

**SREE NARAYANA GURU COLLEGE, CHELANNUR**  
**ACTION TAKEN REPORT ON FEEDBACK FROM PARENTS, 2018-19**

Parents can provide valuable insights into their children's needs and preferences, allowing institutions to make more informed decisions about academic and non-academic matters. During each academic year, the college has been collecting feedback from parents through PTA meetings, with the support of IQAC. The questionnaire asks about aspects like satisfaction with the college's teaching standards, academic excellence, discipline, campus safety, and other qualitative aspects. The Principal commended the teachers who actively contributed to the enhancement of college's supportive learning environment in 2018-19. Teachers were also encouraged to take the necessary steps to improve discipline. Some parents raised the issue of poor lighting in the classroom. The institution remedied this issue with the assistance of the management by providing appropriate LED tube lights in the classroom.
