Alumni Feedback Analysis and Action Taken Report (2017-2018)

As done in the previous years, a meeting of alumni (ex-students) was convened this year too in the college campus. The alumni attended the meeting with enthusiasm and a sense of belongingness. We also collect feedback from alumni on course content, teaching-learning process, curriculum, Library and other related matters since we believe that feedback obtained from the Alumni is an important aspect for the development of any educational institution.

Feedback received from alumni for the academic session 2017-2018 on curriculum aspects and other related issues of the college development is as follows. It was found that 68% of the alumni agreed that their degree was relevant to their present job. 85% Alumni felt that the quality of education imparted in the college was excellent and 75% Alumni appreciated the academic initiatives taken by the college to increase the employability of the students. The next question the alumni were asked to respond to was about the college library and whether it provided access to prescribed books required for the curriculum. 65% of Alumni opined that they got proper facilities but the remaining 35% said that they did not get such facilities. They suggested that the number of books should be increased in the library. 80% of Alumni are satisfied with the course content delivered by the faculty. The quality of the teaching standards and Skill Training Programmes at the institution and its contribution towards their wards' overall personality development is excellent. The education every student gets from his/her college plays an important role in bringing his/her career forward, securing a stable and secure job and providing emotional and financial security. Majority of them expressed their satisfaction regarding the way the teachers completed the portions. 72% Alumni are satisfied that the Institution is able to maintain a fair balance between academic and Co-curricular activities. 68% Alumni responded that skills acquired during the course of their study benefitted their professional life. Nearly 60% of alumni commented that the course curriculum fulfilled their expectations. As per alumni feedback, the relation of curriculum to job was rated as good. Majority of alumni are employed outside their field of study. They suggested including more Value-added Courses in the respective programmes so that the employability skills will be enhanced. 73% agree that the college organized activities that ensured their overall development.

The institution provides various learning resources along with extracurricular activities and career development programmes. The next question was whether the infrastructure of the college was conducive to learning. 58% of alumni members responded positively and 42% did not respond likewise. In the feedback on Infrastructure facilities from the alumni, the major request was to provide additional classrooms keeping in view the increasing number of students in the college. The feedback given by the Alumni was analyzed and suitable action was taken to meet the expectations of the concerned.

1. Improved the library facilities
2. College decided to construct a new building.
