symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

INDEPENDENCE DAY (15/08/2022)

India will mark 75 years of independence from British rule in 2022. However, if the number of Independence Days celebrated in India since August 15, 1947, which is considered the first, is added up, the total will be 76. This is the reason why August 15, 2022, is being celebrated as the 76th Independence Day. Hence, in totality, the correct way to say is that India is celebrating the 75th anniversary of its independence but it's still the 76th Independence Day. Remembering the martyrs of freedom struggle and their immense contribution in Indian Independence, DPS Bokaro celebrated 'Azadi ka Amrit Mahotsav'. The theme for this year's celebration is 'Har Ghar Tiranga'. The Azadi ka Amrit Mahotsav campaign is based on five broad themes- Freedom Struggle, Ideas@75, Resolve@75, Actions@75 and Achievements@75. Over the past 75 weeks, different events based on the themes were organized to commemorate 75 years of the country's independence.
