2. Decided to organise more ICT enabled programs
 3. AQAR Submitted (2022-2023).

Decisions

The IQAC committee has been reconstituted to include newly appointed faculty members. The Committee has planned activities for the academic year, including the introduction of value-added courses and the implementation of ICT learning for students. Additionally work on the academic calendar will commence. It is decided to include all important dates and events for the year, ensuring that all academic and extra-curricular activities are well coordinated and planned in advance.

To foster a culture of research and publication among faculty members, the Committee has decided to encourage teachers to publish articles in reputable journals. To support this initiative, a seminar is planned to be organised by IQAC to get an insight and guidance on the process of publishing academic papers.

The committee also decided to encourage students to enroll in SWAYAM and moodle courses.

The committee has planned to complete the PTA audit and management audit in the beginning of the academic year. The committee has evaluated the activities carried out in 2023-2024 by various departments, clubs and committee. To prepare the annual report, a comprehensive review of these activities is now requested from all departments and clubs. It is decided to take the point out of the accepted A&AR. The committee decided to collect the stock verification report signed from the principal from all the departments. It is also decided to reconstitute the clubs and committee for the academic year 2024-2025. The meeting ended at 4 PM.
