# WORLD ENVIRONMENT DAY OBSERVATION 5<sup>TH</sup> JUNE, 2017

World Environment Day is a campaign established to bring some positive environmental changes all over the world to make life better and more natural. Environmental issues are big issues now-a-days to which everyone must be aware and give their positive efforts to solve such issues. Youths of any country in the form of students are big hope to bring some positive changes in the environment full of pollution, global warming, etc...

World Environment Day was established with various plans, agenda and objectives to remove all the environmental issues from this planet and make it really a beautiful planet. It was necessary to establish this particular event to focus on environmental problems and give people a face to environmental issues. Its celebration helps us to understand the importance of healthy environment for our healthy life as well as to empower public to be the active agents of sustainable and environment-friendly development worldwide. It spreads the common understanding among people that it is must to change their attitudes towards environmental issues to ensure the availability of a safer and more prosperous future to all the nations and peoples

The Focal theme for World Environment Day 2017 in our college was:

**'Connecting Students to Nature'**

Our College campus is spread over 52 acres of land under the foot of towering Kalari Hills by the side of Kozhikode-Balusser Road, noted for its scenic beauty and blessed with the natural spring in the south-east location.

So as part of the observation of World Environment day, we selected Kalari hills for saplings by the name 'Kalarikkunninoru thanal'. Through "Green Kerala Mission" by Govt.of Kerala our NSS units 19 & 33 got 50 saplings from Vanasree, Mathottam. Also NSS students of college collected around 523 saplings.

The programme 'Kalarikkunninoru thanal' was formally inaugurated by Sri. P M Raveendran, SN Trusts Executive member at Kalari hills, Sree Narayana Guru College by 10am.

## 1. FLASH MOB ( Harmful effects of drug abuse and its complications )

It may be difficult to recognize drug or alcohol abuse, but when left untreated the consequences of drugs and alcohol abuse undermines everything you care about. Like an aggressive form of cancer, drug and alcohol abuse infects every aspect of your life. Sometimes minor consequences are the catalyst for someone to address his or her issues with a substance problem. Others slip deeper into a life addiction, and do not seek help until they hit rock bottom. Understanding the detrimental effects of drug and alcohol abuse to your finances, work, and relationships will help you recognize your problem and take the first steps to recovery.

National Service Scheme students of our college conducted a flash mob program at college campus on 22.12.2017, which made the awareness about 'how drugs and alcohol effects one's health and family. The program was a good success with the participation of 90% of students in the campus.

## 2. SIGNATURE CAMPAIGN ( 'Against drug abuse' )

To ensure the participation of each and every student in the program, we have conducted a signature making program at college campus. The program was formally inaugurated by sub Inspector of Police Sri. Agesh K K, Kakkur police station on 22.12.2017.

### 3. PHOTO GRAPHY COMPETITION

The photography contest helps fulfill the mission against tobacco in two ways: The photographer connects with complications of tobacco usage while making images and the viewer becomes inspired to connect with the consequences of the same by seeing the images. The purpose of the contest is to give photographers an outlet to share their work and have it judged, while at the same time inspiring others to connect with complications of tobacco usage.

National service scheme units of Sree Narayana Guru college, Chelannur conducted a photography competition at college on 04.01.2018. A first year B.Com student, Aswanth got the first price of Rs.1000, Aksitha NK( II Sem Bsc Botany) got the second price of Rs.750 and Abhijith K K( VI Sem BA Economics) got the third price Rs.500.

*Aswanth receiving the first price Rs.1000/- from principal Professor V R Sudheesh.*
