly visible campaign for compassion. It successfully cultivated:

- Environmental Sensitivity**:** Seeing the pots daily serves as a visual reminder to the entire student body about the impacts of climate change and shifting seasons on local wildlife.
- Shared Responsibility**:** By involving both teaching faculty and non-teaching staff, the initiative brought the entire campus community together for a singular ecological cause.
- Sustainability Habits**:** A roster was created among the NSS volunteers to ensure that these pots are cleaned and refilled with fresh water daily throughout the remainder of the summer season.

The "Vihagāmrutham" program was a resounding success, proving that complex environmental conservation can begin with incredibly simple, localized actions. By providing basic life support to campus birds, the NSS units successfully sowed the seeds of biodiversity conservation and empathy in the hearts of young citizens, demonstrating that small steps truly yield a massive collective difference for nature.

Campus Beautification

Program Name : Campus Cleanliness and Beautification Activity

Organizer : NSS Units 19 & 33, Sree Narayana Guru College

Associating Partner : IQAC (Internal Quality Assurance Cell)

Beneficiary : Students, Staff, and the College Community

Date and Year : May 21, 2026

Scope : Institutional & Environmental Sustainability

Coordinator : Dr. Jeothilkashmi. S K

Duration of Program- :1 Day

On May 21, 2026, the NSS Units 19 and 33 of Sree Narayana Guru College, in association with the Internal Quality Assurance Cell (IQAC), successfully organized a comprehensive campus cleanliness and beautification activity as part of their ongoing social service initiative. This institutional and environmental sustainability program was conducted over the course of a single day under the supervision of the NSS Program Officers acting as coordinators. The primary beneficiaries of this student-led drive were the students, staff, and the entire college community, all of whom now enjoy a drastically improved and healthier institutional environment. The program was designed with a clear set of objectives, aiming to restore and maintain a neat, tidy, and hygienic campus environment, enhance the overall aesthetic appeal of the college premises through targeted painting and landscaping efforts, promote environmental awareness through green initiatives, and instill a lasting sense of social responsibility, community service, and teamwork among the participating NSS volunteers.

The execution of the program involved a series of well-coordinated activities that targeted multiple critical areas across the college grounds. Volunteers initiated the drive by focusing on the designated third area of the college, where they successfully cut and removed a substantial growth of overgrown bushes, persistent weeds, and unwanted plants, effectively restoring a neat, ordered, and thoroughly hygienic environment to a previously neglected space. Concurrently, a comprehensive cleanup was launched at the front section of the campus to revitalize the college's main entrance. In addition to clearing debris, the volunteers executed meticulous painting work across the front section, which immediately upgraded the visual and aesthetic appeal of the college surroundings. Moving beyond cleaning and restructuring, the initiative also integrated a strong ecological component; several young plants and saplings were carefully planted in various strategic locations across the campus to boost local biodiversity, increase the institution's overall green cover, and serve as visual reminders of environmental consciousness.

The successful completion of this day-long drive yielded highly positive outcomes that met all the pre-established objectives of the organizing units. The physical transformation of Sree Narayana Guru College was immediate, with the front areas and the previously overgrown third section showcasing a significantly more welcoming, orderly, and attractive landscape. On an ecological level, the newly introduced flora laid a foundation for sustained environmental health and actively reinforced a culture of eco-consciousness among the student body. Beyond the tangible physical upgrades, the program served as a powerful character-building exercise, successfully nurturing a deep-seated sense of teamwork, personal dedication, and civic obligation among the NSS volunteers, who walked away with a profound understanding of their shared responsibility toward creating and maintaining a healthy, sustainable living and learning environment.

REPORT – GUIDANCE AND COUNSELLING CELL -2026

Workshop on Mental Health Awareness

Program : Workshop on Mental Health Awareness

Organizer : Guidance and Counselling Cell

Associating partner : IQAC, Women's Studies Centre

Beneficiary : UG and PG students in the college

Date & Year : 27-02-2026 Monday

Scope : To reinforce mental health by learning coping-up strategies

Coordinator : Sangeetha G. Nair

Duration : 3 hours

Objective : Open talk and interaction with a Psychological Counselor for a better academic environment.

Outcome : Almost hundred students benefitted from the workshop on mental health issues.

Detailed Report

A Workshop on Mental Health Awareness was organized at Sree Narayana Guru College, Chelannur, on 27 February 2026 Friday. The program was conducted by the Guidance and Counselling Cell of the college in association with the IQAC and the Women's Studies Centre.

The Principal-in-charge Dr. Abhilash E.S inaugurated the program and Dr. Athma Jayaprakash, Coordinator, IQAC and Mrs. Gayathri P, Coordinator, Women's Study Centre delivered the felicitations. The workshop was designed for undergraduate and postgraduate students with the aim of creating awareness about mental health and promoting healthy coping strategies among young adults.

The program was introduced with the meaningful tagline: "Let's create a campus where conversations about mental health are normal, not whispered." The theme emphasized the importance of building an academic environment where students feel safe to discuss psychological concerns openly and without stigma. The scope of the workshop was to help students recognize early signs of mental health challenges and to equip them with practical strategies to cope with stress, anxiety, emotional pressure, and academic challenges. With increasing academic competition, social expectations, and personal uncertainties, mental health awareness has become an essential component of student wellbeing. The program sought to encourage students to view mental health as an integral aspect of overall health rather than a topic surrounded by silence or stigma.

The resource person for the session was Ms. Nanditha, Psychological Counsellor at Sree Narayana Guru College, Chelannur. She is a member of Jeevani Centre for Wellbeing and an experienced therapist. She discussed the concept of mental health, common psychological concerns among college students, and the importance of emotional self-awareness. She highlighted issues such as stress, anxiety, self-doubt, fear of failure, and relationship pressures that frequently affect students during their academic journey.

The session adopted an interactive format rather than a purely lecture-based approach. Students were encouraged to engage in an open conversation about their experiences and challenges. Many participants shared their fears, doubts, and apprehensions related to academic stress, personal expectations, and social pressures. The resource person addressed these concerns with empathy and professional insight, suggesting practical coping mechanisms such as emotional expression, time management, peer support, mindfulness, and seeking professional help when necessary.

The program was coordinated by Sangeetha G. Nair, Coordinator, Guidance and Counselling Cell, who facilitated the session and ensured active participation from the students. The interactive discussion helped create a supportive and non-judgmental atmosphere where students felt comfortable expressing their thoughts. More than 100 students participated in the two-hour workshop. The program proved to be a meaningful step toward normalizing conversations about mental health within the campus community. By encouraging open

dialogue and awareness, the workshop contributed to building a more empathetic, supportive, and mentally healthy academic environment.

ACADEMIC COMMITTEE REPORT

Inauguration of FYUGP

Program Name	: College Level Inauguration of FYUGP
Organiser	: Academic Committee
Associating Partner	: IQAC
Beneficiary	: First year FYUGP Students
Date & year	: 01/07/2025
Scope	: To make students aware about the the new educational framework aligned with the NEP and the Kerala State Higher Education Reforms. The program emphasis flexibility, multidisciplinary learning , skill development , research orientation and employable.
Coordinator	: Dr. Joobi V P
Duration of the program	: 3 hours
Objective	: 1. To make aware about FYUGP structure 2. Familiarize students with the credit based system and academic pathways 3. To highlight opportunities for course selection across discipline.
Outcome	: 1. Students gain a clear understanding of the structure , objectives and opportunities available under the FYUGP. 2. Students become aware of multidisciplinary learning, major-minor options, credit transfer and multiple entry-exit pathways. 3. Students develop a positive attitude towards higher education, research innovation, and lifelong learning.

Detailed Report

As part of state level inauguration of FYUGP *Vijnanotsavam 2025* the college-level inauguration of *Vijnanotsavam 2025* was organized at Sree Narayana Guru College, Chelannur, on 01 July 2025 at 10.00 AM.

The program aims to create awareness about the Four- Year Undergraduate Program, familarise students with its academic structure and opportunities, promote multidiscipinary learning, skill development, research orientation and employabilty and facilitate the smooth integration of students into the new higher education framework envisioned under NEP 2020.

The event was conducted under the guidance of the IQAC and college management and faculty members, with active participation from students, teachers, and invited dignitaries. The program highlighted of the FYUGP Program aims to create awareness about the Four-Year Undergraduate Program, familiarize students with its academic structure and opportunities,

promote multidisciplinary learning, skill development, research orientation, and employability, and facilitate the smooth integration of students into the new higher education

The program commenced with a prayer followed by a welcome address delivered by Dr. Joobi V P., Assistant Professor and Coordinator. The welcome speech emphasized the importance and opportunities of the four-year UG program. The presidential address was delivered by Prof. Kumar S P, Principal, who highlighted the role of higher education institutions in nurturing creative thinking and innovation among students. He encouraged participants to make effective use of opportunities such as Vijnanotsavam to develop their research and problem-solving skills. The college-level inauguration of *Vijnanotsavam 2025* was officially inaugurated by Sri. Nousheer P. P., President, Chelannur Grama Panchayat. In his inaugural address, he stressed the importance of scientific awareness and innovation in addressing societal challenges and achieving sustainable development. Felicitations were offered by Sri. P. M. Raveendran (S N Trust Executive Member), Dr. Athma Jayaprakash (IQAC Coordinator), Dr. Deepesh Karimpunkara (PTA Secretary), Dr. Santosh C. R. (Staff Association Secretary), and Sri. Lohithakshan A. K. (PTA Vice President). They appreciated the efforts of the organizers and encouraged students to actively participate in all the activities of the college. The program concluded with a vote of thanks delivered by Dr. Vidhu Johnson, Head of the Department of Economics, expressing gratitude to all dignitaries, faculty members, students, and organizers for their valuable contributions to the success of the event.

Orientation Program

Program Name	: Two Day Orientation Program on FYUGP
Organiser	: Academic Committee
Associating Partner	: IQAC
Beneficiary	: First year FYUGP Students
Date & year	: 14/07/2025 and 25/07/2025
Scope	: To equip first year students with a comprehensive understanding of the new undergraduate education framework and its opportunities. The program serves a platform to facilitate the smooth transition of students from school to higher education by familarizing them with the academic structure , institutional facilities, and support mechanisms.

Coordinator : Dr. Joobi V P

Duration of the program : Two Days

Objective : 1. Create awareness about the objectives, structure, and significance of FYUGP

2. Provide detailed information on curriculum design, credit requirements, major-minor combinations, and multidisciplinary learning opportunities.

3. Guide students in making informed choices regarding course selection and academic progression

4. Promote understanding of skill development, internships, research, and experiential learning components embedded in FYUGP

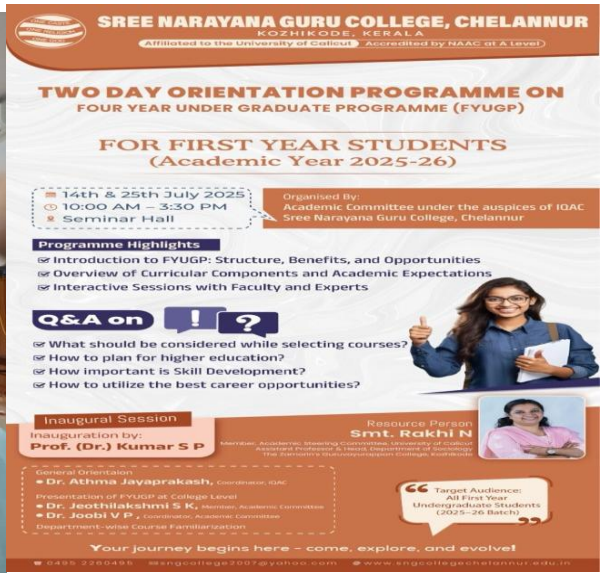

5. Enhance students' awareness of career prospects, entrepreneurship opportunities, and higher education pathways.

6. Familiarize students with institutional rules, academic expectations, evaluation methods and support services.

Sree Narayana Guru College, Chelannur, organized a two-day Orientation Program on the Four-Year Undergraduate Program (FYUGP) for the first-year students of the academic year 2025–26 on 14th and 25th July 2025 in the Seminar Hall. The program was organized by the Academic Committee under the auspices of the Internal Quality Assurance Cell (IQAC) with the objective of familiarizing newly admitted students with the structure, opportunities, and academic expectations of the FYUGP introduced in accordance with the National Education Policy (NEP) 2020. The orientation program aimed to provide a comprehensive understanding of the innovative features of FYUGP, enabling students to make informed academic decisions and prepare themselves for a successful undergraduate journey.

Inaugural Session

The program commenced with an inaugural session attended by faculty members, students, and academic coordinators. The inaugural ceremony was formally inaugurated by Prof. (Dr.) Kumar S. P. In his inaugural address, he emphasized the significance of the Four-Year Undergraduate Program in transforming higher education by promoting flexibility, multidisciplinary learning, skill enhancement, and research orientation. He encouraged students to make the best use of the opportunities offered under the new curriculum framework.

The keynote orientation session was handled by Smt. Rakhi N., Member of the Academic Steering Committee, University of Calicut, and Assistant Professor & Head, Department of Sociology, The Zamorin's Guruvayurappan College, Kozhikode. She provided an in-depth explanation of the structure and philosophy of FYUGP, highlighting its student-centric approach and multiple pathways for academic progression.

Program Sessions

The orientation program covered various aspects of FYUGP through informative presentations and interactive sessions.

Session 1: Introduction to FYUGP

The resource person introduced the students to the objectives, structure, and unique features of the Four-Year Undergraduate Program. The session explained the semester system, credit-based curriculum, multidisciplinary learning opportunities, and flexibility in course selection. Students gained clarity regarding the multiple exit and entry options, major and minor courses, and the advantages of pursuing the fourth year for research and advanced studies.

Session 2: Curricular Components and Academic Expectations

A detailed overview of the curricular framework was presented. Students were informed about:

Major and Minor Courses
Ability Enhancement Courses (AEC)
Value Added Courses (VAC)
Multi-Disciplinary Courses (MDC)
Skill Enhancement Courses (SEC)
Internship and Project Components
Research Opportunities in the Fourth Year

The session also emphasized academic discipline, continuous assessment, attendance requirements, and active participation in curricular and co-curricular activities.

Session 3: General Orientation

The general orientation session was led by Dr. Athma Jayaprakash, Coordinator, IQAC. The session focused on helping students adapt to the college environment and understand the academic culture of the institution. Students were introduced to various student support services, library facilities, mentoring systems, and opportunities available for personal and professional development.

Session 4: Presentation of FYUGP at College Level

The college-level implementation of FYUGP was explained by Dr. Jeothilakshmi S. K., Member, Academic Committee, and Dr. Joobi V. P., Coordinator, Academic Committee. They elaborated on the institutional arrangements made for the effective implementation of the program and clarified the procedures related to course registration, academic advising, and evaluation.

Session 5: Department-wise Course Familiarization

Department-wise sessions were conducted to familiarize students with the courses offered by their respective departments. Faculty members introduced the curriculum, career prospects, higher education opportunities, and skill requirements associated with each discipline.

The two-day Orientation Program on FYUGP was highly informative and beneficial for the newly admitted students. The program effectively introduced the students to the academic framework, opportunities, and expectations associated with the Four-Year Undergraduate Program. Through expert sessions, departmental interactions, and active discussions, students gained the knowledge and confidence required to begin their undergraduate journey successfully. The program concluded with positive feedback from participants, marking a significant step towards the effective implementation of FYUGP at the college

IPR CLUB

Program Name	**:** Webinar on "Types of Intellectual Property: Copyrights and Designs"
Organiser	: Intellectual Property Rights Club
Associating Partner	: Internal Quality Assurance Cell (IQAC)
Beneficiary	**:** 50 and more Undergraduate and Postgraduate Students
Date & Year	:20 April 2026
Scope	**:** The webinar was organised to raise awareness among students about Intellectual Property Rights (IPR), with a special emphasis on copyright and industrial designs.
Coordinators	: Varsha Prakash, Prof. (Dr.) Kumar S.P., Dr Athma Jayaprakash
Duration of the Program	**:** 2 Hours

Objectives

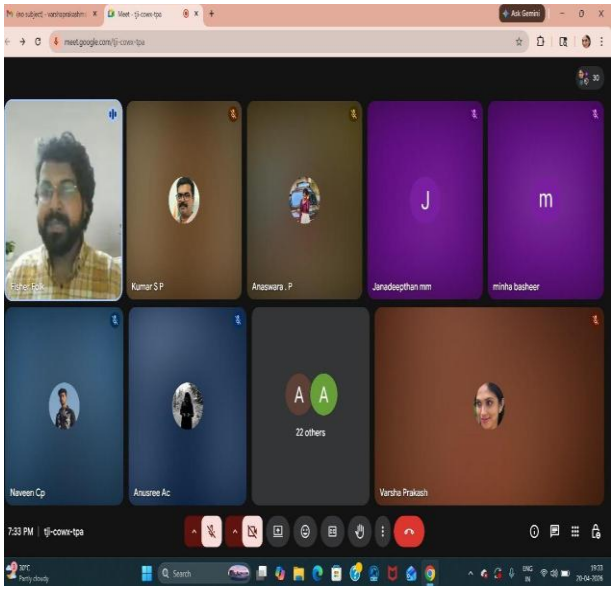

• To introduce students to the concept and significance of Intellectual Property Rights.

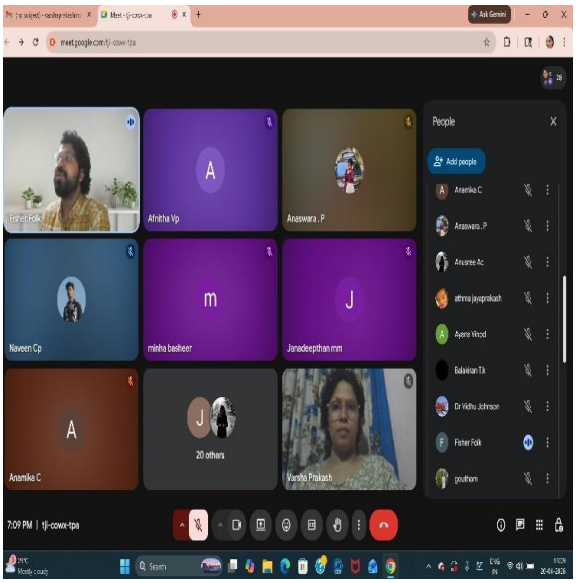

• To provide an understanding of various forms of intellectual property, particularly copyrights and designs.

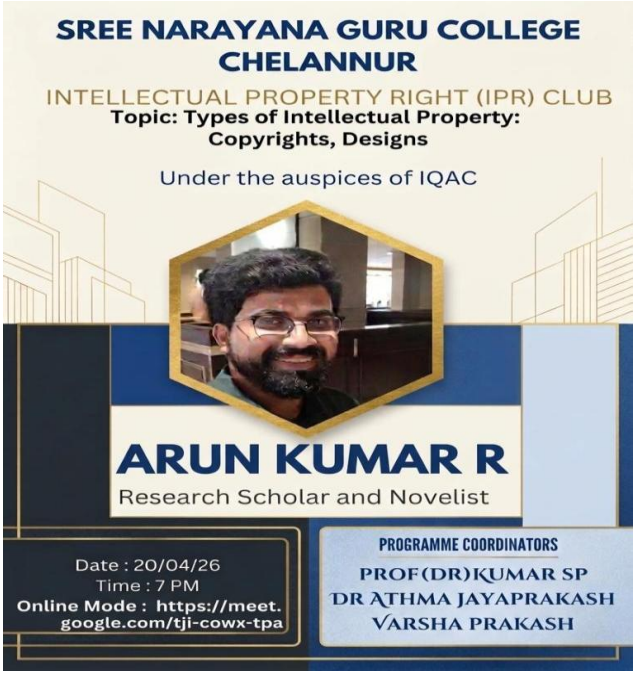

Outcomes:

• Students gained a clear understanding of Intellectual Property Rights and their significance.

• Participants became familiar with copyrights, industrial designs, and their legal implications.

Detailed Report

The Intellectual Property Rights (IPR) Club of Sree Narayana Guru College, Chelannur, under the auspices of the Internal Quality Assurance Cell (IQAC), organised an online webinar on "Types of Intellectual Property: Copyrights and Designs" on 20 April 2026. The program was conducted with the objective of creating awareness among students regarding the significance of Intellectual Property Rights and their role in protecting creativity, innovation, and original contributions in various fields of knowledge and practice.

The webinar was conducted through an online platform and witnessed active participation from students and faculty members representing different departments of the college. In an era increasingly driven by knowledge, innovation, and creativity, awareness regarding Intellectual Property Rights has become essential for students, researchers, entrepreneurs, and professionals. Recognising this importance, the IPR Club organised the program to provide participants with a foundational understanding of copyrights and industrial designs.

The program commenced with an inaugural session. The inaugural address was delivered by Ms. Varsha Prakash, who highlighted the growing importance of Intellectual Property Rights in contemporary society. In her address, she emphasized that knowledge and creativity are valuable assets that require legal protection to encourage innovation and ensure fair recognition of intellectual efforts. She also noted that awareness of IPR is particularly important for students pursuing higher education and research activities.

The session was presided over by Prof. (Dr.) Kumar S.P., Principal of the College. In his presidential address, he stressed the need for educational institutions to cultivate awareness regarding intellectual property and ethical academic practices. He observed that innovation, research, and creative expression flourish when individuals are aware of their rights and responsibilities concerning intellectual creations. He further encouraged students to actively engage in research, innovation, and creative activities while ensuring appropriate protection for their intellectual outputs.

The program was felicitated by Dr. Athma Jayaprakash, who appreciated the efforts of the IPR Club in organising an awareness program on a highly relevant contemporary topic. In the felicitation address, the speaker highlighted the role of Intellectual Property Rights in promoting technological advancement, entrepreneurship, and economic development. The importance of developing an innovation-friendly academic environment was also emphasized.

The resource person for the webinar was Mr. Arun Kumar R., Research Scholar and Novelist. Drawing from his academic and creative experiences, he provided an insightful and engaging presentation on various forms of Intellectual Property Rights. The session began with an overview of the concept of intellectual property and its significance in protecting intangible assets such as literary works, artistic creations, inventions, trademarks, and industrial designs.

A major focus of the webinar was the concept of copyright. The resource person explained the meaning, scope, and legal framework governing copyrights. Participants were introduced to the rights enjoyed by authors, artists, researchers, musicians, and other creators of original works. The discussion covered issues such as ownership, duration of protection, copyright infringement, fair use, licensing, and digital copyright challenges. Through practical examples, students gained a clear understanding of how copyright law protects creative expression and encourages innovation.

The webinar also provided a detailed discussion on industrial designs. The resource person explained how design protection safeguards the aesthetic and visual features of products. Participants learned about the registration process, legal requirements, benefits of protection, and the role of industrial designs in enhancing product value and market competitiveness. Real-life examples were used to demonstrate how design protection contributes to branding, innovation, and business success.

An important aspect of the session was the discussion on the relevance of Intellectual Property Rights in academic and research environments. Students were encouraged to maintain academic integrity, avoid plagiarism, and respect the intellectual contributions of others. The speaker explained how researchers and innovators can protect their work and benefit from intellectual property frameworks. This component of the webinar was particularly valuable for students aspiring to pursue higher education and research careers.

The interactive question-and-answer session enabled participants to clarify doubts regarding copyright registration, ownership issues, protection of digital content, design rights, and legal remedies for infringement. The resource person addressed these questions comprehensively, making the session highly engaging and informative. Students appreciated the practical orientation of the discussion and the relevance of the examples presented.

The program concluded with a vote of thanks expressing gratitude to the resource person, IQAC, college administration, faculty members, and participants for contributing to the success

of the webinar. Feedback received from participants indicated that the session significantly enhanced their awareness regarding Intellectual Property Rights and encouraged them to value originality and innovation.

Overall, the webinar on “Types of Intellectual Property: Copyrights and Designs” successfully achieved its objectives by creating awareness regarding intellectual property protection and its significance in academic, creative, and professional contexts. The program strengthened students’ understanding of copyright and design protection, promoted ethical academic practices, and contributed to the development of an innovation-oriented learning environment within the institution.

COLLEGE LIBRARY COMMITTEE

Vayana Varacharanam

Program : Vayana Vaaracharanam 2025

Organizer : College Library

Beneficiary : All students of the college

Date & Year : 19-06-2025 Thursday and 20.06.2025 Friday

Scope : Reading week celebration 2025 on June 19 and June 20. Exhibition of the works of Kumaranasan

Coordinator : Smt.Aswani B G

Duration : Two days

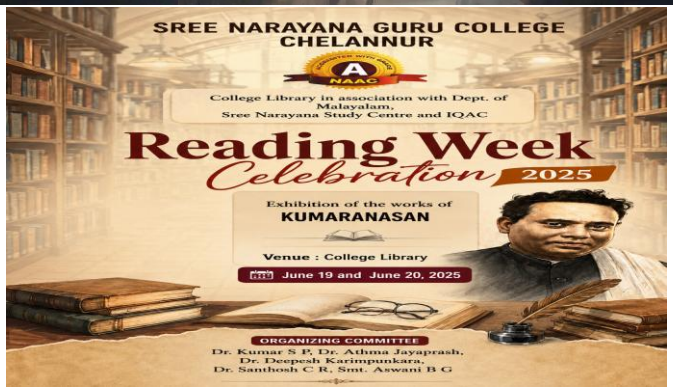

Objective : To create awareness among students about the significance of reading in academic and personal development.

Outcome : Motivated students on the importance of reading and making it a lifelong habit.

Report on Vayana Vaaracharanam 2025

The College Library of Sree Narayana Guru College, Chelannur, in association with the Department of Malayalam and Sree Narayana Study Centre organized Vayana Vaaracharanam (Reading Week Celebration) on 19 June and 20 June 2025 with great enthusiasm and active participation from students and faculty members. The program was conducted as part of the statewide observance of Reading Week, commemorating the invaluable contributions of P. N. Panicker, the father of the Library Movement in Kerala. The celebration aimed to cultivate a lasting reading culture among students, promote literary appreciation, and emphasize the importance of books in intellectual and personal development.

The program commenced with a formal inaugural session in the presence of the Principal Dr. Kumar S P, faculty members, librarian, and students. The welcome address highlighted the significance of Reading Week and the role of libraries in nurturing knowledge, creativity, and critical thinking. The Principal, in the inaugural address, stressed that reading is a lifelong habit that empowers individuals with knowledge, values, and confidence.

The Department of Malayalam actively collaborated with the library in organizing a variety of literary and cultural activities that celebrated Malayalam literature and reading. The head of the department Dr.Deepesh Karimpunkara spoke about the enduring legacy of renowned Malayalam writers and the relevance of literature in contemporary society. Students were encouraged to explore classical as well as modern literary works, thereby broadening their understanding of language, culture, and human values.

One of the major attractions of the program was the book exhibition arranged by the College Library. A wide collection of Malayalam and English books covering literature, science, history, biographies, social sciences, and competitive examinations was displayed. The literary works of the legendary Malayalam poet Kumaranasan were displayed in a special separate section. Dr. Santhosh C R, Coordinator Sree Narayana Study Centre, spoke about the never diminishing significance of Kumaranasan in the literary and social scenario of Keralam. Students visited the exhibition with great interest and were introduced to several newly acquired titles. The exhibition served as an effective platform to familiarize students with the diverse resources available in the library and motivated them to make greater use of library facilities.

The program also emphasized the role of libraries in the digital era. Students were encouraged to utilize both printed and electronic learning resources responsibly and effectively. The librarian introduced students to the library's services, including reference materials, journals, digital resources, and reading support facilities, highlighting the library's role as a centre for academic excellence and lifelong learning.

The program created a vibrant academic atmosphere and reinforced the message that reading is not merely an academic activity but a habit that enriches one's personality, enhances knowledge, and promotes responsible citizenship.

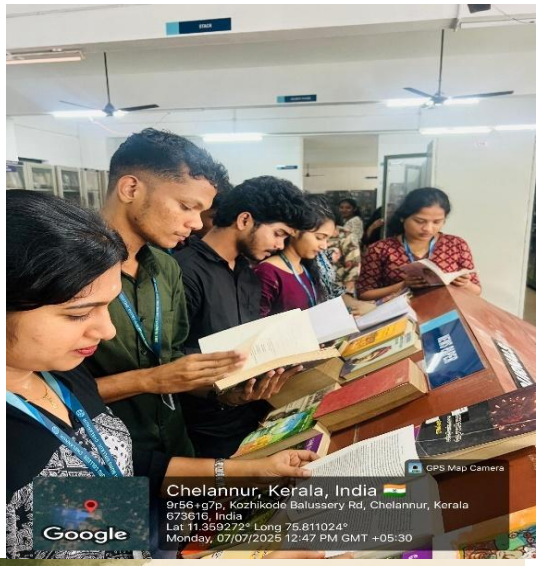

The event concluded with a vote of thanks delivered by the librarian Smt. Aswani B G, expressing gratitude to the Principal, faculty members of the Department of Malayalam, organizing committee, student volunteers, and all participants for their wholehearted support and cooperation. The successful conduct of Vayana Vaaracharanam reflected the institution's commitment to promoting reading culture and literary awareness among students.

BASHEER DAY CELEBRATION

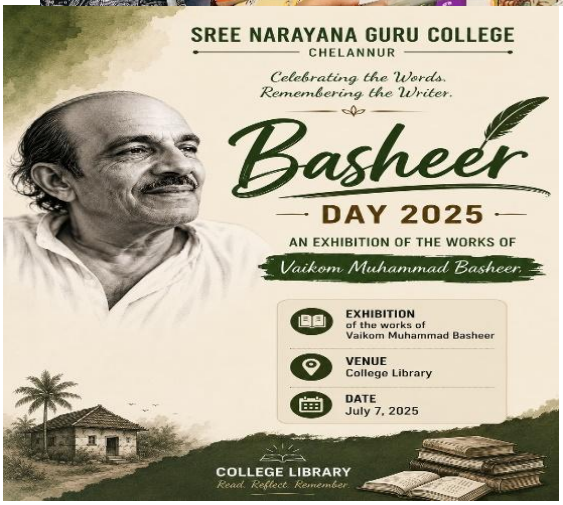

Program : Basheer Day 2025

Organizer	: College Library
Beneficiary	: All students of the college
Date & Year	: 07-07-2025 Monday
Scope	: Commemorating the Malayalam literary giant Vaikom Muhammad Basheer on his death anniversary
Coordinator	: Smt.Aswani BG
Duration	: One day
Objective	: To create awareness among students about the works and contributions of Basheer.
Outcome	: The students enthusiastically explored the displayed books, read excerpts from Basheer's famous works, and engaged in discussions about his life and literary philosophy.

Report on Basheer Day Celebration and Book Exhibition

The College Library of Sree Narayana Guru College, Chelannur, commemorated Basheer Day on 7 July 2025 by organizing a special exhibition showcasing the literary works of the legendary Malayalam writer Vaikom Muhammad Basheer. The exhibition was arranged in the library with the objective of paying tribute to one of Kerala's most celebrated literary figures and introducing students to the richness, simplicity, and humanistic values reflected in Basheer's writings.

Vaikom Muhammad Basheer occupies a unique place in Malayalam literature. His works, characterized by their simplicity of language, profound humanism, humour, and philosophical depth, continue to inspire generations of readers. Through this exhibition, the library sought to encourage students to revisit Basheer's timeless classics and cultivate a deeper appreciation for Malayalam literature.

The exhibition featured an extensive collection of Basheer's literary works available in the college library. Renowned novels, short story collections, autobiographical writings, essays, and translated editions were carefully displayed. Classic works such as *Balyakalasakhi*, *Pathummayude Aadu*, *Mathilukal*, *Ntuppuppakkoranendarnnu*, *Anargha Nimisham*, *Janmadinam*, *Shabdangal*, and *Premalekhanam* attracted considerable attention from visitors. Informative display panels highlighting Basheer's life, literary journey, awards, memorable quotations, and rare photographs further enriched the exhibition.

The exhibition was inaugurated in the presence of the Principal Dr. Kumar S P, faculty members, library staff, and students. In his inaugural address, the Principal emphasized the enduring relevance of Basheer's literary contributions and encouraged students to develop the habit of reading Malayalam classics. Faculty members from the Department of Malayalam spoke about Basheer's unique narrative style, his portrayal of ordinary people, and the universal values embedded in his writings. The gathering reflected on how Basheer transformed everyday experiences into unforgettable literary masterpieces through his simplicity, compassion, and humour.

Students from various departments visited the exhibition throughout the day. They enthusiastically explored the displayed books, read excerpts from Basheer's famous works, and engaged in discussions about his life and literary philosophy. Many students expressed their interest in borrowing Basheer's books for further reading. The exhibition thus served not only as a tribute to the writer but also as an effective reading promotion initiative undertaken by the library.

The Basheer Day exhibition reaffirmed the College Library's commitment to promoting literary appreciation, preserving cultural heritage, and encouraging meaningful engagement with books

LIBRARY ORIENTATION

Program	: Library Orientation 2025
Organizer	: College Library
Beneficiary	: First Year UG and PG students of the college
Date & Year	: 22.08.2025 Friday
Scope	: To help new students make effective use of the library as an essential centre for learning, research, and academic excellence.
Coordinator	: Sri. Mahesh H
Duration	: Two hours
Objective	: To familiarize newly admitted students with the facilities, resources, services and rules of the college library.
Outcome	: The enthusiastic participation of the students in the orientation program reflected their keen interest in understanding the library's facilities and services.

Report on Library Orientation Program for First-Year UG and PG Students

The College Library of Sree Narayana Guru College, Chelannur organized a Library Orientation Program for the newly admitted first-year undergraduate (UG) and postgraduate (PG) students on 22 August 2025. The program was conducted by Sri. Mahesh H, Librarian,

with the objective of familiarizing students with the facilities, resources, services, and rules of the college library. The orientation program was designed to help new students make effective use of the library as an essential centre for learning, research, and academic excellence.

A college library serves as the heart of an educational institution by supporting teaching, learning, research, and intellectual growth. Recognizing the importance of introducing students to the vast range of resources available, the library organizes orientation programs every academic year. This initiative enables students to develop confidence in accessing information, locating study materials, and utilizing both print and digital resources efficiently.

The program commenced with a welcome address by Sri. Mahesh H, who greeted the newly admitted students and emphasized the significance of cultivating reading habits and information literacy from the very beginning of their academic journey. He explained that the library is not merely a repository of books but a dynamic learning space that supports academic success, creativity, critical thinking, and lifelong learning.

During the orientation session, students were introduced to the organization and layout of the college library. The Librarian explained the various sections of the library, including the circulation section, reference section, periodicals section, newspaper corner, competitive examination collection, book bank, and digital resource facilities. Students were guided through the systematic arrangement of books according to subject classifications, enabling them to locate books quickly and independently.

A detailed explanation was provided regarding library membership, borrowing privileges, book issue and return procedures, renewal facilities, reservation of books, and overdue regulations. Students were informed about the importance of handling library materials with care and adhering to library rules to ensure that resources remain available for all users. The orientation also covered library working hours, reading room facilities, and the services available during examination periods. Special emphasis was given to the effective use of the library's digital resources. The Librarian demonstrated how students could access the Online Public Access Catalogue (OPAC) to search for books by title, author, subject, or keyword. The session also introduced students to various electronic resources subscribed to by the college, including e-books, e-journals, institutional repositories, and national digital library platforms.

An interactive library tour formed an important part of the orientation program. Students were taken through different sections of the library and shown how books are arranged on shelves according to their subject classifications. They were given practical demonstrations on locating books using call numbers, identifying reference materials, consulting journals and magazines,

and accessing digital services available within the library. The hands-on experience enabled students to understand the functioning of the library in a practical and engaging manner.

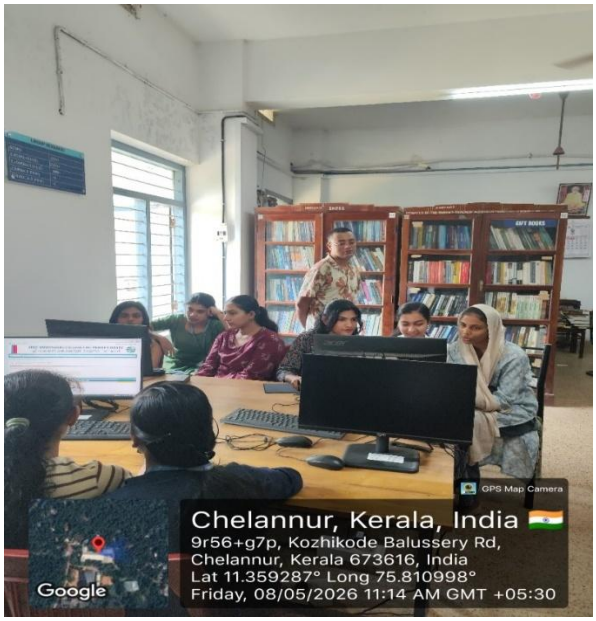

The program concluded with an interactive question-and-answer session during which students clarified their doubts regarding library membership, borrowing policies, digital resources, and other library services. Sri. Mahesh H responded to the queries in detail and encouraged students to approach the library staff whenever they required academic assistance or information support. The enthusiastic participation of the students reflected their keen interest in understanding the library's facilities and services.

LIBRARY INTERNSHIP REPORT

Program	: Library Internship 2025-2026
Organizer	: College Library
Beneficiary	: 29 first-year B.A. Malayalam students
Date & Year	: 19-06-2025 Thursday and 20.06.2025 Friday
Scope	: To fulfill the objectives of the FYUGP experiential learning component by integrating academic knowledge with practical experience.
Coordinator	: Sri. Mahesh H
Duration	: Three weeks
Objective	: To provide experiential learning opportunities that complement classroom instruction and promote the attainment of the program outcomes envisaged in the FYUGP curriculum.
Outcome	: The students received structured training in the various functional areas of the library.

Report on Library Internship Program for First-Year B.A. Malayalam Students (FYUGP)

As part of the Four-Year Undergraduate Program (FYUGP), the College Library of Sree Narayana Guru College, Chelannur organized a Library Internship Program for 29 first-year B.A. Malayalam students from 5 May 2026 to 26 May 2026. The internship was coordinated and supervised by Sri. Mahesh H, Librarian, with the objective of providing experiential learning opportunities that complement classroom instruction and promote the attainment of the program outcomes envisaged in the FYUGP curriculum. The internship was designed to familiarize students with the functioning of an academic library while developing professional competencies, information literacy, communication skills, and an appreciation for lifelong learning.

The FYUGP curriculum places significant emphasis on experiential education by integrating internships, field-based learning, and skill-oriented activities into undergraduate programs. In alignment with this vision, the library internship provided students with an opportunity to engage directly with the functioning of a knowledge institution and to understand the role of libraries in supporting higher education, research, and community learning. The program encouraged students to apply theoretical concepts in practical situations while fostering responsibility, teamwork, and problem-solving abilities.

The internship commenced with an orientation session led by Sri. Mahesh H, who introduced the participants to the objectives, structure, and expected learning outcomes of the program. Students were familiarized with the mission of the college library, its organizational structure,

and the wide range of services offered to the academic community. The orientation highlighted the evolving role of libraries in the digital knowledge ecosystem and emphasized the importance of information literacy, ethical use of information, and independent learning in the contemporary academic environment.

Throughout the three-week internship, students received structured training in the various functional areas of the library. They observed and participated in acquisition procedures, accessioning, book processing, stamping, labelling, and the preparation of library materials for circulation. The students gained practical knowledge of how information resources are selected, organized, processed, and made accessible to users. This exposure enabled them to appreciate the systematic management of library collections and the professional standards followed in academic libraries.

A major component of the internship focused on library organization and knowledge management. Students were introduced to the principles of classification, shelving, and stack maintenance. Practical sessions enabled them to understand how books are arranged according to subject classifications and how call numbers facilitate efficient retrieval of information resources. They actively participated in shelf rectification and collection maintenance, thereby gaining practical experience in organizing library collections for effective user access.

The internship also provided extensive exposure to circulation and user services. Students assisted in book issue, return, renewal, reservation, and borrower record management under the guidance of the Librarian and library staff. They learned about user registration procedures, library regulations, and best practices in delivering efficient and reader-friendly services. Through these activities, students developed interpersonal skills, service orientation, and an understanding of the importance of user satisfaction in library management.

Recognizing the growing importance of digital information resources, the program included hands-on training in library automation and electronic resource management. Students were introduced to the library management software Koha which is used for cataloguing and circulation, and they received practical training in using the Online Public Access Catalogue (OPAC) for locating books through author, title, subject, and keyword searches. Demonstrations on accessing e-books, e-journals, institutional repositories, and national digital knowledge platforms helped students understand the expanding role of digital libraries in higher education. These sessions significantly enhanced the participants' digital literacy and information retrieval skills.

An important aspect of the internship was the promotion of information literacy, one of the key learning outcomes envisaged by the FYUGP framework. Students learned how to identify authentic academic resources, evaluate the credibility of information, use reference sources effectively, and practice ethical information use through proper citation and avoidance of plagiarism. The sessions encouraged critical thinking and responsible academic practices, which are essential competencies for undergraduate learners.

The internship also involved students in organizing library displays, arranging thematic collections, and supporting reading promotion activities. Through these assignments, they gained an appreciation of the library's role in preserving language, literature, and cultural heritage. Since the participants belonged to the Department of Malayalam, special emphasis was given to the rich Malayalam literary collection available in the college library and the significance of libraries in conserving regional literature and facilitating literary research.

In addition to technical competencies, the program fostered several transferable skills identified under the FYUGP curriculum. Students developed communication skills through interaction with library users and staff, teamwork through collaborative assignments, leadership through task coordination, and time management by adhering to work schedules and deadlines. They also learned the value of discipline, accountability, and professional ethics while performing their assigned responsibilities. These competencies contribute significantly to the overall holistic development and employability of undergraduate students.

The internship concluded with an interactive reflection and evaluation session during which students shared their learning experiences and discussed the knowledge and skills acquired throughout the program. Many participants acknowledged that the internship transformed their perception of libraries from being mere repositories of books to dynamic knowledge centres that support education, research, innovation, and lifelong learning. They also expressed greater confidence in using library resources independently and recognized the importance of information literacy in their academic journey.

The Library Internship Program successfully fulfilled the objectives of the FYUGP experiential learning component by integrating academic knowledge with practical experience. The program enabled students to develop technical competencies in library operations, strengthen digital and information literacy skills, cultivate professional values, and enhance their ability to work collaboratively in an institutional environment. It also promoted self-directed learning, critical thinking, and responsible use of information, which are central to the philosophy of the FYUGP curriculum.

CAREER GUIDANCE & PLACEMENT CELL

Orientation Class by Xylem

Program Name	: Orientation Class by Xylem
Organiser	: Career Guidance & Placement Cell
Associating Partner	: Xylem Learning
Beneficiary	: Final Year B.Com and B.A. Economics Students
Date & Year	: 03 July 2025
Number of Students Benefited	:110
Scope	: Career awareness, higher education opportunities, competitive examinations, and skill development.
Coordinator	: Dr Rajitha K, Career Guidance & Placement Cell
Duration	: One Day
Objective	: To create awareness about career opportunities after graduation and the importance of professional skills.
Outcome	: Students gained insights into career planning, higher studies, and employability skills.

An orientation class was organized by the Career Guidance and Placement Cell of Sree Narayana Guru College, Chelannur on 3rd July 2025 for the final year B.Com and B.A. Economics students. The session was conducted by the expert team from Xylem Learning, a reputed institution known for its academic guidance initiatives.

The program aimed at creating awareness among students about the diverse career opportunities available after graduation and the importance of developing professional skills alongside academic knowledge. The resource persons provided valuable insights into higher education avenues, competitive examinations, and industry demands in the fields of commerce and economics.

The session was highly interactive, with students actively participating in discussions and clarifying their doubts regarding career planning, job opportunities, and skill development. The speakers also highlighted the importance of communication skills, analytical thinking, and digital literacy in today’s competitive job market.

The program proved to be an enriching experience, motivating students to think beyond their traditional academic boundaries and prepare themselves for both employment and higher

education opportunities. The Career Guidance and Placement Cell expressed gratitude to the Xylem team for their informative and inspiring session.

Profile Visibility Workshop

Program Name	: Profile Visibility Workshop
Organiser	: Career Guidance & Placement Cell
Associating Partner	: IQAC and DWMS (K-DISC)
Beneficiary	: Final Year Undergraduate Students
Date & Year	: 23 July 2025
Number of Students Benefited	:135
Scope	: Digital profile building and employability enhancement.
Coordinator	: Dr. Rajitha K
Duration	: One Day
Objective	: To equip students with skills to improve visibility in the digital job market.
Outcome	: Students learned profile-building strategies and the use of the DWMS platform.

The Career Guidance and Placement Cell of Sree Narayana Guru College, Chelannur, in association with IQAC, organized a *Profile Visibility Workshop* on July 23, 2025, at 1:30 PM in the Seminar Hall. The session was powered by the Digital Workforce Management System

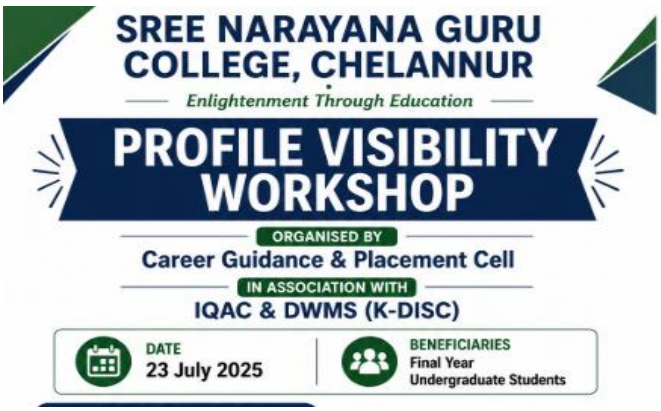

(DWMS) – a Kerala Government initiative under K-DISC (Kerala Development and Innovation Strategic Council).

The objective of the workshop was to equip students with the necessary skills and strategies to enhance their visibility in the digital job market and improve their employability prospects. The resource person for the session was Mr. Vineeth Vijayan, Talent Curation Executive at K-DISC, Government of Kerala. The session began with a formal welcome address by Dr Rajitha (Co-ordinator), followed by the presidential address by the Principal, Prof. Dr Kumar S P and then by an insightful and interactive session by the resource person. Mr. Vineeth Vijayan highlighted the importance of building a strong digital profile, the role of DWMS in bridging the gap between job seekers and employers, and practical steps students can take to make their profiles stand out in competitive recruitment platforms.

The workshop witnessed active participation from final-year undergraduate students, who showed keen interest in the DWMS platform and raised thoughtful queries during the interaction. The session concluded with a vote of thanks, expressing gratitude to the guest speaker, the organizing committee, and the participants for making the workshop a success. Overall, the workshop was informative, engaging, and highly beneficial for students preparing to enter the professional world. The secession was concluded by a Vote of thanks by Smt Sangeetha, Assistant Professor Dept of English.

District Level Job Fest 2.0

Program Name	: District Level Job Fest 2.0
Organiser	: Career Guidance & Placement Cell
Associating Partner	: Kaiyoppu Alumni Club and Finprov
Beneficiary	: Students and Job Seekers
Date & Year	: 12 September 2025
Number of Students & Job seekers Benefited	:445
Scope	: Employment opportunities and industry-academia interaction.
Coordinator	: Dr Rajitha K, Career Guidance & Placement Cell
Duration	: One Day
Objective	: To provide recruitment opportunities and improve employability.
Outcome	: 670 registrations, 445 interview attendees, and 218 shortlisted candidates.

The Career Guidance & Placement Cell of Sree Narayana Guru College, in association with Kaiyoppu Alumni Club and Finprov, successfully organized the District Level Job Fest 2.0 on 12th September 2025. The program was formally inaugurated by Adv. K. M. Sachin Dev, MLA. The fest served as a vibrant platform for job aspirants to interact with reputed companies and secure career opportunities. A total of 42 companies registered, out of which 35 actively participated in the recruitment process. The fest witnessed remarkable participation with 518 candidates pre-registered and 152 candidates spot-registered, taking the total to 670 candidates.

Out of the total 445 candidates who attended interviews, 218 were shortlisted by various recruiters. Companies from diverse sectors such as banking, insurance, automobiles, healthcare, IT, education, retail, and service industries participated, offering wide-ranging job opportunities. 36. **Perpex Insights** – Attended: 9 | Shortlisted: 3
37. **ICICI Prudential** – Attended: 16 | Shortlisted: 13
38. **Dominators Group** – Attended: 15 | Shortlisted: 9
39. **NFBI** – Attended: 19 | Shortlisted: 10

Totals

- **Total Candidates Attended:** 445
- **Total Candidates Shortlisted:** 218

Conclusion

The District Level Job Fest 2.0 emerged as a successful initiative of the Career Guidance & Placement Cell, providing ample opportunities for job seekers and strengthening the institution’s role in career building. The College extends sincere gratitude to the management, faculty, alumni, and student volunteers for their dedicated efforts in making the program a grand success.

Orientation on CA & CMA

Program Name	: Orientation on CA & CMA
Organiser	: Career Guidance & Placement Cell
Associating Partner	: ELANCE Academy
Beneficiary	: UG and PG Students of Commerce and Economics
Date & Year	: 05 December 2025
Number of Students Benefited	:165
Scope	: Professional courses and career opportunities in CA and CMA.
Coordinator	: Dr Rajitha K, Career Guidance & Placement Cell

Duration	: One Day
Objective	: To create awareness about CA and CMA professional qualifications.
Outcome	: Students gained knowledge about professional courses and career prospects.

On 5th December 2025, an orientation program was conducted by ELANCE Academy on professional courses such as Chartered Accountancy (CA) and Cost and Management Accountancy (CMA). The event, held in the Final Year Classroom, was attended by UG and PG students from the Commerce and Economics departments. The resource persons explained the structure of these professional courses, their global recognition, and the career opportunities available upon completion. Students were motivated to consider these professional paths, which demand dedication but offer immense scope for career growth and prestige in the corporate world.

Career Guidance Program for UG Students

Program Name	: Career Guidance Program for UG Students
Organiser	: Career Guidance & Placement Cell
Associating Partner	: ATI Skills, Calicut
Beneficiary	: Final Year Degree Students
Date & Year	: 12 January 2026
Number of Students Benefited	:110
Scope	: Career planning, self-assessment, and industry awareness.
Coordinator	: Dr Rajitha K, Career Guidance & Placement Cell
Duration	: One Day

Objective	: To guide students in structured career planning and goal setting.
Outcome	: Students developed better understanding of career planning and future opportunities.

On 12th January 2026, a special career planning session was arranged for the final-year degree students at the Seminar Hall. The program was conducted by experienced faculty from ATI Skills, Calicut, who enlightened students about structured career planning in the fields of commerce and management. The session emphasized the importance of self-assessment, awareness of industry trends, and strategic goal-setting for the future. Students actively engaged in the discussions, gaining practical insights into how to approach their professional journey with confidence and clarity

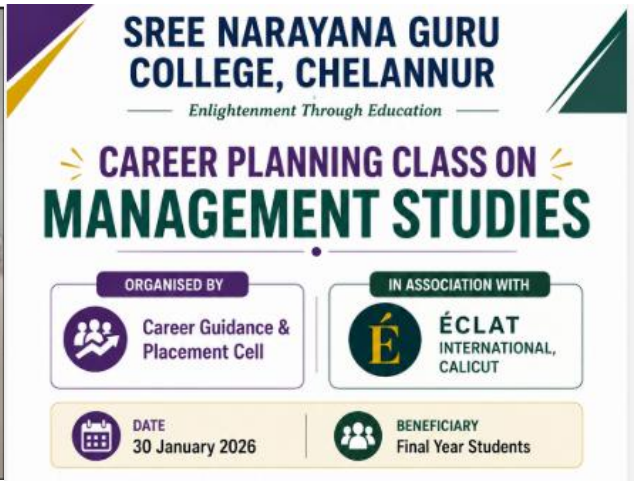

Career Planning Class on Management Studies

Program Name	: Career Planning Class on Management Studies
Organiser	: Career Guidance & Placement Cell
Associating Partner	: Éclat International, Calicut
Beneficiary	: Final Year Students
Date & Year	: 30 January 2026
Number of Students Benefited	:120
Scope	: Management studies, entrepreneurship, and higher education opportunities.
Coordinator	: Dr Rajitha K, Career Guidance & Placement Cell

Duration	: One Day
Objective	: To introduce career opportunities in management studies.
Outcome	: Students gained clarity about management careers and required skill sets.

ANTI NARCOTICS CELL

Anti-Drug Day Observance

Program Name	: Anti-Drug Day Observance
Organiser	: Anti-Narcotics Cell
Associating Partner	: IQAC, NSS &NCC
Beneficiary	: Students and Staff
Date & Year	: 26 June 2025
Number of students benefited	: 735
Scope	: Drug abuse prevention and awareness creation on a drug-free campus.
Coordinator	: Dr Rajitha K, Anti-Narcotics Cell Coordinator
Duration of the Program	: One Day
Objective	: To create awareness about the dangers of substance abuse and promote a healthy, addiction-free lifestyle.
Outcome	: Students and staff took an anti-drug oath and participated in an awareness video screening, strengthening awareness about the consequences of drug addiction

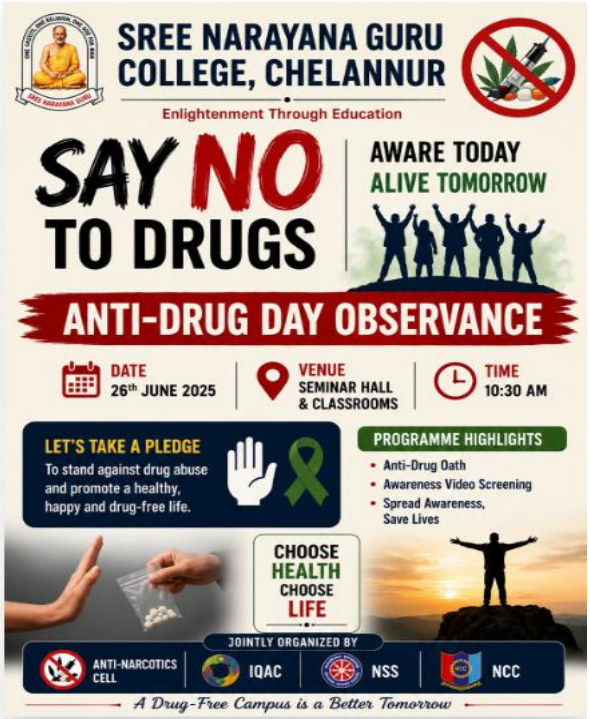

The Anti-Narcotics Cell of Sree Narayana Guru College, Chelannur, observed Anti-Drug Day on 26th June 2025 as part of its ongoing commitment to fostering a drug-free campus environment. The program was aimed at creating awareness among students and staff about the dangers of substance abuse and the importance of leading a healthy, addiction-free life.

As part of the observance, an anti-drug oath was taken by both students and staff. The oath ceremony was held in the college seminar hall and also extended to individual classrooms, ensuring maximum participation across the campus. The oath emphasized the collective responsibility of every individual to stand against drug abuse and to promote awareness within society.

Following the oath-taking, an anti-drug awareness video was screened in the seminar hall for students. The video highlighted the psychological, social, and health-related consequences of drug addiction, and showcased real-life experiences to reinforce the message. The screening was well-received and sparked thoughtful reflection among the attendees.

Anti-Drug Awareness Program – 'Arivu Thanne aanu Lahari'

Program Name	: Anti-Drug Awareness Program – 'Arivu Thanne aanu Lahari'
Organiser	: Anti-Narcotics Cell
Associating Partner	: Deshabhimani
Beneficiary	: Students and Faculty Members
Date & Year	: 25 July 2025
Number of students benefited	: 295
Scope	: Awareness on drug abuse prevention and promotion of a drug-free academic environment.
Coordinator	: Dr Rajitha K, Anti-Narcotics Cell Coordinator
Duration of the Program	: One Day
Objective	: To educate students about the harmful effects of drug abuse and encourage informed and responsible behaviour.

Outcome : Participants gained awareness of the social and health impacts of substance abuse and were encouraged to become ambassadors of anti-drug awareness.

The Anti-Narcotics Cell of Sree Narayana Guru College, Chelannur, in collaboration with Deshabhimani, organized an anti-drug awareness program titled “Arivu Thanne aanu Lahari” (Knowledge Itself is the Intoxication) on 25th July 2025 at 2:30 PM in the college seminar hall.

The session aimed to raise awareness among students about the devastating effects of drug abuse and the importance of staying informed and vigilant. The program was part of the Deshabhimani Initiative for Creative Campus, which focuses on encouraging a drug-free academic environment. The program was inaugurated by the chief guest, Sri. N. R. Baiju IPS, Assistant Excise Commissioner, Kozhikode. In his keynote address, he stressed the increasing vulnerability of the youth to substance abuse and the crucial role educational institutions play in prevention. He also urged students to be ambassadors of awareness and self-discipline in society.

The event witnessed active participation from students and faculty members. Thought-provoking discussions, personal anecdotes, and practical advice enriched the session, making it a highly engaging and impactful experience. The Anti-Narcotics Cell coordinator proposed the vote of thanks, expressing gratitude to the guest speaker, Deshabhimani representatives, college management, and all attendees for their support and involvement. The session concluded with a strong message on choosing awareness and knowledge over addiction, in line with the theme: **“Arivu Thanne aanu Lahari.”**

Awareness Program on Drug Abuse Prevention

Program Name **:** Awareness Program on Drug Abuse Prevention

Organiser **:** Anti-Narcotics Cell

Associating Partner **:** Parents Association

Beneficiary **:** First-Year Students and Parents

Date & Year **:** 23rd October 2025

Number of students benefited :136

Scope **:**To create awareness about the growing threat of drug abuse among youth and promote preventive education through active participation of students and parents.

Coordinator **:** Dr. Rajitha K, Coordinator, Anti-Narcotics Cell

Duration of the Program **:** 2:00 PM onwards (One Day)

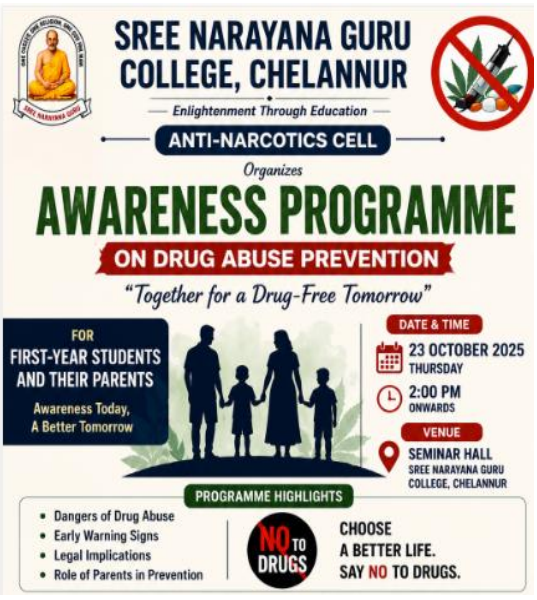

Objective **:** To educate students and parents about the dangers of drug abuse, early warning signs, legal implications, and the importance of collaborative preventive measures involving families and educational institutions.

Outcome **:** The program successfully enhanced awareness among students and parents regarding substance abuse prevention. Participants gained valuable insights into the

risks associated with drug use and the role of families in early intervention. The interactive session encouraged meaningful discussion, and the program reinforced the importance of joint efforts by educational institutions and parents in fostering a drug-free society.

The Awareness Program on Drug Abuse Prevention was organized by the Anti-Narcotics Cell in association with the Parents Association on 23 October 2025 for first-year students and their parents. The program aimed to create awareness about the increasing threat of drug abuse among youth and highlight the importance of preventive education through the joint involvement of educational institutions and families. The session provided valuable information on the dangers of substance abuse, early warning signs, legal consequences, and effective preventive measures. Through interactive discussions and expert guidance, participants gained a deeper understanding of their role in promoting a healthy and drug-free lifestyle. The program successfully strengthened awareness and encouraged collective responsibility in combating drug abuse among young people.

IGNOU STUDY CENTRE 83012

IGNOU Induction Meeting Report

Date and Venue

- Date: May 17, 2025

- Venue: Sree Narayana Guru College Seminar Hall

Program Details

- Session: January 2025

- Chairperson: Dr. Kumar S P

- Keynote Speaker and Chief Guest: Dr. Prameela O, Deputy Regional Director, IGNOU Vatakara

- Welcome Address: Rejish M T, Coordinator

Felicitation

Dr.Sindhu Krishna Das, Department of Economics Sree Narayana Guru College Chelannur

Meeting Highlights

- Dr. Prameela O's keynote speech provided insights into IGNOU's programs and policies.

- Dr. Kumar S P's address emphasized the importance of academic rigor and student support.

- Rejish M T's welcome speech set the tone for the meeting.

Key Takeaways

- Overview of IGNOU's academic programs and support services.

- Expectations and responsibilities of students.

- Importance of timely submission of assignments and participation in counseling sessions.

There are 51 Students participated the program. The Coordinator made the detailed overview of Course content, Assignment, Examination procedure re registration and FYUGP program etc.

Vote of Thanks

- The meeting concluded with a vote of thanks, by Amal Raj P Assistant Coordinator IGNOU study centre83012.The meeting ended at 1.30 PM

Swachhata Hi Seva Swachhata Utsav Report

The Swachhata Hi Seva Swachhata Utsav was successfully organized by the IGNOU Regional Centre, Vatakara, in collaboration with IGNOU Study Centre 83012, Sree Narayana Guru College, Chelannur, Kozhikode, on October 2, 2025. The event was graced by the presence of Chief Guest Dr. Prameela, a renowned figure in promoting social awareness. Rejish MT, the coordinator, along with the supporting staff, played a pivotal role in ensuring the smooth execution of the event.

The program commenced with a cleanliness drive, where participants actively engaged in cleaning the college campus and its surroundings. This hands-on activity not only promoted environmental hygiene but also fostered a sense of collective responsibility among the participants. Dr. Prameela, in her address, emphasized the significance of cleanliness in daily life and encouraged everyone to adopt sustainable practices. She highlighted IGNOU's commitment to organizing such initiatives to promote social awareness and community engagement.

The event witnessed active participation from the local community, students, and staff, all working together towards a common goal of maintaining a clean and healthy environment. The program concluded with a sense of accomplishment and a renewed commitment to uphold the values of cleanliness and hygiene in daily life.

The success of the Swachhata Utsav was a testament to the effective collaboration between IGNOU Regional Centre, Vatakara, and Sree Narayana Guru College, Chelannur. The event not only raised awareness about the importance of cleanliness but also inspired participants to take proactive steps in promoting a clean and sustainable environment. Special thanks are

extended to Dr. Prameela for her inspiring address, Rejish MT for his meticulous coordination, and the supporting staff for their dedicated efforts in making the event a grand success.

IGNOU INDUCTION MEETING REPORT

January 2026

1. Meeting Details

IGNOU Induction Meeting – January 2026 Session

Date May 10 2026

Time 1:00 PM

Venue College Seminar Hall

3. Proceedings of the Meeting

The induction meeting for the January 2026 session commenced at 1:00 PM with a welcome address. Welcome Address Mr. Rejish M T, Coordinator, welcomed all the dignitaries, faculty members and new learners to the induction program. He briefed the gathering about the objectives of the induction meeting. Presidential Address- Mr. Kumar, Principal, chaired the session. In his address, he emphasized the importance of distance education, self-learning, and time management for IGNOU learners. He encouraged students to make full use of IGNOU study materials, eGyankosh, and counselling sessions. Chief Guest Address- Smt. Prameela O, Chief Guest, addressed the learners. She spoke about the opportunities IGNOU provides for working professionals and students from diverse backgrounds. She motivated students to stay consistent with assignments and term-end examinations to successfully complete their programs.

Session Handling & Orientation

Mr. Rejish M T, Coordinator, handled the main orientation session. Key points covered:

- Overview of IGNOU system: Admission, Re-registration, Assignments, TEE
- Submission schedule and pass marks: 40% in Assignment + 40% in TEE
- Use of IGNOU website, Student Portal, and eGyankosh for study material
- Role of academic counselling and practical sessions
- Contact details of study centre and grievance redressal mechanism
- Importance of plagiarism-free assignments and exam hall guidelines

Interactive Session

Learners raised queries regarding exam forms, assignment submission, change of study centre, and program structure. All doubts were clarified by the Coordinator and faculty members.

Vote of Thanks

The meeting concluded with a vote of thanks by the Coordinator. Learners were provided with program guides, assignment booklets, and contact details.

Outcome

The induction meeting was successfully conducted. Learners were oriented about IGNOU rules, academic support, and evaluation process for the January 2026 session.

Detailed Report on the 'CHUVAD' Fine Arts Fest 2026

Program Name	: 'CHUVAD' Fine Arts Fest 2026
Organiser (Club Name)	: Department of Physics, Sree Narayana Guru College, Chelannur
Associating Partner	: College union
Beneficiary	: Entire students of the college
Date & Year	: 20-23 january 2026
Scope	: A Fine Arts Fest serves as a vibrant forum for nurturing creativity, promoting cultural values, developing life skills, and fostering the overall personality and artistic growth of students.
Coordinators	: Dr.Divya N K
Duration of the Program	: 5 Hours

Objective of the Event

The primary objective of the Fine Arts Fest was to encourage and nurture the artistic potential of students by providing them with an opportunity to present their works in front of a larger audience. The event also aimed to foster collaboration between various disciplines, promote cultural awareness, and celebrate the intersection of art with education.

SNG students were divided in to three team. Team arts, Team Science and Team Commerce. This made a healthy competition in the campus. The team management resonated in various performances and exhibits, enhancing the overall impact of the event.

Detailed report

The Fine Arts Fest of Sree Narayana Guru college, Chelannur, held annually, is an extraordinary celebration of creativity and artistic talent. The event serves as a platform for students to showcase their skills and express their artistic visions across a wide range of art forms. This year's Fine Arts Fest, which took place from 20,21,22 AND 23rd of January 2026, featured a dynamic lineup of performances, and competitions, bringing together the diverse talents of the student body. The festival was a remarkable success, reflecting the vibrant cultural atmosphere at Sree Narayana Guru college, Chelannur. Fine arts advisor was Dr.Divya N K, Faculty, Physics department and fine arts secretary was Atheena gopi , student third BSc Botany.

Inauguration was done by famous film actor, Aswin Vijay (GOAT LIFE FAME) ON 05/02/25. And Mr.Muhammed Sadique K was the chief guest. The session was chaired by Principal Dr.Kumar S P.

Key Events and Activities

1. Music Performances

The music segment of the Fine Arts Fest was a highlight, featuring a series of solo and group performances. Students performed in various genres, such as classical music, contemporary hits, jazz, and traditional folk music.

- **Classical Music:** [Student Name], a talented vocalist, performed a captivating classical raga, which left the audience mesmerized with her powerful voice and emotional delivery. The classical ensemble, composed of string and percussion instruments, showcased intricate compositions, adding an element of cultural richness to the event.
- **Modern Performances:** The modern music performances included rock bands, pop music ensembles, and electronic dance music. A notable performance was by the [Band Name], which electrified the audience with their renditions of popular international hits, blending modern beats with traditional elements.
- **Audience Interaction:** The audience responded enthusiastically, with many participants being invited on stage for impromptu jam sessions or to sing along with the bands, fostering an engaging and fun atmosphere throughout the festival.

2. Dance Performances

The dance performances were one of the most anticipated segments of the fest. Students participated in both solo and group performances, displaying an impressive range of styles from classical to contemporary dance.

- **Classical Dance:** The classical dance performances, particularly Bharatanatyam and Kathak, captivated the audience with their grace and intricate footwork. [Dancer Name] performed a powerful Bharatanatyam piece that explored themes of devotion and spirituality.
- **Modern Dance:** Modern and hip-hop dance crews brought high-energy performances to the stage, with impressive choreography and seamless synchronization. The "Flash Dance Crew," for instance, delivered a jaw-dropping performance that mixed street dance with creative visual storytelling.
- **Collaborative Performances:** In an exciting fusion of styles, one of the standout performances was a collaborative piece that blended contemporary dance with Indian

classical movements. This fusion of cultures was a symbol of how art forms can merge and evolve across time and boundaries.

3. Theatre and Drama

The theatre segment brought together drama enthusiasts, showcasing a variety of performances ranging from short skits to full-length plays. The pieces explored a broad spectrum of topics, from social issues to fantasy stories.

Guest Speakers and Judges

This year's Fine Arts Fest was graced by several prominent personalities from the world of arts and culture, who served as guest speakers and judges for the various competitions.

- **Guest Speakers:** The keynote speech was delivered by [Guest Name], a well-known artist/musician/performer, who spoke about the significance of the arts in modern society and the transformative power of creative expression.
- **Judging Panel:** The judges for the competitions included Vabeena Hareesh, Kalamandalam, Ms.Sheeba Kalasala, Mr.Lineesh Narayakulaum, P Pathmanabhan , etc , each with a rich background in their respective fields. Their constructive feedback and valuable insights helped elevate the quality of performances and exhibitions, with students gaining useful perspectives to hone their craft.

Awards and Recognition

The event concluded with an awards ceremony, where the top performers and artists were recognized for their exceptional contributions. Categories included:

Over all championship trophy was achieved by team arts with 250 points. First runner up trophy was received by team science with 219 points and second runner up was team commerce with 146 points.

- Best Actor-Saurav k Sunil, second economics
- Best Actress-Nandana, second Malayalam, Shaniya, SECOND MATHS
- 'KALAPRATHILAKAM- Sreenidhi,2nd economics
- 'KALAPRATHIBHA'- Dhanush, 2nd maths

The winners received certificates, trophies, and gift vouchers, along with praise and accolades from Principal and faculty members.

The Fine Arts Fest of Sree Narayana Guru College was an overwhelming success, showcasing the exceptional talents of students and providing a platform for them to display their creativity. The event highlighted the importance of arts in the educational environment and reinforced the idea that art is not only about skill but also about emotional and intellectual expression. This festival has undoubtedly left a lasting impact on both participants and the audience, inspiring future generations of artists to continue their creative journeys.

WOMEN'S STUDIES CENTRE

Program Name	: Healthy Relationships in the Digital Age: Psychological Insights for Generation Z
Organiser	: Women's Studies Centre, Sree Narayana Guru College, Chelannur
Associating Partner	: IQAC, Sree Narayana Guru College, Chelannur
Beneficiaries	: Students and Faculty Members
Number of Students Benefitted	: 80
Date & Year	: 10 March 2026
Scope	: Awareness on healthy interpersonal relationships, emotional well-being, and responsible digital engagement among Generation Z.
Coordinator	: Smt. Gayathri P., Coordinator, Women's Studies Centre
Duration of the Program	: 11:30 a.m. – 1:00 p.m.
Objective	: To create awareness among students about maintaining healthy relationships in the digital era.
Outcome	: Participants developed greater awareness of healthy relationships in the digital age and learned ways to maintain emotional well-being and responsible online interactions.

REPORT

The Women's Studies Centre, under the auspices of IQAC, Sree Narayana Guru College, Chelannur, organized a seminar on "Healthy Relationships in the Digital Age: Psychological Insights for Generation Z" on 10 March 2026 at 11:30 a.m. in the Seminar Hall.

The program began with a welcome address by Smt. Gayathri P., Coordinator of the Women's Studies Centre. The Principal of the College delivered the presidential address and emphasized the importance of building healthy relationships and maintaining emotional well-being in an increasingly digital world.

The keynote session was led by Dr. Varsha Vidyadharan, Professor, Department of Psychiatry, Government Medical College, Kozhikode. Through an engaging and interactive presentation, the resource person explored the changing nature of relationships among Generation Z and discussed how digital technology and social media influence communication, friendships, and romantic relationships. She introduced students to popular Gen Z expressions and slang to establish a connection with the audience and to better understand contemporary youth culture.

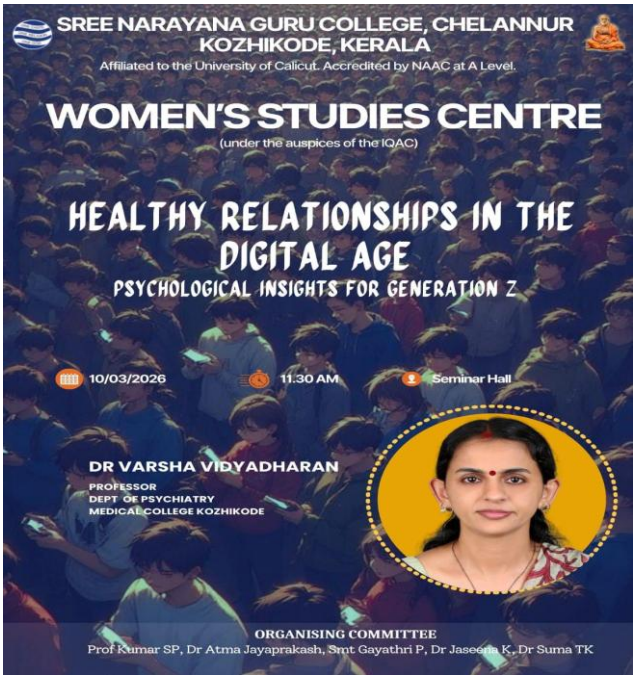

Dr. Varsha highlighted the importance of trust, empathy, emotional intelligence, and effective communication in sustaining healthy relationships. She also discussed the growing openness among young people in expressing emotions and opinions, while pointing out the need to maintain healthy boundaries in both online and offline interactions. The session examined changing attitudes towards relationships, the challenges of navigating digital spaces, and the impact of social media on expectations, self-image, and interpersonal connections.

The resource person further addressed concerns such as cyberbullying, digital dependency, peer pressure, and mental health issues commonly experienced by young adults. Through real-life examples and interactive discussions, she encouraged students to reflect on their relationship patterns and develop healthier approaches to communication and emotional well-being.

Dr. Atma Jayaprakash offered felicitations and appreciated the relevance of the topic in the present social context. The seminar witnessed enthusiastic participation from students and faculty members, who actively engaged with the resource person during the discussion session and raised questions related to relationships, social media behaviour, and emotional health.

The program concluded with a vote of thanks proposed by Dr. Bindu M. K., Associate Professor, Department of Malayalam, who expressed gratitude to the resource person, the

Principal, faculty members, students, and all those who contributed to the successful conduct of the program.

Open Conversation

Program Name	**:** Open Conversation on Mental Health
Organiser	: Women's Studies Centre, Sree Narayana Guru College, Chelannur
Associating Partner	: IQAC and Jeevani Centre for Wellbeing
Beneficiaries	: Students of Sree Narayana Guru College, Chelannur
Number of Students Benefitted	: 85
Date & Year	: 27 February 2026
Scope	: Mental health awareness, emotional well-being, and creating a supportive campus environment for open discussions on psychological issues.
Coordinator	: Smt. Gayathri P., Coordinator, Women's Studies Centre
Duration of the Program	: 10:00 a.m. onwards
Objective	: To encourage open conversations about mental health, reduce stigma associated with psychological issues, and promote awareness regarding emotional well-being among students.
Outcome	: Participants developed a better understanding of mental health issues and gained confidence to seek support and engage in open discussions about emotional well-being.

REPORT

The Women's Studies Centre, under the auspices of IQAC, Sree Narayana Guru College, Chelannur, in association with the Jeevani Centre for Wellbeing, organized an Open Conversation on Mental Health on 27 February 2026 at 10:00 a.m. The program aimed to create awareness about mental health and promote a campus environment where conversations about emotional well-being are encouraged and normalized.

The program commenced with a welcome address by Ms. Gayathri P., Coordinator, Women's Studies Centre, who welcomed the gathering and highlighted the importance of creating safe spaces for students to discuss mental health concerns. She emphasized the role of educational

institutions in fostering emotional well-being and supporting students in their personal and academic journeys.

The presidential address was delivered by Prof. Abhilash E. S., Principal-in-Charge, who underscored the significance of mental health in the holistic development of students. He stressed the need for greater awareness, empathy, and support systems within educational institutions and encouraged students to seek help whenever required without fear of stigma or judgment.

The resource person, Ms. Nanditha T. K., College Psychologist, Jeevani Centre for Wellbeing, led the interactive session. She discussed various aspects of mental health that are particularly relevant to college students, including stress, anxiety, emotional challenges, self-esteem issues, peer pressure, academic expectations, and the impact of social media on psychological well-being. She emphasized that mental health is as important as physical health and encouraged students to recognize and express their emotions in healthy ways.

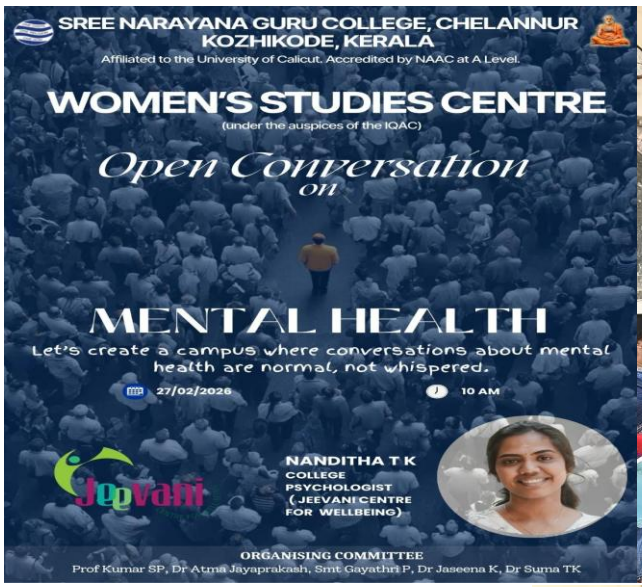

The session focused on the importance of self-awareness, emotional resilience, and seeking support during difficult times. The resource person explained common signs of emotional distress and highlighted the value of counselling and professional guidance. She also shared practical strategies for stress management, self-care, maintaining healthy relationships, and achieving a balance between academic responsibilities and personal life.

The open conversation format encouraged active participation from students, who engaged in meaningful discussions and raised questions regarding mental health, emotional challenges, and coping mechanisms. The interactive nature of the program helped participants gain a deeper understanding of mental well-being and the importance of seeking timely support.

Dr. Atma Jayaprakash, IQAC Coordinator, and Ms. Sangeetha G. Nair, Assistant Professor, Department of English, offered felicitations and appreciated the initiative taken by the Women’s Studies Centre in addressing an issue of growing relevance among young people. They highlighted the importance of creating a compassionate and supportive campus culture that prioritizes the mental well-being of students.

The program witnessed enthusiastic participation from students and faculty members and succeeded in creating awareness about mental health while encouraging open and constructive dialogue. The event concluded with a vote of thanks, expressing gratitude to the resource

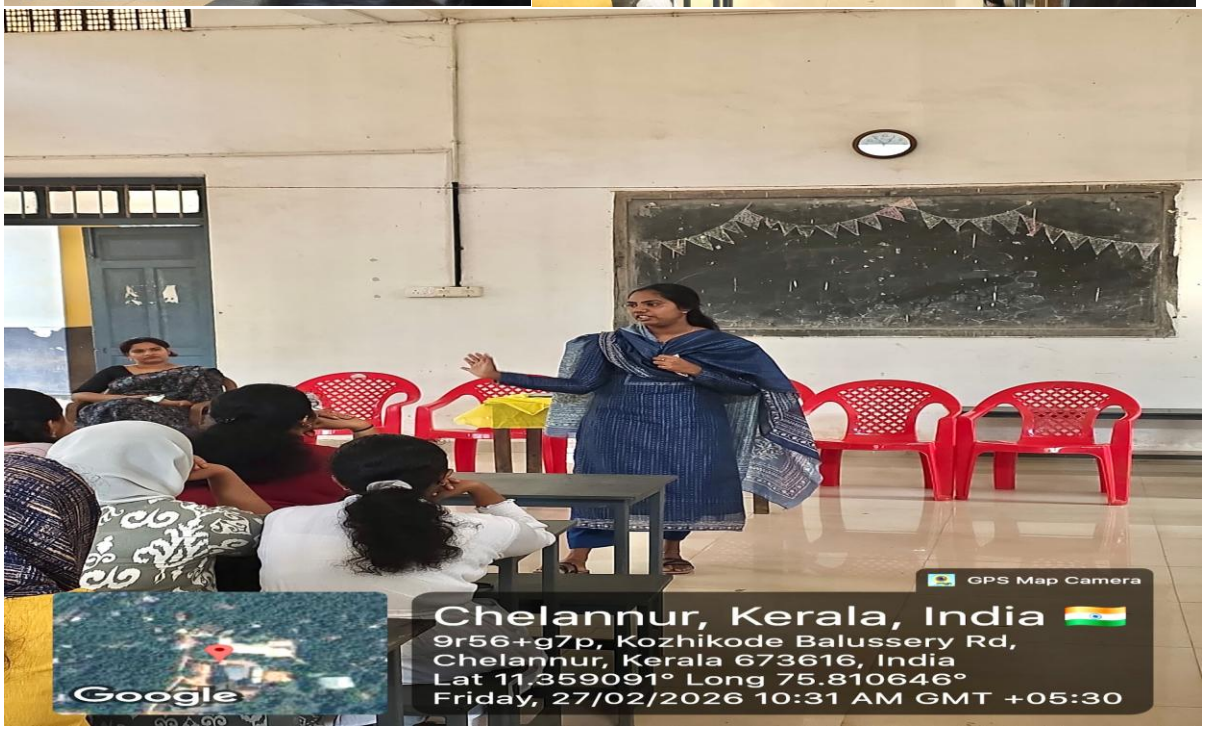

person, the Principal-in-Charge, faculty members, students, and all those who contributed to the successful conduct of the program.

SCIENCE CLUB

OZONE DAY OBSERVATION

Program Name	:Ozone Day Observation – Still Model Exhibition on Ozone Layer Protection
Organiser (Club Name)	: Science Club, Sree Narayana Guru College, Chelannur
Associating Partner	: Department of Physics
Beneficiary	: Students, Faculty Members, and Visitors of the College
Date & Year	: 16-09 2026
Scope	: Environmental Awareness and Ozone Layer Conservation
Coordinator	: Ms. Neethu P, Coordinator, Science Club
Duration of the Program	: One Day
Objective	: To create awareness among students and the public about the importance of the ozone layer.
Outcome	:Students gained the understanding of the role of the ozone layer in sustaining life on Earth.

The Science Club of Sree Narayana Guru College, Chelannur organized a Still Model Exhibition as part of the Ozone Day Observation program. The event was conducted in front of the college premises with the objective of creating awareness about the significance of the ozone layer and the urgent need for its protection. The exhibition served as an informative and interactive platform for students and visitors to understand various aspects of ozone depletion and environmental conservation.

The program commenced with a welcome address delivered by Ms. Neethu P, Coordinator of the Science Club. In her speech, she highlighted the relevance of observing Ozone Day and emphasized the responsibility of every individual in protecting the environment. She also appreciated the efforts of the students who actively participated in preparing and displaying the still model.

The program was presided over by Dr. Abhilash E. S., Principal-in-Charge of the college. During his presidential address, he elaborated on the importance of the ozone layer as a protective shield that safeguards life on Earth from harmful ultraviolet radiation. He explained the causes of ozone depletion, including the excessive use of ozone-depleting substances, and discussed the global initiatives undertaken to restore and protect the ozone layer.

Dr. Abhilash further stressed the importance of adopting environmentally friendly practices in daily life. He encouraged students to become ambassadors of environmental conservation and to spread awareness within society regarding sustainable living and ecological responsibility. His detailed speech provided valuable insights into the scientific and social dimensions of ozone layer protection.

A still model illustrating the structure, functions, and significance of the ozone layer was exhibited prominently in front of the college. The model effectively demonstrated the impact of ozone depletion and the measures that can be adopted to protect this vital atmospheric layer. Students and faculty members visited the exhibition and engaged in meaningful discussions regarding environmental issues and climate-related challenges.

The exhibition successfully fulfilled its objectives by creating awareness and fostering environmental responsibility among the participants. The program served as an excellent opportunity for students to enhance their scientific understanding while contributing to environmental education. The enthusiastic participation of students and the support of faculty members made the event a meaningful and successful observance of Ozone Day.

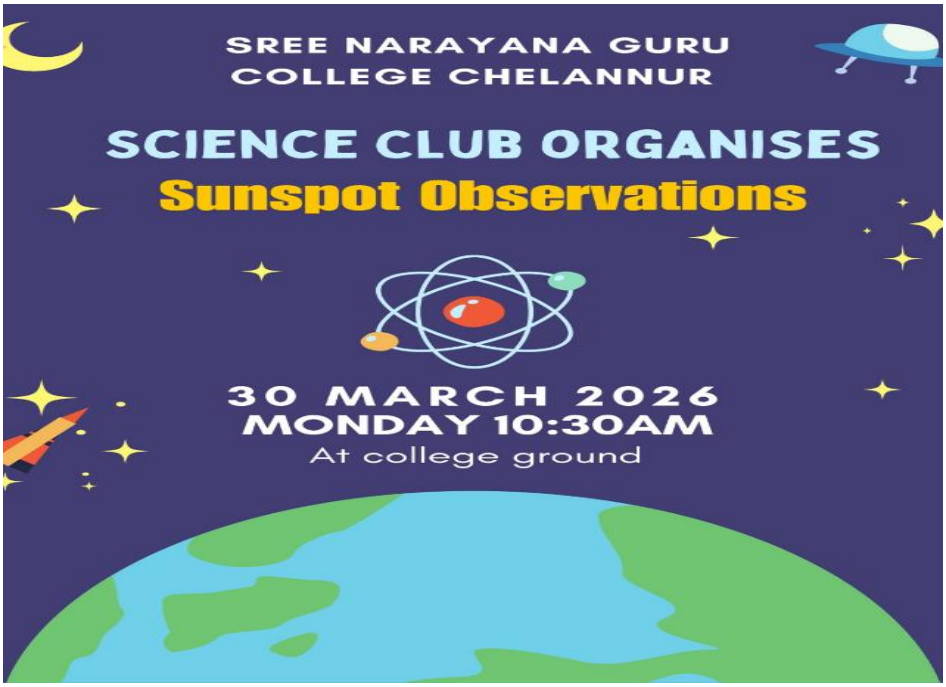

Number of Students Benefited: Approximately 100 Students.

SUNSPOT OBSERVATION

Program Name	: Sunspot Observation Program
Organiser	: Science Club, Sree Narayana Guru College, Chelannur
Associating Partner	: Breakthrough Science Society (BSS)
Beneficiary	: Students and Faculty Members of Sree Narayana Guru College, Chelannur
Date & Year	: 30 March 2026
Scope	:Scientific awareness and practical exposure to solar astronomy through direct observation of sunspots.
Coordinator	: Ms. Neethu P
Duration of the Program	: Half-day Program
Objective	:To create awareness about solar phenomena, particularly sunspots. To provide students with hands-on experience in astronomical observation.
Outcome	:Students gained a clear understanding of sunspots and received practical experience in observing celestial phenomena using telescopes.

Detailed Report

The Science Club of Sree Narayana Guru College, Chelannur organized a Sunspot Observation Program on 30 March 2026 with the objective of introducing students to the fascinating field of solar astronomy and providing them with an opportunity to observe sunspots directly through telescopes.

The program commenced with an inaugural session held in the college seminar hall. The gathering was formally welcomed by Ms. Neethu P, Coordinator of the Science Club. In her welcome address, she emphasized the importance of observational science and highlighted the role of such programs in nurturing scientific curiosity among students.

The function was presided over by Dr. Kumar S. P., Principal, who delivered the presidential address. He spoke about the importance of astronomy in understanding the universe and encouraged students to actively participate in scientific activities that complement classroom learning. He also emphasized the need to cultivate a scientific outlook and critical thinking among young learners.

The Secretary of the Breakthrough Science Society (BSS) Chapter addressed the gathering and provided a brief overview of the activities and objectives of the organization. The speaker highlighted the efforts of the society in promoting science education and scientific awareness among the public and students.

Dr. Athma Jayaprakash, IQAC Coordinator, offered felicitation and appreciated the initiative taken by the Science Club in organizing an educational and engaging program. He remarked that experiential learning activities such as astronomical observations help students connect theoretical concepts with real-world scientific phenomena.

A technical presentation on Sunspots was delivered by Ms. Akhila Ramakrishnan, BSS Worker. Through an informative and engaging session, she explained the nature of sunspots, their formation, characteristics, and significance in understanding solar activity. She also discussed the solar cycle and its influence on Earth's environment. The presentation enabled students to acquire a deeper understanding of the scientific principles behind sunspots and solar observations.

The inaugural session concluded with a vote of thanks proposed by Ms. Nimisha Babu Raj, who expressed gratitude to the dignitaries, organizers, and participants for making the program a success.

Following the seminar session, participants moved to the college ground for the practical observation segment of the program. Students were provided with the opportunity to observe sunspots through telescopes under expert guidance. Both reflecting telescopes and refracting telescopes were arranged for the observation. The facilitators explained the working principles, differences, and applications of these telescopes, enabling students to understand the technology used in astronomical studies.

The direct observation of sunspots was the highlight of the program. Students enthusiastically participated in the observation session and were able to witness solar features that are otherwise discussed only in textbooks. The hands-on experience helped them appreciate the importance of scientific instruments and observational techniques in astronomy.

The program successfully achieved its objectives by combining theoretical knowledge with practical observation. It generated considerable interest among students in astronomy and space science and reinforced the importance of scientific inquiry and experiential learning. The Sunspot Observation Program proved to be an enriching educational experience and contributed significantly to the promotion of scientific awareness among the student community.

Number of Students Benefited: 55 Students

ANNUAL REPORT OF ED CLUB

Program Name	: Inauguration of VISTA Program (Visionary Initiative for Student-Led Transformation and Action) and Orientation for students
Organiser	: Entrepreneurship Development Club
Associating Partner	: Internal Quality Assurance Cell (IQAC)
Beneficiary	: Undergraduate Students
Date & Year	: 14 January 2026
Scope	: The program was organised to inaugurate the VISTA Program under the Entrepreneurship Development (ED) Club with the objective of fostering entrepreneurial thinking, innovation, leadership, and self-employment aspirations among students. The initiative sought to encourage students to identify opportunities, develop entrepreneurial competencies, and actively participate in entrepreneurship development activities.
Coordinators	: Athira Ajay, Prof. (Dr.) Kumar S.P., Dr Athma Jayaprakash
Duration of the Program	: 3 Hours

Objectives:

• To formally inaugurate the VISTA Program under the ED Club.

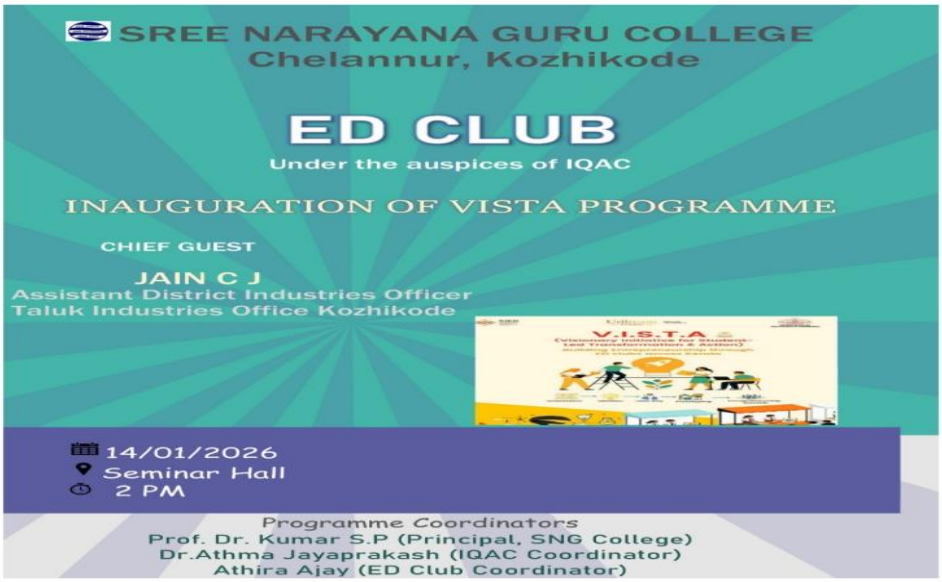

• To introduce students to the objectives and activities of the VISTA Program.

Outcomes:

• Students gained awareness regarding entrepreneurship and startup opportunities.
• Participants developed a better understanding of government support systems for entrepreneurs.
• Awareness regarding entrepreneurial competencies, innovation, and business development increased.

Detailed Report

The Entrepreneurship Development (ED) Club of Sree Narayana Guru College, Chelannur, under the auspices of the Internal Quality Assurance Cell (IQAC), organised the inauguration of the VISTA Program (Visionary Initiative for Student-Led Transformation and Action) on 14 January 2026 at the College Seminar Hall. The program was conducted to promote entrepreneurship, innovation, and leadership among students and to raise awareness of the opportunities available in the entrepreneurial ecosystem.

The VISTA Program is designed to nurture entrepreneurial attitudes among students and encourage them to explore self-employment, startup development, and innovative problem-solving approaches. The initiative aligns with national efforts to promote entrepreneurship and cultivate a generation of young innovators capable of contributing to economic development and job creation.

The program commenced with a welcome and inaugural address delivered by Ms. Athira Ajay, ED Club Coordinator. In her address, she welcomed the dignitaries, faculty members, and students to the program and highlighted the objectives of the ED Club and the VISTA initiative. She emphasised the importance of entrepreneurship in the contemporary economy and encouraged students to actively participate in entrepreneurial activities, innovation challenges, workshops, and skill development programs organised by the club. She further noted that entrepreneurship is not merely about starting a business but also about developing creativity, leadership, resilience, and problem-solving abilities.

The program was formally inaugurated by Sri. Jain C. J., Assistant District Industries Officer, Taluk Industries Office, Kozhikode. In his inaugural address, he discussed the growing importance of entrepreneurship in India’s development trajectory and highlighted the role of young people in driving innovation and economic transformation. He explained various government schemes, financial assistance programs, startup support initiatives, and institutional mechanisms available to aspiring entrepreneurs. The speaker encouraged students to identify local opportunities, utilise available resources, and develop entrepreneurial ventures capable of generating employment and addressing societal needs. He shared examples of successful entrepreneurs and startups, illustrating how creativity and perseverance can transform ideas into sustainable enterprises. The discussion inspired students to consider entrepreneurship as a meaningful and rewarding career pathway.

The program was presided over by Prof. (Dr.) Kumar S.P., Principal of Sree Narayana Guru College. In his presidential address, he emphasized the role of higher educational institutions in nurturing entrepreneurial mindsets among students. He observed that entrepreneurship contributes significantly to economic growth, innovation, and job creation and stressed the need for educational institutions to equip students with the skills required to thrive in a dynamic and competitive environment. He encouraged students to make effective use of the opportunities provided through the ED Club and VISTA Program.

The program was felicitated by Dr. Athma Jayaprakash, IQAC Coordinator. In the felicitation address, she appreciated the efforts of the ED Club in organising the program and highlighted the significance of entrepreneurship education in fostering innovation and employability. she noted that initiatives such as VISTA create valuable opportunities for students to acquire practical skills, develop leadership qualities, and engage with contemporary economic challenges.

The interactive session that followed enabled students to engage directly with the chief guest and seek clarification regarding entrepreneurship, startup development, financial assistance schemes, business registration procedures, and career opportunities in the entrepreneurial sector. The discussion proved highly informative and encouraged students to think creatively about future career possibilities.

The program concluded with a vote of thanks delivered by a student representative of the ED Club. Gratitude was expressed to the chief guest, principal, IQAC coordinator, faculty members, and students for their active participation and support. Participants appreciated the relevance of the program and acknowledged the motivational insights shared during the session.

Overall, the inauguration of the VISTA Program successfully achieved its objectives by promoting entrepreneurship awareness, encouraging innovation, and motivating students to explore entrepreneurial opportunities. The program laid a strong foundation for the activities of the ED Club during the academic year and reinforced the institution’s commitment to fostering entrepreneurial culture, leadership, and student empowerment.

The inaugural session was followed by an orientation session. The orientation session was coordinated and handled by Ms. Athira Ajay, ED Club Coordinator. The program aimed to introduce students to the vision, objectives, and activities of the VISTA Program while

equipping them with the knowledge and motivation required to explore entrepreneurial opportunities. The session attracted enthusiastic participation from students representing various academic disciplines, reflecting the growing interest in entrepreneurship and startup culture among young learners.

The program commenced with an introduction to the concept and significance of entrepreneurship in the contemporary economic environment. The coordinator explained how entrepreneurship contributes to economic growth, innovation, employment generation, and social development. Students were encouraged to view entrepreneurship not merely as business creation but as a mindset characterized by creativity, initiative, resilience, and problem-solving abilities.

A major highlight of the orientation program was the presentation of videos featuring real-life examples of successful student entrepreneurs and startup founders. These videos showcased inspiring stories of young individuals who transformed innovative ideas into successful ventures while still pursuing their studies. The examples illustrated how determination, creativity, and strategic planning can help students overcome challenges and achieve entrepreneurial success. The visual presentations generated considerable interest among participants and served as powerful motivational tools.

The session further focused on helping students understand the process of identifying entrepreneurial opportunities. Participants were introduced to techniques for observing market needs, identifying problems, and generating innovative solutions. Through interactive discussions and examples, students learned how entrepreneurial ideas often emerge from everyday experiences, societal challenges, and unmet consumer needs.

An important component of the program was practical training on idea pitching. The coordinator explained the concept of an elevator pitch and highlighted the importance of presenting business ideas clearly, concisely, and persuasively. Students were introduced to the essential elements of an effective pitch, including problem identification, proposed solutions, target customers, value proposition, and expected outcomes. Various examples were used to demonstrate how successful entrepreneurs communicate their ideas to investors, customers, and stakeholders.

The program also provided guidance on the implementation of entrepreneurial ideas. Students learned about the stages involved in transforming an idea into a viable venture, including

concept development, market validation, resource mobilisation, business planning, and execution. The session emphasized the importance of perseverance, adaptability, and continuous learning throughout the entrepreneurial journey. Participants gained practical insights into the challenges and opportunities associated with startup development.

The interactive nature of the orientation program encouraged active student participation. Students were invited to share their own ideas and discuss potential entrepreneurial opportunities relevant to their interests and communities. These interactions created a collaborative learning environment and stimulated creative thinking. The coordinator provided constructive feedback and encouraged participants to refine their ideas through research, observation, and experimentation.

The program also highlighted the various activities planned under the VISTA initiative, including entrepreneurship workshops, innovation challenges, startup mentoring sessions, industry interactions, and skill development programs. Students were encouraged to actively participate in these initiatives to enhance their entrepreneurial competencies and broaden their professional horizons.

The session concluded with an open discussion during which participants reflected on the lessons learned and shared their aspirations regarding entrepreneurship. Students expressed appreciation for the practical orientation of the program and the inspiring examples presented during the session. Many participants indicated a renewed interest in exploring entrepreneurial opportunities and participating in future ED Club activities.

ONAM MELA

Program	: Onam Mela 2025
Organiser	: Entrepreneurship Development Club
Associating Partner	: Khadi Grama Soubhagya, Balussery
Beneficiary	: Students, Faculty Members, Non-Teaching Staff, and Local Community
Date & Year	**:**04 August 2025
Scope	: The Onam Mela was organised as part of the Entrepreneurship Development Club's efforts to promote entrepreneurial awareness, local products, and self-employment initiatives

among students. The program provided a platform to showcase and market Khadi products while raising awareness of indigenous industries, sustainable consumption, and entrepreneurial opportunities.

Coordinator : Athira Ajay

Duration of the Program: One Day

Objectives:

• To promote entrepreneurship and self-employment awareness among students.
• To encourage the use of Khadi and village industry products.
• To provide exposure to marketing and business promotion activities.

Outcomes:

• Students gained awareness regarding entrepreneurship opportunities in village and small-scale industries.
• Participants developed a better understanding of product promotion and marketing strategies.
• Awareness regarding Khadi products and sustainable consumption practices increased.
self-employment and business opportunities.

Detailed Report

The Entrepreneurship Development (ED) Club of Sree Narayana Guru College, Chelannur, in association with Khadi Grama Soubhagya, Balussery, organised an Onam Mela on 04 August 2025 as part of its efforts to promote entrepreneurship, indigenous industries, and sustainable consumption practices among students. The program was organised in connection with the Onam celebrations and provided an opportunity for students and the college community to interact with products manufactured by village industries and Khadi institutions.

The event aimed to create awareness regarding the importance of supporting local enterprises and promoting entrepreneurship at the grassroots level. In addition to serving as a festive exhibition and sales event, the program functioned as an educational initiative that introduced students to the role of micro-enterprises, cooperative production systems, and traditional industries in economic development.

The program was formally inaugurated by Prof. (Dr.) Kumar S.P., Principal of Sree Narayana Guru College. In his inaugural address, he highlighted the significance of entrepreneurship in generating employment and promoting inclusive economic growth. He emphasised the need to support local industries and indigenous products, particularly in an era characterised by increasing global competition. He also appreciated the efforts of the ED Club in organising programs that combine entrepreneurship education with practical exposure.

The event was coordinated by Ms. Athira Ajay, ED Club Coordinator, who welcomed the participants and explained the objectives of the program. She highlighted the importance of

entrepreneurial thinking among students and emphasised the role of educational institutions in creating awareness regarding self-employment opportunities. She further noted that programs such as the Onam Mela provide practical exposure to marketing, customer interaction, and business promotion.

The exhibition featured a wide range of products from Khadi Grama Soubhagya, Balussery, including traditional garments, handloom products, eco-friendly household items, handicrafts, and various village industry products. Participants were introduced to the production processes, quality standards, and cultural significance associated with Khadi products. The exhibition demonstrated how traditional industries continue to contribute to employment generation, rural development, and sustainable economic practices.

Students actively visited the stalls and interacted with representatives of Khadi Grama Soubhagya. These interactions enabled them to understand various aspects of entrepreneurship, including product development, branding, customer engagement, and market expansion. The event provided valuable practical insights into how local enterprises operate and compete in contemporary markets.

An important feature of the program was its emphasis on sustainable and ethical consumption. Participants were encouraged to support locally produced goods and environmentally friendly products. The event highlighted the role of consumer choices in promoting local economic development and preserving traditional industries. Through discussions and interactions, students gained a deeper appreciation of the social and economic contributions of Khadi and village industries.

The Onam Mela also contributed to creating a festive atmosphere on campus. Students, faculty members, and staff enthusiastically participated in the event, making it a vibrant community activity. The program successfully combined cultural celebration with entrepreneurship promotion, thereby enhancing its educational value and social relevance.

The event provided students with opportunities to observe marketing strategies and customer relations in practice. Participants gained insights into product display techniques, promotional methods, pricing strategies, and consumer preferences. Such practical exposure complemented the objectives of the Entrepreneurship Development Club in nurturing entrepreneurial competencies among students.

The program concluded with expressions of gratitude to Khadi Grama Soubhagya, Balussery, the college management, faculty members, and participants for their support and cooperation. Feedback received from students indicated that the program was both informative and inspiring. Many participants expressed interest in learning more about entrepreneurship and local business development.

Overall, the Onam Mela 2025 successfully achieved its objectives by promoting entrepreneurship awareness, supporting local industries, and encouraging sustainable consumption practices. The program provided meaningful exposure to entrepreneurial activities while celebrating the cultural spirit of Onam. It stands as a significant initiative of the ED Club in fostering entrepreneurial values, community engagement, and economic awareness among students.

Young Innovative Program (YIP)

The Young Innovative Program (YIP), an initiative by the Kerala Development and Innovation Strategic Council (K-DISC) to foster a culture of innovation among students, saw active participation from the student community at Sree Narayana Guru College, Chelannur. The initiative focused on encouraging students to identify real-world problems and develop creative, technological, or systemic solutions. To ensure all participants were well-equipped for the submission process, orientation process was carried out. These sessions provided students with the necessary guidance on how to ideate, structure their proposals, and navigate the submission portal effectively. The enthusiasm among the student body was evident in the group formation. 46 distinct groups were formed and ideas were submitted by various student groups. The submissions covered a diverse array of domains, reflecting the interdisciplinary interests of the students. While the student groups demonstrated significant effort and creativity in their proposals, the submissions were not shortlisted for the higher levels of the state-wide evaluation process this cycle. Despite this outcome, the program served as a valuable learning experience, providing students with exposure to innovation methodologies and the critical thinking required for project development. The college aims to leverage this experience to refine future submissions and enhance student engagement with upcoming cycles of the YIP.

ALUMNI ASSOCIATION REPORT 2025-2026

Program : 1979-80 Pre-Degree reunion

Organizer : Alumni Association

Associating Partner **:** Nil

Beneficiary : 1979-80 Pre-Degree Students

Date & Year : 20.07.2025

Scope

1. To strengthen the institutional alumni network by reconnecting members of the 1979–80 Pre-Degree batch with the college.
2. To provide a platform for meaningful interaction among alumni, faculty members, students, and the college administration.
3. To encourage alumni contributions towards academic, cultural, and infrastructural development of the institution.
4. To preserve and promote the heritage, traditions, and values of Sree Narayana Guru College, Chelannur through active alumni engagement.
5. To motivate present students by showcasing the achievements, commitment, and social responsibility of the alumni.
6. To develop long-term partnerships between the Alumni Association and the college for quality enhancement initiatives in line with NAAC accreditation requirements.

Coordinator : Dr. Bindu M K

Duration : one day

Objectives

1. To strengthen the relationship between the alumni and Sree Narayana Guru College, Chelannur by providing a platform for interaction and networking.
2. To promote a sense of belonging and lifelong association with the institution among former students.
3. To encourage alumni participation in the academic, cultural, and infrastructural development of the college.
4. To recognize and celebrate the contributions of the 1979–80 Pre-Degree batch to the institution and society.
5. To inspire present students by demonstrating the importance of alumni engagement and institutional commitment.

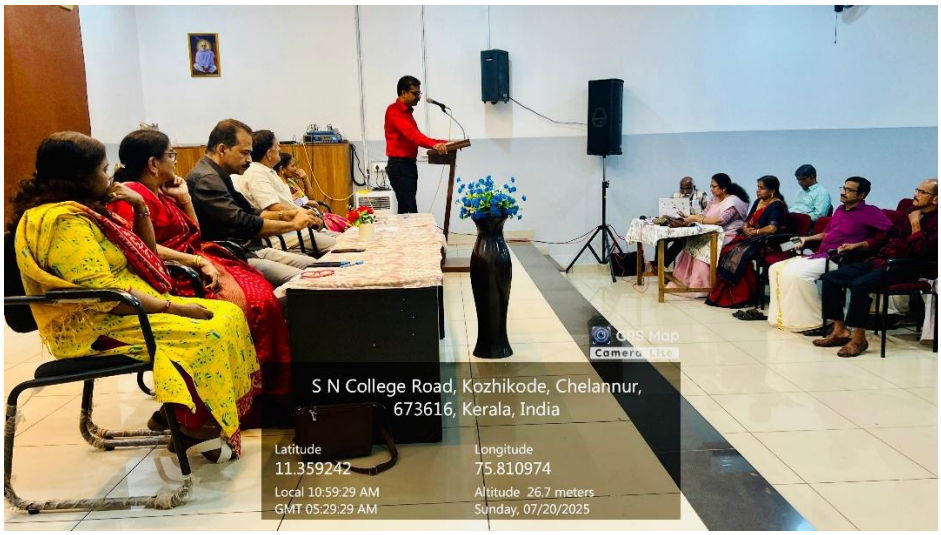

6. To mobilize alumni support for improving institutional facilities and enhancing the learning environment.

Outcomes

1. The reunion successfully re-established strong connections among members of the 1979–80 Pre-Degree batch and reinforced their association with the college.
2. The batch donated a sound system to the College Seminar Hall, significantly improving the infrastructure available for seminars, conferences, workshops, and cultural programs.
3. The event strengthened the culture of alumni philanthropy and encouraged future alumni contributions towards institutional development.
4. The interaction between alumni, faculty members, and the college administration enhanced collaboration and strengthened the institutional alumni network.
5. The cultural programs organized by the alumni fostered fellowship, nostalgia, and institutional pride while preserving the rich legacy of the college.
6. The program enhanced the visibility and effectiveness of the Alumni Association, contributing to sustained alumni engagement as envisaged under NAAC quality initiatives.
7. The reunion inspired alumni to actively participate in future mentoring, career guidance, student support, and developmental programs of the college.
8. The event contributed to the quality enhancement of the institution by promoting stakeholder participation, one of the key indicators under the NAAC framework.

Report on the Reunion of the 1979–80 Pre-Degree Batch

The Alumni Association of Sree Narayana Guru College, Chelannur organized the reunion of the 1979–80 Pre-Degree Batch on 20 July 2025 at the College Seminar Hall. The event served as a memorable occasion that brought together former students after several decades, enabling them to reconnect with their alma mater, renew lifelong friendships, and celebrate the enduring values and traditions of the institution. The reunion reflected the strong bond shared by the alumni with the college and demonstrated their continued commitment to supporting its growth and development.

The program commenced with the registration of alumni, followed by an informal interaction session where former classmates enthusiastically shared their memories of student life. The atmosphere was filled with warmth and nostalgia as participants reminisced about their academic experiences, friendships, teachers, and the memorable moments that shaped their lives during their time at the college.

The formal inaugural session was held in the College Seminar Hall. Prof. (Dr.) Kumar S. P., Principal of Sree Narayana Guru College, Chelannur, inaugurated the program. In his inaugural address, the Principal warmly welcomed the alumni and expressed his appreciation for their continued affection towards the institution. He emphasized that alumni are the true ambassadors of any educational institution, carrying forward its values into society through their personal and professional achievements. He also highlighted the significant role alumni play in mentoring current students, contributing to institutional development, and strengthening the college's academic and social initiatives.

The function was presided over by Sri. Rajeevan, President of the 1979–80 Pre-Degree Batch. In his presidential address, he reflected on the remarkable journey of the batch over the past several decades. He fondly recalled the memorable experiences shared during their student days and acknowledged the efforts of the organizing committee in making the reunion a grand success. He remarked that although many years had passed since graduation, the emotional attachment to the college remained as strong as ever.

The welcome address was delivered by Sri. Sunny Thomas, Secretary of the batch reunion committee. He extended a cordial welcome to the Principal, faculty members, alumni coordinator, distinguished guests, and all members of the batch. He expressed gratitude to everyone who had travelled from different places to participate in the reunion and appreciated the collective efforts of the organizing committee in planning and coordinating the event successfully.

Dr. Bindu M. K., Alumni Coordinator, offered her felicitations during the function. She appreciated the enthusiasm and unity displayed by the members of the 1979–80 batch and observed that such reunions strengthen the relationship between alumni and the institution. She encouraged the alumni to continue extending their support to the college through academic collaboration, student mentoring, career guidance, and infrastructural development. She also highlighted the importance of preserving the rich legacy of the institution by maintaining active alumni engagement.

One of the most significant moments of the program was the presentation of a sound system by the members of the 1979–80 Pre-Degree Batch as a gift to the College Seminar Hall. The contribution was formally handed over to the Principal on behalf of the college. This generous gesture reflected the alumni's deep sense of gratitude towards their alma mater and their desire to contribute meaningfully to the improvement of campus facilities. The sound system is expected to enhance the quality of seminars, conferences, cultural programs, workshops, and academic events organized in the seminar hall, thereby benefiting both students and faculty members.

The Principal, on behalf of the college community, expressed heartfelt gratitude to the alumni for their thoughtful contribution. He acknowledged that such acts of generosity not only improve institutional infrastructure but also inspire present students to develop a lifelong sense of belonging and responsibility towards their alma mater.

Following the official ceremony, the reunion continued with a vibrant cultural program presented by the alumni. Former classmates enthusiastically showcased their talents through

songs, music, group performances, and light-hearted entertainment. These performances recreated the cheerful spirit of their student days and filled the venue with joy, laughter, and nostalgia. The cultural session provided an opportunity for participants to relive cherished memories while celebrating the enduring friendships that had stood the test of time.

The gathering also included interactive sessions where alumni shared their personal and professional experiences. Many participants spoke about how the education and values they received at Sree Narayana Guru College had positively influenced their careers and lives. They expressed sincere appreciation towards their former teachers and the institution for laying a strong academic and moral foundation.

JOB FEST

Program : District Level Job Fest. 12/10/25

Organizer : Alumni Association

Associating Partner **:** Nil

Beneficiary : Alumni of this college

Date & Year : 12.09.2025

Scope

1. To provide a common platform for students, graduates, and job seekers to interact directly with leading employers from diverse sectors.
2. To strengthen industry–institution collaboration through the active involvement of the Alumni Association, Career Guidance Cell, and corporate partners.
3. To enhance the employability skills of students by exposing them to contemporary recruitment practices and industry expectations.
4. To facilitate campus recruitment and employment opportunities for students and alumni across Kozhikode district.
5. To promote career awareness, professional networking, and industry engagement as part of holistic student development.
6. To reinforce the role of the Alumni Association in supporting placement initiatives and institutional quality enhancement in line with NAAC best practices.

Coordinator : Dr. Bindu M K

Duration : One day

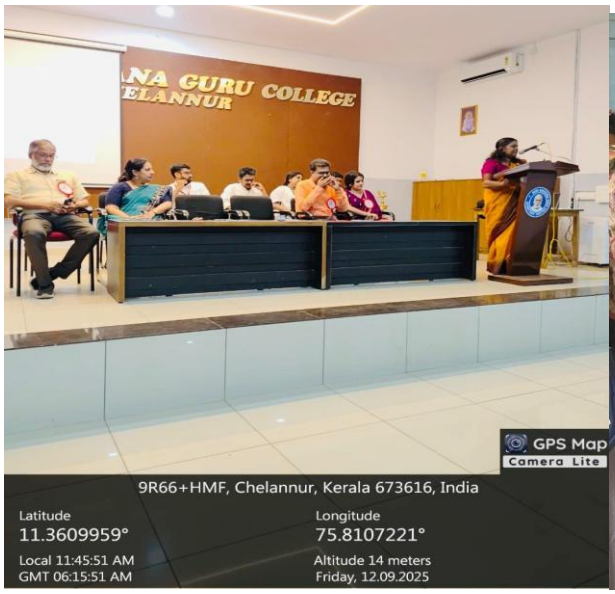

Objectives

1. To create employment opportunities for students and graduates by connecting them with reputed companies.
2. To improve the employability of students through direct participation in recruitment drives and selection processes.
3. To strengthen collaboration between the college, alumni, industry partners, and placement agencies.
4. To provide students with practical exposure to aptitude tests, group discussions, technical assessments, and personal interviews.
5. To encourage students to develop professional competencies, communication skills, and career readiness.
6. To promote alumni-led initiatives that contribute to student welfare, career development, and institutional advancement.
7. To support the institution's vision of producing competent, skilled, and employable graduates.

Outcomes

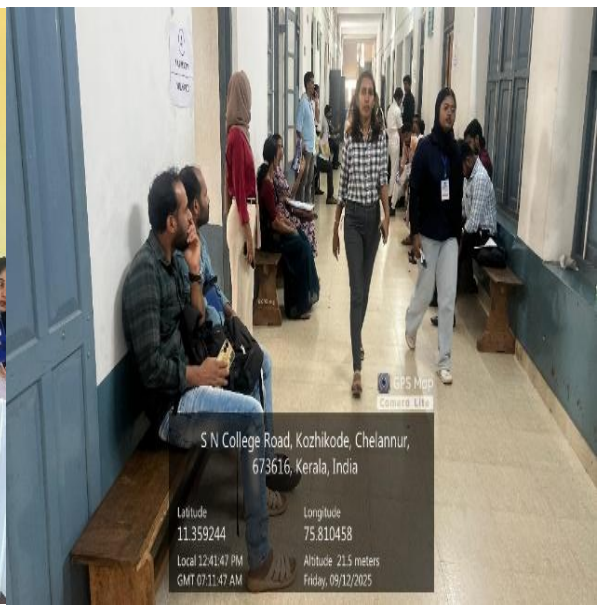

1. The Job Fest successfully brought together 26 reputed companies and approximately 400 students and job seekers, creating a vibrant recruitment platform.
2. Participants received direct employment opportunities through aptitude tests, interviews, and recruitment processes conducted by various companies.
3. Students gained valuable exposure to current industry recruitment practices, enhancing their confidence, interview skills, and professional communication.
4. The program strengthened the linkage between academia and industry, promoting meaningful collaboration for future placement initiatives.
5. The active involvement of the Alumni Association (Kaiyoppu), Career Guidance Cell, and Finprov Learning demonstrated the effectiveness of collaborative efforts in enhancing student employability.

6. The event improved the visibility and effectiveness of the college placement support system and reinforced the institution's commitment to career-oriented education.
7. The program contributed to the holistic development of students by improving their career awareness, networking opportunities, and job preparedness.
8. The Job Fest supported the quality initiatives envisaged under the NAAC framework by promoting stakeholder participation, industry engagement, alumni involvement, and student progression towards gainful employment.

Report on Kozhikode District Level Job Fest 2025

Organized by the Alumni Association (Kaiyoppu), Sree Narayana Guru College, Chelannur
Date: 12 September 2025
Venue**:** Sree Narayana Guru College, Chelannur

The Alumni Association (Kaiyoppu) of Sree Narayana Guru College, Chelannur, in association with the Career Guidance Cell and Finprov Learning, Calicut, successfully organized a Kozhikode District Level Job Fest on 12 September 2025 at the college campus. The program was conceived as a major career development initiative to bridge the gap between academic learning and employment opportunities by connecting aspiring job seekers with leading employers from various sectors. The event reflected the Alumni Association's continued commitment to supporting the career aspirations of students and unemployed youth while strengthening the institution's role in community engagement and employability enhancement.

The Job Fest attracted enthusiastic participation from students and graduates across Kozhikode district. Nearly 400 job seekers attended the event, seeking employment opportunities in diverse sectors including information technology, finance, banking, healthcare, retail, hospitality, education, manufacturing, customer service, and business process outsourcing. The event also witnessed the participation of 26 reputed companies, making it one of the largest placement initiatives organized by the college in collaboration with its alumni association.

The inaugural function was held in the College Seminar Hall with the presence of distinguished guests, recruiters, faculty members, alumni, students, and representatives from various organizations. The program was presided over by Prof. (Dr.) Kumar S. P., Principal of Sree Narayana Guru College, Chelannur. In his presidential address, the Principal emphasized the

importance of industry–institution collaboration in enhancing the employability of graduates. He appreciated the proactive efforts of the Alumni Association in organizing meaningful programs that directly benefit students and strengthen the institution's commitment to quality education and career development.

The welcome address was delivered by Sri. A. K. Arun Kumar, Secretary of the Kaiyoppu Alumni Association. He warmly welcomed the chief guest, dignitaries, company representatives, faculty members, alumni, and participants. In his speech, he highlighted the objectives of the Job Fest and emphasized the Alumni Association's vision of creating sustainable employment opportunities by connecting talented youth with prospective employers. He also acknowledged the valuable support extended by the Career Guidance Cell and Finprov Learning in making the program a reality.

The Job Fest was formally inaugurated by Sri. Sachin Dev, MLA, who commended the institution and the Alumni Association for organizing such a large-scale employment initiative. In his inaugural address, he observed that employment-oriented programs are essential for empowering the younger generation and addressing the growing demand for skilled professionals. He encouraged students to continuously update their knowledge, improve their communication skills, and embrace lifelong learning to remain competitive in an evolving job market. He also appreciated the collaborative efforts of educational institutions, alumni networks, and industry partners in creating meaningful employment opportunities for youth.

Dr. Bindu M. K., Alumni Coordinator, offered her felicitations during the inaugural session. She congratulated the Kaiyoppu Alumni Association for successfully organizing the district-level Job Fest and appreciated the support of the Career Guidance Cell, Finprov Learning, participating companies, faculty members, volunteers, and student coordinators. She noted that active alumni engagement plays a significant role in enhancing institutional development and creating career opportunities for present students. She encouraged participants to utilize the platform effectively and confidently present their skills before prospective employers.

Following the inaugural session, recruitment activities commenced simultaneously across various venues on the college campus. Representatives from 26 companies conducted aptitude tests, group discussions, technical assessments, and personal interviews based on their recruitment procedures. The participating organizations represented diverse industries, offering vacancies for fresh graduates as well as experienced candidates in multiple domains. Students

from Sree Narayana Guru College and candidates from other institutions actively participated in the recruitment process with great enthusiasm.

Throughout the day, the campus remained vibrant with interactions between recruiters and job seekers. Volunteers from the Alumni Association, Career Guidance Cell, and student community efficiently coordinated registration, document verification, interview scheduling, and candidate assistance. Information desks and help centres functioned smoothly to guide participants through different stages of the recruitment process, ensuring a well-organized and professional experience for both candidates and employers.

The Job Fest provided participants with valuable exposure to contemporary recruitment practices and industry expectations. Apart from employment opportunities, the event enabled students to improve their interview skills, professional communication, résumé presentation, and confidence while interacting with corporate recruiters. Recruiters, in turn, appreciated the quality of candidates and the excellent organizational arrangements made by the college and its alumni association.

The program also highlighted the growing importance of alumni-led initiatives in promoting career advancement and strengthening industry–academia partnerships. By bringing employers directly to the campus, the Alumni Association created a practical platform for students to begin their professional careers without geographical or financial barriers. The collaboration with Finprov Learning further enriched the program by facilitating industry participation and supporting the overall coordination of the recruitment process.

KAIYOPPU

Program : BA Malayalam 2009-2012 batch reunion

Organizer : Alumni Association

Associating Partner **:** IQAC

Beneficiary : BA Malayalam 2009-2012 batch students

Date & Year : 14.09.2025

Scope

1. To strengthen the relationship between the 2009–2012 Malayalam batch alumni and Sree Narayana Guru College, Chelannur.

2. To provide a platform for interaction among alumni, faculty members, students, and the college community.
3. To encourage alumni participation in academic enrichment and institutional development through meaningful contributions.
4. To promote a culture of reading and knowledge sharing by supporting the development of the College Library.
5. To preserve the institutional heritage and foster lifelong engagement among alumni through cultural and social activities.
6. To enhance alumni involvement in quality enhancement initiatives of the institution in accordance with NAAC standards.

Coordinator : Dr. Bindu M K

Duration : One day

Objectives

1. To reconnect the members of the 2009–2012 Malayalam batch with their alma mater and strengthen alumni networking.
2. To encourage alumni to contribute to the academic and infrastructural development of the college.
3. To enrich the College Library through alumni-sponsored book donations.
4. To promote a sense of gratitude, belonging, and social responsibility among former students.
5. To provide opportunities for alumni to interact with faculty members and share their experiences with the college community.
6. To strengthen the role of the Alumni Association in supporting institutional quality initiatives and student development.
7. To celebrate the achievements and enduring bond of the Malayalam batch through cultural and fellowship activities.

Outcomes

1. The reunion successfully strengthened the relationship between the 2009–2012 Malayalam batch and Sree Narayana Guru College, Chelannur.
2. The donation of 25 books enriched the College Library, enhancing the availability of academic and literary resources for students and faculty.

3. The program reinforced the culture of alumni philanthropy and encouraged future alumni contributions towards academic resource development.
4. The interaction among alumni, faculty members, and the college administration strengthened institutional networking and collaboration.
5. The cultural programs presented during the reunion promoted fellowship, creativity, and intergenerational bonding among alumni and their families.
6. The event enhanced the visibility and effectiveness of the Alumni Association, encouraging sustained alumni engagement in institutional development.
7. The reunion inspired alumni to participate actively in future initiatives such as student mentoring, career guidance, library development, and academic support programs.
8. The program contributed to the quality enhancement of the institution by promoting stakeholder participation, alumni involvement, and resource augmentation.

Report on the Reunion of the 2009–2012 Malayalam Batch

The Alumni Association (Kaiyoppu) of Sree Narayana Guru College, Chelannur organized the Reunion of the 2009–2012 Malayalam Batch at the College Seminar Hall on 14.09.2025. The reunion provided an excellent opportunity for former students to revisit their alma mater, reconnect with classmates and teachers, and celebrate the enduring bond they share with the institution. The program reflected the Alumni Association's commitment to fostering lifelong relationships with its graduates while encouraging alumni participation in the academic and cultural development of the college.

The program began with a warm registration and informal interaction session during which alumni enthusiastically exchanged memories of their college days. The gathering was marked by an atmosphere of nostalgia and happiness as former classmates recalled their academic experiences, extracurricular activities, and the friendships that had shaped their lives during their years at Sree Narayana Guru College.

The formal inaugural function commenced in the College Seminar Hall**.** Sri. Azad Din E. P**.** delivered the welcome address, extending a cordial welcome to the chief guest, dignitaries, faculty members, alumni, students, and family members. In his speech, he highlighted the significance of alumni reunions in preserving institutional heritage and strengthening the relationship between graduates and their alma mater. He appreciated the enthusiastic participation of the batch members and acknowledged the efforts of the organizing committee in making the reunion a memorable occasion.

The function was presided over by Smt. Anupama D. S**.**, who expressed her delight at seeing classmates reunited after many years. In her presidential address, she reflected on the memorable journey of the 2009–2012 Malayalam batch and emphasized the importance of maintaining strong bonds among alumni. She noted that such gatherings not only rekindle friendships but also provide opportunities to contribute meaningfully to the development of the institution.

The reunion was formally inaugurated by Dr. V. R. Sudheesh, eminent writer and distinguished guest. In his inaugural address, he spoke about the transformative role of higher education in shaping individuals and society. He encouraged the alumni to remain connected with their educational roots and to continue supporting their alma mater through knowledge sharing, mentorship, and social commitment. He appreciated the Malayalam batch for organizing the reunion in a meaningful manner that combined celebration with service to the institution.

Felicitations were offered by Dr. Deepesh Karimpumkara**,** Dr. Bindu M. K., Alumni Coordinator, and Mr. Shijukumar T**.** The speakers congratulated the organizing committee for bringing together the alumni of the 2009–2012 batch and appreciated their continued affection for the college. They observed that alumni are among the institution's greatest strengths and that their active involvement significantly contributes to the academic, cultural, and infrastructural development of the college. They also encouraged the alumni to continue supporting student-centred initiatives and to participate actively in future alumni activities.

The vote of thanks was delivered by Smt. Shilpa N. E**.**, who expressed sincere gratitude to the chief guest, dignitaries, faculty members, alumni, volunteers, and all participants for their wholehearted support in making the reunion a grand success. She also acknowledged the dedication of the organizing committee whose collective efforts ensured the smooth conduct of the program.

A notable highlight of the reunion was the donation of 25 books to the College Library by the members of the 2009–2012 Malayalam batch. The books were formally handed over during the program as a gesture of gratitude and appreciation towards their alma mater. The donated collection, comprising valuable literary and academic publications, will enrich the library's resources and benefit present and future students. The Principal and library representatives expressed heartfelt appreciation for this thoughtful contribution, noting that such initiatives strengthen the culture of reading and academic excellence within the institution.

Following the official function, the gathering witnessed a series of colourful cultural programs presented by the children of the alumni. The performances included dance, music, recitations, and other entertaining items, creating an atmosphere of joy and celebration. The enthusiastic participation of the children added a unique charm to the reunion, symbolizing the continuity of relationships across generations and making the event enjoyable for participants of all ages.

The reunion also provided ample opportunities for alumni to interact with former teachers and classmates, share their professional and personal achievements, and discuss ways to remain actively associated with the college. Many alumni expressed their gratitude to the institution for the education, values, and guidance they had received during their student life. They reaffirmed their willingness to support future initiatives of the Alumni Association, particularly in areas such as student mentoring, career guidance, library development, and academic enrichment.

SCHOLARSHIP DISTRIBUTION

Program Name : Prasanth Memorial Scholarship Distribution

Organiser : PG Department of Economics, Sree Narayana Guru College, Chelannur

Associating Partner : Economics Alumni Association (2011–2014 Batch)

Beneficiary : Meritorious and deserving students from seven departments of Sree Narayana Guru College, Chelannur

Date & Year : 17 October 2025

Scope : The program was organised to commemorate Prasanth, a former student of the Department of Economics, and to provide financial assistance to deserving students through a scholarship endowment. The program also aimed to strengthen alumni engagement and foster a culture of social responsibility among students.

Coordinator : Department Faculty Members

Duration : 2 hours

Objectives : • To honour the memory and contributions of Prasanth, a former student of the department.
• To provide financial assistance to deserving students through scholarship support.
• To encourage academic excellence among students.
• To strengthen the relationship between alumni and the institution.

Outcomes :• Financial support was provided to deserving students from various departments.
• The program strengthened alumni–institution relationships.
• Students were motivated to pursue academic excellence.

Detailed Report

The PG Department of Economics, in association with the Alumni Association of the Economics Department (2011–2014 Batch), organised the Prasanth Memorial Scholarship Distribution Program on 17 October 2025 at the Seminar Hall of Sree Narayana Guru College, Chelannur. The program was conducted to commemorate the memory of Prasanth, a former student of the department, and to continue his legacy through meaningful support to students facing financial challenges.

The event reflected the commitment of the department and its alumni towards promoting inclusive education and supporting deserving students. By instituting a scholarship in memory of a former student, the alumni sought to create a lasting contribution to the academic community while strengthening their bond with the institution. The program also highlighted the importance of alumni participation in the development of educational institutions and student welfare initiatives.

The function commenced with a formal inaugural session attended by faculty members, alumni, students, and invited guests. Dr. Kumar S.P., Principal of the College, inaugurated the program and appreciated the efforts of the alumni in establishing a scholarship fund that directly benefits students. In his inaugural address, he emphasised the importance of alumni engagement in institutional growth and student development. He also highlighted how such initiatives can inspire current students to contribute positively to society and remain connected to their alma mater.

The program was presided over by Prof. Capt. Dr. Sindhu Krishnadas, who spoke about the significance of remembering former students through constructive and meaningful activities. The welcome address was delivered by Praveen, a former student of the department and a representative of the alumni association. He shared memories of Prasanth and explained the motivation behind establishing the memorial scholarship. His address reflected the strong emotional connection among the alumni and their desire to honour their friend through educational support.

Faculty members including Dr. Vidhu Johnson, Dr. Bindu M.K., Dr. Anusmitha, and Dr. Vinarsha felicitated the program and appreciated the initiative undertaken by the alumni. They highlighted the transformative role that scholarships play in helping students continue their education and achieve academic success. The speakers also encouraged students to make the best use of the opportunities available to them and to strive for excellence in their academic pursuits.

A major highlight of the program was the distribution of scholarship assistance to deserving students from seven departments of the college. The recipients were selected based on academic merit and financial need. The distribution ceremony was conducted in the presence of faculty members, alumni representatives, and students. The scholarship recipients expressed their gratitude and acknowledged the support provided through the memorial endowment. The program also served as an occasion for interaction between alumni and current students. Alumni members shared their experiences, career journeys, and memories of college life, thereby inspiring students and strengthening the sense of belonging within the academic community. Such interactions helped bridge the gap between past and present generations of students and demonstrated the lasting impact of educational relationships.

The event concluded with a vote of thanks and expressions of appreciation to all those who contributed to the successful organisation of the program. The Prasanth Memorial Scholarship

Distribution Program successfully fulfilled its objectives by providing financial assistance to deserving students, promoting academic excellence, and reinforcing the values of compassion, solidarity, and social responsibility. The program stands as a remarkable example of how alumni engagement can contribute meaningfully to student welfare and institutional development.

The department views the program as an important initiative that not only honours the memory of a former student but also creates a lasting impact on the lives of beneficiaries. With continued support from alumni and stakeholders, such programs will strengthen the academic and social fabric of the institution.

LIFT OF MEMORIES

Program	: Volleyball Alumni Association formation
Organizer	: Alumni Association
Associating Partner	**:** Nil
Beneficiary	: Volleyball alumni of this college from 1988-2026
Date & Year	: 22.03.2026
Scope	**:**To establish a structured alumni platform for volleyball players of Sree Narayana Guru College from 1985–2026. To strengthen the relationship between former players, coaches, teachers, and the institution through sustained alumni engagement. To preserve and promote the rich sporting heritage and achievements of the college. To encourage alumni support for sports infrastructure development, student mentoring, and talent promotion. To facilitate networking among former and present players for knowledge sharing, career guidance, and sports development. To enhance stakeholder participation in institutional quality initiatives through alumni involvement, in line with the NAAC framework.
Coordinator	: Dr. Bindu M K
Duration	: One day

Objectives

1. To formally constitute the "Lift of Memories" Volleyball Alumni Association as a dedicated platform for former volleyball players of the college.
2. To reconnect volleyball alumni from different generations and strengthen their lifelong association with the institution.
3. To honour the outstanding contributions of former teachers, coaches, and sports administrators who played a significant role in the development of volleyball at the college.
4. To encourage alumni participation in the promotion of sports, student welfare, and institutional development.
5. To mobilize financial and professional support from alumni for the enhancement of sports facilities and student activities.
6. To create opportunities for mentoring, coaching support, career guidance, and networking for present student athletes.
7. To preserve the sporting legacy of Sree Narayana Guru College Sports Academy and inspire future generations of players.

Outcomes

1. The "Lift of Memories" Volleyball Alumni Association was successfully formed, bringing together volleyball alumni representing the Sports Academy from 1985 to 2026.
2. The program strengthened the alumni network by fostering collaboration among former players, coaches, teachers, and the college administration.
3. Distinguished mentors and coaches were honoured for their invaluable contributions to the growth of volleyball and sports culture in the institution.
4. The Volleyball Alumni Association contributed ₹10,000 to the college, demonstrating the alumni's commitment to supporting institutional and sports development.
5. The event reinforced alumni participation in quality enhancement initiatives through financial support, mentoring, and stakeholder engagement.

6. The program encouraged the development of a sustainable support system for student athletes through alumni guidance, networking, and future collaborative activities.
7. The initiative strengthened the institution's sports ecosystem and promoted a culture of excellence, teamwork, leadership, and community participation.
8. The program contributed to the quality enhancement of the institution by promoting alumni engagement, resource mobilization, stakeholder participation, and institutional support.

Report on the Formation of "Lift of Memories" Volleyball Alumni Association

The Alumni Association of Sree Narayana Guru College, Chelannur organized the formation function of the Volleyball Alumni Association, "Lift of Memories," by bringing together volleyball players who represented and grew through the Sree Narayana Guru College during the period 1985–2026. The program marked a historic milestone in the sporting legacy of the

college by establishing a common platform for former volleyball players to reconnect with one another, honour their mentors, and contribute to the continued development of volleyball at the institution.

The event was organized with the objective of strengthening the relationship between former players and the college, preserving the rich sporting heritage of the Sports Academy, and creating opportunities for alumni to support the growth of future generations of student athletes. The gathering witnessed the participation of former players, coaches, teachers, sports enthusiasts, alumni, faculty members, students, and well-wishers, making it a memorable celebration of the institution's sporting achievements.

The program commenced with a warm welcome to the gathering, followed by an introduction to the vision and objectives of the newly formed Volleyball Alumni Association. The organizers highlighted the remarkable contribution of the Sports Academy in nurturing talented volleyball players over the past four decades and emphasized the need for a structured alumni network to preserve this proud legacy.

The formal inaugural function was presided over by distinguished members of the college and alumni community. Dr. Kumar S. P., Principal of Sree Narayana Guru College, Chelannur, formally inaugurated the program. In his inaugural address, the Principal appreciated the initiative taken by the Alumni Association in bringing together generations of volleyball players under one platform. He noted that sports play an essential role in shaping discipline, leadership, teamwork, and perseverance among students. He further observed that the formation of the Volleyball Alumni Association would strengthen the college's sports ecosystem by creating opportunities for mentorship, infrastructure development, and career guidance for aspiring athletes. He congratulated all former players for sustaining their connection with the institution and wished the new association every success.

A major highlight of the program was the felicitation and honouring of individuals who made outstanding contributions to the development of volleyball at the college. The gathering paid tribute to Dr. M. K. Radhakrishnan, former teacher; Sri. K. Madhu, Volleyball Coach; Sri. T. K. Raghavan, Volleyball Coach; and Sri. K. P. Vineesh Kumar, District Sports Officer and Volleyball Coach. They were honoured in recognition of their dedicated service, commitment to nurturing talented players, and invaluable contribution to establishing Sree Narayana Guru College as a respected centre for volleyball excellence. Their guidance and tireless efforts have

inspired generations of students to achieve success in sports at district, state, and national levels.

During the function, Dr. M. K. Bindu, Amal Raj, Dr. Sooryajith, Baiju, Jithesh, and Kavitha addressed the gathering. The speakers fondly recalled their memorable experiences as players and students of the college and expressed heartfelt gratitude to their teachers and coaches for shaping their sporting careers. They highlighted how participation in volleyball had instilled discipline, confidence, teamwork, and resilience, qualities that continued to benefit them in their personal and professional lives. They also emphasized the importance of maintaining a strong alumni network that could actively support the development of sports infrastructure, provide mentorship to young athletes, and promote a culture of excellence in the institution.

One of the significant moments of the program was the presentation of a financial contribution of ₹10,000 to the college. The amount was formally handed over to Dr. Kumar S. P., Principal, on behalf of the Volleyball Alumni Association. The contribution symbolized the alumni's gratitude towards their alma mater and their commitment to supporting the development of sports activities and student welfare. The Principal expressed sincere appreciation for the generous gesture and assured the gathering that the contribution would be utilized for the benefit of student sports activities and the continued growth of the Sports Academy.

The program also provided an opportunity for former teammates, coaches, and teachers to reconnect after many years. Participants shared memories of tournaments, training sessions, victories, and the challenges they had experienced together, creating an atmosphere filled with nostalgia and mutual appreciation. Informal interactions throughout the event strengthened friendships and renewed the sense of belonging that continues to unite members of the college's volleyball community.

The event concluded with a vote of thanks expressing gratitude to the Principal, distinguished guests, honoured coaches and teachers, alumni members, organizers, volunteers, and all participants for making the program a grand success. The gathering ended with a collective commitment to work together for the advancement of sports at Sree Narayana Guru College, Chelannur and to ensure that the legacy of the Sports Academy continues to inspire future generations.

MAZHAVILKUTTAM

Program : Mazhavikkoottam reunion

Organizer : Alumni Association

Associating Partner **:** Nil

Beneficiary : Alumni of this college

Date & Year : 01.05.2026

Scope:

1. To strengthen the relationship between the alumni of Sree Narayana Guru College, Chelannur and their alma mater through regular alumni reunions.
2. To provide a platform for meaningful interaction among alumni, faculty members, students, and other stakeholders of the institution.
3. To encourage alumni participation in academic excellence, student welfare, and institutional development through scholarships and endowments.
4. To recognize and reward meritorious students, thereby promoting academic excellence and healthy competition.
5. To preserve the traditions and legacy of the institution by fostering lifelong alumni engagement and institutional pride.
6. To support the quality enhancement initiatives of the college through active stakeholder participation.

Coordinator : Dr. Bindu M K

Duration : One day

Objectives

1. To organize the Mazhavilkkalam Alumni Reunion as a platform for strengthening alumni networking and institutional bonding.
2. To recognize the achievements of academically outstanding students through the distribution of alumni-sponsored endowments.
3. To encourage students to strive for academic excellence by instituting merit-based scholarships and awards.
4. To promote alumni involvement in student support, academic development, and institutional quality enhancement.

5. To strengthen collaboration between alumni, faculty members, and the college administration for the overall development of the institution.
6. To cultivate a spirit of social responsibility and philanthropy among alumni through educational support initiatives.
7. To motivate alumni to actively contribute to future developmental programs, scholarships, mentoring, and resource mobilization activities.

Outcomes

1. The Mazhavilkkalam Alumni Reunion successfully strengthened the relationship between alumni and Sree Narayana Guru College, Chelannur by fostering networking and institutional engagement.
2. Eleven meritorious students received the Sreeraj Endowment of ₹1,000 each, recognizing and encouraging academic excellence across various undergraduate and postgraduate programs.
3. The prestigious Jayalakshmi Teacher Endowment and Prof. M. Vijayan Sir Endowment, carrying ₹10,000 each, were awarded to deserving students, promoting higher academic achievement and motivation.
4. The program reinforced the culture of alumni philanthropy by supporting student scholarships and recognizing academic merit.
5. The reunion enhanced collaboration among alumni, faculty members, students, and the college administration, strengthening stakeholder participation in institutional development.
6. The event inspired current students to pursue academic excellence by recognizing outstanding performance through merit-based awards.
7. The program enhanced the visibility and effectiveness of the Alumni Association by demonstrating its sustained commitment to student welfare and institutional quality enhancement.
8. The initiative contributed to the quality enhancement of the institution by promoting alumni engagement, student progression, academic support, and resource mobilization.

Report on Mazhavilkkalam Alumni Reunion 2026

Date: 1 May 2026
Venue: Alakapuri, Kozhikode

The Mazhavilkkalam Alumni Reunion 2026 of Sree Narayana Guru College, Chelannur was held on 1 May 2026 at Alakapuri, Kozhikode, bringing together alumni from different batches to celebrate their enduring bond with their alma mater. The reunion was a memorable occasion that strengthened the relationship among former students while reaffirming their commitment to the academic growth and welfare of the institution. The program also served as a platform to recognize outstanding student achievements through the distribution of various alumni-sponsored endowments.

The reunion witnessed enthusiastic participation from alumni, former teachers, distinguished guests, and invited members of the college community. The gathering provided an opportunity for former students to reconnect with classmates and teachers, share memories of their college days, and discuss future initiatives for the development of Sree Narayana Guru College, Chelannur. The program reflected the vibrant spirit of the Mazhavilkkalam Alumni Forum and its continued dedication to supporting the institution through academic and philanthropic initiatives.

The formal inaugural function commenced with a warm welcome delivered by Smt. Sindhu Poornima, Joint Secretary of Mazhavilkkalam, who greeted the distinguished guests, former teachers, alumni, award recipients, and all participants. She expressed her happiness at the overwhelming response to the reunion and highlighted the importance of maintaining lifelong connections among alumni while contributing meaningfully to the growth of the college.

The function was presided over by Sri. Suresh K., Chairman of Mazhavilkkalam, who delivered the presidential address. He reflected on the remarkable journey of the alumni forum and emphasized the responsibility of former students in preserving the values and traditions of the institution. He observed that the success of an educational institution is measured not only by the achievements of its students but also by the strength of its alumni network. He appreciated the continued support extended by alumni in organizing scholarships, endowments, and developmental initiatives for the benefit of present students.

The official report of the activities of Mazhavilkkalam was presented by Sri. Asangan A. K., Secretary. The report highlighted the various programs, charitable activities, alumni gatherings, and student support initiatives undertaken by the forum during the year. He thanked all members for their wholehearted cooperation and encouraged greater participation in future programs aimed at strengthening the alumni movement.

The reunion was formally inaugurated by Sri. U. V. Jose, IAS, who, in his inaugural address, congratulated the organizers for sustaining an active and socially committed alumni network. He emphasized that alumni associations play a crucial role in supporting educational institutions through mentorship, financial assistance, and community engagement. He encouraged the alumni to continue investing in student development, noting that educational support creates lasting social impact and empowers future generations.

The Chief Guest, Sri. Sreejith S., IPS, addressed the gathering and appreciated the initiatives of Mazhavilkkalam in recognizing academic excellence through scholarships and endowments. He encouraged students to pursue their goals with determination, integrity, and social responsibility, reminding them that success is achieved through continuous learning, discipline, and hard work. He also praised the alumni for maintaining their strong emotional connection with the college and for creating opportunities that motivate current students to excel.

A major highlight of the program was the distribution of Mazhavilkkalam Endowments to meritorious students of Sree Narayana Guru College, Chelannur. As part of the initiative to encourage academic excellence, the Sreeraj Endowment of ₹1,000 each was presented to eleven outstanding students representing various undergraduate and postgraduate programs. The recipients were:

- **Sruthi N. K.** – B.Sc. Mathematics
- **Malavika** – B.Sc. Physics
- **Muhsina Sherin** – B.Sc. Botany

- **Fathima Misna** – M.Sc. Botany
- **Arya Madhavan** – M.Com.
- **Mahira** – B.Com.
- **Vrinda** – B.A. Economics
- **Aparna** – M.A. Economics
- **Anjana T.** – B.A. Malayalam
- **Anjana M. P.** – M.A. English
- **Abhirami Krishna** – B.A. English

The distribution of these endowments reflected the alumni forum's commitment to recognizing academic merit and inspiring students to strive for excellence in their studies. Another significant moment of the program was the presentation of the prestigious Jayalakshmi Teacher & Prof. M. Vijayan Sir Endowments, each carrying a cash award of ₹10,000. The Prof. M. Vijayan Sir Endowment was awarded to Sruthi N. K. (B.Sc. Mathematics**)** in recognition of her exceptional academic performance, while the Jayalakshmi Teacher Endowment was presented to Fathima Misna (M.Sc. Botany) for her outstanding scholastic achievement. These special awards, instituted in memory of respected teachers, symbolize the institution's enduring commitment to honouring academic excellence while preserving the legacy of its distinguished faculty members.

Felicitations were offered by Sri. Jinachandran, Smt. P. S. Padmaja, Sri. Sabu, and Sri. Suresh Meyana. The speakers congratulated the award winners and appreciated the efforts of Mazhavilkkalam in organizing a meaningful reunion that combined fellowship with academic encouragement. They highlighted the importance of alumni participation in institutional development and urged former students to continue supporting initiatives that benefit future generations of learners.

Apart from the formal proceedings, the reunion provided ample opportunity for alumni to interact with former teachers and classmates. Participants fondly shared memories of their student life, exchanged personal and professional experiences, and renewed friendships that had endured over the years. The gathering created a vibrant atmosphere of nostalgia, joy, and mutual appreciation, reinforcing the sense of belonging that continues to unite members of the Sree Narayana Guru College alumni family.

The program concluded with a heartfelt vote of thanks delivered by Sri. Majeed Parekkatt, Treasurer of Mazhavilkkalam. He expressed sincere gratitude to the chief guests, former teachers, alumni members, organizers, sponsors, volunteers, and all participants for their valuable contributions in making the reunion a grand success. He also acknowledged the

generous donors who instituted the endowments and reaffirmed the forum's commitment to supporting deserving students through similar initiatives in the years ahead.

The Mazhavilkkalam Alumni Reunion 2026 was a memorable celebration of friendship, gratitude, and institutional pride. By bringing together alumni from different generations, honouring academic excellence through scholarships and endowments, and strengthening the bond between former students and their alma mater, the program reaffirmed the enduring values of Sree Narayana Guru College, Chelannur.

Ripples Annual Multidisciplinary Seminar Series "Technologia 2025**Cosolidated Report**

Report on Ripples Multidisciplinary Seminar Series – Inaugural Session

The Ripples Annual Multidisciplinary Seminar Series "Technologia 2025 " was formally inaugurated on 22 December 2025 at Sree Narayana Guru College, Chelannur, marking the beginning of an academic initiative aimed at fostering interdisciplinary dialogue and intellectual exchange among faculty and students.

The inaugural session was graced by Dr. R. Subashini, Associate Professor, Department of Computer Science and Engineering, NIT Calicut, as the Chief Guest. The program was chaired by Professor Dr. Kumar S. P., Principal, Sree Narayana Guru College, Chelannur.

The event commenced with a warm and cordial welcome address by Mr. Rejish M. T., Assistant Professor and General Convenor of the seminar series. In his address, he highlighted the objectives of the Ripples initiative, emphasizing the importance of multidisciplinary perspectives in addressing contemporary academic and societal challenges.

The ceremonial lighting of the lamp was performed by the dignitaries, led by the Chief Guest, symbolising the pursuit of knowledge and academic enlightenment. This was followed by a series of felicitations, reflecting the collective support and enthusiasm of the institution:

Sri P M Raveendran SN Trusts executive Member expressed appreciation for the initiative and assured active support.

Dr. Athma Jayaprakash, IQAC Coordinator, underscored the role of such seminars in strengthening quality assurance and research culture within the institution.

Dr. Vidhu Johnson, Head of the Department of Economics, highlighted the relevance of interdisciplinary collaboration in higher education.

Dr. Bindu, Staff Association Secretary, expressed appreciation for the initiative and encouraged active faculty participation.

Dr. Deepesh Karipunkara, Head of the Department of Malayalam, spoke on the integration of humanities with science and technology.

Mr. Lohithashan, PTA Vice President, extended greetings on behalf of the Parent-Teacher Association and assured continued support.

The Chief Guest, Dr. R. Subashini, in her inaugural address, shared valuable insights on emerging trends in computer science and the significance of cross-disciplinary research in the present academic landscape. Her address was informative and inspiring, especially for young scholars and faculty members aspiring to engage in multidisciplinary research.

The program concluded with a vote of thanks proposed by Mrs. Gayathri P., Organising Secretary and Assistant Professor of English, who expressed gratitude to the Chief Guest, the Principal, dignitaries, faculty members, students, and all those who contributed to the successful organization of the event.

The inaugural session of the Ripples Multidisciplinary Seminar Series was a resounding success, setting a strong foundation for future academic engagements and reaffirming the institution's commitment to academic excellence and interdisciplinary learning.

The Ripples Multidisciplinary Seminar Series 2025–26 at Sree Narayana Guru College, Chelannur stands as a vibrant academic platform designed to promote interdisciplinary dialogue, research orientation, and intellectual engagement among students and faculty. Conducted under the guidance of the Internal Quality Assurance Cell (IQAC), the series

brought together diverse departments to explore contemporary themes such as Artificial Intelligence, technology, healthcare innovation, literature, media, mathematics, and social transformation. Through expert lectures, student presentations, and interactive discussions, the seminars collectively aimed to bridge theoretical knowledge with real-world applications, foster critical thinking, and encourage holistic academic development in tune with emerging global trends.

Inauguration

The Ripples Annual Multidisciplinary Seminar Series *"Technologia 2025"* was formally inaugurated on 22 December 2025 at Sree Narayana Guru College, Chelannur, marking the commencement of a major academic initiative aimed at promoting interdisciplinary dialogue and research culture. The inaugural session was graced by Dr. R. Subashini, Associate Professor, Department of Computer Science and Engineering, National Institute of Technology Calicut, as Chief Guest, and was chaired by Principal Prof. (Dr.) Kumar S P. The program began with a welcome address by Mr. Rejish M T, General Convenor of the series, followed by the ceremonial lighting of the lamp and felicitation addresses by Dr. Athma Jayaprakash (IQAC Coordinator), Dr. Vidhu Johnson (HoD, Economics), Dr. Bindu (Staff Association Secretary), Dr. Deepesh Karipunkara (HoD, Malayalam), and Mr. Lohithashan (PTA Vice President). In her inaugural address, Dr. R. Subashini highlighted emerging trends in computer science and the importance of cross-disciplinary research, inspiring faculty and students alike; the session concluded with a vote of thanks by Mrs. Gayathri P., Organising Secretary, setting a strong foundation for the year-long seminar series.

The PG Department of Economics, Sree Narayana Guru College, Chelannur, organized a seminar titled *"Artificial Intelligence Powered by Deep Learning: Concepts and Applications"* on 06 January 2026 at 10.30 a.m. as part of the Ripples Seminar Series. with a welcome address by Prof. Vidhu Johnson, Head of the Department of Economics. The keynote session was delivered by Dr. Remmiya Rajan P, Assistant Professor and Research Guide, Zamorins Guruvayurappan College, who explained the concepts of Artificial Intelligence, deep learning, neural networks, and their applications in economics and policy-making.

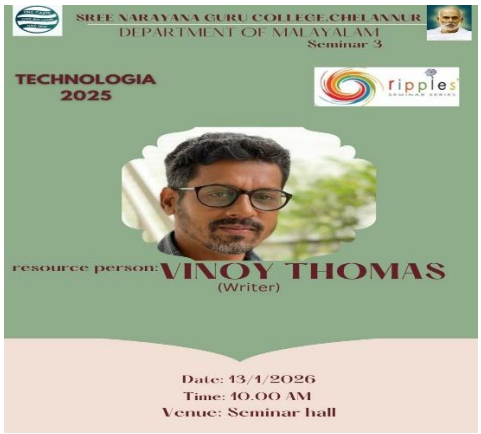

The PG Department of Commerce, Sree Narayana Guru College, Chelannur, organized *"TECHNOLOGIA 2026"* on 12 January 2026 in Hybrid Mode with 200 student participants. The session was inaugurated by Dr. Abhilash E.S., Principal in Charge, and the keynote address was delivered by Dr. Angelo Mathew, Assistant Professor, Loyola College of Social Sciences

(Autonomous), Thiruvananthapuram, on “Visualization for Professional and Personal Excellence,” highlighting goal-setting, self-motivation, and professional growth.

The Department of Malayalam organized a seminar on *“Technology and New Society”* on **13 January 2026** under the Ripples International Multidisciplinary Seminar Series. The technical session was led by noted Malayalam writer Vinoy Thomas, who discussed the influence of technology and social media on Generation Z, literary culture, and identity formation, with participation from around 130 students.

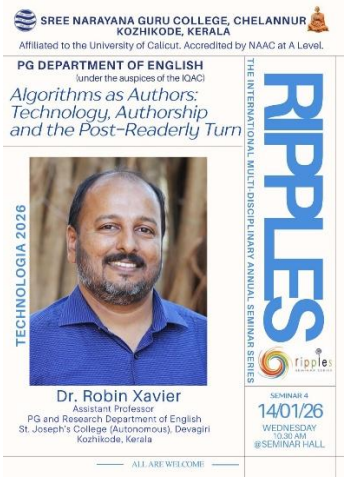

The Postgraduate Department of English,

Sree Narayana Guru College, Chelannur, under the auspices of the Internal Quality Assurance Cell (IQAC), organized a seminar on “Algorithms as Authors: Technology, Authorship and the Post-Readerly Turn” as part of the Ripples Annual Multidisciplinary International Seminar Series 2025–26 under the general theme “Technologia.” The seminar was held on 14 January 2026 from 10:30 a.m. to 12:30 p.m. in the College Seminar Hall, with Dr. Robin Xavier serving as the resource person. The program commenced with a welcome address by Ms. Vandana

Viswanath, Head and Department Coordinator, followed by the presidential address by the Principal, Prof. (Dr.) Kumar S.P. Felicitations were delivered by Dr. Athma Jayaprakash, IQAC Coordinator, and Mr. Rejish M.T., General Convenor of the Ripples Seminar Series. The seminar aimed to familiarize students with the concept of algorithms and their increasing influence on contemporary life, while critically examining the changing roles of authors and readers in the digital age and the emergence of the post-readerly turn. The resource person discussed how algorithm-driven Artificial Intelligence shapes reading, writing, and knowledge consumption, emphasizing the need for the responsible and judicious use of technology to preserve human creativity and prevent overdependence on AI. The session enhanced participants' understanding of the impact of algorithmic systems on human behaviour and literary practices, encouraging critical engagement with technological advancements. Around 180 students from the Department of English and various other departments attended the seminar and actively participated in the interactive discussion that followed. The program also featured paper presentations by postgraduate students on the theme "Technologia," providing a platform for academic exchange and interdisciplinary learning. The seminar received highly positive feedback from participants, who appreciated the relevance of the topic and the insightful interaction with the resource person. The program concluded with a vote of thanks delivered by Ms. Sangeetha G. Nair, Assistant Professor, Postgraduate Department of English, marking the successful completion of an informative and intellectually enriching academic event.

The Department of Physics, Sree Narayana Guru College, Chelannur, organized the "RIPPLES" International Seminar on *"Technological Advancements in Remote Sensing of Atmosphere"* on 16 January 2026 in hybrid mode. The session was led by Dr. Vishnu Rajendra Kumar, Assistant Professor (Research), University of Alaska Fairbanks, who spoke on LIDAR technology, atmospheric remote sensing, and modern climate research tools. Presided over by

Principal Dr. Kumar S. P., the seminar witnessed the participation of over 70 students and faculty members and concluded successfully with interactive discussions and student paper presentations.

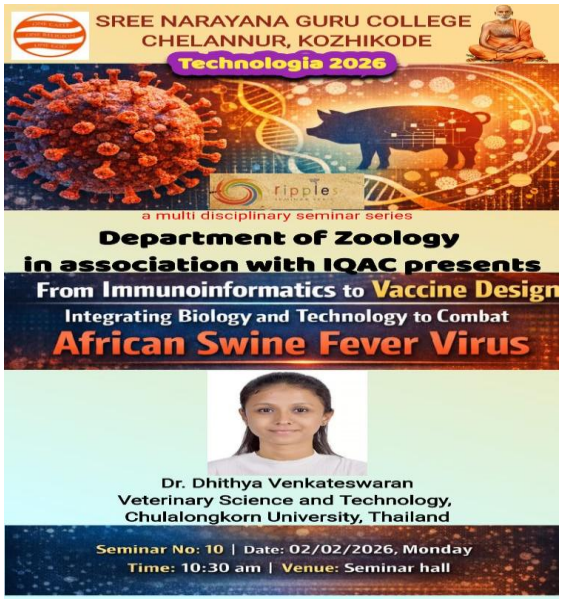

The Department of Mathematics organized a seminar on *"Geometry, Numbers and Infinity"* on **19 January 2026** under Ripples 2026. The session was handled by Mr. Shinoj M., Assistant Professor, St Joseph's College (Autonomous), Devagiri, and focused on foundational mathematical concepts, with 95 participants attending.

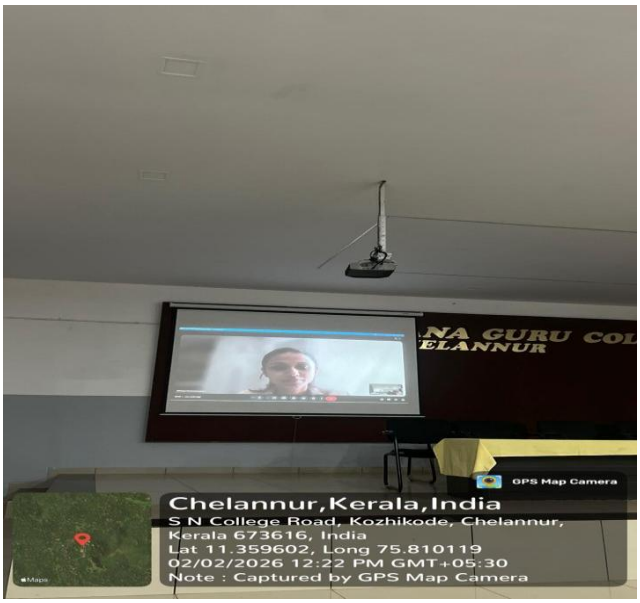

On 28 January 2026, the PG Department of Biology and Botany of Sree Narayana Guru College, Chelannur organized a seminar titled GIS and Remote Sensing in Biodiversity Conservation as part of the Ripples Seminar Series under the auspices of IQAC. The session highlighted the growing importance of Geographic Information Systems (GIS) and satellite-based remote sensing technologies in monitoring ecosystems, mapping species distribution, and planning sustainable conservation strategies. The resource person, Dr. Sheeja P. Parayil,

Associate Professor and Head of the PG Department of Botany at SN College, Nattika, delivered an insightful talk on integrating botanical research with spatial data and geospatial tools. The program commenced with a welcome speech by Dr. Abhilash E. S., HoD of Botany & Biology, followed by the presidential address by Principal Dr. Kumar S. P. Felicitations were offered by Dr. Athma Jayaprakash, Gayathri, and Dr. Deepesh Karimpunkara, and the Vote of Thanks was delivered by Dr. Soumya, Assistant Professor, Department of Biology. The seminar witnessed the participation of around 90 students and 16 faculty members, successfully emphasizing the need for a multidisciplinary approach that combines traditional ecological studies with advanced digital mapping technologies for effective biodiversity conservation.

The Department of Zoology, in association with IQAC, organized a seminar on **02 February 2026** under the Ripples International Multidisciplinary Seminar Series themed *Technologia 2025* on *"From Immunoinformatics to Vaccine Design: Integrating Biology and Technology to Combat African Swine Fever Virus."* The technical session was led by Dr. Dhithya Venkateswaran, Researcher at Chulalongkorn University, Thailand, with participation from 72 students.

Department of Chemistry

The Department of Chemistry, in collaboration with the Internal Quality Assurance Cell (IQAC) of Sree Narayana Guru College, Chelannur, organized the international seminar "Technologia 2026" on February 4, 2026, as part of the "Ripples '25" seminar series to promote interdisciplinary academic engagement. Held from 11:00 a.m. in the College Seminar Hall, the program began with a welcome address by Dr. Kavya K.V., Lecturer in Chemistry, followed by the inaugural address by the Principal, Dr. Kumar S.P., who emphasized the importance of keeping pace with global technological advancements. Felicitations were delivered by Dr. Athma Jayaprakash (IQAC Coordinator), Dr. Divya (Assistant Professor, Physics), and Dr. Salna (Assistant Professor, Botany), highlighting the significance of interdisciplinary collaboration in addressing contemporary scientific challenges. The keynote address was delivered by Dr. Debasis Maity on "Advanced Closed-Loop Bioelectronic Systems for Diabetes Management," where he explained the role of chemical engineering in developing advanced medical biosensors and the integration of the Internet of Things (IoT) and Artificial Intelligence (AI) in healthcare. The seminar also featured student presentations on Metal–Organic Frameworks (MOFs), sensor technology, medicinal chemistry, smart city infrastructure, and AI applications in healthcare, demonstrating the application of chemical principles in emerging technologies. The seminar aimed to explore the contribution of chemistry to life-saving technologies, promote awareness of closed-loop bioelectronic systems, and encourage interdisciplinary learning among science students. Participants gained valuable insights into technological advancements in medical biosensing, the chemical foundations of sensor development, and the growing importance of IoT and AI in healthcare. The event witnessed enthusiastic participation from 75 students of the Departments of Botany, Physics, and Mathematics, who appreciated the opportunity to interact with an internationally renowned researcher. The program concluded with a vote of thanks delivered by Nihal, a first-year

Botany student, marking the successful completion of a highly informative and intellectually enriching seminar.

Department of History

The Department of History, Sree Narayana Guru College, Chelannur, under the auspices of the Internal Quality Assurance Cell (IQAC), organized a seminar titled “From Confession to Clicks: Technology, Power, and the Making of Sexual Knowledge” on 29 January 2026 at 10:30 a.m. in the Seminar Hall as part of the Ripples Multi-Disciplinary Seminar Series – Technologia 2026. The program was inaugurated by the Principal, Prof. (Dr.) Kumar S.P., and commenced with a welcome address by Haneesh H.N., Head of the Department of History, who introduced the seminar theme. The keynote address was delivered by Dr. Laina P, who examined the historical evolution of sexual knowledge and critically analysed how power structures, institutions, and technological developments have shaped discourses on sexuality from traditional confessional practices to contemporary digital platforms. The session provided interdisciplinary perspectives by linking history, media studies, gender studies, and digital culture, while highlighting the influence of technology on the production, circulation, and regulation of knowledge. As part of the seminar, two student paper presentations enriched the academic discussions: Varada C., a second-year B.A. English student, presented a paper titled *“The Engine of Modernity: The Printing Press and the Construction of the English State,”* and Aryasree K., also a second-year B.A. English student, presented *“Women’s Access to Public Spaces: A Historical Evolution and the Present Challenges.”* Felicitations were offered by Dr. Deepa P., Principal, B.Ed. College, Prof. (Dr.) Vidhu Johnson, Prof. (Dr.) Sindhu Krishnadas, Prof. (Dr.) Deepesh Karimpunkara, and Dr. Santhosh C.R., while the vote of thanks was delivered by Shivaganga P. Veth, a first-year B.A. Malayalam student. The seminar witnessed enthusiastic participation from students across various departments, reflecting its

interdisciplinary relevance. It aimed to critically examine the relationship between technology and the production of sexual knowledge, understand the influence of power structures on historical and contemporary discourses of sexuality, create awareness of the role of digital platforms in shaping social narratives, promote interdisciplinary dialogue, and encourage research-oriented academic engagement. Participants gained valuable insights into the historical construction and regulation of sexuality, the transition from private confession to digital expression, and the impact of technology on identity, privacy, and knowledge production. The program received highly positive feedback from students and faculty members, who appreciated the intellectually stimulating content, interactive discussions, and interdisciplinary approach. Overall, the seminar successfully enhanced critical awareness of the intersections between technology, power, and society, strengthened the research culture through student presentations, encouraged scholarly dialogue on contemporary social issues, promoted interdisciplinary learning, and reinforced the importance of responsible academic engagement with sensitive topics.

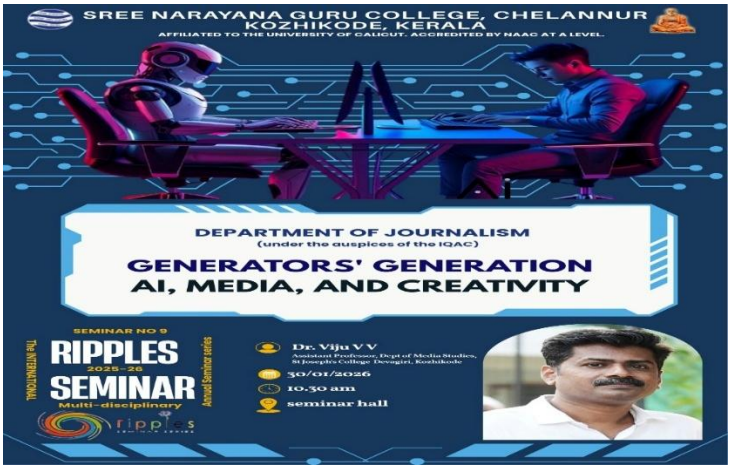

Department of Journalism

The Department of Journalism, Sree Narayana Guru College, Chelannur, organized Seminar No. 9 of the Ripples Seminar Series 2025–26 titled “Generators’ Generation: AI, Media and Creativity” on 06 February 2026 at 10:30 a.m. in the College Seminar Hall. Conducted under the auspices of the Internal Quality Assurance Cell (IQAC), the two-and-a-half-hour program witnessed enthusiastic participation from students across various departments. The seminar was inaugurated by the Principal, Prof. (Dr.) Kumar S.P., and commenced with a welcome address by Smt. Vandana Viswanath, who introduced the theme of the program. The keynote session was delivered by Dr. Viju V. V., a former journalist and film researcher, who discussed

the transformative role of Generative Artificial Intelligence in journalism and media. The session focused on the applications of AI in news writing, digital storytelling, and visual content creation, while critically examining ethical issues such as misinformation, deepfakes, credibility, accountability, and the balance between automation and human creativity. The seminar aimed to introduce students to Generative AI and its applications in media, create awareness of technological transformations in journalism, encourage responsible adoption of emerging technologies without compromising journalistic ethics, and promote interdisciplinary dialogue on AI, creativity, and media practices. Participants gained valuable insights into the evolving digital media landscape, the importance of developing digital competencies, and the need to integrate technological innovation with professional ethics and human intelligence. Felicitations were delivered by Smt. Gayathri P., Ripples Coordinator, Dr. Athma Jayaprakash, IQAC Coordinator, and Smt. Sangeetha G. Nair, while the vote of thanks was proposed by Keerthana T., a first-year B.A. English student. The program was coordinated under the leadership of Kiran N.S., Head of the Department of Journalism, Prof. (Dr.) Kumar S.P., Principal, Dr. Athma Jayaprakash, IQAC Coordinator, and Rajeesh M.T., Ripples Coordinator. The seminar received highly positive feedback from participants, who appreciated the relevance of the topic, the practical examples shared by the resource person, and the interactive discussions. Overall, the program successfully enhanced students' awareness of the impact of Artificial Intelligence on journalism and media industries, strengthened critical thinking on ethical challenges associated with AI-generated content, encouraged the responsible use of AI tools in academic and creative pursuits, promoted interdisciplinary learning, and increased students' confidence in adapting to emerging digital media environments.

Ripples 2025 – Multidisciplinary Annual Seminar Series (Best Practices) validatory Function Report

Organiser **:** Internal Quality Assurance Cell (IQAC), Sree Narayana Guru College, Chelannur

Beneficiaries **:** UG & PG Students, Research Scholars, Faculty Members, and Academic Community

Date **:** 04 March 2026

Scope **:** Institutional / Multidisciplinary Academic Initiative

The scope of Ripples 2025 – Multidisciplinary Annual Seminar Series extended to fostering an inclusive academic platform that encouraged interdisciplinary dialogue, exchange of innovative ideas, and dissemination of best practices across various departments of Sree Narayana Guru College, Chelannur. The program was designed to benefit undergraduate and postgraduate students, research scholars, and faculty members by enhancing their understanding of quality assurance, institutional development strategies, and collaborative learning approaches. It aimed to strengthen academic networking, promote research-oriented thinking, and reinforce a culture of continuous quality improvement within the institution.

General convenor **:** Rejish M T

Coordinator **:** Gayathri P

Duration **:** One Day

Introduction

The Internal Quality Assurance Cell (IQAC) of Sree Narayana Guru College, Chelannur organized Ripples 2025 – Multidisciplinary Annual Seminar Series validatory function on 04 March 2026 at the College Seminar Hall. The program focused on the theme “Best Practices”, aiming to promote quality enhancement initiatives and interdisciplinary academic collaboration within the institution.

Objectives of the Program

- To disseminate and discuss best practices adopted in higher education.
- To foster multidisciplinary academic interaction among departments.
- To enhance quality consciousness among students and faculty.
- To create awareness about innovative teaching-learning methodologies and institutional development strategies.

Program Details

The seminar series witnessed active participation from undergraduate and postgraduate students, research scholars, and faculty members across various departments. The sessions were designed to encourage knowledge sharing, collaborative learning, and academic enrichment.

The Valedictory Function was presided over by Dr. Kumar S.P., Principal, who emphasized the importance of sustaining quality benchmarks and institutional best practices.

The Chief Guest, Dr. Sujesh C.P., Principal, RSM SNDP Yogam College, Koyilandy, delivered the valedictory address highlighting the role of multidisciplinary approaches in shaping progressive academic institutions.

Felicitation addresses were delivered by:

- Dr. Athma Jayaprakash,IQAC Coordinator
- Dr. Joobi V.P., Academic Committee Convenor
- Dr. Vidhu Johnson, HOD, Department of Economics
- Dr. Vineesh K.P., Treasurer, PTA
- Abhishek, UUC

The program concluded with a Vote of Thanks by Gayathri P., Coordinator, expressing gratitude to all dignitaries, participants, and organizing members

Outcome of the Program

- Participants gained deeper insight into institutional best practices and quality enhancement strategies.
- Strengthened interdisciplinary collaboration among departments.
- Encouraged active student involvement in academic initiatives.
- Reinforced the role of IQAC in promoting continuous quality improvement.

Conclusion

Ripples 2025 – Multidisciplinary Annual Seminar Series successfully achieved its objectives by providing a meaningful platform for academic exchange and quality enhancement discussions. The program reaffirmed the commitment of Sree Narayana Guru College, Chelannur towards fostering excellence, innovation, and holistic academic development.

REPORT – SEED CLUB 2025-2026

Program Name	**:** Cucumber Seed Planting Initiative under SEED Club
Organiser	**:** SEED Club, Sree Narayana Guru College, Chelannur
Associating Partner	**:** IQAC Sree Narayana Guru College, Chelannur
Beneficiary	**:** Hostel inmates (students) and SEED Club student members from various departments
Date & Year	**:** 7 February 2026
Scope	**:** To encourage sustainable and eco-friendly agricultural practices.
Coordinator	**:** Dr. Anusmitha N **(**SEED Club Coordinator)
Duration of the Program	**:** 3 Months
Objective	**:** To promote awareness about organic farming among students
Outcome	**:** The program significantly contributed to the development of a greener campus environment and inspired students to adopt environmentally responsible practices in their daily lives.

Cucumber Seed Planting Initiative under SEED Club

The Cucumber Seed Planting Initiative was organized under the aegis of the SEED Club of Sree Narayana Guru College as part of its ongoing commitment to sustainable environmental practices and organic farming awareness. The program was conducted within the premises of the Women's Hostel, Chelannur, with the active participation of students and faculty members.

The initiative aimed to encourage students to adopt eco-friendly agricultural practices and to create awareness regarding the importance of organic cultivation in daily life. The program also focused on transforming available campus space into a productive green area through sustainable farming methods. By involving students directly in planting and maintenance activities, the program provided practical exposure to organic farming techniques and environmental conservation.

The event was formally inaugurated by Prof. (Dr.) Kumar S.P., Principal, Sree Narayana Guru College, who planted the first cucumber seedling and addressed the gathering on the relevance of sustainable living and environmentally responsible practices within academic institutions.

The program witnessed enthusiastic participation from hostel inmates and SEED Club members from various academic departments. Students actively engaged in soil preparation, seed planting, watering, organic manure application, and other agricultural activities.

The cultivation activities continued systematically over the following months under the supervision of the SEED Club Coordinator and hostel authorities. The cucumber plants showed healthy growth through proper organic maintenance practices.

The crops were successfully harvested on 13 April 2026, and the harvested cucumbers were utilized in the hostel kitchen, promoting the importance of chemical-free and sustainable food practices within the campus community.

The program was successfully conducted with active student participation and positive community involvement. The cucumber planting initiative helped students understand the significance of organic farming and sustainable agricultural practices through direct participation.

Students gained practical experience in seed planting, maintenance, organic farming methods, and crop harvesting. The initiative also enhanced environmental awareness among participants and strengthened the collaborative spirit of the SEED Club members and hostel residents. The cucumber cultivation yielded a healthy harvest, which was collected on 13 April 2026. The harvested cucumbers were used in the hostel kitchen, thereby encouraging sustainable food practices and demonstrating the practical benefits of campus organic farming.The program significantly contributed to the development of a greener campus environment and inspired students to adopt environmentally responsible practices in their daily lives.

Cucumber seed planting activities conducted at Women's Hostel premises

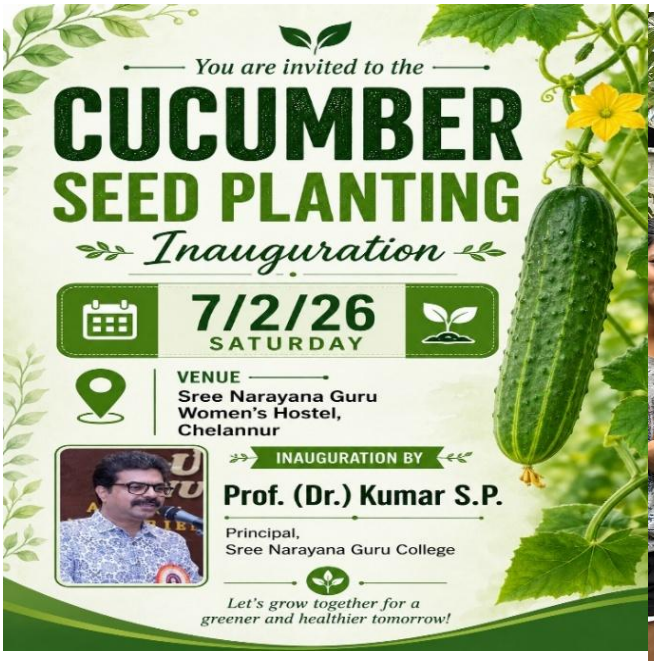

Cucumber Harvest 13/04/26 & 19/05/26

FOLKLORE ANNUAL REPO

Program Name : *Nadan Kalikal – Experiential Learning on Kerala Folk Games*

Organiser : Folklore Club, Department of Malayalam, Sree Narayana Guru College, Chelannur

Associating Partner : Department of Malayalam

Beneficiary : Undergraduate and Postgraduate Students

Date & Year : 31 March 2026

Scope : Preservation and promotion of Kerala's folk traditions through experiential learning and student participation.

Coordinator : Dr. Deepesh Karimpunkara

Duration of the Program : 1.30 Hours

Objective:

- To introduce students to the traditional folk games of Kerala.
- To create awareness about the cultural significance of indigenous games.
- To encourage teamwork, cooperation and community participation.
- To preserve and transmit Kerala's folk heritage to the younger generation through practical experience.
- To enhance students' understanding of folklore beyond classroom learning.

Outcome:

- Students actively participated in the demonstration and practice of traditional folk games.
- The program enhanced awareness about Kerala's folk culture and indigenous knowledge systems.
- Participants understood the social values embedded in folk games, including cooperation, unity and discipline.
- The activity promoted physical participation, cultural appreciation and experiential learning.

- Students expressed interest in documenting and reviving traditional games as part of folklore studies.

Detailed Report

The Folklore Club of the Department of Malayalam, Sree Narayana Guru College, Chelannur, organized a program on "Nadan Kalikal (Traditional Folk Games)" on 31 March 2026 under the coordination of Dr. Deepesh Karimpunkara. The program was organized as part of the club's initiative to preserve, promote, and popularize Kerala's rich folk heritage among students. Dr. M. K. Bindu and Sri. Shaju R. M. served as members of the organizing team and actively supported the successful conduct of the program.

The primary objective of the program was to introduce students to the significance of Kerala's indigenous games and to provide them with an opportunity to experience these traditional practices firsthand. Folk games are an integral component of Kerala's intangible cultural heritage, reflecting the lifestyle, customs, values, and collective identity of rural communities. In the present age of digital entertainment and changing lifestyles, many traditional games have gradually disappeared from everyday life. Therefore, the program aimed to revive students' interest in these cultural practices through experiential learning.

The program commenced with an introductory session in which Dr. Deepesh Karimpunkara explained the importance of folklore studies and highlighted the cultural relevance of traditional games. The session emphasized that folk games are not merely recreational activities but also serve as a medium for transmitting indigenous knowledge, promoting physical fitness,

strengthening social relationships, and nurturing values such as cooperation, discipline, patience, and leadership. The historical evolution of folk games and their close association with agricultural life, festivals, and village communities were also discussed.

Following the orientation, students actively participated in a practical demonstration of traditional folk games. They formed groups and engaged in interactive games that required coordination, mutual trust, communication, and teamwork. The activity created an atmosphere of enthusiasm and collective participation, enabling students to appreciate the educational and social dimensions of these games. The practical session encouraged students to learn through observation, participation, and interaction rather than through theoretical discussion alone.

During the interactive session, students reflected on their experiences and discussed the gradual disappearance of traditional games due to modernization and technological advancements. Many participants shared memories of games played during their childhood and recognized the need to document and preserve such cultural practices for future generations. The discussion also highlighted the role of educational institutions in safeguarding intangible cultural heritage by incorporating folklore-based activities into academic and co-curricular programs.

The program successfully created awareness about the importance of Kerala's folk traditions and inspired students to explore folklore beyond the classroom. It strengthened their understanding of the relationship between culture, community, and identity while encouraging respect for indigenous knowledge systems. Students actively participated throughout the program and appreciated the opportunity to experience traditional games in a collaborative learning environment. The program concluded with a vote of thanks and a collective reflection on the significance of preserving Kerala's folk heritage. The coordinator encouraged students to undertake field documentation, oral history collection, and research related to folk traditions as part of their academic and extension activities. The active involvement of students, the support of the organizing committee, and the enthusiastic participation of all attendees made the program highly successful. The Folklore Club reaffirmed its commitment to organizing similar programs that preserve, document, and disseminate the rich cultural traditions of Kerala while promoting experiential learning among students.

REPORT – Equal Opportunity Cell -2026

Program : Poster Making Competition

Organizer : Equal Opportunity Cell

Associating partner : IQAC

Beneficiary	: UG and PG students in the college
Date & Year	: 10-03-2026 Tuesday
Scope	: To Observe International Women's Day
Coordinator	: Anjali G S
Duration	: 2 hours
Objective	:Create an Awareness about the necessity of giving holistic support to women-as the ones discriminated ,marginalized, victimized and silenced -for their emancipation
Outcome	: Students participated with full enthusiasm and came up with wonderful creations.

Poster Making Competition on the theme "Avalkoppam"

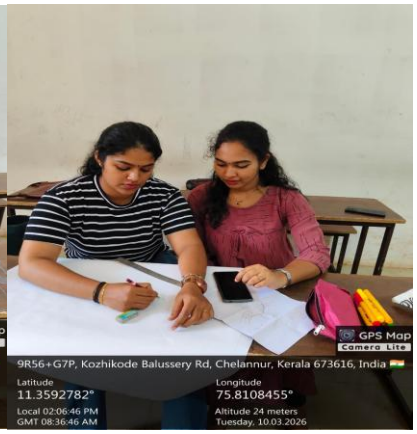

A poster making competition on the theme "Avalkoppam" was organized at Sree Narayana Guru College, Chelannur, on 10-03-2026 Tuesday. The program was conducted by the Equal Opportunity Cell of the college in association with the IQAC. The competition was meant for undergraduate and postgraduate students with the aim of creating awareness about the unfortunate disheartening events repeatedly happening in our society that have a debilitating effect on the sincere attempts for the liberation of women from the shackles of gender discrimination and oppression. The competition was conducted as part of celebrating the International Women's Day. A brochure was circulated among the students, and many interested students came forward to participate. The event was conducted on 10-03-2026 Tuesday in the afternoon from 1.30 to 3.30pm. Students could participate individually or as a group of two. Students from UG and PG took part in the competition and they came up with a variety of wonderful postures each having its own uniqueness. The teams Navya Shylesh-Nasila (MA English) and Malavika-Gopika (MA English) bagged the first and second prizes respectively. The full-hearted participation of all the competitors made the program a great success. Prizes were distributed to the winners by the principal Professor Dr. Kumar S P in the presence of the IQAC Coordinator Dr.Athma Jayaprakash and the Equal Opportunity Cell Coordinator Ms.Anjali GS

ADD ON COURSE REPORT

All the main departments of the college conducted Add on Courses on Selected Topics from January to March 2026.Each course was allotted thirty hours and interested students were selected to the Course. At the end of the course examinations were conducted to evaluate the students and certificates were issued to them by the departments. Below is the detailed report of the courses conducted by each of the departments.

PG DEPARTMENT OF COMMERCE

The Postgraduate Department of Commerce, Sree Narayana Guru College, Chelannur, successfully conducted the Add-on Certificate Course on “Entrepreneurship Skill Development Program” (Program Code: AOCSNGC02; Course Code: AOCCOM02) with the objective of enhancing students’ entrepreneurial knowledge, business planning skills, and understanding of entrepreneurial support systems. The course covered various aspects of entrepreneurship, including entrepreneurial mindset, entrepreneurial decision-making, business planning, resource mobilization, entrepreneurial competencies, and the entrepreneurial ecosystem in India and Kerala. The program aimed to equip students with practical knowledge and skills required for entrepreneurship and research in the field. A total

of 49 students actively participated in the program. All 49 participants successfully completed the course and qualified for the Add-on Certificate, demonstrating their commitment

and satisfactory performance in the prescribed assessment. The sessions were handled by the following faculty members:

* Ms. Vidya K, Assistant Professor, PG Department of Commerce

* Dr. Rajitha K, Assistant Professor, PG Department of Commerce

The course concluded successfully with the assessment of students through oral and written examinations and assignments, as prescribed in the course syllabus.

The Add-on Certificate Course proved to be highly beneficial in developing entrepreneurial awareness, strengthening business planning skills, and motivating students to explore entrepreneurship as a career option. The Department expresses its appreciation to the faculty members and all the students for their enthusiastic participation, which contributed to the successful completion of the program.

PG DEPARTMENT OF ENGLISH

The PG Department of English conducted an Add On Course titled ‘Skills for Effective English Communication: the Basics for the academic year 2025-26. The Program Code is AOCENG01. Thirty students interested were admitted to the course. This course is primarily aimed at instilling confidence in the students, to enable them to use the English language effectively. The course aimed at familiarizing the learners with the basics of communication skills in English. The four basic language skills of Listening, Speaking, Reading and Writing were introduced to the students with a view to enabling the learners to practice these skills by themselves.

The students were exposed to various examples of communication in different circumstances. This course was allotted 30 hours in total, with three hours per week. A period of three months was assigned to complete the course (January, February and March 2026). At the end of the course, a written examination and a viva voce examination were conducted. The students were assessed and the grades were published.

PG DEPARTMENT OF ECONOMICS

Course Category	Add On Course
Program Code	AOCSNGC01

Course Title and Code	Fundamentals of Practical Banking AOCECO01
No. of Credits	4
No. of Contact Hours	30 Hours

FUNDAMENTALS OF PRACTICAL BANKING

Course Objectives:

1. To develop the basic knowledge about the working and functions of banking.
2. To develop an understanding of the important banking concepts.
3. To acquaint the students with banking services and enable them for practical banking**.**

The PG Department of Economics, SNG College, Chelannur conducted an Add on course on 'Economics of Money and Banking' from January to March 2026 .

The course was about the application of analytics, statistics and operation in areal-world situation. Through this course students learned about banking system and its operation in India. Students also developed verbal and written skills required organize the structure of money market operation and its problems. This course included seminar presentations by each participant.

A total of 20 students were admitted to the course. There were 30 sessions conducted by Resource persons. The sessions were divided into following categories.1. Preparation of mind set of students E-Source study, Careers in Money and Banking. The success of the course was heightened by the enthusiasm and participation of students.

DEPARTMENT OF PHYSICS

Physics department conducted an Add On course for the year 2025-26 titled 'Alternative Energy Solutions'.30 hours syllabus is designed for students .

Course Objectives :
1. Understand the fundamental principle of alternative energy sources 2. Familiarity with energy conversion technologies 3. Knowledge of energy storage systems.
Learning outcomes :

1. Analyse energy systems and identify opportunities for alternative energy integration.
2. Communicate alternative energy solutions to society

A total of 25 interested students were admitted to the course.Classes were conducted from January to March 2026.All the students attended the sessions with complete curiosity and enthusiasm.The evaluation was done at the end of the course on the basis of attendance, viva and examination.

DEPARTMENT OF BOTANY

Course Title : Add-on Course on Organic Farming
Duration : 12 January 2026 – 11 March 2026
Organizing Department : Department of Botany, SNG College, Chelannur
Number of Participants : 19 Students

The Department of Botany, SNG College, Chelannur, successfully conducted a two-month Add-on Course on Organic Farming from 12 January 2026 to 11 March 2026. The course was designed to provide students with comprehensive knowledge of sustainable agricultural practices, emphasizing environmentally friendly farming methods, soil health management, organic nutrient management, and biological crop protection. A total of 19 students actively participated in the program and completed the course.

Objectives

The major objectives of the course were to:

- Introduce the principles and concepts of organic farming.
- Develop awareness about sustainable agricultural practices and environmental conservation.
- Familiarize students with organic nutrient and pest management techniques.
- Provide practical knowledge on composting, vermicomposting, and biofertilizers.
- Understand certification procedures and Good Agricultural Practices (GAP).
- Encourage students to adopt eco-friendly farming practices and promote sustainable agriculture.

Course Content

The course covered both theoretical and practical aspects of organic farming. The major topics included:

- Introduction to farming and organic farming
- Principles of organic farming and their environmental implications
- Types and need for organic farming
- Status of organic farming in Punjab and India
- Requirements for successful organic farming
- Comparison between conventional and organic farming
- Advantages and disadvantages of conventional and organic farming
- Biodynamic farming
- Impact of organic farming on food quality and common myths related to organic farming
- Components of an organic farm
- Soil quality assessment and organic matter management
- Composting of organic wastes and various composting methods
- Use of bioinoculants and crop rotation
- Organic plant nutrient management
- Organic certification procedures and Good Agricultural Practices (GAP) for field crops
- Organic manures including green manure, farmyard manure and farm compost
- Vermicomposting: importance, types of earthworms, methods, procedures and precautions
- Organic plant protection through cultural and mechanical methods
- Crop rotation and mixed cropping
- Biofertilizers: types, production, methods of application, advantages and limitations
- Biopesticides: types, advantages and limitations
- Biological control agents including parasites, predators and microbial pathogens
- Weed management
- Integrated Pest Management (IPM): concepts and microbial control

Course Activities

The program consisted of interactive lectures, demonstrations, practical sessions, and discussions. Students were introduced to various organic farming inputs such as compost, vermicompost, biofertilizers, and biopesticides. Practical sessions included compost preparation, vermicomposting techniques, soil quality assessment, and identification of biological control agents. Discussions on certification procedures and sustainable farming practices enabled students to understand the economic and environmental importance of organic agriculture.

Learning Outcomes

Upon successful completion of the course, students were able to:

- Explain the principles and importance of organic farming.
- Differentiate between conventional and organic farming systems.
- Understand methods of improving soil fertility through organic inputs.
- Prepare compost and vermicompost using scientific methods.
- Identify different biofertilizers, biopesticides, and biological control agents.
- Apply integrated pest and weed management strategies in organic farming.
- Appreciate the significance of organic certification and Good Agricultural Practices.
- Develop awareness about sustainable agriculture and environmental conservation.

Student Participation

Nineteen students from the Department of Botany successfully attended the course with enthusiasm and actively participated in lectures, practical sessions, demonstrations, and discussions. Their consistent involvement throughout the program reflected their growing interest in sustainable agriculture and eco-friendly farming practices.

Conclusion

The Add-on Course on Organic Farming was successfully completed on 11 March 2026, achieving its intended objectives. The program equipped students with both theoretical knowledge and practical skills in sustainable agricultural practices. The course enhanced students' understanding of organic farming technologies, soil and nutrient management, biological pest control, and environmental sustainability. It also encouraged them to appreciate the role of organic agriculture in ensuring food safety, biodiversity conservation, and sustainable rural development. The Department of Botany believes that such skill-oriented programs significantly contribute to students' academic enrichment, employability, and environmental responsibility.

DEPARTMENT OF MALAYALAM

The Department of Malayalam conducted an Add on course titled “Bhasha Sankhethikatha”for the year 2025-26. The program code is AOC MALAYALAM. Twenty students admitted to the course This course primarily aimed at instilling creativity in students

. The students were exposed to various examples of Bhasha Sankhethikatha in different circumstances. This course was designed for 30 hours in total with three hours per week. A

period of three months was assigned to complete the course. At the end of the course a written examination and a viva voce examination were conducted. The students were assessed and the grades were published.

DEPARTMENT OF MATHEMATICS

Program Title :Graph Theory and Networks- From Foundations to Applications

Duration :30 Hours January to March 2026

Number of participants : 24 students

Objectives of the Program:

The Primary aim of the course was to make the students understand Graph Theory and Networks- From Foundations to Applications

Program Summary:

The department of Mathematics successfully conducted a 30 hours Add on Certificate course Graph Theory and Networks- From Foundations to Applications from January to March 2026 . A total of 24 students participated in the program. The evaluation was done at the end of the course on the basis of attendance, viva and examination. Feedback collected from participants indicated a high level of satisfaction regarding the content overall impact of the course. The department plans to continue offering similar programs. The program was well received, and participants appreciated the practical orientation, interactive sessions, and relevance of the course to their academic and professional development.

FORESTRY CLUB

Program Name	: Wildlife Week Celebration 2025 – State Level Inauguration
Organiser	: Forestry Club, Department of Botany, Sree Narayana Guru College, Chelannur
Associating Partner	: Kerala Forest & Wildlife Department, Kozhikode District Panchayat, Kozhikode Corporation
Beneficiary	: Students, Teachers, Nature Club Members, General Public and Wildlife Conservation Enthusiasts
Date & Year	: 03 October 2025
Scope	: State Level
Coordinator	: Dr. E.S. Abhilash (Forestry Club In-charge) in association with Kerala Forest & Wildlife Department officials

Duration of the Program: One Day (10.00 AM onwards)

Objective:

- To inaugurate the State Level Wildlife Week Celebration 2025.
- To create awareness among students and the public regarding wildlife conservation and biodiversity protection.
- To encourage participation in environmental conservation activities.
- To promote understanding of the importance of protecting endangered wildlife and forest ecosystems.

Outcome :The program successfully inaugurated the State Level Wildlife Week Celebration 2025. The event enhanced awareness about wildlife conservation among students and the public. Participation of government officials, forest department officers, local self-government representatives, faculty members and students strengthened community engagement in biodiversity conservation. The program motivated participants to actively support wildlife protection and environmental sustainability initiatives.

WILD LIFE WEEK CELEBRATION 2025

Wildlife Week Celebration 2025 was organized as a state-level awareness program on 3 October 2025 at Sree Narayana Guru College, Chelannur, Kozhikode, in association with the Kerala Forest & Wildlife Department. The program was inaugurated by the Hon. Minister for Forest and Wildlife, Government of Kerala, in the presence of distinguished guests, public representatives, forest officials, faculty members, and students.

The event aimed to promote awareness about wildlife conservation, biodiversity protection, and the importance of preserving natural ecosystems. Various activities, including awareness sessions, interactions with experts, distribution of certificates and mementos, and a wildlife quiz competition, were conducted as part of the program**.**

SREE NARAYANA STUDY CENTER

Seminar on Sree Narayana Guru

Program Name	:Seminar on Sree Narayana Guru
Organiser	:Sree Narayana Study Centre
Associating Partner	:IQAC
Beneficiary	:UG students in the college
Date & year	:11/02/2026
Scope	:Philosophy and Spiritual Vision, Social Reformation and Egalitarianism, Educational Justice and Empowerment
Coordinator	:Dr. Santhosh C R
Duration of the program	:Two hours
Objective	: To conceptualise and re-evaluate His Philosophical Vision To document and critique His Role in Social Reformation, To Highlight His Philosophy of Empowerment Through Education
Outcome	**:** To Highlight His Philosophy of Empowerment Through Education Reassertion of Universal Oneness, Countering Sectarianism, Interfaith Harmony Focus on Education as a Liberating Tool

Keynote Presentation by P.K. Gopi Taking the podium, famous poet P.K. Gopi presented a deeply engaging discourse on the topic. Rather than looking at Sree Narayana Guru purely as a historical icon, P.K. Gopi re-interpreted Guru's verses and spiritual framework through a contemporary literary lens.

He emphasized that Guru's poetry—such as the Atmopadesa Satakam and Daiva Dasakam—is filled with universal compassion and revolutionary humanism. The poet illustrated how Guru utilized simple yet profound language to demolish deep-seated caste prejudices and elevate human dignity. He made an earnest appeal to the youth, urging them to utilize education as a mechanism for liberation and social equality, exactly as Guru envisioned.

Interactive Discursive Circle

Following the presentation, an active discussion took place involving the faculty members and UG students. Students from different departments asked questions linking Guru's concepts of universal brotherhood to modern issues like digital division and globalization. The teachers effectively guided the dialogue, transforming the seminar hall into a vibrant hub of intellectual exchange.

Outcomes

The seminar concluded with highly positive benchmarks, fulfilling its intended academic mission:

Enriched Social Awareness: Students gained a deeper perspective on how spiritual enlightenment directly inspired modern Kerala's socio-educational infrastructure.

Literary Appreciation: The participants developed a fresh appreciation for the aesthetic and philosophical depth found in regional reformist literature.

Empowered Student Perspectives: UG students expressed a renewed commitment to secular values and community harmony, reinforcing the ethical core of their academic journey. Strengthened Academic Community: The seminar fostered strong collaborative mentorship between the teaching staff and undergraduate departments, laying down a baseline for future research projects handled by the study centre

PTA Annual Report – 2025-26

Program Name	**:**Parent-Teacher Association (PTA) Activities and Infrastructure Development – 2025–26
Organiser	**:**Parent-Teacher Association (PTA), Sree Narayana Guru College, Chelannur
Associating Partner	**:**Sree Narayana Guru College, Chelannur
Beneficiary	**:**Students, Teaching Staff, Non-Teaching Staff, Parents, and the College Community
Date & Year	**:**29 June 2025 – March 2026
Scope	**:**To support the academic, administrative, infrastructural, and student welfare activities of the college through financial assistance and active parental participation.
Coordinator	**:**PTA Executive Committee (2025–26)
Duration of the Program	**:**Academic Year 2025–26

The Parent-Teacher Association (PTA) of Sree Narayana Guru College, Chelannur, has consistently served as a vital stakeholder in the holistic development of the institution. During the academic year 2025–26, the PTA Executive Committee actively collaborated with the college management to support academic, administrative, infrastructural, and student welfare initiatives. With a total contribution of ₹20,70,100 collected from the parents of newly admitted students, the PTA implemented several development projects aimed at enhancing the quality of campus facilities and learning resources. The Association financed the monthly electricity charges of the college, paid the salaries of four non-teaching staff members, upgraded the computer laboratory, installed energy-efficient BLDC fans, renovated essential student amenities, strengthened campus sanitation measures, and repaired the Sports Hostel. Financial assistance was also extended for organizing academic programs such as the Ripples Seminar

Series and major cultural events including Onam, Christmas, College Day, and Union Day celebrations. These initiatives demonstrate the PTA's unwavering commitment to institutional growth, student welfare, and the creation of a safe, clean, and academically enriching campus environment.

- To improve the learning environment and campus facilities.

To promote cleanliness, safety, and energy efficiency within the campu

GENARAL BOADY MEETING 2026 JUNE

Objective:

- To strengthen parent–teacher collaboration.
- To provide financial assistance for infrastructure development and maintenance.
- To support academic, co-curricular, and student welfare activities.
- To improve the learning environment and campus facilities.
- To promote cleanliness, safety, and energy efficiency within the campus.

SPORTS HOSTEL MAITENANCE

Outcome:

During the academic year, the PTA successfully mobilized ₹20,70,100 through the contributions of parents. The fund was effectively utilized for various developmental and welfare activities, including:

- Payment of the college's monthly electricity bills.
- Payment of salaries to four non-teaching staff members, including cleaning staff.
- Upgradation of ten computers in the computer laboratory by installing SSD hard disks and updating software.
- Installation of twenty energy-efficient BLDC ceiling fans in classrooms.
- Replacement of damaged floor tiles near the IGNOU Office.
- Renovation of the student wash area with plastering, new taps, and construction of a waste pit.

- Installation of protective net coverings on classroom windows and ventilators to prevent pigeon entry.
- Financial support for campus cleanliness and sanitation activities.
- Assistance for academic programs, including the Ripples Seminar Series.
- Financial support for cultural programs such as Onam, Christmas, College Day, and Union Day.
- Repair of roof leakages in the Sports Hostel.
- Monthly advance of ₹30,000 for the smooth functioning of the Sports Hostel, which was fully reimbursed to the PTA.

These initiatives significantly improved the academic environment, campus infrastructure, cleanliness, energy efficiency, and student welfare, reflecting the PTA's active role in the overall development of the institution.

COLLEGE UNION 2025-26

College Union Inauguration

The College Union for the academic year 2025–26, "*Catalonia"*was inaugurated on 18 December 2025 in the College Auditorium. The function was presided over by College Principal Prof. (Dr.) Kumar S. P. The Union was inaugurated by the renowned social activist And State Coordinator, Kerala Youth Commission, Adv. P. Rahul Raj.
In his presidential address, the Principal emphasized the importance of students actively participating in college union activities. He stated that the college union should play a

constructive role in shaping students into socially responsible citizens. The **2025–26 College Union** also introduced the college's first-ever **Student's Union Charter**, which aims to ensure students' welfare, participation, and democratic functioning within the institution. The program featured various cultural performances by students. The event concluded with a vote of thanks delivered by the **General Secretary**.

Christmas Celebration

The Christmas Celebration 2025 was held on 23 December 2025. The celebration included the Christmas Band, Christmas Tree, and a Cake Cutting Ceremony. The event was filled with joy and enthusiasm, with active participation from students and faculty members. The celebration concluded with everyone exchanging Christmas greetings and sharing the festive spirit. Fine Arts Fest Logo Launch

For the academic year 2025–26, the Students' Union of the College Catalonia was organized the Fine Arts Fest Logo Launch "*Chuvad*"on 7 January 2026 at the Seminar Hall. As part of the event, the logo designed by the students handed over to Fine Arts Fest Secretary Adheena Gopik Kumar by Kanimangalam Film Team. The logo "*Chuvad*"creatively represents the spirit of art, culture, and student life, highlighting the diverse artistic talents of students. It also symbolizes the rich traditions and cultural heritage of Kerala while inspiring students to express their creativity through art. This logo will serve as a meaningful symbol for all the cultural events conducted under the Higher Arts Fest throughout the academic year.

Fine Arts Fest

The College Students' Union Catalonia organized the Fine Arts Fest from 20–23 January. Various competitions were held over the first three days (20, 21, and 22 January), with the participation of a large number of students. The official inauguration of the fest took place on 22 January. The inaugural ceremony was presided over by Principal. The film actor Dr. Ashwin Vijayan inaugurated the fest. Students enthusiastically presented a variety of cultural performances, including dance, music, and skits, making the event lively and memorable. The valedictory function was held on 23 January, during which the winners were honored with prizes. The Fine Arts Fest concluded successfully, leaving behind lasting memories and providing students with an excellent platform to showcase their talents. The event also encouraged unity, creativity, and cultural appreciation among students.
The activities were coordinated by the Fine Arts Fest Committee. Distinguished judges evaluated the competitions and announced the winners. The Students' Union expressed sincere gratitude to the team behind for its support and cooperation, which contributed significantly to the grand success of the Fine Arts Fest.

Sports Meet

As part of the 2025–26 academic year's Sports Day, the college organized "DESPORTO", a three-day sports festival on February 2, 18, and 19, 2026. The inaugural event on February 2 featured Volleyball (Men), Throwball (Women), Cricket, Athletics, and Chess competitions. The official inauguration of the Sports Day on **February 20** was conducted by Prof.(Dr.) Kumar S P ,Principal. The event was presided over by College Union Joint Secretary Anooja

K. The vote of thanks was done by General Captain Vishnu Raj. The Sports Meet concluded with a grand closing ceremony, where winners received medals and trophies.
