

SREE NARAYANA GURU COLLEGE, CHELANNUR
ACTION TAKEN REPORT ON FEEDBACK FROM PARENTS, 2021-22

As a result of the Covid-19 pandemic, the teaching learning process was partially online, for the academic year 2021-22. The Principal and IQAC used a Google form with a questionnaire to seek input from parents on student teaching and learning. The questionnaire asks about student participation in online and offline classrooms, the quality of online teaching, and other academic and non-academic issues. The majority of parents stated that the educational approach in the present scenario is superior to that in 2020-21. And some parents suggested that the college's restroom facilities be improved, especially during the pandemic period. The Principal presented this issue to the management, who took immediate action to rectify the problem.
