

SREE NARAYANA GURU COLLEGE, CHELANNUR

Employers Feedback Analysis and Action Taken Report (2020-2021)

The feedback from the employers who recruit the students from our institution play a vital role in enhancement of their vocational and workplace skills along with the employability of the current and upcoming batches of students. A huge number of students pass out every year. Some of them pursue higher studies for their academic endeavor, rest of the students prefer to work. A questionnaire is shared with these employers seeking their observations about their employee (who are alumni of the College). The Employers were offered to describe their perception driven from their employee's performance on a five point scale ranging between strongly agree, agree, neutral, disagree and strongly disagree. From the first attribute it is found that majority of the employers strongly agreed that the candidates from our institution in who are employed in their organization have good communication skills. It was noted that majority of employers strongly agreed to the fact that the students from Sree Narayana Guru College, Chelannur up-to-date in technical skills. They are open to innovative ideas and learning new techniques and they are ready to work them. Most of the employers agreed that candidates from our institution have good behavioural skills and they have good managerial skills. The candidates from our institution maintain a cordial relationship with subordinates and higher officials. Some of the employers are disagreed.
