

# **SREE NARAYANA GURU COLLEGE, CHELANNUR**

## **FEEDBACK ANALYSIS AND ACTION TAKEN REPORT**

### **STUDENTS' FEEDBACK ON TEACHERS**

**2020-21**

During the Covid Pandemic, the Internal Quality Assurance Cell(IQAC) of the college took the initiative to collect feedback from students for the academic year 2020-21, through a Google form questionnaire that included 10 attributes, namely: 1. Knowledge base of the teacher 2. Communication skills (in terms of articulation and comprehension) 3. Sincerity or commitment of the teacher 4. Interest generated by the teacher 5. Ability to integrate course material with the environment or other issues to provide a broader perspective 6. Ability to integrate content with other courses 7. Accessibility of the teacher in and out of the class (includes availability of the teacher to motivate further study and discussion outside class) 8. Ability to design quizzes, tests, assignments, examinations, and projects to evaluate students understanding of the course 9. Provision of sufficient time for feedback and 10. Overall rating.

COVID-19 has disrupted academic progression for students, facing challenges such as technological barriers to online learning and difficulty in accessing course materials. To facilitate a better understanding of the teaching content, a Committee consisting of IQAC and Principal suggested that each department should conduct a live session at the end of each module. The Committee also noticed that the attribute 5(Accessibility of the teacher in and out of the class) was weak during the year 2020-21. To overcome this issue, committee suggested that the enquiries from students should be answered and responded to at once by the teachers. This ensures that students are motivated to progress themselves by means of the new online medium.
